Good Afternoon,

Judge Early hereby respectfully upholds the ruling of the probate court. Under the applicable standard of review, the Circuit Court, serving as the appellate court, may not disturb the probate court's finding of fact for proceedings concerning an action at law, unless review of the record discloses no evidence to support him. Accordingly, the probate court's ruling is affirmed. Mr. Rich, please prepare an order, share with opposing counsel, and e-file for Judge Early's signature.

Thank you,  
Hannah
