C/A No.: 2010-CP-15-559
Your File No.: 2011-186107
Our File No.: 09-205

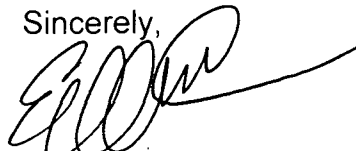

Dear Ms. Allen:

I am in receipt of the filed Order regarding Appellate Court Case No.: 2011-186107 and I thank you for the same. Unfortunately, the wording in the Order is somewhat incorrect. The Order states "it appears to the satisfaction of the Court that the above case has been fully and finally settled by agreement between the parties." There has been no settlement beyond the Judgment. The Appellants filed a motion to dismiss the appeal because they no longer wished to pursue it, to which the Respondent consented.

Therefore, I am requesting a corrective Order which states that the case pending before the Appellant court has been dismissed with prejudice based on Appellant's motion, without reference to a settlement agreement.

If I need to do anything more formal, please let me know. Thank you for your consideration of this request. If you have any questions or concerns, please contact me.

Sincerely,

Bert Duffie
