v.

South Carolina Department of Health and Environmental Control, Respondent, and Roper Pond, LLC, Respondent/Appellant.

Appellate Case No. 2017-001554

ORDER

On October 5, 2017, this court denied Appellant/Respondent's petition for supersedeas. Appellant/Respondent has now filed a "motion for clarification of automatic stay applicability" and a petition for rehearing pursuant to Rule 241(d)(7), SCACR. After careful consideration of the filings, the court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, the motion for clarification and the petition for rehearing are denied.
