Re: Cricket Store vs. City of Columbia, 2016-CP-40-03478
Appellate Tracking Number: 2017-000561

Dear Ms. Kitchings,

I am requesting a ten-day extension to file appellant's initial reply brief and designation of contents of record on appeal. The reply brief is currently due Monday, October 16, 2017. I am making the request due to the demands of a heavy workload and because I was in trial this week and did not receive the respondent's brief until October 9, 2017. Prior to making this request, I consulted with opposing counsel who does not oppose it. I have included our firm's check in the amount of \$25.00 as the filing fee for this request. Since this is my first request for extension on the reply brief, I am making the request via this letter, but if you require a formal motion, I will forward such. I thank you in advance for your attention to this request, which will now make the reply brief due on or before, Thursday, October 26th. With kind regards, I am

Very truly yours,
