SC Court of Appeals

# Explanation of Appeal

10-28-17

I Harold Pratt would like to address the court due to my negligence of my Attorney involving my case. I was advised if I took a plea agreement that my charges would drop to a lesser offense than I indicted. But when I sign the plea-agreement my charges remain the same as I was Indicted for. So that's I wanna file a motion of Ineffective of Counsel on this Appeal. And I would like the courts to vacate my sentence on all charges. And also I would like to know why was my legal rights was not fill. And I was lied to by Peggy Hinds, Douglas McLeod, Green Stevens, and Danny the Private investigator. So that's why I need this Plea. And also what I'm saying about my legal rights is I was lock up for 22 months and not had a bond and not seeing the 4 e-D's that Peggy had. I do have rights! That's just like the other man that was going to see Peggy at the same time I was Douglas, Peggy and Danny the investigator. They tried to give him 32 yrs. he said going to trial at the end he got 5 yrs. Because Douglas, and Peggy, Did not want to go to trial so that's way he got 5 yrs I was not done right.

Thank's

Harold Ray Pratt
