Re: The State v. Michael W. Faile  
Appellate Case No. 2017-002041

Dear Counsel:

Upon reviewing your client's notice of appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter, or this appeal may be dismissed:

- Since this is an appeal from a guilty plea, nolo contendere plea, or plea pursuant to Alford, Rule 203(d)(1)(B)(iv) of the South Carolina Appellate Court Rules requires "a written explanation showing that there is an issue which can be reviewed on appeal. This explanation should identify the issue(s) to be raised on appeal and the factual basis for the issue(s) including how the issue(s) was raised below and the ruling of the lower court on that issue(s). If an issue was not raised to and ruled on by the lower court, the explanation shall include argument and citation to legal authority showing how this issue can be reviewed on appeal."
- A proof of service has not been provided. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.
- The notice of appeal is not filed in the correct format pursuant to Rule 203 of the South Carolina Appellate Court Rules. The notice of appeal must include

the trial court information, the names of opposing counsel, and the date that notice of written entry was received.

- The document has not been timely filed. A motion to allow the late filing will have to be made.

Very truly yours,

*V. Claire Allen, Deputy*

CLERK
