Re: ABB, Inc., and BFP, LP, a/k/a Bullington Partnership v. Integrated Recycling Group of SC, John Murphy Armstrong, Jr., and Michael T. Armstrong  
v.  
Integrated Recycling Group, of SC, LLC  
C.A. No.: 2016-CP-42-04147

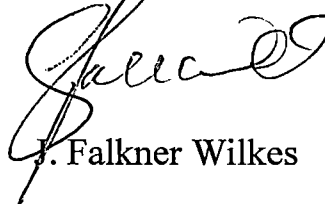

Dear Ms. Kitchings

I have just filed and served the final briefs in the China v. Sprenger case as well as serving the record in the State v. Simpson. I am also working on the petition for certiorari in Williams v. State, along with the briefs in the supreme court in Gibbs v. Gibbs. In addition I have numerous other matters that I have been working on at the appellate and trial level. As a result of my current work load I am in need of an extension of time to complete the initial brief in this case.

I am hereby requesting an additional thirty days in which to serve and file the Appellant's Initial Brief and Designation of Matter in the above captioned case. As this is my first request I am making it by letter. I am also enclosing a filing fee for this request. If I need to do anything further in regards to this request please let me know.

As the all three Appellants are all aligned in their issues in this case it is the intention of all Appellants to join in a single brief for which I will be responsible. Therefore, I am requesting an extension on behalf of Appellants Integrated, John Armstrong and Michael Armstrong. I anticipate the filing of a formal motion to substitute as counsel for the individual appellants within the next week.

Sincerely,

J. Falkner Wilkes
