**RESPONDENTS' MOTION FOR EXTENSION TO FILE BRIEF**

Respondents respectfully request of this Court, and hereby move, for a 30 day extension in the filing of the Brief in this matter. This is the first extension request for the Respondents.

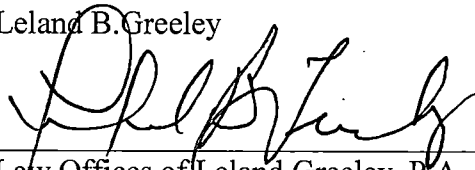

The reason for the motion is that counsel for Respondents Elder and White has recently had a heavy court and mediation schedule and believes the additional 30 days will allow him the needed time to prepare the brief.

The reason for the motion for counsel of the remaining Respondents is that he has been out of the office recently due to caring for his elderly mother who is having health concerns. Additionally, his mother lives in a another town where he has had to stay with her.

Further, counsel for the Appellants has indicated they have no objection to the extension.

Respectfully submitted,

Leland B. Greeley
