Re: The State v. Telly Darnell McClam
Appellate Case No: 2016-000793

Dear Ms. Kitchings:

On October 17, 2017, the State filed with this Court Respondent's Initial Brief and Designation of Matter in the above appeal. However, after my initial brief had been filed, it was called to my attention that the brief had been served on the wrong counsel for the appellant. This was a scrivener's error, and since the due date for the respondent's initial brief is not until October 20, 2017, the State by copy of this letter is today serving appellant's correct counsel of record with two copies of the aforementioned initial brief. Enclosed is a copy of the Proof of Service reflecting service of the respondent's brief on Mr. Yarborough's on today's date

Sincerely,

David Spencer
Senior Assistant Attorney General
