

The Supreme Court of South Carolina

Tyrone Perry, Petitioner,

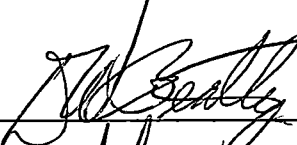

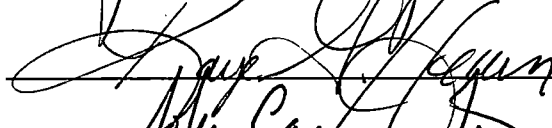

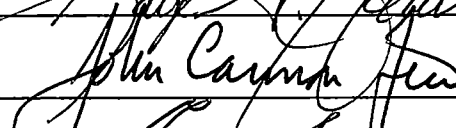

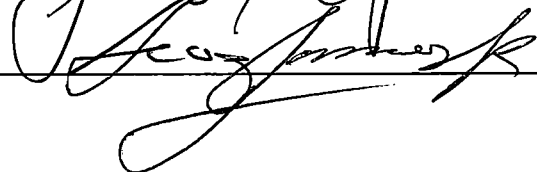

v.

State of South Carolina, Respondent.

Appellate Case No. 2017-001770

ORDER

Petitioner has submitted a letter and filed a motion to alter or amend in which he requests the notice of appeal in this matter be reinstated. That request is granted. However, we find the explanation petitioner has submitted pursuant to Rule 243(c), SCACR, fails to show that there is an arguable basis for asserting the determination by the lower court was improper. Accordingly, the notice of appeal is dismissed on that basis. Rule 243(c) ("If the petitioner fails to make a sufficient showing, the notice of appeal may be dismissed).
