RE: State v. Jerome Williams

Dear Mr. Williams:

I have received your request to prepare the transcript in the above referenced case held before the Honorable Judge Letitia H. Verdin on May 12, 2017. I have reviewed my records and estimate this transcript to total approximately 20 pages.

Based on our current rate of \$3.25 per page plus postage of \$2.05, I estimate the cost to be \$ 67.05. If I have underestimated the number of pages, you will be notified of the balance due prior to delivery of the transcript. If I have overestimated the number of pages, you will be refunded the overpayment.

You may further define your request in terms of transcript format (paper copy via U.S. Mail, electronic copy via email, etc.) and the turnaround time that you are seeking, as there are additional fees for electronic copies and expedited services as specified in SCACR Rule 607(h)(1).

Under our rules, I have 60 days to transcribe and deliver your request. Upon receipt of a deposit in the amount of \$ 67.05, the 60 days will begin. No personal checks please. In the event I need additional time to complete the transcript, I will request an extension from Court Administration. You will be notified if the extension is granted.

Cordially,

Teresa B. Johnson
