Appellant hereby moves pursuant to Rule 263(b), SCACR, for a 10-day extension of the time in which to serve and file Appellant's Initial Reply Brief and any accompanying Designation of Matter to be Included in the Record on Appeal in this case. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. This is the first extension of this deadline that Appellant has sought in this appeal.
2. The deadline sought to be extended runs today, October 26, 2017.
3. Appellant's counsel has had an exceptionally busy few weeks and has not had time to draft the brief yet. Appellant's counsel has had to attend a number of hearings and meet numerous writing deadlines.
4. Appellant's counsel believes there is good cause to grant the requested extension to November 6, 2017 (as November 5 is a Sunday).

WHEREFORE Appellant prays for an Order extending the time in which to serve and file Appellant's Initial Reply Brief and any accompanying Designation of Matter to be Included in the Record on Appeal as described above.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'A. S. Radeker', written over a horizontal line.
