To Whom This May Concern,

My name is Arielle Haynes, I am the victim in Marvin Guest CDV case. I am writing this letter because I do not wish to press charges against him. I went with Marvin to meet with his public defender James Adams III for the first time on September 21, 2017. They met no longer than 20 minutes. Once Marvin came out of the meeting, he told me that James Adams III said that because I did not want to press charges to go down stairs and fill out a form to drop the charges I did just that. I haven't heard anything back since that day. The reason I do not wish to press charges are: ① It was all a misunderstanding ② If it wasn't for him being in my life today, I wouldn't be where I'm at today ③ He has small children that need him to be there for them including our 2 year old daughter ④ We're trying to move pass this situation and get ourselves together. We've been going to marriage counseling. We have plans for the future and this incident is stopping us from accomplishing our dreams/goals. We've been together 4 years and this is the first time something like this has happened and I reassure you this will not

happen again. So to whom this letter
may concern, could you please take
this letter into consideration.

Sincerely,
Arielle Haynes
