Lower Court Case No. 2013CP1601003

Dear Mr. Dawson:

This Court has received your notice of appeal, and the case has been assigned the appellate case number that appears above. Please use this number on all future correspondence relating to this matter.

All parties to this matter are advised that all filings must comply with the requirements of Rule 267 of the South Carolina Appellate Court Rules (SCACR). The SCACR are available online at www.sccourts.org/courtreg. Additionally, any filings submitted by counsel admitted in South Carolina must include counsel's bar number.

The attention of the parties is directed to the order relating to the inclusion of personal data identifiers and other sensitive information in documents filed with the Supreme Court of South Carolina and the South Carolina Court of Appeals. The order can be found at

www.sccourts.org/courtOrders/displayOrder.cfm?orderNo=2014-04-15-02. Please note that the responsibility for insuring that information is redacted or sealed as required by this order rests with counsel and the parties. This office will not review filings for redaction or to determine if materials should be sealed.

Your notice of appeal does not indicate the date of the order from which this appeal is being taken as required by Rule 203(e)(1)(C), SCACR. Therefore, it will be necessary for you to provide this Court with the date of the order from which this appeal is being taken. Further, you will need to provide this Court with the date on which you received written notice of entry of this order as required by Rule 203(e)(1)(C), SCACR.¹

Finally, while your notice of appeal states that an order is enclosed, no order was enclosed. Therefore, it will be necessary for you to provide this Court with a copy of the order(s) to be challenged in this appeal as required by Rule 203(d)(1)(B)(ii), SCACR.

The above information and documents must be provided to this Court within fifteen (15) days of the date of this letter.

Very truly yours,

A handwritten signature in black ink, appearing to be "D. R. Z.", with a long horizontal flourish extending to the right.

¹ The public case index for Darlington County indicates that the last circuit court order filed in this case was filed on October 2, 2015. The records of this Court indicate that notice of appeal was taken from that order, and this Court dismissed the notice of appeal based on your failure to provide an adequate explanation under Rule 243(c), SCACR. *Dawson v.
