Re: State v. James Lee Barno
Warrant/Ticket No(s): 2017-002176

Re:

Attn Appellate Clerk:

On October 25, 2017 I contacted the Court of Appeals in reference to a notice of deficiency in the above mentioned case. I discussed the matter with a member of the staff and we both discovered that the issue of deficiency was that the Notice of Appeal reached the Court before the trial verdict was entered into the public index. I did not enclose a sentencing sheet because I am not appealing Mr. Barno's sentence, I am only appealing his trial verdict. I have enclosed a copy of the public index that shows the date of the jury trial.

Should you have any further questions please do not hesitate to contact me.

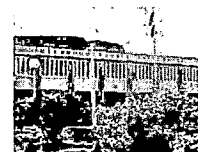

Sincerely

Jason Bridges, Esq.
