Please take notice that I, Marcus L. Hall is appealing the Order for the Writ of Assistance that was signed on September 15, 2017 by Master in Equity, Judge Joseph M. Strickland.

My reason for filing this appeal is because in August 2017, I filed a Constitutional Challenge in which the Master in Equity was personally served by the clerk of court which means that his office was aware that it was filed and that it also included on its face the Writ of Assistance. This meant he could have very well object to it but could not make a ruling concern that Writ of Assistance.
