RE: Tyrone Perry v State
Appellate Case No 2017-001770

S.C. SUPREME COURT

Dear Mr Shearouse

On August 28, 2017 I was given (20) days to file a 243(C) motion to show cause. I filed this motion with the institutional mailroom here on September 12, 2017. On September 22, 2017 I received an order of dismissal for failure to file this motion. I submitted a letter to you with a legal mail log verifying that I sent this correspondence out on Sept 12, 2017 and on September 28, 2017 I received a letter stating I had (10) additional days to submit again this motion. I submitted again on September 28, 2017 a 243 (c) and a 59(c) motion on the same day of Sept. 28, 2017. So my question to you is did you receive these motions. I'm having problems out of the institutional mailroom losing my mail when I have made ALL deadlines. Pursuant to *Huston-V-Lock* once a document touches prison officials hands its technically filed. I have done my part by the agency's staff is mishandling my mail. I tried to file grievances but staff fails to return responses to my informal resolutions. So could you please tell me the current status of my case.

This 25th day of October 2017
