I, Inv. Powell, being duly sworn, depose and say I am a police officer certified in South Carolina. I am employed by the Goose Creek Police Department, and I am authorized to make searches and seizures. That on December 24, 2011, two suspects committed an armed robbery at the Zaxby's in Goose Creek, SC. That during this incident, the manager of the business was shot by one of the suspects. That after the robbery an informant came forward and provided information identifying two suspects possibly involved in the incident. Information obtained from the informant was that Christopher Darnell Wilson was involvement in the commission of the armed robbery that occurred at Zaxby's. Approximately \$3,700.00 in U.S. currency was stolen during the armed robbery. A shell casing located on scene indicated that the gun was a .22 caliber handgun and the video surveillance showed one of the suspects wielding a kitchen style knife. A ski mask was recovered during the investigation and DNA was located in the ski mask. Christopher Darnell Wilson's DNA was on file in the RODIS database and was a positive match to the DNA located in the ski mask.
