Re: Gregory Faubel v. Tom Pate
Appellate Case No. 2017-001074

Dear Mr. Faubel:

The Court is in receipt of your material filed September 26, 2017, which we construe to be an attempt to correct the deficiencies outlined in the Court's letter dated September 19, 2017. Please be advised that the deficiencies outlined in the Court's letter of September 19 must be corrected in their entirety before this appeal can proceed. Within ten (10) days of the date of this letter, you must serve and file an appellant's initial brief that complies with the South Carolina Appellate Court Rules. Specifically, the initial brief you provided is missing a cover page and the table of contents. Please refer to Rule 208, SCACR, for the content of the appellant's initial brief, and Rule 267, SCACR, for the form of papers. You must also provide a certificate of counsel for your designation of matter, as required by Rule 209, SCACR.

Please find enclosed your copy of the transcript. We are returning this to you as the Court does not require you to file the transcript at this time. Please see Rule 209 and 210 of the South Carolina Appellate Court Rules for further assistance.

Very truly yours,
