Justice Beatty,

S.C. SUPREME COURT

27 OCT 17

I'm writing you today sir on my birthday because I'm having trouble trying to figure out exactly why I'm being held in prison when there is no logical reason for me being here... I've committed no crime to held for almost 3 yrs without any relief from the courts.

Appellate Case No 2016-001979  
From the beginning of this case the state has not had any evidence or probable cause to even have me arrested which sir if you were to check my arrest warrants, they are completely insufficient and so are the indictments " there is no way that I could have gotten true billed with no evidence, witnesses or anything close to that and sir I have 2 separate dates that the Grand Jury supposed to have

convened while GS was in  
July 2 2015 or July 6 2015 ?  
and the trial started July 7 2015  
and true bill was written in  
not stamped? Furthermore the  
APP<sup>12</sup> the states only sworn  
witness under oath wasn't present  
at the scene of the crime nor  
was John Hicks present in front  
of the Judge Patrick Dorn Sullivan  
5035 ... or the preliminary hearing  
of the trial ... STATE vs Dunbar  
opinion NO. 3866 2004 I've  
written my Appellate Lawyer  
to no avail, Atty Gen, and  
Mr. Daniel Shearhouse on this  
matter how much longer will  
I have to do this time before  
I'm finally heard? I'm  
innocent sir and I can prove  
it.

\* INNOCENCE \* It is better than  
TEN guilty persons escape than  
ONE innocent suffer.

for General Sessions

Shamlegal that failed to confer  
subject matter jurisdiction because  
the SC Legislature did not  
enact a July term of gen  
sessions so a lawful grand jury  
could not convene.

The truth is all within my  
transcripts that is all the help  
that I've received for my  
defense and the Law Library  
at Lieber... I need my fair  
bite of the apple!!!

Thank you for  
your time SIR
