Re: Alexander Pastene v. Marion R. McMillan
Appellate Case No. 2017-000294

Dear Mr. Pastene:

Upon examination of our file, we located your letter dated October 18, 2017, indicating you received the transcript on that date. In accordance with our order dated October 31, 2017, we calculate that your amended appellant's initial brief and designation of matter are due to be served and filed on November 17, 2017. Based on this resolution, we decline to rule on the respondents' motion for an extension of time to file their brief. The respondents' initial brief and designation of matter will not be due until after service of your amended brief.

Very truly yours,

A handwritten signature in cursive script, appearing to read "Jenny A. Kitchings".
