SC Court of Appeals

Dear Ms. Allen,

I received your letter on 10/24/17, regarding errors in my brief and designation of matter. As I only had 5 days, due to staff shortages resulting in mail delays and trying to get to law library, I respectfully request an additional 10 days from the above date, I will try to have in mail by 11/8/17 if at all possible. Thanks so much for all of your assistance.

with kindest regards,

Steve Higginbotham
