Re: Daniel Eric Knight v. Phillip Ray Causey
Appellate Case No. 2017-001817

Dear Counsel:

To reiterate a conversation you had today with a member of my staff:

Pursuant to Rule 208 of the South Carolina Appellate Court Rules, due to your having received a copy of the transcript prior to service of the notice of appeal, your initial brief and designation of matter were due 30 days after service of the notice of appeal. And you must now file a motion to serve and file the appellant's initial brief and designation of matter out of time.

Very truly yours,

A handwritten signature in black ink, appearing to read "Jay A. Lacey". The signature is fluid and cursive, with a large initial "J" and "L".
