S.C. SUPREME COURT

Dear Mr. Shearouse,

Sorry to bother you, I need to explain my situation to you. I have been moved from the regular inmate population, and placed in segregation due to my security custody changed. The first of the year I will be moved to another facility then the law library will be made available to me. I have to request certain books I want and they have 30 days to answer my request. So this is the reason for all my delays, not to include being ignorant to the law. I need a copy of the first brief I sent you, my copy is stored in my property. Sorry to inconvenience you I'm trying to fight for some freedom and need all the help I can get. Thank you.
