IN THE COURT OF COMMON PLEAS
 FOR THE FIFTH JUDICIAL CIRCUIT

Case No. 2016-CP-40-02470

ORDER REQUIRING
 TURNOVER OF COLLATERAL
 AND SEQUESTERING RENTS

2016 NOV 28 PM 3:48
 RICHLAND COUNTY
 FILED
 JEFFREY W. MCGRIDE
 C.P. & G.S.

This matter came before the Court for a hearing on the Motion for Order Requiring Turnover of Collateral and Sequestering Rents (the "Motion") filed by the plaintiff, U.S. Bank National Association, as Trustee, successor-in-interest to Bank of America, N.A., as successor by merger to LaSalle Bank National Association, as Trustee for the registered holders of Bear Stearns Commercial Mortgage Securities, Inc., Commercial Mortgage Pass-Through Certificates, Series 2007-TOP26 ("Plaintiff").

Having considered the Motion, the affidavits and memorandum submitted in support thereof by Plaintiff, the memorandum in opposition submitted by the defendants AW-MAGPIG, LLC, HW-MAGPIG, LLC and MW-MAGPIG, LLC (individually or collectively, as the context requires, "Borrowers"), and the arguments of counsel, the Court finds that the Motion should be granted. Accordingly, I make the following findings of fact:

FINDINGS OF FACT

1. This is a foreclosure action. Borrowers own the Property (defined below) that is the subject of this action. Plaintiff is the current owner and holder, by assignment, of a \$4,500,000.00 commercial mortgage loan (the "Loan") made to Borrowers on March 1, 2007, by Bear Stearns Commercial Mortgage, Inc., a New York corporation ("Original Lender"). The Loan is evidenced and/or secured by, without limitation:

- (a) Promissory Note dated March 1, 2007, executed by Borrowers and payable to Original Lender in the original principal amount of the Loan (the "Note");
- (b) Mortgage, Fixture Filing and Security Agreement dated March 1, 2007, executed by Borrowers and recorded in the Richland County Register of Deeds (the "Register") in Book 1288 at Page 3842 (the "Mortgage");
- (c) Assignment of Leases and Rents dated March 1, 2007, executed by Borrowers and recorded in the Register in Book 1288 at Page 3902 (the "ALR");
- (d) Cash Management Agreement dated March 1, 2007, between Borrowers, Original Lender and The Bank of New York Trust Company, N.A. (the "Cash Management Agreement"); and
- (e) Replacement Reserve and Security Agreement dated as of March 1, 2007, between Borrowers and Original Lender (the "Reserve Agreement");
- (f) Conditional Assignment of Management Agreement dated March 1, 2007, between Borrowers, Whatfor, LLC, a New York limited liability company ("Property Manager") and Original Lender (the "CAMA").¹

2. The Mortgage encumbers the Property (as defined therein), which is comprised of certain land and improvements forming Magnolia Pointe retail shopping center, located at 2000-2020 Clemson Road, Columbia, South Carolina. The Property also includes certain other collateral more fully described in the Mortgage, notably including the Leases and the Rents, as such terms are defined in Section 1.1(f) thereof.

¹ Copies of the Note, Mortgage, ALR, Cash Management Agreement and Reserve Agreement are attached to the Complaint as Exhibits A, B, D E and G, respectively. A copy of the Management Agreement Assignment is attached as Exhibit 5 to the Dickerson Affidavit.

3. Further, pursuant to both the Mortgage and the ALR, Borrowers assigned and conveyed to Plaintiff, without limitation, all of Borrowers' rights, title and interests in and to the Leases and the Rents, as such terms are defined in Section 1.1(f) of the Mortgage and Sections 1.1(a)-(c) of the ALR.² Upon such assignment, Borrowers were granted a revocable license to, inter alia, collect and receive the Rents (the "License"). Upon an Event of Default or a Default (as defined in the ALR), the License is automatically revoked and Plaintiff becomes immediately entitled to collect and receive the Rents even if Plaintiff does not enter or control the Property.

4. Property Manager is the property manager for the Property and, according to the Dickerson Affidavit, is an affiliate of Borrowers and controlled by one or more of the same principals. Pursuant to the CAMA, upon notice from Plaintiff following a default, Property Manager must directly remit to Plaintiff an amount equal to all Rents received less the Property's operating expenses. Further, during any time that any amount due and owing under the Note or Mortgage is not paid when due, Property Manager is not entitled to any fee, commission or other amount payable to Property Manager under the related management agreement (collectively, "Management Fees").

5. Under the Cash Management Agreement, upon a Cash Management Event^{3,4} Borrowers must, inter alia, establish a Cash Management Account and cause all Rents to be transferred therein from the Clearing Account on a daily basis. Cash Management Account

² "Rents" is broadly defined to encompass, without limitation, all rents, income, revenue or profits from the Leases or the Property. It is expressly noted that Rents include (without limitation) any amounts received by any Borrower Parties (defined below) from any lease guarantors or current or former tenants of any portion of the Property by virtue of any collection efforts, to include, without limitation, any threatened, existing or future litigation and/or judgment obtained against any such lease guarantors or current or former tenants.

³ Capitalized terms used but not defined herein shall have the meanings ascribed or referenced in the Cash Management Agreement.

⁴ A "Cash Management Event" includes "(a) the occurrence of an Event of Default, ..., [or] (d) the date Piggly Wiggly ceases operations at the Property, vacates the Property or otherwise 'goes dark,' or terminates its lease." Cash Management Agreement § 1.1, p. 2.

SCANNED

funds are to be disbursed each month for amounts owed under the Loan Documents and for operating expenses, and all remaining funds (Excess Cash Flow) are to be disbursed to Plaintiff.

6. As indicated by the above-referenced provisions of the Loan Documents, it is readily apparent that Rents were intended to be and are a critical component of Plaintiff's security. The significance of the Rents as security is further heightened by the fact that Borrowers' only asset is to be the Property (including the Rents), which would be divested through foreclosure.

7. In addition, Borrowers are required under the Mortgage to deliver to Plaintiff, inter alia, (a) monthly rent rolls, operating statements and annual balance sheets and profit and loss statements, and (b) upon Plaintiff's request, a property management report, an accounting of tenant security deposits and an annual budget (collectively, "**Required Documentation**").

8. During the spring or summer of 2014, Piggly Wiggly ceased operations at the Property and went "dark", which Borrowers have not disputed. A Cash Management Event (the "**PW Event**") thus occurred.

9. On August 1, 2014, Plaintiff notified Borrowers of the PW Event and demanded compliance with their resulting obligations under the Cash Management Agreement (the "**Aug. 2014 Demand**"). Borrowers failed to do so within 60 days and continuing thereafter, resulting in one or more Events of Default (individually or collectively, the "**CM Default**").

10. As a result, Plaintiff has been deprived of benefits and security afforded by the Cash Management Agreement and the Mortgage, notably including all Excess Cash Flow, since the PW Event occurred over two years ago.

11. As evidenced by the Dickerson Affidavit, shortly after the PW Event and the Aug. 2014 Demand, Borrowers ceased providing Required Documentation to Plaintiff, effectively

concealing the Property's financial performance - including the amount of Excess Cash Flow. Borrowers' failure to provide subsequent Required Documentation, despite Plaintiff's multiple written requests, constitutes one or more further Events of Default.

12. As evidenced by the Dickerson Affidavit, the Property has likely been generating significant Rents and Excess Cash Flow for the past two years. In the first three quarters of 2014 the Property generated \$719,363.19 in total income and \$391,222.42 in net operating income. Plaintiff believes the Property is currently leased similar to September 2014, and Borrowers have offered no evidence to the contrary.

13. Following notice from Plaintiff on December 19, 2014, Borrowers have failed to pay the monthly replacement reserve deposits as required under the Reserve Agreement beginning in January 2015 and each month thereafter, resulting in additional Events of Default.

14. Pursuant to the CAMA, Plaintiff notified Borrowers and Property Manager that Property Manager should begin remitting to Plaintiff all Rents less operating expenses (excluding Management Fees) but Property Manager has failed to do so.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, this Court concludes as follows:

A. The Findings of Fact are denominated Conclusions of Law to the extent that they constitute the same.

B. Upon any above-referenced default, Borrowers' License to collect and receive the Rents was automatically revoked, and Plaintiff immediately became and is contractually entitled to collect and receive the Rents.

C. Further, the assignments of Rents contained in the Mortgage and the ALR (collectively, the "Assignments") and Plaintiff's rights with respect to same are perfected and

enforceable under S.C. Code Ann. § 29-3-100.

(1) The Mortgage and the ALR each constitute an "assignment of leases, rents, issues, or profits" as defined in S.C. Code Ann. 29-3-100(A)(2) (such an assignment is a "document assigning, transferring, pledging, mortgaging, or conveying an interest in leases...and rents, issues, or profits arising from real property..."). As such, upon recording of the Mortgage and the ALR, the Assignments became "enforceable...to pass the interest granted, pledged assigned, or transferred as against [Borrowers],...perfected from the time of recording against subsequent assignees, lien creditors, and purchasers for a valuable consideration from [Borrowers]." S.C. Code Ann. § 29-3-100(B).

(2) Each of the Assignments constitutes a "collateral assignment" under S.C. Code Ann. §29-3-100(A)(3) because each was "delivered in connection with the grant of [the Mortgage]...where the [Borrowers] retain the right to collect or to apply the [Rents] after assignment and prior to default."

(3) Therefore, upon any above-referenced default, Plaintiff became statutorily entitled "to collect and receive any accrued and unpaid or subsequently accruing [Rents] subject to the [A]ssignment[s], without need for the appointment of a receiver, any act to take possession of the [P]roperty, or any further demand on [Borrowers]." S.C. Code Ann. § 29-3-100(C).

D. Plaintiff is entitled to an Order (i) directing that all Rents presently in the possession, custody or control of Borrowers and/or their respective managers, members, officers, employees, agents (including, without limitation, Property Manager), affiliates or attorneys (with Borrower, collectively "Borrowers Parties" and each a "Borrower Party") be immediately

turned over to Plaintiff, (ii) sequestering all Rents hereafter collected or received by any Borrower Parties, and (iii) prohibiting any distribution or disbursement of Rents except as ordered hereunder.

NOW, THEREFORE, based upon the foregoing Findings of Fact and Conclusions of Law, it is hereby **ORDERED, ADJUDGED and DECREED**:

A. Borrowers and all other Borrower Parties are hereby ordered and directed to remit and provide to Plaintiff, within five (5) days of the entry of this Order, (i) all Rents (to include funds in the amount of any Rents collected or received) currently on deposit, collected, retained or held by such Borrower Party and not previously remitted to Plaintiff, together with a complete and accurate accounting thereof, (ii) a complete listing of all account numbers for all bank or other accounts held by or for the benefit of such Borrower Parties and into which Rents were or are being deposited, held, received, collected or transferred, along with the names and addresses of any financial institutions at which such accounts are held.

B. Within five (5) days of the entry of this Order, Borrowers shall also deliver to Plaintiff (1) complete copies of all Leases (including any amendments, extensions, renewals, modifications, supplements or terminations thereof) that were and/or are currently in effect for any portion of the period beginning August 2014 and running through the date this Order is entered, (2) an accounting of all tenant security deposits currently held by any Borrower Parties, (3) monthly rent rolls and monthly operating statements for October 2014 and each month thereafter through and including the month in which this Order is entered, and (4) an annual balance sheet and profit and loss statement for 2014 and 2015. Said rents rolls, operating statements and balance sheet and profit and loss statements shall satisfy the requirements of Sections 3.11(a)(i), (ii) and (iii) of the Mortgage, respectively.

C. On or before December 10, 2016, on the tenth day of each calendar month thereafter and on the Friday preceding any foreclosure sale (if any), Borrowers are hereby ordered to remit and provide to Plaintiff:

- i. by wire transfer in immediately available funds all Net Operating Income for the prior calendar month. "Net Operating Income" shall mean all Rents received or held by any Borrower Parties less current (and not past due), actual, ordinary, necessary and reasonable expenses required for the operation and management of the Property (collectively the "Operating Expenses"; Operating Expenses shall not include, by way of example and not limitation, Management Fees, attorneys' fees or other legal costs of any Borrowers Parties, and/or payments or distributions to any Borrower Parties); and
- ii. a monthly rent roll and monthly operating statement for the prior calendar month which satisfy the requirements of Sections 3.11(a)(i) and (ii) of the Mortgage, respectively, along with copies of invoices, checks and receipts, and any other information or documentation reasonably requested by Plaintiff to support or explain a completing accounting of the receipt, collection, use and disbursement of Rents for such month.

D. During the pendency of this action, Borrowers shall deliver or cause to be delivered to Plaintiff (i) copies of all Leases and/or any amendments, extensions, renewals, modifications, supplements or terminations of any Leases entered into on or after the date hereof, within two (2) days of same being executed, and (ii) an annual balance sheet and profit and loss statement as and when required by Section 3.11(a)(iii) of the Mortgage.

E. Rents shall not be commingled with any other funds. Plaintiff may serve this

Order on any financial institutions that maintain or may maintain any bank accounts that are into which Rents were or are being deposited or otherwise related to the management and operation of Property. Any financial institution maintaining such accounts shall provide to Plaintiff a complete listing of account numbers under the name of Borrowers, Property Manager or any other Borrower Parties, including accounts previously closed. For each such account the financial institution shall provide the then-current balance and upon request by Plaintiff shall provide monthly bank statements (and details or copies for any transactions, including check copies, as requested) for the period beginning August 2014 through the date this Order is served on such financial institution.

F. Except as provided hereinabove, no disbursement or distribution of Rents shall be made. Borrowers and any other Borrower Parties shall take no action to divert the payment or receipt of Rents or otherwise to frustrate the intent and purposes of this Order.

IT IS SO ORDERED.

2. Plaintiff owns and holds the Loan (defined below) secured by the Property¹ located in Richland County, South Carolina and is the subject of this proceeding.

¹ Capitalized terms used but not defined herein shall have the meanings ascribed or referenced in the "Mortgage," as defined in paragraph 9 of this Complaint.

3. Upon information and belief, the defendants AW-MAGPIG, LLC, HW-MAGPIG, LLC and MW-MAGPIG, LLC, each a Delaware limited liability company (collectively, "Borrowers" and each a "Borrower"), own the Property as tenants in common. Each Borrower is subject to the jurisdiction of this Court.

4. Venue is proper in this Court.

5. Upon information and belief, the Property is not a primary residence, and the Home Affordable Modification Program is inapplicable. Upon information and belief, the Administrative Order of the Supreme Court of South Carolina dated May 2, 2011 (2011-05-02-01) does not apply in this case because no portion of the Property is an "Owner-Occupied dwelling" as defined in said Administrative Order.

BACKGROUND

6. On or about March 1, 2007, Bear Stearns Commercial Mortgage, Inc., a New York corporation ("Original Lender"), made a loan (the "Loan") to Borrowers in the amount of Four Million Five Hundred Thousand and No/100 Dollars (\$4,500,000.00).

7. To evidence the Loan, Borrowers, for consideration, made, executed and delivered to Original Lender a certain Promissory Note dated March 1, 2007 (the "Note") payable to the order of Original Lender in the principal amount of the Loan, with non-default interest payable at the rate of 5.4140% per annum (the "Applicable Interest Rate," as defined in the Note). A true and accurate copy of the Note is attached hereto as Exhibit A and incorporated herein by reference.

8. Although the Loan is generally nonrecourse to Borrowers, upon the occurrence or nonoccurrence of certain events or conditions specified in Article 14 of the Note, Borrowers are personally liable for certain amounts, including, without limitation, the Debt.

9. To secure payment and performance of the Obligations, Borrowers made, executed and delivered to Mortgage Electronic Registration Systems, Inc., a Delaware stock corporation as nominee for Original Lender (in such capacity, "MERS"), a certain Mortgage, Fixture Filing and Security Agreement dated March 1, 2007, and recorded in the Office of the Richland County Register of Deeds (the "Register") on March 6, 2007 in Book 1288 at Page 3842 (the "Mortgage"), whereby Borrowers mortgaged, pledged, absolutely assigned, and granted security interests to Original Lender in and to any and all of Borrowers' title, rights, interests and estates in and to the Property, then owned or thereafter acquired. A true and accurate copy of the Mortgage is attached hereto as Exhibit B and incorporated herein by reference.

10. The Property includes, without limitation, the Land, the Improvements, the Leases, the Rents, and the Personal Property. A true and accurate description of the Land is attached hereto as Exhibit C and incorporated herein by reference.

11. The Property is primarily comprised of a retail shopping center commonly known as Magnolia Pointe Shopping Center, generally located at 2000-2020 Clemson Road, Columbia, Richland County, South Carolina.

12. Upon information and belief, the Mortgage is valid and effective as a fixture filing pursuant to S.C. Code Ann. §§ 36-9-101 et. seq.

13. To further secure payment and performance of the Obligations, Borrowers executed and delivered to MERS that certain Assignment of Leases and Rents dated March 1, 2007, and recorded with the Register on March 6, 2007, in Book 1288 at Page 3902 (the "ALR"), in which Borrowers conveyed to Original Lender, all of their right, title and interest in

and to, among other rights and collateral, the "Rents" and the "Leases",² as such terms are defined therein. A true and correct copy of the ALR is attached hereto as Exhibit D and incorporated herein by reference.

14. To further secure payment and performance of the Obligations, and to further perfect Original Lender's first priority security interests in the Personal Property and other applicable collateral, UCC Financing Statements naming Borrowers as debtor thereunder were recorded with the Register in Book 1288 at Pages 89 and 3919, as amended at Book 1300 at Page 3907, and filed with the Delaware Department of State (said Financing Statements, together with all continuations, assignments and amendments thereto and thereof, collectively herein the "Financing Statement").

15. To further secure payment and performance of the Obligations, Borrowers executed and delivered to Original Lender that certain Replacement Reserve and Security Agreement dated as of March 1, 2007 (the "Reserve Agreement"), which evidences, *inter alia*, Borrowers' obligation to make the Monthly Deposit, as defined therein, in accordance with the terms of the Reserve Agreement. A true and correct copy of the Reserve Agreement is attached hereto as Exhibit E and incorporated herein by reference.

16. To further secure payment and performance of the Obligations, Borrowers, Original Lender and North Fork Bank entered into that certain Clearing Account Agreement dated as of March 1, 2007 (the "Clearing Account Agreement"), and Borrowers, Original Lender and The Bank of New York Trust Company, N.A. ("Cash Management Bank") entered into that certain Cash Management Agreement dated as of March 1, 2007 (the "Cash Management Agreement"). ² Unless otherwise indicated, as used hereinafter the capitalized terms "Leases" and "Rents" shall mean and refer to such terms as collectively defined in the Mortgage and the ALR.

the Cash Management Agreement are attached hereto as Exhibits F and G, respectively, and incorporated herein by reference.

17. Pursuant to certain provisions of the Mortgage and the ALR, and subject to the provisions of the Cash management Agreement, upon Borrowers' assignment of the Leases, the Rents, the Lease Guaranties and the Bankruptcy Claims, Borrowers were granted a revocable license (the "License") to collect and receive the Rents and other sums due under the Lease Guaranties and Bankruptcy Claims, said License to be automatically revoked upon the occurrence of an Event of Default or a Default (as defined in the ALR).

18. Plaintiff is the present owner and holder of all right, title and interest in and to the Obligations and all documents executed or delivered in connection with the Loan (collectively the "Loan Documents"), including, without limitation, the Note, the Mortgage, the ALR, the Reserve Agreement, the Clearing Account Agreement and the Cash Management Agreement. As such, Plaintiff is (i) the "Lender" as referenced in all applicable Loan Documents, including, without limitation, the Note, the Mortgage, the ALR, the Reserve Agreement, the Cash Management Agreement and the Clearing Account Agreement, (ii) the "Mortgagee" as referenced in the Mortgage, and (iii) the "Assignee" as referenced in the ALR.

19. Plaintiff owns and holds a valid first priority mortgage lien and first priority security interests against and in the Property by virtue of the Mortgage and the Financing Statement.

20. Pursuant to Article 13 of the Note and Section 14.6 of the Mortgage, Borrowers voluntarily waived any right to a jury trial regarding the matters set forth herein.

FIRST CAUSE OF ACTION
Foreclosure of Mortgage

21. Each of the foregoing allegations is hereby realleged as if fully set forth herein verbatim.

22. Pursuant to the Cash Management Agreement, during the term of the Loan, Borrowers are obligated to deposit, or cause to be deposited, all Rents and other revenue from the Property into the Clearing Account, as defined therein, being the same account as the Property Account, as defined in the Clearing Account Agreement (the Clearing Account and the Property Account, collectively herein the "**Clearing Account**").

23. Further pursuant to the Cash Management Agreement, upon the occurrence of a "**Cash Management Event**," as defined therein, Borrowers are obligated to, among other things, (i) establish with Cash Management Bank the "**Cash Management Account**," as defined therein, into which Borrowers are obligated to deposit, or cause to be deposited, all sums on deposit in the Clearing Account and all sums required to be deposited in the Cash Management Account, and (ii) submit to Plaintiff an annual budget (the "**Annual Budget**") within thirty days of receiving notice that a Cash Management Period (as defined therein) has commenced.

24. A Cash Management Event occurs upon, among other events, "the date Piggly Wiggly [as defined therein] ceases operations at the Property, vacates the Property or otherwise 'goes dark,' or terminates its lease."

25. During 2014, Piggly Wiggly vacated the Property, resulting in the occurrence of a Cash Management Event (the "**Subject CM Event**").

26. By letter dated August 1, 2014 sent by overnight delivery (the "**CM Notice and Demand**"), Plaintiff, by and through Wells Fargo Bank, N.A., as Master Servicer, notified Borrowers of the Subject CM Event, demanded that Borrowers implement the required cash

management arrangement (to include establishing the Cash Management Account), execute all documents necessary for same and submit an Annual Budget, and notified Borrowers that failure to cooperate in implementing the required cash management arrangement would be an Event of Default. A true and correct copy of the CM Notice and Demand is attached hereto as Exhibit H and incorporated herein by reference.

27. A Cash Management Period (the "Subject CM Period") commenced upon August 2, 2014 (the "CM Start Date"), the date the CM Notice and Demand was deemed received pursuant to the Cash Management Agreement. The Subject CM Period is continuing as of the date hereof.

28. Pursuant to Section 10.1 of the Mortgage, an Event of Default shall occur upon, among other events, the following (i) for sixty days after notice from Lender, Borrowers shall continue to be in default under any other term, covenant or condition of the Note, this Security Instrument or the Other Security Documents, or (ii) a default beyond applicable notice or cure periods (if any) shall occur under, among other documents, the Cash Management Agreement.

29. Borrowers failed to (i) submit an Annual Budget to Plaintiff within thirty days of the CM Start Date, (ii) establish the Cash Management Account within sixty days of the CM Notice and Demand and cause all sums to be deposited therein in accordance with and as required by the Cash Management Agreement and (iii) cause all Rents and other receivables related to the Property to be paid directly to the Clearing Account for application in accordance with the Cash Management Agreement; accordingly, Events of Default occurred (herein, the "Defaults" and each a "Default"). The Defaults are continuing as of the date hereof.

30. By letter dated December 18, 2014, Plaintiff notified Borrowers of the Defaults and the resulting accrual of interest at the Default Rate (as defined in the Note) beginning and

running from the CM Notice and Demand. A true and correct copy of said letter is attached hereto as Exhibit I and incorporated herein by reference.

31. Plaintiff has exercised its right to declare the entire unpaid Debt immediately due and payable and hereby demands payment of same.

32. Pursuant to the Note and, as applicable, the Mortgage, Borrowers are obligated to pay Plaintiff, among other amounts, (A) a late charge equal to five percent (5.0%) of each amount not paid within five days of the date same is due ("Late Charge"), (B) a prepayment charge, following any Default and calculated pursuant to the terms of the Note, upon Borrowers tendering payment of the Debt prior to a foreclosure sale (the "Prepayment Charge"), and (C) upon or by virtue of any Default: (1) interest on the Debt at the Default Rate, being the Applicable Interest Rate plus five percent (5.0%) per annum; accrued and unpaid interest at the differential 5.0% per annum rate, herein "Default Interest"), and (2) certain costs and expenses (including, without limitation, attorneys' fees and costs) incurred, paid or advanced by Plaintiff (collectively "Costs and Expenses") in connection with, inter alia, (i) collecting the Debt, (ii) protecting or foreclosing Plaintiff's interest in the Property, (iii) enforcing Plaintiff's rights under the Mortgage and other Loan Documents, (iv) appraising the Property, and (v) administration costs upon transfer of the Loan to a special servicer. Late Charges, the Prepayment Charge, Default Interest and Costs and Expenses comprise a portion of the Debt.

33. Further pursuant to the Mortgage, Borrowers are obligated to indemnify and hold Plaintiff and all other Indemnified Parties harmless for all Losses incurred by Indemnified Parties in connection with, inter alia, Plaintiff's enforcement of its rights under the Loan Documents and any failure of Borrowers to perform or be in compliance with the terms of the Mortgage.

34. Upon information and belief, Plaintiff is entitled to a declaration that the Mortgage and the Financing Statement constitute a perfected lien and perfected security interests against and in the Property, senior in priority to any other person, party or entity (including, without limitation, any Borrower). By virtue of any Default, Plaintiff is entitled to foreclosure of such lien and security interests and a sale of the Property pursuant to the Mortgage and South Carolina law, with the proceeds of such sale to be applied toward the Debt.

35. Pursuant to the ALR and by virtue of any Default, Plaintiff is entitled to, among other remedies set forth in the Loan Documents, the appointment of a receiver to manage and operate the Property and to collect and hold the Rents and any other income or amounts collected in connection with the Property, pending further Order of the Court.

36. Plaintiff is not waiving any right to a deficiency judgment or any other any rights, claims or remedies that Plaintiff may have under the Loan Documents or pursuant to applicable law, whether against any Borrower, any guarantor, or any other individual or entity obligated to Plaintiff under any Loan Documents or under applicable law.

WHEREFORE, Plaintiff prays to this Honorable Court as follows:

A. that the Debt due to Plaintiff under the Note, the Mortgage and all other Loan Documents, including, without limitation, the entire unpaid principal balance of the Note, Regular Interest, Default Interest, Costs and Expenses, and any Prepayment Charge, if applicable, be ascertained and determined under the direction of the Court;

B. for entry of a judgment against Borrowers, jointly and severally, for any and all amounts for which this Court determines Borrowers to be personally liable under the Note, the Mortgage and any other applicable Loan Documents;

C. that the Mortgage and the Financing Statement be declared a perfected mortgage

lien and perfected first priority security interests in and against the Property, senior in priority to any other person or party, including, without limitation, any Borrower, and that Plaintiff have a judgment of foreclosure for the amount of the Debt;

D. that the Property be sold pursuant to an Order of this Court, the equity of redemption barred, and the proceeds of sale applied as follows:

- 1) first, to Costs and Expenses incurred in connection with this action;
- 2) second, to the payment and discharge of the Debt due to Plaintiff; and
- 3) third, that any surplus of said sale be distributed according to law.

E. that each Borrower and all persons whomsoever claiming an interest by or through any Borrower be forever barred of all right, title and interest in and to the Property, and each and every part thereof;

F. for the immediate appointment of a receiver to take possession of the Property in accordance with the provisions of the Mortgage and the ALR, and to collect, hold and disburse all Rents and other income or revenue of or from the Property pursuant to an Order of this Court;

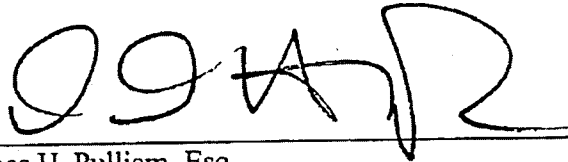

G. that such receiver be authorized, upon request of Plaintiff, to list or otherwise advertise for sale and to solicit offers to purchase the Property, and to sell the Property, on such terms as are acceptable to and approved by Plaintiff in writing prior to such sale, by way of public or private sale or other disposition free and clear of all security interests, liens, claims and other interests with all valid security interests and liens to attach to the proceeds of such sale(s);

H. in the event that Borrowers are not the successful purchaser at said foreclosure sale or receiver sale, for an Order directing and empowering the Sheriff of Richland County, South Carolina to remove from the Property any and all of Borrowers, any of their agents, representatives, members, managers, property managers and affiliates, and any individuals or

entities claiming an interest in the Property by, through or under any Borrower, and to place the successful purchaser at said foreclosure sale or receiver sale in possession of the Property, should the same become necessary; and

I. for such other and further relief as this Court deems just and proper.

FOR VALUE RECEIVED, AW-MAGPIG, LLC, HW-MAGPIG, LLC, and MW-MAGPIG, LLC, each a Delaware limited liability company, as maker, each having its principal place of business at 11 East Hawthorne Avenue, Valley Stream, New York 11580 (collectively, "Borrower"), hereby unconditionally promises, on a joint and several basis, to pay to the order of **BEAR STEARNS COMMERCIAL MORTGAGE, INC.**, a New York corporation, as payee, having an address at 383 Madison Avenue, New York, New York 10179 ("Lender"), or at such other place as the holder hereof may from time to time designate in writing, the principal sum of **FOUR MILLION FIVE HUNDRED THOUSAND AND 00/100 DOLLARS (\$4,500,000.00)**, in lawful money of the United States of America with interest thereon to be computed from the date of this Note at the Applicable Interest Rate (defined below), and to be paid in installments as follows:

ARTICLE 1 - PAYMENT TERMS

(a) Unless this Note is dated the first day of a month, a payment on the date hereof on account of all interest that will accrue on the principal amount of this Note from and after the date hereof through and including the last day of the present month (the "Month-End Date");

(b) A constant payment of \$25,308.23 (the "Monthly Payment") on the first day of April 1, 2007 and on the first day of each calendar month thereafter up to and including the first day of February 1, 2017 (each such date to be hereinafter referred to as a "Monthly Payment Date");

each Monthly Payment to be applied as follows:

(i) first, to the payment of interest which has accrued during the preceding calendar month computed at the Applicable Interest Rate; and

(ii) the balance toward the reduction of the principal sum;

and the balance of the principal sum and all interest thereon shall be due and payable on the first day of March 1, 2017 (the "Maturity Date"). Interest on the principal sum of this Note shall be calculated by multiplying the actual number of days elapsed in the period for which interest is being calculated by a daily rate based on said 360-day year.

ARTICLE 2 - INTEREST

The term "Applicable Interest Rate" as used in the Security Instrument (defined below) and this Note shall mean an interest rate equal to Five and Four hundred Fourteen thousandths percent (5.4140%) per annum.

ARTICLE 3 - DEFAULT AND ACCELERATION

(a) The whole of the principal sum of this Note, (b) interest, default interest, late charges and other sums, as provided in this Note, the Security Instrument or the Other Security Documents (defined below), (c) all other monies agreed or provided to be paid by Borrower in this Note, the Security Instrument or the Other Security Documents, (d) all sums advanced pursuant to the Security Instrument to protect and preserve the Property (defined below) and the lien and the security interest created thereby, and (e) all sums advanced and costs and expenses incurred by Lender in connection with the Debt (defined below) or any part thereof, any renewal, extension, or change of or substitution for the Debt or any part thereof, or the acquisition or perfection of the security therefor, whether made or incurred at the request of Borrower or Lender (all the sums referred to in (a) through (e) above shall collectively be referred to as the "Debt") shall without notice become immediately due and payable at the option of Lender if any payment required in this Note is not paid within five (5) days of the date the same is due or on the Maturity Date or on the happening of any other default, after the expiration of any applicable notice and grace periods, herein or under the terms of the Security Instrument or any of the Other Security Documents (collectively, an "Event of Default").

ARTICLE 4 - DEFAULT INTEREST

Borrower does hereby agree that upon the occurrence of an Event of Default, Lender shall be entitled to receive and Borrower shall pay interest on the entire unpaid principal sum at a rate equal to the lesser of (a) five percent (5%) plus the Applicable Interest Rate and (b) the maximum interest rate which Borrower may by law pay (the "Default Rate"). The Default Rate shall be computed from the occurrence of the Event of Default until the earlier of the date upon which the Event of Default is cured or the date upon which the Debt is paid in full. Interest calculated at the Default Rate shall be added to the Debt, and shall be deemed secured by the Security Instrument. This clause, however, shall not be construed as an agreement or privilege to extend the date of the payment of the Debt, nor as a waiver of any other right or remedy accruing to Lender by reason of the occurrence of any Event of Default.

ARTICLE 5 - PREPAYMENT; DEFEASANCE

Borrower shall not have the right or privilege to prepay all or any portion of the unpaid principal balance of this Note.

After the date that is the earlier of (a) two years following the effective Startup Date (as such term is defined in Section 860(G)(a)(9) of the Internal Revenue Code of 1986, as amended) of the issuance of Securities (as defined in Article 12 herein) or (b) the third anniversary of the Month-End Date, Borrower may obtain a release of the Property (as hereinafter defined) from the lien of the Security Instrument and the Other Security Documents provided that the following conditions have been satisfied:

(i) Borrower shall have provided not less than 30 and not more than 60 days prior written notice (the "Defeasance Notice") to Lender specifying the scheduled date on

which the Defeasance Collateral (as hereinafter defined) is to be delivered in the manner hereinafter provided (the "Release Date");

(ii) No Event of Default shall have occurred;

(iii) Borrower shall have delivered to Lender on or before the Release Date:

(a) direct, non-callable obligations of the United States of America that provide for payments prior, but as close as possible, to all successive Monthly Payment Dates occurring after the Release Date and the Maturity Date, with each such payment being equal to or greater than the amount of the corresponding Monthly Payment required to be paid under this Note for the balance of the term hereof and the amount required to be paid on the Maturity Date (the "Defeasance Collateral"), each of which shall be duly endorsed by the holder thereof as directed by Lender or accompanied by a written instrument of transfer in form and substance wholly satisfactory to Lender (including, without limitation, such instrument as may be required by the depository institution holding such securities or the issuer thereof, as the case may be, to effectuate book-entry transfers and pledges through the book-entry facilities of such institution) in order to perfect upon the delivery of the Defeasance Security Agreement (as hereinafter defined) the first priority security interest therein in favor of the Lender in conformity with all applicable state and federal laws governing the granting of such security interests. The Defeasance Collateral may be purchased by Lender on Borrower's behalf, in which case Borrower shall deposit with Lender on the Release Date a sum sufficient to purchase the Defeasance Collateral.

(b) a pledge and security agreement, in form and substance satisfactory to Lender in its sole discretion, creating a first priority security interest in favor of Lender in the Defeasance Collateral (the "Defeasance Security Agreement"), which shall provide, among other things, that any excess received by Lender from the Defeasance Collateral over the amount payable by Borrower hereunder shall be refunded to Borrower promptly following each Monthly Payment Date and the Maturity Date;

(c) a certificate by an independent certified public accountant acceptable to Lender certifying that all of the requirements set forth in paragraphs (a) and (b) above have been fully satisfied;

(d) an opinion in form and from a counsel reasonably acceptable to Lender in all respects that Lender has received a perfected first priority security interest in the Defeasance Collateral and that the substitution of the Defeasance Collateral for the Property will not adversely affect the status of the holder of this Note as a REMIC under the Code; and

(e) such other certificates, documents or instruments as Lender may reasonably require;

(iv) all accrued and unpaid interest and all other sums due under this Note, the Security Instrument and other Security Documents up to the Release Date, including, without limitation, all costs and expenses incurred by Lender or its agents pursuant to this

Article 5 in connection with such release (including, without limitation, the review of the proposed Defeasance Collateral and the preparation or review of the Defeasance Security Agreement and the related documentation and opinions, and the cost of obtaining the written confirmation of the rating agencies), shall have been fully paid on or before the Release Date; and

(v) Lender shall have received written confirmation from the rating agencies that have rated the Securities (as defined in the Security Instrument) that such substitution of Defeasance Collateral will not result in a downgrade, withdrawal or qualification of the ratings then assigned to any of the Securities.

Upon compliance with the foregoing requirements relating to the delivery of the Defeasance Collateral, the Property shall be released from the lien of the Security Instrument and the Other Security Documents and the Defeasance Collateral shall constitute collateral which shall secure this Note and the Debt. Lender will, at Borrower's expense, execute and deliver any agreements reasonably requested by Borrower to release the lien of the Security Instrument from the Property.

In addition to the foregoing, Lender shall have the right in connection with the Borrower's exercise of its rights under this Article 5 to require an entity designated by Lender to acquire the Defeasance Collateral and to assume that portion of the obligations of Borrower which is secured by such Defeasance Collateral, in which event Borrower shall thereafter be released from such obligations.

Following an Event of Default and acceleration of this Note, if Borrower or anyone on Borrower's behalf makes a tender of payment of the amount necessary to satisfy the indebtedness evidenced by this Note and secured by the Security Instrument at any time prior to foreclosure sale (including, but not limited to, sale under power of sale under the Security Instrument), or during any redemption period after foreclosure, the tender of payment shall constitute an evasion of the prepayment prohibition contained in this Article 5 and shall, therefore, to the maximum extent permitted by law, include an amount equal to the greater of (i) three percent (3%) of the then principal amount of this Note and (ii) an amount equal to the excess of (A) the sum of the present values of a series of payments payable at the times and in the amounts equal to the payments of principal and interest (including, but not limited to the principal and interest payable on the Maturity Date) which would have been scheduled to be payable after the date of such tender under this Note had this Note not been accelerated, with each such payment discounted to its present value at the date of such tender at the rate which when compounded monthly is equivalent to the Prepayment Rate (as hereinafter defined), over (B) the then principal amount of this Note.

The term "Prepayment Rate" means the bond equivalent yield (in the secondary market) on the United States Treasury Security that as of the Prepayment Rate Determination Date (hereinafter defined) has a remaining term to maturity closest to, but not exceeding, the remaining term to the Maturity Date, as most recently published in the "Treasury Bonds, Notes and Bills" section in The Wall Street Journal as of the date of the related tender of payment. If more than one issue of United States Treasury Securities has the remaining term to the Maturity

Date referred to above, the "Prepayment Rate" shall be the yield on the United States Treasury Security most recently issued as of such date. The term "Prepayment Rate Determination Date" shall mean the date which is five (5) Business Days prior to the prepayment date. The rate so published shall control absent manifest error. As used herein, "Business Day" shall mean any day other than Saturday, Sunday or any other day on which banks are required or authorized to close in New York, New York.

If the publication of the Prepayment Rate in The Wall Street Journal is discontinued, Lender shall determine the Prepayment Rate on the basis of "Statistical Release H.15 (519), Selected Interest Rates," or any successor publication, published by the Board of Governors of the Federal Reserve System, or on the basis of such other publication or statistical guide as Lender may reasonably select.

ARTICLE 6 - SECURITY

This Note is secured by the Security Instrument and the Other Security Documents. The term "Security Instrument" means the Mortgage, Fixture Filing and Security Agreement dated the date hereof in the principal sum of FOUR MILLION FIVE HUNDRED THOUSAND AND 00/100 DOLLARS (\$4,500,000.00) given by Borrower to (or for the benefit of) Mortgage Electronic Registration Systems, Inc., a Delaware stock corporation, as Lender's nominee ("MERS"), having an address at 1595 Spring Hill Road, Suite 310, Vienna, Virginia 22182, as security for the Debt (hereinafter defined) and other obligations covering the fee simple estate of Borrower in certain premises located in Richland County, State of South Carolina, and other property, as more particularly described therein (collectively, the "Property") and intended to be duly recorded in said County. The term "Other Security Documents" as used in this Note shall mean all and any of the documents other than this Note or the Security Instrument now or hereafter executed by Borrower and/or others and by or in favor of Lender or MERS, which wholly or partially secure or guarantee payment of this Note. All of the terms, covenants and conditions contained in the Security Instrument and the Other Security Documents are hereby made part of this Note to the same extent and with the same force as if they were fully set forth herein. All capitalized terms not defined herein shall have the meanings ascribed to them in the Security Instrument and the Other Security Documents.

ARTICLE 7 - SAVINGS CLAUSE

This Note is subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance due hereunder at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the maximum interest rate which Borrower is permitted by applicable law to contract or agree to pay. If by the terms of this Note, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of such maximum rate, the Applicable Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to such maximum rate and all previous payments in excess of the maximum rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the Debt, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the

full stated term of the Note until payment in full so that the rate or amount of interest on account of the Debt does not exceed the maximum lawful rate of interest from time to time in effect and applicable to the Debt for so long as the Debt is outstanding.

ARTICLE 8 - LATE CHARGE

If any sum payable under this Note is not paid prior to the fifth (5th) day after the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of five percent (5%) of the unpaid sum or the maximum amount permitted by applicable law to defray the expenses incurred by Lender in handling and processing the delinquent payment and to compensate Lender for the loss of the use of the delinquent payment and the amount shall be secured by the Security Instrument and the Other Security Documents.

ARTICLE 9 - NO ORAL CHANGE

This Note may not be modified, amended, waived, extended, changed, discharged or terminated orally or by any act or failure to act on the part of Borrower or Lender, but only by an agreement in writing signed by the party against whom enforcement of any modification, amendment, waiver, extension, change, discharge or termination is sought.

ARTICLE 10 - JOINT AND SEVERAL LIABILITY

The obligations and liabilities of each person or party comprising Borrower shall be joint and several.

ARTICLE 11 - WAIVERS

Borrower and all others who may become liable for the payment of all or any part of the Debt do hereby severally waive presentment and demand for payment, notice of dishonor, protest and notice of protest and non-payment and all other notices of any kind. No release of any security for the Debt or extension of time for payment of this Note or any installment hereof, and no alteration, amendment or waiver of any provision of this Note, the Security Instrument or the Other Security Documents made by agreement between Lender or any other person or party shall release, modify, amend, waive, extend, change, discharge, terminate or affect the liability of Borrower, and any other person or entity who may become liable for the payment of all or any part of the Debt, under this Note, the Security Instrument or the Other Security Documents. No notice to or demand on Borrower shall be deemed to be a waiver of the obligation of Borrower or of the right of Lender to take further action without further notice or demand as provided for in this Note, the Security Instrument or the Other Security Documents. If Borrower is a partnership, the agreements herein contained shall remain in force and applicable, notwithstanding any changes in the individuals comprising the partnership. If Borrower is a corporation, the agreements contained herein shall remain in full force and applicable notwithstanding any changes in the shareholders comprising, or the officers and directors relating to, the corporation. If Borrower is a limited liability company, the agreements contained herein shall remain in full force and applicable notwithstanding any changes in the members comprising, or the managers, officers or agents relating to, the limited liability company. The term "Borrower", as used herein,

shall include any alternate or successor partnership, corporation, limited liability company or other entity or person to the Borrower named herein, but any predecessor partnership (and their partners), corporation, limited liability company, other entity or person shall not thereby be released from any liability. Nothing in this Article 11 shall be construed as a consent to, or a waiver of, any prohibition or restriction on transfers of interests in such partnership, corporation, or limited liability company which may be set forth in the Security Instrument or any Other Security Document.

ARTICLE 12 - TRANSFER

Lender may, at any time, sell, transfer or assign this Note, the Security Instrument and the Other Security Documents, and any or all servicing rights with respect thereto, or grant participations therein or issue mortgage passthrough certificates or other securities evidencing a beneficial interest in a rated or unrated public offering or private placement (the "Securities"). Lender may forward to each purchaser, transferee, assignee, servicer, participant, investor in such Securities or any Rating Agency rating such Securities (collectively, the "Investor") and each prospective Investor, all documents and information which Lender now has or may hereafter acquire relating to the Debt and to Borrower, any guarantor and the Property, whether furnished by Borrower, any guarantor or otherwise, as Lender determines necessary or desirable. Borrower and any guarantor agree to cooperate with Lender in connection with any transfer made or any Securities created pursuant to the Security Instrument, including, without limitation, the delivery of an estoppel certificate in accordance therewith, and such other documents as may be reasonably requested by Lender. Borrower shall also furnish and Borrower and any guarantor consent to Lender furnishing to such Investors or such prospective Investors any and all information concerning the Property, the Leases, the financial condition of Borrower and any guarantor as may be requested by Lender, any Investor or any prospective Investor in connection with any sale, transfer or participation interest. Lender may retain or assign responsibility for servicing the Loan, including this Note, the Security Instrument, and the Other Security Documents, or may delegate some or all of such responsibility and/or obligations to a servicer including, but not limited to, any subservicer or master servicer. Lender may make such assignment or delegation on behalf of the Investors if this Note is sold or the Security Instrument or the Other Security Documents are assigned. All references to Lender herein shall refer to and include any such servicer to the extent applicable.

ARTICLE 13 - WAIVER OF TRIAL BY JURY

BORROWER HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER IN CONTRACT, TORT OR OTHERWISE, RELATING DIRECTLY OR INDIRECTLY TO THE LOAN EVIDENCED BY THIS NOTE, THE APPLICATION FOR THE LOAN EVIDENCED BY THIS NOTE, THIS NOTE, THE SECURITY INSTRUMENT OR THE OTHER SECURITY DOCUMENTS OR ANY ACTS OR OMISSIONS OF LENDER, ITS OFFICERS, EMPLOYEES, DIRECTORS OR AGENTS IN CONNECTION THEREWITH.

ARTICLE 14 - EXCULPATION

Except as otherwise provided herein, in the Security Instrument or in the Other Security Documents, Lender shall not enforce the liability and obligation of Borrower, to perform and observe the obligations contained in this Note, the Security Instrument or the Other Security Documents by any action or proceeding wherein a money judgment shall be sought against Borrower or any partner or member of Borrower, except that Lender may bring a foreclosure action, an action for specific performance or any other appropriate action or proceeding to enable Lender to enforce and realize upon this Note, the Security Instrument, the Other Security Documents, and the interests in the Property; and any other collateral given to Lender pursuant to the Security Instrument and the Other Security Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall be enforceable against Borrower or any partner or member of Borrower only to the extent of Borrower's interest in the Property and in any other collateral given to Lender, and Lender, by accepting this Note, the Security Instrument and the Other Security Documents, agrees that it shall not sue for, seek or demand any deficiency judgment against Borrower or any partner or member of Borrower, in any such action or proceeding, under or by reason of or in connection with this Note, the Security Instrument or the Other Security Documents. The provisions of this paragraph shall not, however, (i) constitute a waiver, release or impairment of any obligation evidenced or secured by the Security Instrument or the Other Security Documents; (ii) impair the right of Lender to name Borrower as a party defendant in any action or suit for foreclosure and sale under the Security Instrument; (iii) affect the validity or enforceability of any guaranty made in connection with this Note, the Security Instrument or the Other Security Documents; (iv) impair the right of Lender to obtain the appointment of a receiver; (v) impair the enforcement of any assignment; or (vi) constitute a waiver of the right of Lender to enforce the liability and obligation of Borrower or any partner or general partner of Borrower, by money judgment or otherwise, to the extent of any loss, damage, cost, expense, liability, claim or other obligation incurred by Lender (including attorneys' fees and costs reasonably and actually incurred) arising out of or in connection with the following:

- (a) fraud or misrepresentation by Borrower in connection with this Note, the Security Instrument or the Other Security Documents;
- (b) the gross negligence or willful misconduct of Borrower;
- (c) material physical waste of the Property;
- (d) the breach of provisions in this Note, the Security Instrument or the Other Security Documents concerning Environmental Laws and Hazardous Substances and any indemnification of Lender with respect thereto in any document;
- (e) the removal or disposal of any portion of the Property after an Event of Default under this Note, the Security Instrument or the Other Security Documents;
- (f) the misapplication or conversion by Borrower of (i) any insurance proceeds paid by reason of any loss, damage or destruction to the Property, (ii) any awards or other amounts received in connection with the condemnation of all or a portion of the Property, or (iii) any

Rents following default under this Note, the Security Instrument or the Other Security Documents;

(g) failure to pay Taxes (provided that the liability of Borrower shall be only for amounts in excess of the amount held by Lender in escrow for the payment of Taxes), assessments, charges for labor or materials or other charges that can create liens on any portion of the Property; and

(h) any security deposits collected with respect to the Property which are not delivered to Lender upon a foreclosure of the Property or action in lieu thereof, except to the extent any such security deposits were applied in accordance with the terms and conditions of any of the Leases prior to the occurrence of the Event of Default that gave rise to such foreclosure or action in lieu thereof.

Notwithstanding anything to the contrary in this Note, the Security Instrument or the Other Security Documents (i) the Debt shall be fully recourse to Borrower; and (ii) Lender shall not be deemed to have waived any right which Lender may have under Section 506(a), 506(b), 1111(b) or any other provisions of the U.S. Bankruptcy Code to file a claim for the full amount of the Debt or to require that all collateral shall continue to secure all of the Debt owing to Lender in accordance with this Note, the Security Instrument or the Other Security Documents, in the event that: (A) the first full Monthly Payment is not paid when due; (B) Borrower fails to permit on-site inspections of the Property, fails to provide financial information, or fails to comply with the terms of Section 4.3 of the Security Instrument; (C) Borrower fails to obtain Lender's prior written consent to any subordinate financing or other voluntary lien encumbering the Property; (D) Borrower fails to obtain Lender's prior written consent to any assignment, transfer, or conveyance of the Property or any interest therein as required by the Security Instrument.

ARTICLE 15 - AUTHORITY

Borrower (and the undersigned representative of Borrower, if any) represents that Borrower has full power, authority and legal right to execute and deliver this Note, the Security Instrument and the Other Security Documents and that this Note, the Security Instrument and the Other Security Documents constitute valid and binding obligations of Borrower.

ARTICLE 16 - APPLICABLE LAW

This Note shall be deemed to be a contract entered into pursuant to the laws of the State of New York and shall in all respects be governed, construed, applied and enforced in accordance with the laws of the State of New York.

ARTICLE 17 - SERVICE OF PROCESS

(a) Borrower will maintain a place of business or an agent for service of process in the State of South Carolina and give prompt notice to Lender of the address of such place of business and of the name and address of any new agent appointed by it, as appropriate. Borrower further agrees that the failure of its agent for service of process to give it notice of any service of

process will not impair or affect the validity of such service or of any judgment based thereon. If, despite the foregoing, there is for any reason no agent for service of process of Borrower available to be served, and if it at that time has no place of business in the State of South Carolina then Borrower irrevocably consents to service of process by registered or certified mail, postage prepaid, to it at its address given in or pursuant to the first paragraph hereof.

Borrower initially and irrevocably designates William P. McElveen, Jr., with offices on the date hereof at Ellis, Lawhorne & Sims, P.A., 1501 Main Street, 5th Floor, Columbia, South Carolina 29201, to receive for and on behalf of Borrower service of process in the State of South Carolina with respect to this Note.

ARTICLE 18 - COUNSEL FEES

In the event that it should become necessary to employ counsel to collect the Debt or to protect or foreclose the security therefor, Borrower also agrees to pay all reasonable fees and expenses of Lender, including, without limitation, reasonable attorney's fees for the services of such counsel whether or not suit be brought.

ARTICLE 19 - NOTICES

All notices or other written communications to Borrower, Lender or MERS hereunder shall be deemed to have been properly given (i) upon delivery, if delivered in person with receipt acknowledged by the recipient thereof, (ii) one (1) Business Day (defined below) after having been deposited for overnight delivery with any reputable overnight courier service, or (iii) three (3) Business Days after having been deposited in any post office or mail depository regularly maintained by the U.S. Postal Service and sent by registered or certified mail, postage prepaid, return receipt requested, addressed to Borrower, Lender or MERS at their addresses set forth in the Security Instrument or addressed as such party may from time to time designate by written notice to the other parties. Either party by notice to the other may designate additional or different addresses for subsequent notices or communications.

ARTICLE 20 - MISCELLANEOUS

(a) Wherever pursuant to this Note (i) Lender exercises any right given to it to approve or disapprove, (ii) any arrangement or term is to be satisfactory to Lender, or (iii) any other decision or determination is to be made by Lender, the decision of Lender to approve or disapprove, all decisions that arrangements or terms are satisfactory or not satisfactory and all other decisions and determinations made by Lender, shall be in the sole and absolute discretion of Lender and shall be final and conclusive, except as may be otherwise expressly and specifically provided herein.

(b) Wherever pursuant to this Note it is provided that Borrower pay any costs and expenses, such costs and expenses shall include, but not be limited to, reasonable and actual legal fees and disbursements of Lender, whether retained firms, the reimbursement for the expenses of in-house staff, or otherwise.

(c) Whenever used, the singular number shall include the plural, the plural number shall include the singular, and the words "Lender" and "Borrower" shall include their respective successors, assigns, heirs, executors and administrators.

ARTICLE 21 - DEFINITIONS

All capitalized terms not otherwise defined herein shall have the meanings ascribed to such terms in the Security Instrument.

ARTICLE 22 - LOCK BOX PROCEDURES

Upon the commencement of a Cash Management Period (as defined in the Cash Management Agreement), all Rents (as defined in the Security Instrument) and other receivables related to the Property shall be paid directly by the parties paying such Rents (including, without limitation, tenants under the Leases (as defined in the Security Instrument)) to the Clearing Account (as defined in the Cash Management Agreement). Lender or the Agent (as defined in the Cash Management Agreement) shall (and is irrevocably authorized by Borrower to) apply all funds in the Clearing Account in accordance with the provisions of the Cash Management Agreement.

Section 1.2 ASSIGNMENT OF RENTS. Borrower hereby absolutely and unconditionally assigns to Mortgagee Borrower's right, title and interest in and to all current and future Leases, Rents, Lease Guaranties and Bankruptcy Claims; it being intended by Borrower that this assignment constitutes a present, absolute assignment and not an assignment for additional security only. Nevertheless, subject to the terms of this Section 1.2 and Section 3.7 and the terms of that certain Cash Management Agreement among Borrower, Lender and The Bank of New York Trust Company, N.A., dated as of even date herewith (the "Cash Management Agreement"), Mortgagee grants to Borrower a revocable license to collect and receive the Rents, Lease Guaranties and Bankruptcy Claims. Borrower shall hold the Rents, Lease Guaranties and Bankruptcy Claims or a portion thereof sufficient to discharge all current sums due on the Debt, for use in the payment of such sums. For purposes of this Section 1.2, the terms "Lease Guaranties" and "Bankruptcy Claims" shall have the meanings ascribed to such terms in that certain Assignment of Leases and Rents by and between Borrower and Mortgagee dated as of even date herewith.

Section 1.3 SECURITY AGREEMENT; FIXTURE FILING. This Security Instrument is a "security agreement" with respect to such components of the Property as to which a security interest may attach under the meaning of the Uniform Commercial Code. The Property includes both real and personal property and all other rights and interests, whether tangible or intangible in nature, of Borrower in the Property. By executing and delivering this Security Instrument, Borrower hereby grants to Mortgagee, as security for the Obligations (defined in Section 2.1), a security interest in the Property to the full extent that the Property may be subject to the Uniform Commercial Code and authorizes Lender to file this Security Instrument as a fixture filing in the real property records of Richland County, South Carolina in accordance with Sections 36-9-502 of the South Carolina Code and to file a financing statement in any other location, including without limitation the office of the Secretary of State of the State of South Carolina, necessary under the Uniform Commercial Code to evidence Lender's security interest in the Personal Property. The information contained in this Section 1.3 is provided in order that this Security Instrument shall comply with the requirements of the Uniform Commercial Code for security deeds to be effective as financing statements filed as a fixture filing. The name of the "Debtor" is the name of Borrower as set forth in the introductory paragraph of this Security Instrument; and the name of the "Secured Party" is the name of Lender as set forth in the introductory paragraph of this

Security Instrument: the mailing address of the "Secured Party" from which information concerning the security interest may be obtained and the mailing address of the "Debtor" are as set forth in the preamble to this Security Instrument. The types, or the items, of collateral covered hereby consist of the Personal Property and all other items set forth hereinabove in Section 1.1 which constitute fixtures or personal property. Borrower is the record owner of the Land.

Section 1.4 PLEDGE OF MONIES HELD. Borrower hereby pledges to Mortgagee and grants to Mortgagee a security interest in, any and all monies now or hereafter held by Lender, including, without limitation, any sums deposited in the Escrow Fund (as defined in Section 3.5), Net Proceeds (as defined in Section 4.4) and condemnation awards or payments described in Section 3.6 and any accounts established pursuant to the Cash Management Agreement, as additional security for the Obligations until expended or applied as provided in this Security Instrument.

Section 1.5 GRANTS TO MORTGAGEE. This Security Instrument and the grants, assignments and transfers made to Mortgagee in this Article 1 shall inure to Mortgagee solely in its capacity as Lender's nominee.

CONDITIONS TO GRANT

TO HAVE AND TO HOLD the Property unto Mortgagee, its successors and assigns, forever, subject, however, to the Permitted Exceptions (defined below); PROVIDED, HOWEVER, these presents are upon the express condition that, if Borrower shall well and truly pay to Lender the Debt and other obligations at the time and in the manner provided in the Note, this Security Instrument or the other Security Documents, shall well and truly perform the Other Obligations as set forth in this Security Instrument and shall well and truly abide by and comply with each and ever covenant and condition set forth herein and in the Note, this Security Instrument and the Other Security Documents, these presents and the estate hereby granted shall cease, terminate and be void; provided, however, that Borrower's obligation to indemnify and hold harmless Lender pursuant to the provisions hereof shall survive any such payment or release. And Borrower does hereby bind Borrower, Borrower's successors and assigns to warrant and forever defend the said premises unto the said Mortgagee, its substitutes or successors and assigns forever, against the claim, or claims, of all persons claiming or to claim the same or any part thereof..

ARTICLE 2 - PAYMENTS

Section 2.1 DEBT AND OBLIGATIONS SECURED. This Security Instrument and the grants, assignments and transfers made in Article 1 are given for the purpose of securing the following, in such order of priority as Lender may determine in its sole discretion (the "Debt"): (a) the payment of the indebtedness evidenced by the Note in lawful money of the United States of America; (b) the payment of interest, prepayment premiums, default interest, late charges and other sums, as provided in the Note, this Security Instrument or the Other Security Documents (defined below); (c) the payment of all other moneys agreed or provided to be paid by Borrower in the Note, this Security Instrument or the

Other Security Documents; (d) the payment of all sums advanced pursuant to this Security Instrument to protect and preserve the Property and the lien and the security interest created hereby; and (e) to secure in accordance with Section 29-3-50, Code of Laws of South Carolina (1976), as amended, all future advances and re-advances that may subsequently be made to Borrower by Lender, evidenced by the aforesaid Note or other instruments, and all modifications, renewals and extensions thereof (provided, however, that nothing contained herein shall create an obligation on the part of the Lender to make future advances or re-advances to Borrower), plus interest thereon, and all charges and expenses of collection incurred by Lender or Mortgagee, including court costs and attorney's fees. This Security Instrument and the grants, assignments and transfers made in Article 1 are also given for the purpose of securing the performance of all other obligations of Borrower contained herein and the performance of each obligation of Borrower contained in any renewal, extension, amendment, modification, consolidation, change of, or substitution or replacement for, all or any part of this Security Instrument, the Note or the Other Security Documents (collectively, the "Other Obligations"). Borrower's obligations for the payment of the Debt and the performance of the Other Obligations shall be referred to collectively below as the "Obligations."

Section 2.2 PAYMENTS. Unless payments are made in the required amount in immediately available funds at the place where the Note is payable, remittances in payment of all or any part of the Debt shall not, regardless of any receipt or credit issued therefor, constitute payment until the required amount is actually received by Lender in funds immediately available at the place where the Note is payable (or any other place as Lender, in Lender's sole discretion, may have established by delivery of written notice thereof to Borrower) and shall be made and accepted subject to the condition that any check or draft may be handled for collection in accordance with the practice of the collecting bank or banks. Acceptance by Lender of any payment in an amount less than the amount then due shall be deemed an acceptance on account only, and the failure to pay the entire amount then due shall be and continue to be an Event of Default (defined below).

ARTICLE 3 - BORROWER COVENANTS

Borrower covenants and agrees that:

Section 3.1 PAYMENT OF DEBT. Borrower will pay the Debt at the time and in the manner provided in the Note and in this Security Instrument.

Section 3.2 INCORPORATION BY REFERENCE. All the covenants, conditions and agreements contained in (a) the Note and (b) all and any of the documents other than the Note or this Security Instrument now or hereafter executed by Borrower and/or others and by or in favor of Lender, which wholly or partially secure or guaranty payment of the Note (the "Other Security Documents"), are hereby made a part of this Security Instrument to the same extent and with the same force as if fully set forth herein.

Section 3.3 INSURANCE.

(a) Borrower, at its sole cost and expense, for the mutual benefit of Borrower and Lender, shall obtain and maintain, or cause to be maintained, during the entire term of this Security Instrument policies of insurance for Borrower and the Property providing at least the following coverages:

(i) comprehensive all risk insurance ("Special Form") including, but not limited to, loss caused by any type of windstorm or hail on the Improvements and the Personal Property, (A) in an amount equal to one hundred percent (100%) of the "Full Replacement Cost," which for purposes of this Agreement shall mean actual replacement value (exclusive of costs of excavations, foundations, underground utilities and footings) with a waiver of depreciation, but the amount shall in no event be less than the outstanding principal balance of the Note; (B) containing an agreed amount endorsement with respect to the Improvements and Personal Property waiving all co-insurance provisions or to be written on a no co-insurance form; (C) providing for no deductible in excess of Ten Thousand and No/100 Dollars (\$10,000.00) for all such insurance coverage and (D) if any of the Improvements or the use of the Property shall at any time constitute legal non-conforming structures or uses, coverage for loss due to operation of law in an amount equal to the Full Replacement Cost, coverage for demolition costs and coverage for increased costs of construction. In addition, Borrower shall obtain: (x) if any portion of the Improvements is currently or at any time in the future located in a federally designated "special flood hazard area", flood hazard insurance in an amount equal to the lesser of (1) the outstanding principal balance of the Note or (2) the maximum amount of such insurance available under the National Flood Insurance Act of 1968, the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, as each may be amended or such greater amount as Lender shall require; (y) [intentionally omitted]; and (z) earthquake insurance in amounts and in form and substance satisfactory to Lender in the event the Property is located in an area with a high degree of seismic activity;

(ii) business income insurance (A) with loss payable to Lender; (B) covering all risks required to be covered by the insurance provided for in subsection (i) above; and (C) in an annual aggregate amount equal to all rents or estimated gross revenues from the operation of the Properties (as reduced to reflect expenses not incurred during a period of Restoration) and covering rental losses or business interruption, as may be applicable, for a period of at least twelve (12) months, after the date of the casualty, and notwithstanding that the Policy may expire prior to the end of such period. The amount of such business income insurance shall be determined prior to the date hereof and at least once each year thereafter based on Borrower's reasonable estimate of the gross income from the Property for the succeeding twelve (12) month period. All proceeds payable to Lender pursuant to this subsection shall be held by Lender and shall be applied to the Obligations from time to time due and payable hereunder and under the Note; provided, however, that nothing herein contained shall be deemed to relieve Borrower of its obligations to pay the Obligations on the respective dates of payment provided for in the Note, this Security Instrument, and the Other Security Documents except to the extent such amounts are actually paid out of the proceeds of such business income insurance;

(iii) at all times during which structural construction, repairs or alterations are being made with respect to the Improvements, and only if the Property coverage form does not otherwise apply, (A) owner's contingent or protective liability insurance, otherwise known as Owner Contractor's Protective Liability, covering claims not covered by or under the terms or provisions of the commercial general liability insurance policy in (v) below; and (B) the insurance provided for in subsection (i) above written in a so-called builder's risk completed value form (1) on a non-reporting basis, (2) against all risks insured against pursuant to subsection (i) above, (3) including permission to occupy the Property, and (4) with an agreed

amount endorsement waiving co-insurance provisions;

(iv) comprehensive boiler and machinery insurance, if steam boilers or other pressure-fixed vessels are in operation, in amounts as shall be reasonably required by Lender on terms consistent with the commercial property insurance policy required under subsection (i) above;

(v) commercial general liability insurance against claims for personal injury, bodily injury, death or property damage occurring upon, in or about the Property, such insurance (A) to be on the so-called "occurrence" form with a combined limit of not less than Two Million and No/100 Dollars (\$2,000,000.00) in the aggregate and One Million and No/100 Dollars (\$1,000,000.00) per occurrence; (B) to continue at not less than the aforesaid limit until required to be changed by Lender in writing by reason of changed economic conditions making such protection inadequate; and (C) to cover at least the following hazards: (1) premises and operations; (2) products and completed operations on an "if any" basis; (3) independent contractors; (4) blanket contractual liability for all legal contracts and (5) contractual liability covering the indemnities contained in Article 13.1 to the extent the same is available;

(vi) automobile liability coverage for all owned and non-owned vehicles, including rented and leased vehicles containing minimum limits per occurrence of One Million and No/100 Dollars (\$1,000,000.00);

(vii) worker's compensation and employee's liability subject to the worker's compensation laws of the applicable state;

(viii) umbrella liability insurance in an amount not less than Three Million and No/100 Dollars (\$3,000,000.00) per occurrence on terms consistent with the commercial general liability insurance policy required under subsection (v) above, including, but not limited to, supplemental coverage for workers' compensation and automobile liability, which umbrella liability coverage shall apply in excess of the automobile liability coverage in clause (vi) above;

(ix) upon sixty (60) days' written notice, such other reasonable insurance such as sinkhole or land subsidence insurance, and in such reasonable amounts as Lender from time to time may reasonably request against such other insurable hazards which at the time are commonly insured against for property similar to the Property located in or around the region in which the Property is located; and

(x) Borrower shall use commercially reasonable efforts, consistent with those of prudent owners of commercial real estate to maintain insurance against damage resulting from acts of terrorism, or an insurance policy without a terrorism exclusion, on terms consistent with the commercial property insurance policy required under subsection (a) above and otherwise reasonably satisfactory to Lender; provided, however, if such terrorism insurance is obtainable from any insurer or the United States of America or any agency or instrumentality thereof and the lack of such insurance in and of itself will result in a downgrade by any rating agency issuing any statistical rating in any Secondary Market Transaction to the then current ratings assigned, or to be assigned, to the Securities (as hereinafter defined) or any class thereof, Borrower shall obtain

such insurance.

(b) All insurance provided for in Section 3.3(a) shall be obtained under valid and enforceable policies (collectively, the "Policies" or in the singular, the "Policy"), shall be satisfactory in form and substance to Lender and shall be subject to the approval of Lender as to insurance companies, amounts, deductibles, loss payees and insureds. The Policies (i) shall be issued by financially sound and responsible insurance companies approved by Lender and authorized or licensed to do business in the state where the Property is located, with a claims paying ability rating of "A" or better by Standard & Poor's Corporation or a rating of "A:VII" or better in the current Best's Insurance Reports; (ii) except for the Policy referenced in Section 3.3(a)(vii) shall name Borrower as the insured and Lender as an additional insured, as its interests may appear; (iii) in the case of property damage, boiler and machinery, flood and earthquake insurance, shall contain a so-called New York Non-Contributory Standard Mortgagee Clause and (other than those strictly limited to liability protection) a Lender's Loss Payable Endorsement (Form 438 BFU NS), or their equivalents, naming Lender as the person to which all payments made by such insurance company shall be paid; (iv) shall contain a waiver of subrogation against Lender; (v) shall be maintained throughout the term of this Security Instrument without cost to Lender; (vi) shall be assigned and the originals (or duplicate originals certified to be true and correct by the related insurer) delivered to Lender; and (vii) shall contain such provisions as Lender deems reasonably necessary or desirable to protect its interest including, without limitation, endorsements providing that neither Borrower, Lender nor any other party shall be a co-insurer under said Policies and that Lender shall receive at least thirty (30) days prior written notice of any modification, reduction or cancellation. Any blanket Policy shall specifically allocate to the Property the amount of coverage from time to time required hereunder and shall otherwise provide the same protection as would a separate Policy insuring only the Property in compliance with the provisions of Section 3.3(a). Borrower shall pay the premiums for such Policies (the "Insurance Premiums") as the same become due and payable and shall furnish to Lender evidence of the renewal of each of the new Policies with receipts for the payment of the Insurance Premiums or other evidence of such payment reasonably satisfactory to Lender (provided that such Insurance Premiums have not been paid to Lender or Lender's servicing agent pursuant to Section 3.5 hereof). If Borrower does not furnish such evidence and receipts at least thirty (30) days prior to the expiration of any apparently expiring Policy, then Lender may procure, but shall not be obligated to procure, such insurance and pay the Insurance Premiums therefor, and Borrower agrees to reimburse Lender for the cost of such Insurance Premiums promptly on demand. Within thirty (30) days after request by Lender, Borrower shall obtain such increases in the amounts of coverage required hereunder as may be reasonably requested by Lender, taking into consideration changes in the value of money over time, changes in liability laws, changes in prudent customs and practices, and the like.

(c) If the Property shall be damaged or destroyed, in whole or in part, by fire or other casualty, Borrower shall give prompt notice of such damage to Lender and shall promptly commence and diligently prosecute the completion of the repair and restoration of the Property as nearly as possible to the condition the Property was in immediately prior to such fire or other casualty, with such alterations as may be reasonably approved by Lender (the "Restoration") and otherwise in accordance with Section 4.4 of this Security Instrument. Borrower shall pay all costs of such Restoration whether or not such costs are covered by insurance. In case of loss covered by Policies, Lender may either (1) settle and adjust any claim without the consent of Borrower, or (2) allow Borrower to agree with the insurance company or companies on the amount to be paid upon the loss; provided, that (A) Borrower may adjust

losses aggregating not in excess of \$100,000 if such adjustment is carried out in a competent and timely manner and (B) if no Event of Default shall have occurred, Lender shall not settle or adjust any such claim without the consent of Borrower, which consent shall not be unreasonably withheld or delayed. In any case Lender shall and is hereby authorized to collect and receipt for any such insurance proceeds; and the reasonable expenses incurred by Lender in the adjustment and collection of insurance proceeds shall become part of the Debt and be secured hereby and shall be reimbursed by Borrower to Lender upon demand.

Section 3.4 PAYMENT OF TAXES, ETC.

(a) Borrower shall pay all taxes, assessments, water rates, sewer rents, governmental impositions, and other charges, including without limitation vault charges and license fees for the use of vaults, chutes and similar areas adjoining the Land, now or hereafter levied or assessed or imposed against the Property or any part thereof (the "Taxes"), all ground rents, maintenance charges and similar charges, now or hereafter levied or assessed or imposed against the Property or any part thereof (the "Other Charges"), and all charges for utility services provided to the Property prior to the same becoming delinquent. Borrower will deliver to Lender, promptly upon Lender's request, evidence reasonably satisfactory to Lender that the Taxes, Other Charges and utility service charges have been so paid or are not then delinquent. Borrower shall not suffer and shall promptly cause to be paid and discharged any lien or charge whatsoever which may be or become a lien or charge against the Property. Except to the extent sums sufficient to pay all Taxes and Other Charges have been deposited with Lender in accordance with the terms of this Security Instrument, Borrower shall furnish to Lender paid receipts for the payment of the Taxes and Other Charges prior to the date the same shall become delinquent.

(b) After prior written notice to Lender, Borrower, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any of the Taxes, provided that (i) no Event of Default has occurred under the Note, this Security Instrument or any of the Other Security Documents, (ii) Borrower is permitted to do so under the provisions of any other mortgage, deed of trust or deed to secure debt affecting the Property, (iii) such proceeding shall suspend the collection of the Taxes from Borrower and from the Property or Borrower shall have paid all of the Taxes under protest, (iv) such proceeding shall be permitted under and be conducted in accordance with the provisions of any other instrument to which Borrower is subject and shall not constitute a default thereunder, (v) neither the Property nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, cancelled or lost, (vi) Borrower shall have deposited with Lender adequate reserves for the payment of the Taxes, together with all interest and penalties thereon, unless Borrower has paid all of the Taxes under protest, and (vii) Borrower shall have furnished the security as may be required in the proceeding, or as may be requested by Lender to insure the payment of any contested Taxes, together with all interest and penalties thereon.

Section 3.5 ESCROW FUND. In addition to the initial deposits with respect to Taxes and Insurance Premiums made by Borrower to Lender on the date hereof to be held by Lender in escrow, Borrower shall pay to Lender on the first day of each calendar month (a) one-twelfth of an amount which would be sufficient to pay the Taxes payable, or reasonably estimated by Lender to be payable, during the next ensuing twelve (12) months and (b) one-twelfth of an amount which would be sufficient to pay the Insurance Premiums due for the renewal of the coverage afforded by the Policies upon the expiration

thereof (the amounts in (a) and (b) above shall be called the "Escrow Fund"). Borrower agrees to notify Lender immediately of any changes to the amounts, schedules and instructions for payment of any Taxes and Insurance Premiums of which it has obtained knowledge and authorizes Lender or its agent to obtain the bills for Taxes and Other Charges directly from the appropriate taxing authority. The Escrow Fund and the payments of interest or principal or both, payable pursuant to the Note shall be added together and shall be paid as an aggregate sum by Borrower to Lender. Lender will apply the Escrow Fund to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to Sections 3.3 and 3.4 hereof. If the amount of the Escrow Fund shall exceed the amounts due for Taxes and Insurance Premiums pursuant to Sections 3.3 and 3.4 hereof, Lender shall, in its discretion, return any excess to Borrower or credit such excess against future payments to be made to the Escrow Fund. In allocating such excess, Lender may deal with the person shown on the records of Lender to be the owner of the Property. If the Escrow Fund is not sufficient to pay the items set forth in (a) and (b) above, Borrower shall promptly pay to Lender, upon demand, an amount which Lender shall reasonably estimate as sufficient to make up the deficiency. Lender will place the Escrow Fund in a money market account, if available. The Escrow Fund shall not constitute a trust fund and may be commingled with other monies held by Lender. Any interest earned on the Escrow Fund shall accrue for the benefit of Borrower but shall remain a part of the Escrow Fund.

Section 3.6 CONDEMNATION. Borrower shall promptly give Lender notice of the actual or threatened commencement of any condemnation or eminent domain proceeding and shall deliver to Lender copies of any and all papers served in connection with such proceedings. Lender is hereby irrevocably appointed as Borrower's attorney-in-fact coupled with an interest, with exclusive powers to collect, receive and retain any award or payment for any taking accomplished through a condemnation or eminent domain proceeding and to make any compromise or settlement in connection therewith. All condemnation awards or proceeds shall be either (a) paid to Lender for application against the Debt or (b) applied to Restoration of the Property in accordance with Section 4.4 hereof. Notwithstanding any taking by any public or quasi-public authority through eminent domain or otherwise (including but not limited to any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Security Instrument and the Debt shall not be reduced until any award or payment therefor shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the award by the condemning authority but shall be entitled to receive out of the award interest at the rate or rates provided herein or in the Note. Any award or payment to be applied without penalty to the reduction or discharge of the Debt or any portion thereof may be so applied whether or not the Debt or such portion thereof is then due and payable. If the Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the award or payment, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been or may be sought, recovered or denied, to receive the award or payment, or a portion thereof sufficient to pay the Debt.

Section 3.7 LEASES AND RENTS.

(a) Borrower does hereby absolutely and unconditionally assign to Lender, Borrower's right, title and interest in all current and future Leases and Rents, it being intended by Borrower that this assignment constitutes a present, absolute assignment and not an assignment for additional security only.

Such assignment to Lender shall not be construed to bind Lender to the performance of any of the covenants, conditions or provisions contained in any such Lease or otherwise impose any obligation upon Lender. Borrower agrees to execute and deliver to Lender such additional instruments, in form and substance reasonably satisfactory to Lender, as may hereafter be requested by Lender to further evidence and confirm such assignment. Nevertheless, subject to the terms of this Section 3.7, Lender grants to Borrower a revocable license to operate and manage the Property and to collect the Rents. Borrower shall hold the Rents, or a portion thereof sufficient to discharge all current sums due on the Debt, in trust for the benefit of Lender for use in the payment of such sums. Upon an Event of Default, without the need for notice or demand, the license granted to Borrower herein shall automatically be revoked, and Lender shall immediately be entitled to possession of all Rents, whether or not Lender enters upon or takes control of the Property. Lender is hereby granted and assigned by Borrower the right, at its option, upon revocation of the license granted herein, to enter upon the Property in person, by agent or by court-appointed receiver to collect the Rents. Any Rents collected after the revocation of the license may be applied toward payment of the Debt in such priority and proportions as Lender in its sole discretion shall deem proper.

(b) All Leases entered into from and after the date of this Security Instrument shall be written on the standard form of lease which has been approved by Lender. No changes may be made to the Lender-approved standard lease without the prior written consent of Lender except for commercially reasonable changes agreed to in the ordinary course of Borrower's business. All Leases shall provide that they are subordinate to this Security Instrument and that the tenant thereunder agrees to attorn to Lender.

(c) Borrower (i) shall observe and perform all the material obligations imposed upon the lessor under the Leases and shall not do or permit to be done anything to impair the value of the Leases as security for the Debt; (ii) shall promptly send copies to Lender of all notices of default which Borrower shall receive thereunder; (iii) shall not collect any of the Rents more than one (1) month in advance; and (iv) shall not execute any other assignment of the lessor's interest in the Leases or the Rents. Borrower shall promptly send copies to Lender of all notices of default which Borrower shall send under any Lease in excess of 5,000 square feet; and, (A) shall enforce all of the material terms, covenants and conditions contained in the Lease upon the part of the lessee thereunder to be observed or performed, short of termination thereof; (B) shall not alter, modify or change the terms of the Leases in any material respect without the prior written consent of Lender, which consent shall not be unreasonably withheld; (C) shall not convey or transfer or suffer or permit a conveyance or transfer of the Property or of any interest therein so as to effect a merger of the estates and rights, or a termination or diminution of the obligations of, tenants under the Leases; (D) shall not consent to any assignment of or subletting under the Leases not in accordance with the terms of the Leases, without the prior written consent of Lender; and (E) shall not cancel or terminate the Leases or accept a surrender thereof, except that any Lease of less than 5,000 square feet may be canceled if at the time of the cancellation thereof a new Lease is entered into on substantially the same terms or more favorable terms as the canceled Lease.

(d) Borrower, as the lessor thereunder, may enter into proposed lease renewals and new leases without the prior written consent of Lender, provided each such proposed lease: (i) is not for greater than or equal to 5,000 square feet of the net rentable area of the Property; (ii) shall have an initial term of not less than three (3) years or greater than ten (10) years; (iii) shall provide for rental rates comparable to then-existing local market rates and shall be an arm's-length transaction; (iv) shall not contain any options for renewal or expansion by the tenant thereunder at rental rates which are either

below comparable market levels or less than the rental rates paid by the tenant during the initial lease term; (v) shall be to a tenant which is experienced, creditworthy and reputable; and (vi) shall comply with the provisions of subsection (b) above. Borrower may enter into a proposed lease which does not satisfy all of the conditions set forth in clauses (i) through (v) immediately above, provided Lender consents in writing to such proposed lease, such consent not to be unreasonably withheld or delayed. Borrower expressly understands that any and all proposed leases are included in the definition of "Lease" or "Leases" as such terms may be used throughout this Security Instrument, the Note and the Other Security Documents. Borrower shall furnish Lender with executed copies of all Leases and any amendments or other agreements pertaining thereto within ten (10) days of the execution thereof.

(e) All security deposits of tenants, whether held in cash or any other form, shall not be commingled with any other funds of Borrower and, if cash, shall be deposited by Borrower at such commercial or savings bank or banks as may be reasonably satisfactory to Lender. Any bond or other instrument which Borrower is permitted to hold in lieu of cash security deposits under any applicable legal requirements shall be maintained in full force and effect in the full amount of such deposits unless replaced by cash deposits as hereinabove described, shall be issued by an institution reasonably satisfactory to Lender, shall, if permitted pursuant to any legal requirements, name Lender as payee or lender thereunder (or at Lender's option, be fully assignable to Lender) and shall, in all respects, comply with any applicable legal requirements and otherwise be reasonably satisfactory to Lender. Borrower shall, upon request, provide Lender with evidence reasonably satisfactory to Lender of Borrower's compliance with the foregoing. Following the occurrence and during the continuance of any Event of Default, Borrower shall, upon Lender's request, if permitted by any applicable legal requirements, turn over to Lender the security deposits (and any interest theretofore earned thereon) with respect to all or any portion of the Property, to be held by Lender subject to the terms of the Leases.

Section 3.8 MAINTENANCE OF PROPERTY. Borrower shall cause the Property to be maintained in a good and safe condition and repair. The Improvements and the Personal Property shall not be removed, demolished or materially altered (except for normal replacement of the Personal Property) without the consent of Lender. Borrower shall promptly repair, replace or rebuild any part of the Property which may be destroyed by any casualty, or become damaged, worn or dilapidated or which may be affected by any proceeding of the character referred to in Section 3.6 hereof and shall complete and pay for any structure at any time in the process of construction or repair on the Land. Borrower shall not initiate, join in, acquiesce in, or consent to any change in any private restrictive covenant, zoning law or other public or private restriction, limiting or defining the uses which may be made of the Property or any part thereof which may have a material adverse affect on the use, operation or value of the Property. If under applicable zoning provisions the use of all or any portion of the Property is or shall become a nonconforming use, Borrower will not cause or permit the nonconforming use to be discontinued or abandoned without the express written consent of Lender, which consent shall not be unreasonably withheld.

Section 3.9 WASTE. Borrower shall not commit or suffer any waste of the Property or make any change in the use of the Property which will in any way materially increase the risk of fire or other hazard arising out of the operation of the Property, or take any action that might invalidate or give cause for cancellation of any Policy, or do or permit to be done thereon anything that may in any way impair the value of the Property or the security of this Security Instrument. Borrower will not, without the prior written consent of Lender, permit any drilling or exploration for or extraction, removal, or production of

any minerals from the surface or the subsurface of the Land, regardless of the depth thereof or the method of mining or extraction thereof.

Section 3.10 COMPLIANCE WITH LAWS. Borrower shall promptly comply with all existing and future federal, state and local laws, orders, ordinances, governmental rules and regulations or court orders affecting or which may be interpreted to affect the Property, or the use thereof ("Applicable Laws"). Borrower shall from time to time, upon Lender's request, provide Lender with evidence reasonably satisfactory to Lender that the Property complies with all Applicable Laws or is exempt from compliance with Applicable Laws. The term "Net Proceeds" for purposes of this Section 4.4(b) shall mean: (i) the net amount of all insurance proceeds received by Lender pursuant to Subsections 3.3(a) (i), (iv), (ix), and (x) of this Security Instrument as a result of such damage or destruction, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting the same or (ii) the net amount of all awards and payments received by Lender with respect to a taking referenced in Section 3.6 of this Security Instrument, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting the same, whichever the case may be.

(i) The Net Proceeds shall be made available to Borrower for the Restoration provided that each of the following conditions are met: (A) no Event of Default shall have occurred under the Note, this Security Instrument or any of the Other Security Documents which has not been cured and no event shall have occurred which after the passage of time or the giving of notice would constitute an Event of Default; (B) Borrower shall deliver or cause to be delivered to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the reasonably estimated cost of completing the Restoration, reasonably satisfactory to Lender; (C) the Net Proceeds together with any cash or cash equivalent deposited by Borrower with Lender are sufficient in Lender's reasonable discretion to cover the cost of the Restoration; (D) Borrower shall deliver to Lender, at its expense, the insurance set forth in Subsection 3.3(a)(iii) hereof; (E) less than fifty percent (50%) of the total floor area of the Improvements has been damaged, destroyed, taken, or rendered unusable as a result of such fire or other casualty or taking, whichever the case may be; (F) Leases demising in the aggregate at least 50% of the total rentable space in the Property which has been demised under executed and delivered Leases in effect as of the date of the occurrence of such fire or other casualty or taking, whichever the case may be, shall remain in full force and effect during and after the completion of the Restoration; (G) Borrower shall commence the Restoration as soon as reasonably practicable and shall diligently pursue the same to reasonably satisfactory completion; (H) Lender shall be reasonably satisfied that any operating deficits, including all scheduled payments of principal and interest under the Note at the Applicable Interest Rate (as defined in the Note), which will be incurred with respect to the Property as a result of the occurrence of any such fire or other casualty or taking, whichever the case may be, will be covered out of (1) the Net Proceeds, (2) the insurance coverage referred to in Subsection 3.3(a)(ii), if applicable, or (3) by other funds of Borrower which are deposited with Lender prior to the commencement of the Restoration; (I) Lender shall be reasonably satisfied that, upon the completion of the Restoration, the gross cash flow and the net cash flow of the Property will be restored to a level sufficient to cover all carrying costs and operating expenses of the Property, including, without limitation, debt service on the Note at a coverage ratio (after deducting replacement reserve requirements and reserves for tenant improvements and leasing commissions from net operating income) of at least 1.50:1.00, which coverage ratio shall be determined by Lender in its reasonable discretion on the basis of the Applicable Interest Rate (as defined in the Note); (J) Lender shall be reasonably satisfied that the Restoration will be completed on or before the earliest to occur of (1) six (6) months prior to the Maturity Date (as defined in the Note), (2) one (1) year after the occurrence of such fire or other casualty or taking, whichever the case may be, (3) the earliest

(ii) The Net Proceeds shall be held by Lender, and until disbursed in accordance with the provisions of this Subsection 4.4(b), shall constitute additional security for the Obligations. The Net Proceeds shall be disbursed by Lender to, or as directed by, Borrower from time to time during the course of the Restoration, upon receipt of evidence reasonably satisfactory to Lender that (A) all materials installed and work and labor performed (except to the extent that they are to be paid for out of the requested disbursement) in connection with the Restoration have been paid for in full, and (B) there exist no notices of pendency, stop orders, mechanic's or materialmen's liens or notices of intention to file same, or any other liens or encumbrances of any nature whatsoever on the Property arising out of the Restoration which have not either been fully bonded to the reasonable satisfaction of Lender and discharged of record or in the alternative fully insured to the reasonable satisfaction of Lender by the title company insuring the lien of this Security Instrument.

(iii) All plans and specifications required in connection with the Restoration shall be subject to prior reasonable review and acceptance in all respects by Lender and by an independent consulting engineer selected by Lender (the "Casualty Consultant"). Lender shall have the use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration. The identity of the contractors, subcontractors and materialmen engaged in the Restoration, as well as the contracts under which they have been engaged, shall be subject to prior reasonable review and acceptance by Lender and the Casualty Consultant. All costs and expenses incurred by Lender in connection with making the Net Proceeds available for the Restoration including, without limitation, reasonable counsel fees and disbursements and the reasonable and actual Casualty Consultant's fees, shall be paid by Borrower.

(iv) In no event shall Lender be obligated to make disbursements of the Net Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, minus the Casualty Retainage. The term "Casualty Retainage" as used in this Subsection 4.4(b) shall mean an amount equal to 10% of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, until such time as the Casualty Consultant certifies to Lender that 50% of the required Restoration has been completed. There shall be no Casualty Retainage with respect to costs actually incurred by Borrower for work in place in completing the

last 50% of the required Restoration. The Casualty Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this Subsection 4.4(b), be less than the amount actually held back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Subsection 4.4(b) and that all approvals necessary for the re-occupancy and use of the Property have been obtained from all appropriate governmental and quasi-governmental authorities, and Lender receives evidence reasonably satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage, provided, however, that Lender will release the portion of the Casualty Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which the Casualty Consultant certifies to Lender that the contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of the contractor's, subcontractor's or materialman's contract, and the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company insuring the lien of this Security Instrument. If required by Lender, the release of any such portion of the Casualty Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the reasonable opinion of Lender, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the "Net Proceeds Deficiency") with Lender before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be held by Lender and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this Subsection 4.4(b) shall constitute additional security for the Obligations.

(vii) With respect to Restorations related to casualties, the excess, if any, of the Net Proceeds, and the remaining balance, if any, of the Net Proceeds Deficiency deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Subsection 4.4(b), and the receipt by Lender of evidence satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be remitted by Lender to Borrower, provided no Event of Default shall have occurred under the Note, this Security Instrument or any of the Other Security Documents.

(c) All Net Proceeds not required (i) to be made available for the Restoration or (ii) to be returned to Borrower as excess Net Proceeds pursuant to Subsection 4.4(b)(vii) may, at Lender's election, be retained and applied by Lender toward the payment of the Debt whether or not then due and payable in such order, priority and proportions as Lender in its discretion shall deem proper or be paid,

either in whole or in part, to Borrower for such purposes as Lender shall designate, in its discretion. If Lender shall receive and retain Net Proceeds, the lien of this Security Instrument shall be reduced only by the amount thereof received and retained by Lender and actually applied by Lender in reduction of the Debt.

(f) Borrower and each tenant-in-common comprising Borrower agrees that upon any distribution of the assets or readjustment of the indebtedness of any tenant-in-common comprising Borrower, whether by reason of liquidation, composition, bankruptcy, arrangement,

receivership, assignment for the benefit of creditors or any other action or proceeding involving the readjustment of all or any of the Debt, or the application of the assets of any tenant-in-common comprising Borrower to the payment or liquidation thereof (each of the foregoing being referred to herein as a "Bankruptcy Action"), Lender shall be entitled to receive payment in full of any and all Debt prior to the payment of all or any part of any amount payable under the TIC Agreement, and in order to enable Lender to enforce Lender's rights hereunder in any such action or proceeding, Lender is hereby irrevocably authorized and empowered in its discretion (in Lender's name or in the name of any of the tenants-in-common comprising Borrower) to make and to present for and on behalf of any such tenant-in-common such proofs of claim against any other tenant-in-common on account of the TIC Agreement as Lender may deem expedient or proper and to receive and collect any and all distributions or other payments or disbursements made with respect to the TIC Agreement in whatever form the same may be paid or issued and to apply the same to the Debt. Borrower and each tenant-in-common comprising Borrower further agrees to execute and deliver to Lender such assignments or other instruments as may be required by Lender in order to enable Lender to enforce any and all claims, and to collect any and all payments or disbursements which may be made, on account of the TIC Agreement.

(g) Without limitation to the rights provided to Lender in this Section 4.5, Borrower and each tenant-in-common comprising Borrower irrevocably grants Lender the right (in Lender's name or in the name of such tenant-in-common) to exercise any and all rights of such tenant-in-common in any Bankruptcy Action to make elections with respect to the TIC Agreement including, without limitation, elections with respect to any proposed plan of reorganization. Borrower and each tenant-in-common comprising Borrower hereby further agrees to consent to any motion made by or on behalf of Lender in any Bankruptcy Action for relief against any stay or injunction therein against collection of the Debt, including, but not limited to, any motion made by or on behalf of Lender therein to lift such stay or injunction for the purposes of foreclosing the Security Instrument.

(h) Borrower and each tenant-in-common comprising Borrower agrees that any payments or proceeds received by any such tenant-in-common in contravention of the terms and provisions of this Section 4.5 will be held in trust for Lender and promptly delivered to Lender.

The relationship between Borrower and Lender is solely that of debtor and creditor, and Lender has no fiduciary or other special relationship with Borrower, and no term or condition of any of the Note, this Security Instrument and the Other Security Documents shall be construed so as to deem the relationship between Borrower and Lender to be other than that of debtor and creditor.

Section 6.2 NO RELIANCE ON LENDER. The general partners, officers, shareholders, members, principals or other beneficial owners of Borrower are experienced in the ownership and operation of properties similar to the Property, and Borrower and Lender are relying solely upon such expertise and business plan in connection with the ownership and operation of the Property. Borrower is not relying on Lender's expertise, business acumen or advice in connection with the Property.

Section 6.3 NO LENDER OBLIGATIONS.

(a) Notwithstanding any of the provisions of this Security Instrument (including, but not limited to, the provisions of Subsections 1.1(f) and (l), Section 1.2 or Section 3.7), Lender is not undertaking the performance of (i) any obligations under the Leases; or (ii) any obligations with respect to such agreements, contracts, certificates, instruments, franchises, permits, trademarks, licenses and other documents.

(b) By accepting or approving anything required to be observed, performed or fulfilled or to be given to Lender pursuant to this Security Instrument, the Note or the Other Security Documents, including without limitation, any officer's certificate, balance sheet, statement of profit and loss or other financial statement, survey, appraisal, or insurance policy, Lender shall not be deemed to have warranted, consented to, or affirmed the sufficiency, the legality or effectiveness of same, and such acceptance or approval thereof shall not constitute any warranty or affirmation with respect thereto by Lender.

Section 6.4 RELIANCE. Borrower recognizes and acknowledges that in accepting the Note, this Security Instrument and the Other Security Documents, Lender is expressly and primarily relying on the truth and accuracy of the warranties and representations set forth in Article 5 without any obligation to investigate the Property and notwithstanding any investigation of the Property by Lender; that such reliance existed on the part of Lender prior to the date hereof; that the warranties and representations are a material inducement to Lender in accepting the Note, this Security Instrument and the Other Security Documents; and that Lender would not be willing to make the loan evidenced by the Note, this Security Instrument and the Other Security Documents and accept this Security Instrument in the absence of the warranties and representations as set forth in Article 5.

ARTICLE 7 - FURTHER ASSURANCES

Section 7.1 RECORDING OF SECURITY INSTRUMENT, ETC. Borrower forthwith upon the execution and delivery of this Security Instrument and thereafter, from time to time, will cause this Security Instrument and any of the Other Security Documents creating a lien or security interest or evidencing the lien hereof upon the Property and each instrument of further assurance to be filed, registered or recorded in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect and perfect (i) the conveyance of good and marketable

title in the Property to Lender and (ii) the lien or security interest hereof upon, and the interest of Lender in, the Property. Borrower will pay all taxes, filing, registration or recording fees, and all expenses incident to the preparation, execution, acknowledgment and/or recording of the Note, this Security Instrument, the Other Security Documents, any note or mortgage supplemental hereto, any security instrument with respect to the Property and any instrument of further assurance, and any modification or amendment of the foregoing documents, and all federal, state, county and municipal taxes, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of this Security Instrument, any mortgage supplemental hereto, any security instrument with respect to the Property or any instrument of further assurance, and any modification or amendment of the foregoing documents, except where prohibited by law so to do.

Section 7.2 FURTHER ACTS, ETC. Borrower will, at the cost of Borrower, and without expense to Lender, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, mortgages, assignments, notices of assignments, transfers and assurances as Lender shall, from time to time, reasonably require, for the better assuring, conveying, assigning, transferring, and confirming unto Lender the property and rights hereby mortgaged, granted, bargained, sold, conveyed, confirmed, pledged, assigned, warranted, transferred and set over or intended now or hereafter so to be, or which Borrower may be or may hereafter become bound to convey or assign to Lender, or for carrying out the intention or facilitating the performance of the terms of this Security Instrument or for filing, registering or recording this Security Instrument, or for complying with all Applicable Laws. Borrower, promptly upon demand thereof, will execute and deliver and hereby authorizes Lender to execute in the name of Borrower or without the signature of Borrower to the extent Lender may lawfully do so, one or more financing statements, chattel mortgages or other instruments, to evidence more effectively the security interest of Lender in the Property. Borrower grants to Lender an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Lender at law and in equity, including without limitation such rights and remedies available to Lender pursuant to this Section 7.2.

Section 7.3 CHANGES IN TAX, DEBT, CREDIT AND DOCUMENTARY STAMP LAWS.

(a) If any law is enacted or adopted or amended after the date of this Security Instrument which deducts the Debt from the value of the Property for the purpose of taxation or which imposes a tax, either directly or indirectly, on the Debt or Lender's interest in the Property, Borrower will pay the tax, with interest and penalties thereon, if any. If Lender is advised by counsel chosen by it that the payment of tax by Borrower would be unlawful or taxable to Lender or unenforceable or provide the basis for a defense of usury, then Lender shall have the option by written notice of not less than ninety (90) days to declare the Debt immediately due and payable.

(b) Borrower will not claim or demand or be entitled to any credit or credits on account of the Debt for any part of the Taxes or Other Charges assessed against the Property, or any part thereof, and no deduction shall otherwise be made or claimed from the assessed value of the Property, or any part thereof, for real estate tax purposes by reason of this Security Instrument or the Debt. If such claim, credit or deduction shall be required by law, Lender shall have the option, by written notice of not less than ninety (90) days, to declare the Debt immediately due and payable.

(c) If at any time the United States of America, any State thereof or any subdivision of any

such State shall require revenue or other stamps to be affixed to the Note, this Security Instrument, or any of the Other Security Documents or impose any other tax or charge on the same, Borrower will pay for the same, with interest and penalties thereon, if any.

Section 7.4 ESTOPPEL CERTIFICATES.

(a) After request by Lender, Borrower, within ten (10) days, shall furnish Lender or any proposed assignee or Investor (as defined in Section 19.1) with a statement, duly acknowledged and certified, setting forth (i) the amount of the original principal amount of the Note, (ii) the unpaid principal amount of the Note, (iii) the rate of interest of the Note, (iv) the terms of payment and maturity date of the Note, (v) the date installments of interest and/or principal were last paid, (vi) that, except as provided in such statement, there are no defaults or events which with the passage of time or the giving of notice or both, would constitute an event of default under the Note or the Security Instrument, (vii) that the Note and this Security Instrument are valid, legal and binding obligations and have not been modified or if modified, giving particulars of such modification, (viii) whether any offsets or defenses exist against the obligations secured hereby and, if any are alleged to exist, a detailed description thereof, (ix) that all Leases are in full force and effect and (provided the Property is not a residential multifamily property) have not been modified (or if modified, setting forth all modifications), (x) the date to which the Rents thereunder have been paid pursuant to the Leases, (xi) whether or not, to the best knowledge of Borrower, any of the lessees under the Leases are in default under the Leases, and, if any of the lessees are in default, setting forth the specific nature of all such defaults, (xii) the amount of security deposits held by Borrower under each Lease and that such amounts are consistent with the amounts required under each Lease, and (xiii) as to any other matters reasonably requested by Lender and reasonably related to the Leases, the obligations secured hereby, the Property or this Security Instrument.

(b) Borrower shall use best efforts to deliver to Lender, promptly upon request (provided such request is not made more than twice in any calendar year), duly executed estoppel certificates from any one or more commercial lessees as required by Lender attesting to such facts regarding the Lease as Lender may reasonably require, including but not limited to attestations that each Lease covered thereby is in full force and effect with no defaults thereunder on the part of any party, that none of the Rents have been paid more than one month in advance, and that the lessee claims no defense or offset against the full and timely performance of its obligations under the Lease.

(c) Lender, by its acceptance of this Security Instrument, agrees to deliver to Borrower promptly upon Borrower's request therefor (provided such request is not made more than twice in any calendar year) a written statement setting forth the unpaid principal amount of the Note, the accrued and unpaid interest thereon and the date on which an installment of interest and/or principal were last paid thereunder.

Section 7.5 FLOOD INSURANCE. After Lender's reasonable request, Borrower shall deliver evidence satisfactory to Lender that no portion of the Improvements is situated in a federally designated "special flood hazard area."

Section 7.6 SPLITTING OF SECURITY INSTRUMENT. This Security Instrument and the Note shall, at any time until the same shall be fully paid and satisfied, at the sole election of Lender, be split or divided into two or more notes and two or more security instruments, each of which shall cover

all or a portion of the Property to be more particularly described therein. To that end, Borrower, upon written request of Lender and at Lender's sole cost and expense, shall execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered by the then owner of the Property, to Lender and/or its designee or designees substitute notes and security instruments in such principal amounts, aggregating not more than the then unpaid principal amount of this Security Instrument, and containing terms, provisions and clauses similar to those contained herein and in the Note, and such other documents and instruments as may be required by Lender.

Section 7.7 REPLACEMENT DOCUMENTS. Upon receipt of an affidavit of an officer of Lender as to the loss, theft, destruction or mutilation of the Note or any Other Security Document which is not of public record, and, in the case of any such mutilation, upon surrender and cancellation of such Note or Other Security Document, Borrower will issue, in lieu thereof, a replacement Note or Other Security Document, dated the original date of such lost, stolen, destroyed or mutilated Note or Other Security Document in the same principal amount thereof and otherwise of like tenor.

ARTICLE 8 - DUE ON SALE/ENCUMBRANCE

Section 8.1 LENDER RELIANCE. Borrower acknowledges that Lender has examined and relied on the experience of Borrower and its general partners, principals and (if Borrower is a trust) beneficial owners in owning and operating properties such as the Property in agreeing to make the loan secured hereby, and will continue to rely on Borrower's ownership of the Property as a means of maintaining the value of the Property as security for repayment of the Debt and the performance of the Other Obligations. Borrower acknowledges that Lender has a valid interest in maintaining the value of the Property so as to ensure that, should Borrower default in the repayment of the Debt or the performance of the Other Obligations, Lender can recover the Debt by a sale of the Property.

Section 8.2 NO SALE/ENCUMBRANCE. Borrower agrees that Borrower shall not, without the prior written consent of Lender, sell, convey, mortgage, grant, bargain, encumber, pledge, assign, or otherwise transfer the Property or any part thereof or permit the Property or any part thereof to be sold, conveyed, mortgaged, granted, bargained, encumbered, pledged, assigned, or otherwise transferred.

Section 8.3 SALE/ENCUMBRANCE DEFINED. A sale, conveyance, mortgage, grant, bargain, encumbrance, pledge, assignment, or transfer within the meaning of this Article 8 shall be deemed to include, but not limited to, (a) an installment sales agreement wherein Borrower agrees to sell the Property or any part thereof for a price to be paid in installments; (b) an agreement by Borrower leasing all or a substantial part of the Property for other than actual occupancy by a space tenant thereunder or a sale, assignment or other transfer of, or the grant of a security interest in, Borrower's right, title and interest in and to any Leases or any Rents; (c) if Borrower or any general partner of Borrower is a corporation, the voluntary or involuntary sale, conveyance, transfer or pledge of such corporation's stock or the creation or issuance of new stock by which an aggregate of more than 49% of the ownership of such corporation's stock shall be vested in or pledged to a party or parties who are not now stockholders; (d) if Borrower or any general partner of Borrower is a limited liability company, the voluntary or involuntary sale, conveyance, transfer or pledge of membership interests in the capital or profits of such company or the creation or issuance of new membership interests by which an aggregate of more than 49% of the ownership of such company's membership interests shall be vested in or pledged to a party or parties who do not now hold membership interests in such company; (e) if

Borrower or any general partner of Borrower is a limited or general partnership or joint venture, (i) the change, removal or resignation of a general partner or managing partner, (ii) the transfer or pledge of the partnership interest of any general partner or managing partner or any profits or proceeds relating to such partnership interest, (iii) the transfer or pledge of more than 49% of the capital or profits of the partnership or (iv) the creation or issuance of new partnership interests by Borrower or its general partner which an aggregate of more than 49% of the ownership of partnership interests in such partnership shall be vested in a party or parties who do not now hold partnership interests in such partnership or joint venture; and (f) without limitation to the foregoing, any voluntary or involuntary sale, transfer, conveyance or pledge by any person or entity which directly or indirectly controls Borrower (by operation or law or otherwise) (a "Principal") of its direct or indirect controlling interest in Borrower. Notwithstanding the foregoing, the following transfers shall not be deemed to be a sale, conveyance, mortgage, grant, bargain, encumbrance, pledge, assignment or transfer within the meaning of this Article 8: (A) transfer by devise or descent or by operation of law upon the death of a partner, member, shareholder or stockholder of Borrower or any general partner thereof, and (B) a sale, transfer or hypothecation of a partnership, shareholder or membership interest in Borrower, whichever the case may be, by the current partner(s), shareholder(s) or member(s), as applicable, to an immediate family member (i.e., parents, spouses, siblings, children or grandchildren) of such partner, or shareholder or member or to a Principal (or a trust for the benefit of any such persons). Notwithstanding anything to the contrary contained herein (including, without limitation, the terms of the immediately preceding sentence), any sale, conveyance, mortgage, grant, bargain, encumbrance, pledge, assignment or transfer permitted or consented to which shall result in any party not now owning more than 49% of the ownership interests in Borrower acquiring more than 49% of the ownership interests in Borrower shall require the receipt by Lender of a substantive non-consolidation opinion reasonably acceptable to Lender.

Section 8.4 LENDER'S RIGHTS. Lender reserves the right to condition the consent required hereunder upon a modification of the terms hereof and, if required, on assumption of the Note, this Security Instrument and the Other Security Documents as so modified by the proposed transferee, on payment of a transfer fee of one percent (1%) of the principal balance of the Note and all of Lender's expenses incurred in connection with such transfer, including without limitation the approval by any and all Rating Agencies, required by Lender, of the proposed transferee, the proposed transferee's continued compliance with the covenants set forth in Section 4.3 hereof, or such other conditions as Lender shall determine in its sole discretion to be in the interest of Lender. An assignment and assumption of the Note shall not be permitted within the first twelve (12) months from the date hereof. Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon Borrower's sale, conveyance, mortgage, grant, bargain, encumbrance, pledge, assignment, or transfer of the Property without Lender's consent. This provision shall apply to every sale, conveyance, mortgage, grant, bargain, encumbrance, pledge, assignment, or transfer of the Property regardless of whether voluntary or not, or whether or not Lender has consented to any previous sale, conveyance, mortgage, grant, bargain, encumbrance, pledge, assignment, or transfer of the Property.

ARTICLE 9 - PREPAYMENT

Section 9.1 PREPAYMENT BEFORE EVENT OF DEFAULT. The Debt may be prepaid only in strict accordance with the express terms and conditions of the Note including the payment of any

prepayment consideration or premium due under the Note.

Section 9.2 PREPAYMENT ON CASUALTY AND CONDEMNATION. Provided no Event of Default exists under the Note, this Security Instrument or the Other Security Documents, in the event of any prepayment of the Debt pursuant to the terms of Sections 4.4 hereof, no prepayment consideration or premium shall be due in connection therewith, but Borrower shall be responsible for all other amounts due under the Note, this Security Instrument and the Other Security Documents. Any prepayment made pursuant to this Section 9.2 that is not made on a Payment Date shall be accompanied by interest that would be due and payable through the next scheduled Payment Date.

Section 9.3 PREPAYMENT AFTER EVENT OF DEFAULT. Following an Event of Default and acceleration of the Debt, if Borrower or anyone on Borrower's behalf makes a tender of payment of the amount necessary to satisfy the Debt at any time prior to foreclosure sale, or during any redemption period after foreclosure, (i) the tender of payment shall constitute an evasion of Borrower's obligation to pay any prepayment consideration or premium due under the Note and such payment shall, therefore, to the maximum extent permitted by law, include a premium equal to the prepayment consideration or premium that would have been payable on the date of such tender had the Debt not been so accelerated, or (ii) if at the time of such tender a prepayment would have been prohibited under the Note had the Debt not been so accelerated, the tender of payment shall constitute an evasion of such prepayment prohibition and shall, therefore, to the maximum extent permitted by law, include an amount equal to the greater of (i) 3% of the then principal amount of the Note and (ii) an amount equal to the excess of (A) the sum of the present values of a series of payments payable at the times and in the amounts equal to the payments of principal and interest (including, but not limited to the principal and interest payable on the Maturity Date (as defined in the Note)) which would have been scheduled to be payable after the date of such tender under the Note had the Debt not been accelerated, with each such payment discounted to its present value at the date of such tender at the rate which when compounded monthly is equivalent to the Prepayment Rate (as defined in the Note), over (B) the then principal amount of the Note.

ARTICLE 10 - DEFAULT

Section 10.1 EVENTS OF DEFAULT. The occurrence of any one or more of the following events shall constitute an "Event of Default":

(a) if any portion of the Debt is not paid within five (5) days following the date the same is due or if the entire Debt is not paid on or before the Maturity Date;

(b) if any of the Taxes or Other Charges is not paid within ten (10) days following the date the same is due and payable except to the extent sums sufficient to pay such Taxes and Other Charges have been deposited with Lender in accordance with the terms of this Security Instrument;

(c) if the Policies are not kept in full force and effect, or if the Policies are not delivered to Lender within five (5) days of Lender's request;

(d) if the Property is subject to actual waste;

(f) if any representation or warranty of Borrower or any person guaranteeing payment of the Debt or any portion thereof or performance by Borrower of any of the terms of this Security Instrument or any general partner, managing member, principal or beneficial owner of any of the foregoing, made herein or any guaranty or indemnity, or in any certificate, report, financial statement or other instrument or document furnished to Lender shall have been false or misleading in any material respect when made;

(g) if (i) Borrower or any general partner or managing member of Borrower shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization, conservatorship or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts, or (B) seeking appointment of a receiver, trustee, custodian, conservator or other similar official for it or for all or any substantial part of its assets, or the Borrower, or any general partner or managing member of Borrower, shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against Borrower, or any general partner or managing member of Borrower, any case, proceeding or other action of a nature referred to in clause (i) above which (A) results in the entry of an order for relief or any such adjudication or appointment or (B) remains undismissed, undischarged or unbonded for a period of sixty (60) days; or (iii) there shall be commenced against the Borrower, or any general partner or managing member of Borrower, any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its assets which results in the entry of any order for any such relief which shall not have been vacated, discharged, or stayed or bonded pending appeal within sixty (60) days from the entry thereof; or (iv) the Borrower, or any general partner or managing member of Borrower, shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii), or (iii) above; or (v) the Borrower, or any general partner of Borrower, shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due;

(h) if Borrower shall be in default under any other mortgage, deed of trust, deed to secure debt or other security agreement covering any part of the Property whether it be superior or junior in lien to this Security Instrument;

(i) if the Property becomes subject to any mechanic's, materialman's or other lien other than a lien for local real estate taxes and assessments not then due and payable and the lien shall remain undischarged of record (by payment, bonding or otherwise) for a period of sixty (60) days;

(j) if any federal tax lien is filed against Borrower, any general partner or managing member of Borrower, or the Property and same is not discharged of record within sixty (60) days after same is filed;

(k) if Borrower fails to cure any violations of Applicable Laws within sixty (60) days of first having received notice thereof;

(l) if (i) Borrower fails to timely provide Lender with the written certification and evidence referred to in Section 4.2 hereof, or (ii) Borrower consummates a transaction which would cause the Security Instrument or Lender's exercise of its rights under this Security Instrument, the Note or the

Other Security Documents to constitute a nonexempt prohibited transaction under ERISA or result in a violation of a state statute regulating governmental plans, subjecting Lender to liability for a violation of ERISA or a state statute;

(m) if Borrower shall fail to reimburse Lender on demand, with interest calculated at the Default Rate (defined below), for all Insurance Premiums or Taxes, together with interest and penalties imposed thereon, paid by Lender pursuant to this Security Instrument;

(n) if Borrower shall fail to timely deliver to Lender an estoppel certificate pursuant to the terms of Subsection 7.4(a);

(o) if Borrower shall fail to timely deliver to Lender, after request by Lender, the statements referred to in Section 3.11 in accordance with the terms thereof;

(p) if any default occurs in the performance of any guarantor's or indemnitor's obligations under any guaranty or indemnity executed in connection herewith and such default continues after the expiration of applicable grace periods set forth in such guaranty or indemnity, or if any representation or warranty of any guarantor or indemnitor thereunder shall be false or misleading in any material respect when made;

(q) if for more than thirty (30) days after notice from Lender, Borrower shall continue to be in default under any other term, covenant or condition of the Note, this Security Instrument or the Other Security Documents in the case of any default which can be cured by the payment of a sum of money or for sixty (60) days after notice from Lender in the case of any other default, provided that if such default cannot reasonably be cured within such sixty (60) day period and Borrower shall have commenced to cure such default within such sixty (60) day period and thereafter diligently and expeditiously proceeds to cure the same, such sixty (60) day period shall be extended for so long as it shall require Borrower in the exercise of due diligence to cure such default, it being agreed that no such extension shall be for a period in excess of one hundred twenty (120) days;

(r) if any of the tenants-in-common comprising Borrower shall be in default under the TIC Agreement;

(s) if any of the tenants-in-common comprising Borrower shall bring a partition action or other action of a similar nature with respect to the Property; or

(t) a default beyond applicable notice or cure periods (if any) shall occur under any Other Security Documents.

(u) if the property management agreement is altered or terminated without Lender's prior consent.

Section 10.2 LATE PAYMENT CHARGE. If any sum payable under this Security Instrument or any of the Other Security Documents is not paid prior to the fifth (5th) day after the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of five percent (5%) of such unpaid sum or the maximum amount permitted by applicable law, to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the

use of such delinquent payment, and such amount shall be secured by this Security Instrument and the Other Security Documents.

Section 10.3 DEFAULT INTEREST. Borrower will pay, from the date of an Event of Default through the earlier of the date upon which the Event of Default is cured or the date upon which the Debt is paid in full, interest on the unpaid principal balance of the Note at a per annum rate equal to the lesser of (a) five percent (5%) plus the Applicable Interest Rate (as defined in the Note), and (b) the maximum interest rate which Borrower may by law pay or Lender may charge and collect (the "Default Rate").

ARTICLE 11 - RIGHTS AND REMEDIES

Section 11.1 REMEDIES. Upon the occurrence of any Event of Default, Borrower agrees that Lender or Mortgagee, acting on behalf of and at the sole discretion of Lender in its capacity as Lender's nominee, may take such action, without notice or demand, as it deems advisable to protect and enforce its rights against Borrower and in and to the Property, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as Lender may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of Lender:

- (a) declare the entire unpaid Debt to be immediately due and payable;
- (b) institute proceedings, judicial or otherwise, for the complete foreclosure of this Security Instrument under any applicable provision of law in which case the Property or any interest therein may be sold for cash or upon credit in one or more parcels or in several interests or portions and in any order or manner;
- (c) with or without entry, to the extent permitted and pursuant to the procedures provided by applicable law, institute proceedings for the partial foreclosure of this Security Instrument for the portion of the Debt then due and payable, subject to the continuing lien and security interest of this Security Instrument for the balance of the Debt not then due, unimpaired and without loss of priority;
- (d) sell for cash or upon credit the Property or any part thereof and all estate, claim, demand, right, title and interest of Borrower therein and rights of redemption thereof, pursuant to power of sale or otherwise, at one or more sales, as an entity or in parcels, at such time and place, upon such terms and after such notice thereof as may be required or permitted by law;
- (e) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained herein, in the Note or in the Other Security Documents;
- (f) recover judgment on the Note either before, during or after any proceedings for the enforcement of this Security Instrument or the Other Security Documents;
- (g) apply for the appointment of a receiver, trustee, liquidator or conservator of the Property, without notice and without regard for the adequacy of the security for the Debt and without regard for the solvency of Borrower or of any person, firm or other entity liable for the payment of the Debt;
- (h) subject to any applicable law, the license granted to Borrower under Section 1.2 shall

automatically be revoked and Lender may enter into or upon the Property, either personally or by its agents, nominees or attorneys and dispossess Borrower and its agents and servants therefrom, without liability for trespass, damages or otherwise and exclude Borrower and its agents or servants wholly therefrom, and take possession of all books, records and accounts relating thereto and Borrower agrees to surrender possession of the Property and of such books, records and accounts to Lender upon demand, and thereupon Lender may (i) use, operate, manage, control, insure, maintain, repair, restore and otherwise deal with all and every part of the Property and conduct the business thereat; (ii) complete any construction on the Property in such manner and form as Lender deems advisable; (iii) make alterations, additions, renewals, replacements and improvements to or on the Property; (iv) exercise all rights and powers of Borrower with respect to the Property, whether in the name of Borrower or otherwise, including, without limitation, the right to make, cancel, enforce or modify Leases, obtain and evict tenants, and demand, sue for, collect and receive all Rents of the Property and every part thereof; (v) require Borrower to pay monthly in advance to Lender, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of such part of the Property as may be occupied by Borrower; (vi) require Borrower to vacate and surrender possession of the Property to Lender or to such receiver and, in default thereof, Borrower may be evicted by summary proceedings or otherwise; and (vii) apply the receipts from the Property to the payment of the Debt, in such order, priority and proportions as Lender shall deem appropriate in its sole discretion after deducting therefrom all expenses (including reasonable attorneys' fees) incurred in connection with the aforesaid operations, and all amounts necessary to pay the Taxes, Other Charges, insurance and other expenses in connection with the Property, as well as just and reasonable compensation for the services of Lender, its counsel, agents and employees;

(i) exercise any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the generality of the foregoing: (i) the right to take possession of the Personal Property or any part thereof, and to take such other measures as Lender may deem necessary for the care, protection and preservation of the Personal Property, and (ii) request Borrower at its expense to assemble the Personal Property and make it available to Lender at a convenient place acceptable to Lender. Any notice of sale, disposition or other intended action by Lender with respect to the Personal Property sent to Borrower in accordance with the provisions hereof at least five (5) days prior to such action, shall constitute commercially reasonable notice to Borrower;

(j) apply any sums then deposited in the Escrow Fund and any other sums held in escrow or otherwise by Lender in accordance with the terms of this Security Instrument or any Other Security Document to the payment of the following items in any order in its discretion: (i) Taxes and Other Charges; (ii) Insurance Premiums; (iii) Interest on the unpaid principal balance of the Note; (iv) Amortization of the unpaid principal balance of the Note; (v) All other sums payable pursuant to the Note, this Security Instrument and the Other Security Documents, including without limitation advances made by Lender pursuant to the terms of this Security Instrument;

(k) surrender the Policies maintained pursuant to Article 3 hereof, collect the unearned Insurance Premiums and apply such sums as a credit on the Debt in such priority and proportion as Lender in its discretion shall deem proper, and in connection therewith, Borrower hereby appoints Lender as agent and attorney-in-fact (which is coupled with an interest and is therefore irrevocable) for Borrower to collect such Insurance Premiums;

- (l) pursue such other remedies as Lender may have under applicable law; or
- (m) apply the undisbursed balance of any Net Proceeds Deficiency deposit, together with interest thereon, to the payment of the Debt in such order, priority and proportions as Lender shall deem to be appropriate in its discretion.

In the event of a sale by foreclosure or otherwise, of less than all of the Property, this Security Instrument shall continue as a lien and security interest on the remaining portion of the Property unimpaired and without loss of priority. In the event of a sale, by foreclosure or otherwise, Lender may bid for and acquire the Property and, in lieu of paying cash therefor, may make settlement for the purchase price by crediting against the Obligations the amount of the bid made therefor, after deducting therefrom the expenses of the sale, the cost of any enforcement proceeding hereunder and any other sums which Lender is authorized to deduct under the terms hereof, to the extent necessary to satisfy such bid. Notwithstanding the provisions of this Section 11.1 to the contrary, if any Event of Default as described in clause (i) or (ii) of Subsection 10.1(g) shall occur, the entire unpaid Debt shall be automatically due and payable, without any further notice, demand or other action by Lender.

Section 11.2 APPLICATION OF PROCEEDS. The purchase money, proceeds and avails of any disposition of the Property, or any part thereof, or any other sums collected by Lender pursuant to the Note, this Security Instrument or the Other Security Documents, may be applied by Lender to the payment of the Debt in such priority and proportions as Lender in its discretion shall deem proper. Upon any foreclosure sale, Lender may bid for and purchase the Property and shall be entitled to apply all or any part of the Debt as a credit to the purchase price.

Section 11.3 RIGHT TO CURE DEFAULTS. Upon the occurrence of any Event of Default or if Borrower fails to make any payment or to do any act as herein provided, Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder, make or do the same in such manner and to such extent as Lender may deem necessary to protect the security hereof. Lender is authorized to enter upon the Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in the Property or to foreclose this Security Instrument or collect the Debt, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 11.3, shall constitute a portion of the Debt and shall be due and payable to Lender upon demand. All such costs and expenses incurred by Lender in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any such action or proceeding shall bear interest at the Default Rate, for the period after notice from Lender that such cost or expense was incurred to the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by this Security Instrument and the Other Security Documents and shall be immediately due and payable upon demand by Lender therefor.

Section 11.4 ACTIONS AND PROCEEDINGS. Lender has the right to appear in and defend any action or proceeding brought with respect to the Property and to bring any action or proceeding, in the name and on behalf of Borrower, which Lender, in its discretion, decides should be brought to protect its interest in the Property.

Section 11.5 RECOVERY OF SUMS REQUIRED TO BE PAID. Lender shall have the right from time to time to take action to recover any sum or sums which constitute a part of the Debt as the same become due, without regard to whether or not the balance of the Debt shall be due, and without prejudice to the right of Lender thereafter to bring an action of foreclosure, or any other action, for a default or defaults by Borrower existing at the time such earlier action was commenced.

Section 11.6 EXAMINATION OF BOOKS AND RECORDS. Lender, its agents, accountants and attorneys shall have the right to examine the records, books, management and other papers of Borrower and its affiliates which reflect upon their financial condition, at the Property or at any office regularly maintained by Borrower or its affiliates or where the books and records are located. Lender and its agents shall have the right to make copies and extracts from the foregoing records and other papers. In addition, Lender, its agents, accountants and attorneys shall have the right to examine and audit the books and records of Borrower and its affiliates pertaining to the income, expenses and operation of the Property during reasonable business hours at any office of Borrower and its affiliates where the books and records are located.

Section 11.7 OTHER RIGHTS, ETC.

(a) The failure of Lender to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Security Instrument. Borrower shall not be relieved of Borrower's obligations hereunder by reason of (i) the failure of Lender to comply with any request of Borrower to take any action to foreclose this Security Instrument or otherwise enforce any of the provisions hereof or of the Note or the Other Security Documents, (ii) the release, regardless of consideration, of the whole or any part of the Property, or of any person liable for the Debt or any portion thereof, or (iii) any agreement or stipulation by Lender extending the time of payment or otherwise modifying or supplementing the terms of the Note, this Security Instrument or the Other Security Documents.

(b) It is agreed that the risk of loss or damage to the Property is on Borrower, and Lender shall have no liability whatsoever for decline in value of the Property, for failure to maintain the Policies, or for failure to determine whether insurance in force is adequate as to the amount of risks insured. Possession by Lender shall not be deemed an election of judicial relief, if any such possession is requested or obtained, with respect to any Property or collateral not in Lender's possession.

(c) Lender may resort for the payment of the Debt to any other security held by Lender in such order and manner as Lender, in its discretion, may elect. Lender may take action to recover the Debt, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Mortgagee or Lender thereafter to foreclose this Security Instrument. The rights of Lender under this Security Instrument shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Mortgagee or Lender shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision. Mortgagee or Lender shall not be limited exclusively to the rights and remedies herein stated but shall be entitled to every right and remedy now or hereafter afforded at law or in equity.

Section 11.8 RIGHT TO RELEASE ANY PORTION OF THE PROPERTY. Lender may release any portion of the Property for such consideration as Lender may require without, as to the

remainder of the Property, in any way impairing or affecting the lien or priority of this Security Instrument, or improving the position of any subordinate lienholder with respect thereto, except to the extent that the obligations hereunder shall have been reduced by the actual monetary consideration, if any, received by Lender for such release, and may accept by assignment, pledge or otherwise any other property in place thereof as Lender may reasonably require without being accountable for so doing to any other lienholder. This Security Instrument shall continue as a lien and security interest in the remaining portion of the Property.

Section 11.9 VIOLETION OF LAWS. If the Property is not in compliance with Applicable Laws, Lender may impose additional reasonable requirements upon Borrower in connection herewith including, without limitation, monetary reserves or financial equivalents.

Section 11.10 RIGHT OF ENTRY. Lender and its agents shall have the right to enter and inspect the Property at all reasonable times.

The costs and expenses of such assessments shall be borne by Lender except in instances where such report or assessment is performed due to Borrower's failure to comply with its obligations under Section 12.2(f) or

following an Event of Default, in which cases the costs and expenses of such assessments shall be paid for by Borrower.

Section 16.2 FAILURE TO ACT. Notwithstanding anything to the contrary contained herein or in any of the Other Security Documents, the failure of Mortgagee or Lender to take any action hereunder or under any of the Other Security Documents shall not (a) be deemed to be a waiver of any term or condition of this Security Instrument or any of the Other Security Documents, or (b) adversely affect any rights of Lender hereunder or under any of the Other Security Document.

Section 16.3 NOTICES. All notices or other written communications hereunder shall be deemed to have been properly given (i) upon delivery, if delivered in person with receipt acknowledged by the recipient thereof, (ii) one (1) Business Day (defined below) after having been deposited for overnight delivery with any reputable overnight courier service, or (iii) three (3) Business Days after having been deposited in any post office or mail depository regularly maintained by the U.S. Postal Service and sent by registered or certified mail, postage prepaid, return receipt requested, addressed as follows:

ARTICLE 17 - SERVICE OF PROCESS

Section 17.1 CONSENT TO SERVICE.

(a) Borrower will maintain a place of business or an agent for service of process in the State of South Carolina and give prompt notice to Lender of the address of such place of business and of the name and address of any new agent appointed by it, as appropriate. Borrower further agrees that the failure of its agent for service of process to give it notice of any service of process will not impair or affect the validity of such service or of any judgment based thereon. If, despite the foregoing, there is for any reason no agent for service of process of Borrower available to be served, and if it at that time has no place of business in the State of South Carolina, then Borrower irrevocably consents to service of process by registered or certified mail, postage prepaid, to it at its address given in or pursuant to the first paragraph hereof.

(b) Borrower initially and irrevocably designates William P. McElveen, Jr. with offices on the date hereof at Ellis, Lawhorne & Sims, P.A., 1501 Main Street, 5th Floor, Columbia, South Carolina 29201, to receive for and on behalf of Borrower service of process in the State of South Carolina with respect to this Security Instrument.

ARTICLE 18 - APPLICABLE LAW

Section 18.1 CHOICE OF LAW. THIS SECURITY INSTRUMENT SHALL BE DEEMED TO BE A CONTRACT ENTERED INTO PURSUANT TO THE LAWS OF THE STATE OF NEW YORK AND SHALL IN ALL RESPECTS BE GOVERNED, CONSTRUED, APPLIED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, PROVIDED HOWEVER, THAT WITH RESPECT TO THE CREATION, PERFECTION, PRIORITY AND ENFORCEMENT OF THE LIEN OF THIS SECURITY INSTRUMENT, AND THE DETERMINATION OF DEFICIENCY JUDGMENTS, THE LAWS OF THE STATE WHERE THE PROPERTY IS LOCATED SHALL APPLY.

Section 18.2 USURY LAWS. This Security Instrument and the Note are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the Debt at a rate which could subject the holder of the Note to either civil or criminal liability as a result of being in excess of the maximum interest rate which Borrower is permitted by applicable law to contract or agree to pay. If by the terms of this Security Instrument or the Note, Borrower is at any time required or obligated to pay interest on the Debt at a rate in excess of such maximum rate, the rate of interest under the Security Instrument and the Note shall be deemed to be immediately reduced to such maximum rate and the interest payable shall be computed at such maximum rate and all prior interest payments in excess of such maximum rate shall be applied and shall be deemed to have been payments in reduction of the principal balance of the Note. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the Debt shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Note until payment in full so that the rate or amount of interest on account of the Debt does not exceed the maximum lawful rate of interest from time to time in effect and applicable to the Debt for so long as the Debt is outstanding.

Section 18.3 PROVISIONS SUBJECT TO APPLICABLE LAW. All rights, powers and remedies provided in this Security Instrument may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of law and are intended to be limited to the extent necessary so that they will not render this Security Instrument invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable law. If any term of this Security Instrument or any application thereof shall be invalid or unenforceable, the remainder of this Security Instrument and any other application of the term shall not be affected thereby.

ARTICLE 19 - SECONDARY MARKET

Section 19.1 TRANSFER OF LOAN. Lender may, at any time, sell, transfer or assign the Note, this Security Instrument and the Other Security Documents, and any or all servicing rights with respect thereto, or grant participations therein or issue mortgage passthrough certificates or other securities evidencing a beneficial interest in a rated or unrated public offering or private placement (the "Securities"). Lender may forward to each purchaser, transferee, assignee, servicer, participant or investor in such Securities or any Rating Agency rating such Securities (collectively, the "Investor") and each prospective Investor, all documents and information which Lender now has or may hereafter acquire relating to the Debt and to Borrower, and the Property, whether furnished by Borrower, or otherwise, as Lender determines necessary or desirable. Borrower agrees to cooperate with Lender in connection with any transfer made or any Securities created pursuant to this Security Instrument, including, without limitation, the delivery of an estoppel certificate in accordance therewith, and such other documents as may be reasonably requested by Lender. Borrower shall also furnish and Borrower consents to Lender furnishing to such Investors or such prospective Investors or Rating Agency any and all information concerning the Property, the Leases, the financial condition of Borrower as may be reasonably requested by Lender, any Investor or any prospective Investor or Rating Agency in connection with any sale, transfer or participation interest. Lender may retain or assign responsibility for servicing the Note, this Security Instrument, and the Other Security Documents, or may delegate some or all of such responsibility and/or obligations to a servicer including, but not limited to, any subservicer or master servicer. Lender may make such assignment or delegation on behalf of the Investors if the Note is sold or this Security Instrument or the Other Security Documents are assigned. All references to Lender herein shall refer to and include any such servicer to the extent applicable.

Section 19.2 CONVERSION TO REGISTERED FORM. At the request and the expense of Lender, Borrower shall appoint, as its agent, a registrar and transfer agent (the "Registrar") reasonably acceptable to Lender which shall maintain, subject to such reasonable regulations as it shall provide, such books and records as are necessary for the registration and transfer of the Note in a manner that shall cause the Note to be considered to be in registered form for purposes of Section 163(f) of the Code. The option to convert the Note into registered form once exercised may not be revoked. Any agreement setting out the rights and obligation of the Registrar shall be subject to the reasonable approval of Lender. Borrower may revoke the appointment of any particular person as Registrar, effective upon the effectiveness of the appointment of a replacement Registrar. The Registrar shall not be entitled to any fee from Lender or any other lender in respect of transfers of the Note and Security Instrument (other than Taxes and governmental charges and fees).

Section 19.3 COOPERATION. Borrower acknowledges that Lender and its successors and assigns may (a) sell this Security Instrument, the Note and Other Security Documents to one or more third parties as a whole loan, (b) participate the loan secured by this Security Instrument (the "Loan") to one or more third parties, (c) deposit, through one or a series of transactions, this Security Instrument, the Note and Other Security Documents with a trust, which trust may sell certificates to third parties evidencing an ownership interest in the trust assets or (d) otherwise sell the Loan or interest therein to third parties (the transactions referred to in clauses (a) through (d) are hereinafter referred to as "Secondary Market Transactions"). Borrower shall cooperate in good faith with Lender in effecting any such Secondary Market Transaction and shall cooperate in good faith to implement all requirements imposed by any rating agency issuing any statistical rating in any Secondary Market Transaction or the requirements of potential investors in any Secondary Market Transaction. Borrower agrees to make upon Lender's written request, without limitation, all structural or other changes to the Loan (including delivery of one or more new component notes to replace the original note or modify the original note to reflect multiple components of the Loan and such new notes or modified note may have different interest rates and amortization schedules), modifications to any documents evidencing or securing the Loan, delivery of opinions of counsel reasonably acceptable to the rating agency or potential investors and addressing such matters as the rating agency or potential investors may reasonably require, including, without limitation, an opinion from Delaware counsel that (i) Borrower is a limited liability company is a legal entity separate and apart from its Sole Member; (ii) creditors of Sole Member shall have no right to obtain possession of or to exercise legal or equitable remedies directly with respect to the Property; (iii) creditors of the Sole Member may only claim Sole Member's membership interest in Borrower and have no direct claim on the assets of Borrower; (iv) the existence of the Borrower as a separate legal entity shall continue until the cancellation of the Borrower's Certificate of Formation; (v) the bankruptcy or dissolution of the Sole Member will not, by itself, cause the Borrower to be dissolved or its affairs to be wound up; and (vi) other standard opinion rendered with respect to single-member limited liability companies organized under Delaware law; provided, however, that the Borrower shall not be required to modify (i) the initial weighted average interest rate payable under the Note, (ii) the stated maturity of the Note, (iii) the aggregate amortization of principal of the Note, (iv) any other material economic term of the Loan, or (v) decrease the time periods during which Borrower is permitted to perform its obligations under this Security Instrument or any of the Other Security Documents. Borrower shall provide such information and documents relating to Borrower, Indemnitor, if any, the Property and any tenants of the Improvements as Lender may reasonably request in connection with a Secondary Market Transaction. Lender shall have the right to provide to prospective investors or rating agencies any information in its

possession, including, without limitation, financial statements relating to Borrower, the Indemnitior, if any, the Property and any tenant of the Improvements. Borrower acknowledges that certain information regarding the Loan and the parties thereto and the Property may be included in a private placement memorandum, prospectus or other disclosure documents.

apply any other security held by it to the reduction or satisfaction of the Debt without prejudice to any of its rights under this Assignment.

Section 3.4NON-WAIVER. The exercise by Lender of the option granted it in Section 3.1 of this Assignment and the collection of the Rents and sums due under the Lease Guaranties and the application thereof as herein provided shall not be considered a waiver of any default by Borrower under the Note, the Security Instrument, the Leases, this Assignment or the Other Security Documents. The failure of Lender to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Agreement. Borrower shall not be relieved of Borrower's obligations hereunder by reason of (a) the failure of Lender to comply with any request of Borrower or any other party to take any action to enforce any of the provisions hereof or of the Security Instrument, the Note or the Other Security Documents, (b) the release regardless of consideration, of the whole or any part of the Property, or (c) any agreement or stipulation by Lender extending the time of payment or otherwise modifying or supplementing the terms of this Assignment, the Note, the Security Instrument or the Other Security Documents. Lender may resort for the payment of the Debt to any other security held by Lender in such order and manner as Lender, in its discretion, may elect. Lender may take any action to recover the Debt, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Lender thereafter to enforce its rights under this Assignment. The rights of Lender under this Assignment shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Lender shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision.

Section 3.5BANKRUPTCY. (a) Upon or at any time after the occurrence of a Default beyond applicable notice and cure periods, Lender shall have the right to proceed in its own name or in the name of Borrower in respect of any claim, suit, action or proceeding relating to the rejection of any Lease, including, without limitation, the right to file and prosecute, to the exclusion of Borrower, any proofs of claim, complaints, motions, applications, notices and other documents, in any case in respect of the lessee under such Lease under the Bankruptcy Code.

(a) If there shall be filed by or against Borrower a petition under the Bankruptcy Code, and Borrower, as lessor under any Lease, shall determine to reject such Lease pursuant to Section 365(a) of the Bankruptcy Code, then Borrower shall give Lender not less than ten (10) days' prior notice of the date on which Borrower shall apply to the bankruptcy court for authority to reject the Lease. Lender shall have the right, but not the obligation, to serve upon Borrower within such ten-day period a notice stating that (i) Lender demands that Borrower assume and assign the Lease to Lender pursuant to Section 365 of the Bankruptcy Code and (ii) Lender covenants to cure or provide adequate assurance of future performance under the Lease. If Lender serves upon Borrower the notice described in the preceding sentence, Borrower shall not seek to reject the Lease and shall comply with the demand provided for in clause (i) of the preceding sentence within thirty (30) days after the notice shall have been given, subject to the performance by Lender of the covenant provided for in clause (ii) of the preceding sentence.

ARTICLE 4 - NO LIABILITY, FURTHER ASSURANCES

Section 4.1NO LIABILITY OF LENDER. This Assignment shall not be construed to bind Lender to the performance of any of the covenants, conditions or provisions

contained in any Lease or Lease Guaranty or otherwise impose any obligation upon Lender. Lender shall not be liable for any loss sustained by Borrower resulting from Lender's failure to let the Property after a Default or from any other act or omission of Lender in managing the Property after a Default unless such loss is caused by the willful misconduct and bad faith of Lender. Lender shall not be obligated to perform or discharge any obligation, duty or liability under the Leases or any Lease Guaranties or under or by reason of this Assignment and Borrower shall, and hereby agrees, to indemnify Lender for, and to hold Lender harmless from, any and all liability, loss or damage which may or might be incurred under the Leases, any Lease Guaranties or under or by reason of this Assignment and from any and all claims and demands whatsoever, including the defense of any such claims or demands which may be asserted against Lender by reason of any alleged obligations and undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Leases or any Lease Guaranties. Should Lender incur any such liability, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall be secured by this Assignment and by the Security Instrument and the Other Security Documents and Borrower shall reimburse Lender therefor immediately upon demand and upon the failure of Borrower so to do Lender may, at its option, declare all sums secured by this Assignment and by the Security Instrument and the Other Security Documents immediately due and payable. This Assignment shall not operate to place any obligation or liability for the control, care, management or repair of the Property upon Lender, nor for the carrying out of any of the terms and conditions of the Leases or any Lease Guaranties; nor shall it operate to make Lender responsible or liable for any waste committed on the Property by the tenants or any other parties, or for any dangerous or defective condition of the Property, including without limitation the presence of any Hazardous Substances (as defined in the Security Instrument), or for any negligence in the management, upkeep, repair or control of the Property resulting in loss or injury or death to any tenant, licensee, employee or stranger.

Section 4.2NO MORTGAGEE IN POSSESSION. Nothing herein contained shall be construed as constituting Lender or Assignee a "mortgagee in possession" in the absence of the taking of actual possession of the Property by Lender. In the exercise of the powers herein granted Lender, no liability shall be asserted or enforced against Lender, all such liability being expressly waived and released by Borrower.

Section 4.3FURTHER ASSURANCES. Borrower will, at the cost of Borrower, and without expense to Lender, do execute, acknowledge and deliver all and every such further acts, conveyances, assignments, notices of assignments, transfers and assurances as Lender shall, from time to time, require for the better assuring, conveying, assigning, transferring and confirming unto Lender the property and rights hereby assigned or intended now or hereafter so to be, or which Borrower may be or may hereafter become bound to convey or assign to Lender, or for carrying out the intention or facilitating the performance of the terms of this Assignment or for filing, registering or recording this Assignment and, on demand, will execute and deliver and hereby authorizes Lender to execute in the name of Borrower to the extent Lender may lawfully do so, one or more financing statements, chattel mortgages or comparable security instruments, to evidence more effectively the lien and security interest hereof in and upon the Leases.

Lender may forward to each purchaser, transferee, assignee, servicer, participant or investor in such Securities or any credit rating agency rating such Securities (collectively, the "Investor") and each prospective Investor, all documents and information which Lender now has or may hereafter acquire relating to the Debt and to Borrower and the Property, whether furnished by Borrower or otherwise, as Lender determines necessary or desirable. Borrower agrees to cooperate with Lender in connection with any transfer made or any Securities created pursuant to this Section, including, without limitation, the delivery of an estoppel certificate required in accordance with Subsection 7.4(c) of the Security Instrument and such other documents as may be reasonably requested by Lender. [attached hereto]

REPLACEMENT RESERVE AND SECURITY AGREEMENT

THIS REPLACEMENT RESERVE AND SECURITY AGREEMENT ("Agreement") is made as of the 1st day of March, 2007, by AW-MAGPIG, LLC, HW-MAGPIG, LLC, and MW-MAGPIG, LLC, each a Delaware limited liability company and each having its principal place of business at 11 East Hawthorne Avenue, Valley Stream, New York 11580 (collectively, "Borrower"), and BEAR STEARNS COMMERCIAL MORTGAGE, INC., a New York corporation, having an address at 383 Madison Avenue, New York, New York 10179 ("Lender").

RECITALS:

A. Borrower by its promissory note of even date herewith given to Lender (the note together with all extensions, renewals, modifications, substitutions and amendments thereof shall collectively be referred to as the "Note") is indebted to Lender in the principal sum of FOUR MILLION FIVE HUNDRED THOUSAND AND 00/100 DOLLARS (\$4,500,000.00) in lawful money of the United States of America, with interest from the date thereof at the rates set forth in the Note (the indebtedness evidenced by the Note, together with such interest accrued thereon, shall collectively be referred to as the "Loan"), principal and interest to be payable in accordance with the terms and conditions provided in the Note.

B. The Loan is secured by, among other things, a Mortgage, Fixture Filing and Security Agreement (the "Security Instrument") dated as of the date hereof in the principal sum of FOUR MILLION FIVE HUNDRED THOUSAND AND 00/100 DOLLARS (\$4,500,000.00) given by Borrower to (or for the benefit of) Mortgage Electronic Registration Systems, Inc., a Delaware stock corporation, as Lender's nominee ("MERS"), having an address at 1595 Spring Hill Road, Suite 310, Vienna, Virginia 22182, which grants MERS, as nominee of Lender, a first lien on the property encumbered thereby (the "Property"). All and any of the documents other than the Note, the Security Instrument and this Agreement now or hereafter executed by Borrower and/or others and by or in favor of Lender or MERS, which wholly or partially secure or guarantee payment of the Note are referred to as the "Other Security Documents."

C. Lender requires as a condition to the making of the Loan that Borrower enter into this Agreement and make certain deposits with Lender as provided in this Agreement as additional security for all of Borrower's obligations under the Note, the Security Instrument and the Other Security Documents.

AGREEMENT:

For good and valuable consideration the parties hereto agree as follows:

1. Deposits to the Replacement Reserve.

(a) On the date hereof, Borrower shall deposit with Lender the sum of \$690.00 (the "Initial Deposit"). The Initial Deposit represents one hundred fifteen percent (115%) of the estimated cost to complete the repairs and/or replacements described on Exhibit C.

(the "Immediate Repairs"). Subject to the provisions of Section 8 of this Agreement, on each date that a regularly scheduled payment of principal or interest is due under the Note, and on the date hereof, Borrower shall deposit with Lender the applicable Monthly Deposit (as defined in Section 1(b) of this Agreement).

(b) The "Monthly Deposit" required to be made each month during the term of the Loan is \$776.60 (which amount represents one-twelfth (1/12) of an annual amount equal to \$0.15 per square foot of space at the Property). The amount of the Monthly Deposit may be increased by Lender, in Lender's reasonable discretion, at any time, including, without limitation, in accordance with Sections 4.1(d), 8 and 15 of this Agreement. Notwithstanding the foregoing, Borrower shall not be required to make Monthly Deposits, provided that: (i) no Event of Default (as hereinafter defined) shall then exist; and (ii) Borrower makes (or causes the Tenants to make, as the case may be) all necessary Replacements and otherwise maintains the Property in accordance with the Other Security Documents. Upon notice from Lender: (a) during the existence of an Event of Default; or (b) following the failure of Borrower to make (or cause the Tenants to make, as the case may be) necessary Replacements or otherwise maintain the Property in accordance with the Loan Documents, Borrower shall begin to deposit the Monthly Deposit into the Replacement Reserve beginning on the Monthly Payment Date (as defined in the Note) immediately following the date of such notice.

(c) Lender shall deposit the Initial Deposit and each Monthly Deposit (if any), as received, in an escrow account (the Initial Deposit, the Monthly Deposits and all other funds in the Replacement Reserve are referred to collectively as the "Replacement Reserve"). The Replacement Reserve shall not constitute a trust fund and may be commingled with other monies held by Lender. Lender or a designated representative of Lender shall have the sole right to make withdrawals from such account. Borrower shall not be entitled to any interest earned on the Replacement Reserve.

2. Replacement Reserve as Additional Security.

(a) Borrower assigns to Lender the Replacement Reserve as additional security for all of Borrower's obligations under the Note, the Security Instrument and the Other Security Documents; provided, however, that Lender shall make disbursements from the Replacement Reserve in accordance with the terms of this Agreement.

(b) Except as otherwise provided in this Agreement, including without limitation in Section 4.1(g) hereof, Lender shall make disbursements from the Replacement Reserve to reimburse Borrower for the costs described on Exhibit A attached hereto and made a part of this Agreement (such costs are hereinafter referred to collectively as the "Maintenance Repairs", together with the Immediate Repairs, the "Replacements") in accordance with the provisions of Section 3 hereof. Notwithstanding anything contained herein to the contrary, however, Lender shall not be obligated to make disbursements from the Replacement Reserve to reimburse Borrower for the costs described on Exhibit B hereto.

3. Disbursements from Replacement Reserve.

3.1 Request for Disbursement.

(a) Lender shall, upon written request from Borrower and satisfaction of the requirements set forth in Sections 3 and 4 of this Agreement, disburse to Borrower amounts from the Replacement Reserve necessary to reimburse Borrower for the actual costs of any approved Replacements upon satisfactory completion of such Replacements (or upon partial completion in the case of Replacements made pursuant to Section 3.1(e)), as determined by Lender. In no event shall Lender be obligated to disburse funds from the Replacement Reserve if an Event of Default exists under this Agreement.

(b) Each request for disbursement from the Replacement Reserve (a "Requisition") shall be in a form reasonably specified or approved by Lender and shall at a minimum set forth:

- (i) Replacements for which such disbursement is requested,
- (ii) the quantity and price of each item purchased, if the Replacement includes the purchase or replacement of specific items (such as appliances),
- (iii) the price of all materials (grouped by type or category) used in any Replacement other than the purchase or replacement of specific items, and
- (iv) the cost of all contracted labor or other services applicable to each Replacement for which such request for disbursement is made.

With each Requisition, Borrower shall certify that, to the best of Borrower's knowledge, all Replacements have been made in accordance with all applicable laws, ordinances, and regulations of any governmental office or authority having jurisdiction over the Property. Each Requisition shall include (i) to the extent the items set forth in such Requisition have been paid by Borrower, evidence of the payment of such items reasonably satisfactory to Lender, (ii) to the extent such items have not been paid by Borrower, copies of invoices for all items or materials purchased and all contracted labor or services in form reasonably satisfactory to Lender and (iii) unless previously delivered to Lender in accordance with the terms hereof, evidence reasonably satisfactory to Lender that all contractors and other persons who were the subject of previous disbursements from the Replacement Reserve have been paid in full.

(c) To the extent disbursements from the Replacement Reserve are intended to pay contractors and other persons who have not yet been paid by Borrower, such disbursements shall constitute a trust fund in the possession of Borrower for the benefit of such persons and shall be promptly applied by Borrower to the payment of such persons.

(d) Except as provided in Section 3.1(e), each request for disbursement from the Replacement Reserve shall be made only after completion of the Replacement for which such disbursement is requested. Borrower shall provide Lender evidence reasonably satisfactory to Lender, of completion, as provided in Sections 4.1 and 4.2 below.

(e) If (i) the time required to complete a Replacement exceeds one month, (ii) the contractor performing a Replacement requires periodic payments pursuant to terms of a written contract, (iii) the total cost of such Replacement exceeds \$25,000, and (iv) Lender has approved in writing in advance such periodic payments, a request for reimbursement from the

Replacement Reserve may be made after completion of a portion of the work under such contract, provided (u) such contract requires payment upon completion of such portion of the work, (v) the materials for which the request is made are on site at the Property and are properly secured or have been installed in the Property, (w) all other conditions in this Agreement for disbursement have been satisfied (including but not limited to the limitations in Section 4.1(a)), (x) funds remaining in the Replacement Reserve are, in Lender's judgment, sufficient to complete such Replacement and the other Replacements when required, (y) the cost of the portion of the work completed under such contract exceeds \$5,000, and (z) each contractor or subcontractor receiving payments under such contract shall provide a waiver of lien with respect to amounts which have been paid to that contractor or subcontractor.

(f) Borrower shall not make a request for disbursement from the Replacement Reserve more frequently than once in any calendar month.

(g) Borrower shall not make a request for disbursement from the Replacement Reserve in an amount less than the lesser of (i) \$2,500, or (ii) the total cost of the Replacement for which the disbursement is requested.

(h) In connection with (i) any structural repair or improvement, or (ii) any replacement or repair of a major component or element of any part of the Property, Lender may require, at Lender's election (either as a condition to, or following, any disbursement from the Replacement Reserve) and at Borrower's expense, one or more inspections and/or certificates of completion by an appropriate independent, qualified professional (e.g., architect, engineer, consultant) approved by Lender.

(i) Notwithstanding anything to the contrary contained herein, (i) the Initial Deposit shall be used solely for the payment of the actual costs of the Immediate Repairs until such time as such Immediate Repairs are completed in accordance with the terms of this Agreement and (ii) Borrower shall not be entitled to receive disbursements from the Replacement Reserve in excess of the amounts budgeted for each Immediate Repair on Exhibit C, except to the extent that Borrower shall achieve cost savings with respect to other amounts budgeted for Immediate Repairs, in which event such cost savings may be applied to cost overruns with respect to other Immediate Repair items described on Exhibit C. Upon the completion of all Immediate Repairs in accordance with the terms of this Agreement, Lender shall disburse the balance of the Initial Deposit, if any, to Borrower.

4. Performance of Replacements.

4.1 Workmanlike Completion; Additional Replacements.

(a) Borrower shall make each Replacement when required in order to keep the Property in good order and repair and in a good marketable condition and to keep the Property or any portion thereof from deteriorating. Borrower shall complete all Replacements in a good and workmanlike manner as soon as practicable following the commencement of making each such Replacement.

(b) Lender shall have the right to approve all contracts or work orders with materialmen, mechanics, suppliers, subcontractors, contractors or other parties providing labor or

materials in connection with a Replacement or series of related Replacements costing in excess of \$10,000, which approval shall not be unreasonably withheld or delayed. Upon Lender's request, Borrower shall assign any contract or subcontract to Lender.

(c) In the event Lender reasonably determines that any Replacement is not being performed in a workmanlike or timely manner or that any Replacement has not been completed in a workmanlike and timely manner and Borrower fails to correct such condition within ten (10) days of Lender's written notice to Borrower of such determination, Lender shall have the option to withhold disbursement for such unsatisfactory Replacement and to proceed under existing contracts or to contract with third parties to complete such Replacement and to apply the Replacement Reserve toward the labor and materials necessary to complete such Replacement, in each case without providing any prior notice to Borrower, and to exercise any and all other remedies available to Lender upon the occurrence of an Event of Default (as hereinafter defined).

(d) If at any time during the term of the Loan, Lender determines that replacements are advisable to keep the Property in good order and repair and in good marketable condition, or to prevent deterioration of the Property or if any major building systems or components (e.g., roof, HVAC system) will reach the end of its useful life within two (2) years of the date of any inspection by Lender, Lender may send Borrower written notice of the need for making such replacements (the "Designated Replacements"). Borrower shall promptly commence making such Designated Replacements in accordance with all the requirements of this Agreement. Additional sums from the Replacement Reserve shall be made available to Borrower to make such Designated Replacements only pursuant to the terms hereof. If Borrower fails to commence, within thirty (30) days after such notice or the commencement date specified in such notice, such Designated Replacements and/or fails to diligently pursue completion of such Designated Replacements, such failure shall be a default under this Agreement, and, in addition to all other rights Lender may have under this Agreement upon a default (including but not limited to Lender's rights under Sections 5.2 and 5.3 of this Agreement) and under the Note, the Security Instrument and the Other Security Documents, Lender may contract with third parties to make such Designated Replacements and may at its sole discretion (i) apply the funds in the Replacement Reserve toward the labor and materials necessary to complete such Designated Replacements, or (ii) demand payment of such Designated Replacements from Borrower. Except for Section 3.1, all references in this Agreement to "Replacements" shall include the "Designated Replacements", as applicable.

(e) In order to facilitate Lender's completion or making of the Replacements pursuant to Sections 4.1(c) and (d) above, Lender is granted the right, but not the obligation, to enter onto the Property and perform any and all work and labor necessary to complete or make the Replacements and/or employ watchmen to protect the Property from damage. All sums so expended by Lender shall be deemed to have been advanced under the Loan to Borrower and secured by the Security Instrument. For this purpose Borrower constitutes and appoints Lender its true and lawful attorney-in-fact with full power of substitution to complete or undertake the Replacements in the name of Borrower. Borrower empowers said attorney-in-fact as follows:

(i) to use any funds in the Replacement Reserve for the purpose of making or completing the Replacements;

(ii) to make such additions, changes and corrections to the Replacements as shall be necessary or desirable to complete the Replacements;

(iii) to employ such contractors, subcontractors, agents, architects, engineers and consultants as shall be required for such purposes;

(iv) to pay, settle or compromise all existing bills and claims which are or may become liens against the Property, or as may be necessary or desirable for the completion of the Replacements, or for clearance of title;

(v) to execute all applications and certificates in the name of Borrower which may be required by any of the contract documents;

(vi) to prosecute and defend all actions or proceedings in connection with the Property or the rehabilitation and repair of the Property; and

(vii) to do any and every act which Borrower might do in its own behalf to fulfill the terms of this Agreement.

It is further understood and agreed that this power of attorney, which shall be deemed to be a power coupled with an interest, cannot be revoked. Borrower specifically agrees that all power granted to Lender under this Agreement may be assigned by Lender to its successors or assigns as holder of the Note.

(f) Nothing in this Section 4.1 shall be construed in such a way as to:

(i) make Lender responsible for making or completing the Replacements;

(ii) require Lender to expend funds in addition to the Replacement Reserve to make or complete any Replacement;

(iii) obligate Lender to proceed with the Replacements; or

(iv) obligate Lender to demand from Borrower additional sums to make or complete any Replacement.

(g) Notwithstanding anything contained herein to the contrary, Borrower agrees to perform all Immediate Repairs within sixty (60) days after the date hereof, except to the extent a different time period with respect to the completion of any such Immediate Repair is expressly set forth on Exhibit C, in which case such Immediate Repair shall be performed within the time period so specified.

4.2 Entry Onto Property: Inspections.

(a) Borrower shall permit Lender or Lender's representatives (including an independent person such as an engineer, architect, or consultant) or third parties making Replacements pursuant to Section 4.1(c) or (d) of this Agreement to enter onto the Property during normal business hours (subject to the rights of tenants under their leases) (i) to inspect the

condition of the Property, (ii) inspect the progress of any Replacements and all materials being used in connection therewith, (iii) to examine all plans and shop drawings relating to such Replacements which are or may be kept at the Property, and (iv) to complete any Replacements made pursuant to Sections 4.1 (c) or (d). Borrower agrees to cause all contractors and subcontractors to cooperate with Lender or Lender's representatives or such other persons described above in connection with inspections described in this Section 4.2 or the completion of Replacements pursuant to Sections 4.1(c) or (d).

(b) Lender may inspect the Property in connection with any Replacement prior to disbursing funds from the Replacement Reserve for such Replacement. In addition to Lender's costs and expenses, Borrower shall pay Lender a reasonable inspection fee not exceeding \$400.00 for each such inspection by Lender. Lender, at Borrower's expense, also may require an inspection by an appropriate independent qualified professional selected by Lender and/or a copy of a certificate of completion by an independent qualified professional reasonably acceptable to Lender prior to the disbursement of any amounts from the Replacement Reserve.

4.3 Lien-Free Completion.

(a) Borrower covenants and agrees that each of the Replacements and all materials, equipment, fixtures, or any other item comprising a part of any Replacement shall be constructed, installed or completed, as applicable, free and clear of all mechanic's, materialman's or other liens (except for those liens existing on the date of this Agreement which have been approved in writing by Lender).

(b) Prior to each disbursement from the Replacement Reserve, Lender may require Borrower to provide Lender with either (i) a search of title to the Property through the most recent date available for search under the records in the county where the Property is located, or (ii) an endorsement to the title insurance policy insuring Lender's interest in the Property which updates the effective date of the policy through the most recent date available for search under the records in the county where the Property is located, which search or title endorsement shows that no mechanic's or materialmen's liens or other liens of any nature have been placed against the Property since the date of recordation of the Security Instrument (other than liens which Borrower is diligently contesting in good faith and which have been bonded off to the satisfaction of Lender) and that title to the Property is free and clear of all liens (other than the lien of the Security Instrument and any other liens previously approved in writing by Lender, if any).

4.4 Compliance with Laws and Insurance Requirements.

(a) All Replacements shall comply with all applicable laws, ordinances, rules and regulations of all governmental authorities having jurisdiction over the Property and applicable insurance requirements including, without limitation, applicable building codes, special use permits, environmental regulations, and requirements of insurance underwriters. Borrower shall pay all applicable fees and charges of such authorities.

(b) In addition to any insurance required under the Security Instrument, Borrower shall provide or cause to be provided workmen's compensation insurance, builder's

risk, and public liability insurance and other insurance to the extent required under applicable law in connection with a particular Replacement. All such policies shall be in form and amount reasonably satisfactory to Lender. All such policies which can be endorsed with standard mortgagee clauses making loss payable to Lender or its assigns shall be so endorsed. The originals or certified copies of such policies shall be delivered to Lender.

5. Event of Default.

5.1 Event of Default Under this Agreement. An "Event of Default" shall occur under this Agreement if Borrower fails to comply with any provision of this Agreement and such failure is not cured within ten (10) days after notice from Lender or, if such failure is not susceptible to cure within such ten (10) day period, such longer period of time as is necessary for Borrower through the exercise of diligent efforts to cure same; provided, however, that in no event shall Borrower have more than thirty (30) days from such notice to effectuate such cure. Borrower understands that an Event of Default under this Agreement shall be deemed to be an Event of Default or default beyond applicable notice or cure periods under the terms of the Note, the Security Instrument and the Other Security Documents, and that in addition to the remedies specified in this Agreement, Lender shall be able to exercise all of its rights and remedies under the Note, the Security Instrument and the Other Security Documents upon an Event of Default. If a default beyond applicable notice or cure periods occurs under the Note, the Security Instrument or any of the Other Security Documents, such event shall be deemed an Event of Default hereunder.

5.2 Application of Replacement Reserve Upon Default.

(a) The funds held in the Replacement Reserve are pledged as additional security for the indebtedness evidenced by the Note and secured by the Security Instrument. Upon the occurrence of an Event of Default (i) Borrower shall immediately lose all of its rights to receive disbursements from the Replacement Reserve unless and until all amounts secured by the Security Instrument have been paid in full and the lien of the Security Instrument has been released or assigned by Lender, and (ii) Lender may in its sole and absolute discretion, use the Replacement Reserve, (or any portion thereof) for any purpose, including but not limited to (1) repayment of any indebtedness secured by the Security Instrument, including but not limited to principal prepayments and the prepayment premium applicable to such full or partial prepayments (as applicable); provided, however, that such application of funds shall not cure or be deemed to cure any default; (2) reimbursement of Lender for all reasonable losses and expenses (including, without limitation, reasonable legal fees) suffered or incurred by Lender as a result of such default; (3) completion of the Replacements as provided in Section 4.1, or for any other repair or replacement to the Property; or (4) payment of any amount expended in exercising (and exercise) all rights and remedies available to Lender at law or in equity or under this Agreement or under the Note, the Security Instrument or any of the Other Security Documents.

(b) Nothing in this Agreement or the Security Instrument shall obligate Lender to apply all or any portion of the Replacement Reserve on account of any Event of Default by Borrower or to repayment of the indebtedness secured by the Security Instrument or in any specific order of priority.

5.3 Borrower's Other Obligations. Nothing contained in this Agreement shall in any manner whatsoever alter, impair or affect the obligations of Borrower, or relieve Borrower of any of its obligations to make payments and perform all of its other obligations required under the Note, the Security Instrument or the Other Security Documents.

6. Remedies Cumulative. None of the rights and remedies herein conferred upon or reserved to Lender under this Agreement is intended to be exclusive of any other rights, and each and every right shall be cumulative and concurrent, and may be enforced separately, successively or together, and may be exercised from time to time as often as may be deemed necessary by Lender.

7. Enforcement of Agreement. This Agreement is executed by Borrower and Lender for the benefit of Lender. Borrower understands and agrees that, in connection with any sale of the Loan to an Investor (as defined below), this Agreement may be assigned to such Investor.

8. Balance in the Replacement Reserve. The insufficiency of any balance in the Replacement Reserve shall not abrogate Borrower's agreement to fulfill all preservation and maintenance covenants in the Security Instrument. In the event that the balance of the Replacement Reserve is less than the current estimated cost to make the Replacements required by Lender, Borrower shall deposit the shortage within ten (10) days of request by Lender. In the event Lender reasonably determines from time to time based on Lender's inspections that the amount of the Monthly Deposit is insufficient to fund the cost of likely Replacements and related contingencies that may arise during the remaining term of the Loan, Lender may require an increase in the amount of the Monthly Deposits upon thirty (30) days prior written notice to Borrower.

9. Indemnification. Borrower agrees to indemnify Lender and to hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys' fees and expenses) arising from or in any way connected with the performance of the Replacements or the holding or investment of the Replacement Reserve. Borrower assigns to Lender all rights and claims Borrower may have against all persons or entities supplying labor or materials in connection with the Replacements; provided, however, that Lender may not pursue any such right or claim unless an Event of Default has occurred.

10. Borrower's Records. Borrower shall furnish such financial statements, invoices, records, papers and documents relating to the Property as Lender may reasonably require from time to time to make the determinations permitted or required to be made by Lender under this Agreement.

11. Fees and Expenses. In addition to any other fees payable by Borrower to Lender in connection with the Loan and this Agreement (including, but not limited to, the inspection fee set forth in Section 4.2(b)), Borrower shall pay within ten (10) days of request from Lender (i) all reasonable costs or expenses actually incurred by Lender in connection with collecting, holding and disbursing the Replacement Reserve pursuant to this Agreement, and (ii) subject to any limitations in this Agreement, all reasonable fees, charges, costs and expenses actually incurred

by Lender in connection with inspections made by Lender or Lender's representatives in carrying out Lender's responsibility to make certain determinations under this Agreement.

12. No Third Party Beneficiary. This Agreement is intended solely for the benefit of Borrower and Lender and their respective successors and assigns, and no third party shall have any rights or interest in the Replacement Reserve, this Agreement, the Note, the Security Instrument or any of the Other Security Documents. Nothing contained in this Agreement shall be deemed or construed to create an obligation on the part of Lender to any third party, nor shall any third party have a right to enforce against Lender any right that Borrower may have under this Agreement.

13. Completion of Replacements. Lender's approval of any plans for any Replacement, release of funds from the Replacement Reserve, inspection of the Property by Lender or Lender's agents, or other acknowledgment of completion of any Replacement in a manner satisfactory to Lender shall not be deemed an acknowledgment or warranty to any person that the Replacement has been completed in accordance with applicable building, zoning or other codes, ordinances, statutes, laws, regulations or requirements of any governmental agency.

14. No Agency or Partnership. Nothing contained in this Agreement shall constitute Lender as a joint venturer, partner or agent of Borrower, or render Lender liable for any debts, obligations, acts, omissions, representations, or contracts of Borrower.

15. Assumption of Loan; Transfer of Interests in Borrower; Subordinate Mortgage Lien.

(a) If, under the terms of the Security Instrument, Lender's consent is required in connection with (i) a transfer of all or part of the Property, or a transfer or pledge of beneficial interest in Borrower or (ii) the placing of a subordinate mortgage or deed of trust on the Property, Lender may review the amount of the Replacement Reserve, the amount of the Monthly Deposits and the likely repairs and replacements required by the Property and the related contingencies which may arise during the remaining term of the Loan. Based on that review, Lender may require an additional deposit to the Replacement Reserve and an increase in the amount of the Monthly Deposits as a condition to Lender's consent to such transfer or pledge, or the placing of such subordinate lien on the Property.

(b) If the Property is transferred in accordance with the provisions of the Security Instrument and the obligations of Borrower under the Note, the Security Instrument and the Other Security Documents are assumed by the transferee of the Property, that transferee shall be required to assume Borrower's duties and obligations under this Agreement and shall be required to execute and deliver to Lender such documents as Lender reasonably requires to effectuate such assumption of duties and obligations.

(c) If beneficial interests in Borrower are transferred such that Lender's consent is required under the Security Instrument, the purchasers of such interests shall be required to execute and deliver to Lender such documents as Lender reasonably requires to effectuate the continued obligations under this Agreement with respect to the new entity or persons constituting Borrower.

(d) In the event of any transfer described in Sections 15(b) or (c) above, such transfer and assumption shall not relieve the transferor of its obligations under this Agreement or under the Note, the Security Instrument or any of the Other Security Documents, unless either (i) Borrower has obtained the prior written consent of Lender to such transfer, or (ii) such transfer is not an event which would enable Lender to accelerate the indebtedness secured by the Security Instrument.

16. CHOICE OF LAW. THIS AGREEMENT SHALL BE DEEMED TO BE A CONTRACT ENTERED INTO PURSUANT TO THE LAWS OF THE STATE OF NEW YORK AND SHALL IN ALL RESPECTS BE GOVERNED, CONSTRUED, APPLIED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, PROVIDED, HOWEVER, THAT WITH RESPECT TO THE CREATION, PERFECTION, PRIORITY AND ENFORCEMENT OF THE PLEDGE OF THIS AGREEMENT, THE LAWS OF THE STATE WHERE THE REPLACEMENT RESERVE ACCOUNT IS LOCATED SHALL APPLY.

17. Termination of Replacement Reserve. After (a) payment in full of all sums evidenced by the Note and secured by the Security Instrument and release or assignment by Lender of the lien of the Security Instrument, and (b) payment in full for all Replacements completed or contracted to be performed prior to the date of the payment described in (a), Lender shall disburse to Borrower all amounts remaining in the Replacement Reserve.

18. Notices. All notices or other written communications to Borrower, Lender or MERS hereunder shall be deemed to have been properly given (i) upon delivery, if delivered in person with receipt acknowledged by the recipient thereof, (ii) one (1) Business Day (hereinafter defined) after having been deposited for overnight delivery with any reputable overnight courier service, or (iii) three (3) Business Days after having been deposited in any post office or mail depository regularly maintained by the U.S. Postal Service and sent by registered or certified mail, postage prepaid, return receipt requested, addressed to Borrower, Lender or MERS at their addresses set forth in the Security Instrument or addressed as such party may from time to time designate by written notice to the other parties. For purposes of this Agreement, the term "Business Day" shall mean any day other than Saturday, Sunday or any other day on which banks are authorized or required to close in New York, New York. Either party by notice to the other may designate additional or different addresses for subsequent notices or communications.

19. No Oral Change. This Agreement, and any provisions hereof, may not be modified, amended, waived, extended, changed, discharged or terminated orally or by any act or failure to act on the part of Borrower or Lender, but only by an agreement in writing signed by the party against whom enforcement of any modification, amendment, waiver, extension, change, discharge or termination is sought.

20. Liability. If Borrower consists of more than one person, the obligations and liabilities of each such person hereunder shall be joint and several. This Agreement shall be binding upon and inure to the benefit of Borrower and Lender and their respective successors and assigns forever.

21. Inapplicable Provisions. If any term, covenant or condition of this Agreement is held to be invalid, illegal or unenforceable in any respect, this Agreement shall be construed without such provision.

22. Headings, etc. The headings and captions of various paragraphs of this Agreement are for convenience of reference only and are not to be construed as defining or limiting, in any way, the scope or intent of the provisions hereof.

23. Duplicate Originals; Counterparts. This Agreement may be executed in any number of duplicate originals and each duplicate original shall be deemed to be an original. This Agreement may be executed in several counterparts, each of which counterparts shall be deemed an original instrument and all of which together shall constitute a single Agreement. The failure of any party hereto to execute this Agreement, or any counterpart hereof, shall not relieve the other signatories from their obligations hereunder.

24. Number and Gender. Whenever the context may require, any pronouns used herein shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns and pronouns shall include the plural and vice versa.

25. Secondary Market/Servicing. Lender may, at any time, sell, transfer or assign this Agreement, the Note, the Security Instrument and the Other Security Documents, and any or all servicing rights with respect thereto, or grant participations therein or issue mortgage pass through certificates or other securities evidencing a beneficial interest in a rated or unrated public offering or private placement (the "Securities"). Lender may forward to each purchaser, transferee, assignee, servicer, participant, investor in such Securities or any Rating Agency rating such Securities (collectively, the "Investor") and each prospective Investor, all documents and information which Lender now has or may hereafter acquire relating to the Debt and to Borrower and the Property, whether furnished by Borrower or otherwise, as Lender determines necessary or desirable. Borrower agrees to cooperate with Lender in connection with any transfer made or any Securities created pursuant to the Security Instrument, including, without limitation, the delivery of an estoppel certificate in accordance therewith, and such other documents as may be reasonably requested by Lender. Borrower shall also furnish and Borrower consents to Lender furnishing to such Investors or such prospective Investors or Rating Agency any and all information concerning the Property, the Leases and the financial condition of Borrower as may be requested by Lender, any Investor or any prospective Investor or Rating Agency in connection with any sale, transfer or participation interest. Lender may retain or assign responsibility for servicing the Loan, including the Note, the Security Instrument, this Agreement and the Other Security Documents, or may delegate some or all of such responsibility and/or obligations to a servicer including, but not limited to, any subservicer or master servicer. Lender may make such assignment or delegation on behalf of the Investors if the Note is sold or this Agreement or the Other Security Documents are assigned.

26. Definitions. The word "Lender" as used herein includes Lender and any and all of its agents including, without limitation, any servicer of the Loan.

27. Miscellaneous.

(a) Wherever pursuant to this Agreement (i) Lender exercises any right given to it to approve or disapprove, (ii) any arrangement or term is to be satisfactory to Lender, or (iii) any other decision or determination is to be made by Lender, the decision of Lender to approve or disapprove, all decisions that arrangements or terms are satisfactory or not satisfactory and all other decisions and determinations made by Lender, shall be in the sole and absolute discretion of Lender and shall be final and conclusive, except as may be otherwise expressly and specifically provided herein.

(b) Wherever pursuant to this Agreement it is provided that Borrower pay any costs and expenses, such costs and expenses shall include, but not be limited to, reasonable and actual legal fees and disbursements of Lender, whether retained firms, the reimbursement for the expenses of in-house staff or otherwise.

(c) At Lender's election, funds constituting the Replacement Reserve (including but not limited to the Initial Deposit) may be applied by Lender to the payment of reasonable and actual costs and expenses required to be paid by Borrower hereunder, including, without limitation, the cost of any inspections performed by Lender hereunder.

28. Exculpation. Borrower's obligations under this Agreement are subject to the provisions of Article 15 of the Security Instrument, and such provisions are incorporated herein by reference.

Clearing Bank shall have no responsibility to verify the accuracy of Lender's notice that a Cash Management Period exists. The foregoing instructions are irrevocable and not subject to modification in any manner, except that Lender, or its successor or servicer, may by written notice to Clearing Bank during a Cash Management Period, amend or rescind such instructions. Upon the request of any party hereto, Clearing Bank shall send to such party, Deposit Bank, Lender and Borrower, via telecopy or by providing access to Clearing Bank's internet banking system, a notice of wire transfer or ACH system advice setting forth the amount transferred. Any sums or items for which credit has been given and such sums paid to Lender, shall be promptly repayable by Lender within ten (10) days of written request by Clearing Bank, if full and final settlement is revoked or otherwise legally rescinded.

2. Fees. To compensate Clearing Bank for performing the services described herein, Borrower authorizes Clearing Bank to charge the Property Account for all compensation fees, charges and expenses with respect to the Property Account which Clearing Bank may be entitled for servicing and maintaining the Clearing Account, including reasonable attorneys' fees and disbursements, incurred by Clearing Bank in the preparation, negotiation and administration of this Agreement (including any amendments hereto or additional instruments or agreements required hereunder) and for the amount of any exchange, collection, processing, transfer, wire, postage or other out-of-pocket expenses incurred by Clearing Bank (collectively, the "Charges"). Clearing Bank shall not be liable for any damage or loss resulting from any delay or failure of performance arising out of the acts or omissions of any third parties, including, but not limited to, various communication services, courier services, the Federal Reserve System, any other bank or any third party who may be affected by funds transactions, fire, mechanical, computer or electrical failures or other unforeseen contingencies, strikes or other causes beyond the reasonable control of Clearing Bank.

Borrower, Clearing Bank and Lender hereby submit to the exclusive jurisdiction of the state courts of the State of New York for the purposes of all legal proceedings arising out of or relating to this Agreement or the transactions contemplated hereby. Borrower, Clearing Bank and Lender irrevocably waive, to the fullest extent permitted by law, any objection which they may now or hereafter have to the laying of the venue of any such proceeding brought in such a court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum. ANY ACTION OR PROCEEDING ARISING OUT OF OR CONCERNING THIS AGREEMENT SHALL BE HEARD BY A JUDGE SITTING WITHOUT A JURY.

Notwithstanding Lender's right to perform certain obligations of Borrower, it is acknowledged and agreed that Borrower retains control of the Property and operation thereof and notwithstanding anything contained herein or Agent's or Lender's exercise of any of its rights or remedies hereunder, under the Note, the Security Instrument and the Other Security Documents or otherwise at law or in equity, neither Agent nor Lender shall be deemed to be a mortgagee-in-possession nor shall Lender be subject to any liability with respect to the Property or otherwise based upon any claim of lender liability.

Section 8.3 No Waiver. The rights and remedies provided in this Agreement and the Note, the Security Instrument and the Other Security Documents are cumulative and may be exercised independently or concurrently, and are not exclusive of any other right or remedy provided at law or in equity. No failure to exercise or delay by Agent or Lender in exercising any right or remedy hereunder or under the Note, the Security Instrument and the Other Security

Documents shall impair or prohibit the exercise of any such rights or remedies in the future or be deemed to constitute a waiver or limitation of any such right or remedy or acquiescence therein. Every right and remedy granted to Agent and/or Lender hereunder or by law may be exercised by Agent and/or Lender at any time and from time to time, and as often as Agent and/or Lender may deem it reasonably expedient. Any and all of Agent's and/or Lender's rights with respect to the lien and security interest granted hereunder shall continue unimpaired, and Borrower shall be and remain obligated in accordance with the terms hereof, notwithstanding (a) any proceeding of Borrower under the Federal Bankruptcy Code or any bankruptcy, insolvency or reorganization laws or statutes of any state, (b) the release or substitution of Collateral at any time, or of any rights or interests therein or (c) any delay, extension of time, renewal, compromise or other indulgence granted by the Agent and/or Lender in the event of any default, with respect to the Collateral or otherwise hereunder. No delay or extension of time by Agent and/or Lender in exercising any power of sale, option or other right or remedy hereunder, and no notice or demand which may be given to or made upon Borrower by Agent and/or Lender, shall constitute a waiver thereof, or limit, impair or prejudice Agent's and/or Lender's right, without notice or demand, to take any action against Borrower or to exercise any other power of sale, option or any other right or remedy. No waiver of any term or condition of this Agreement, whether by delay, omission or otherwise, shall be effective unless in writing and signed by the party sought to be charged, and then such waiver shall be effective only in the specific instance and for the purpose for which given.

Section 8.4 Expenses. (a) The Collateral shall secure, and Borrower shall pay to Agent and Lender and/or Agent's and Lender's counsel on demand, from time to time, all reasonable costs and expenses (including, but not limited to, reasonable attorneys' fees and disbursements, and transfer, recording and filing fees, taxes and other charges) of, or incidental to, the creation or perfection of any lien or security interest granted or intended to be granted hereby, the custody, care, sale, transfer, administration, collection of or realization on the Collateral, or in any way relating to the enforcement, protection or preservation of the rights or remedies of Agent and/or Lender under this Agreement, the Note, the Security Instrument, or the the Other Security Documents. Such fees and charges shall be paid to Agent pursuant to Section 3.4(b) hereof and Agent shall be entitled to charge the Cash Management Account for such fees and charges pursuant to a separate Fee Agreement between Borrower and Agent (the "Fee Agreement"), a form of which is attached hereto as Exhibit C. Notwithstanding the foregoing, Agent shall have no right to charge, set-off or otherwise apply any portion of the Collateral against any amounts owed Agent by Borrower or Lender other than Agent's right to collect fees and expenses owed to Agent pursuant to the Fee Agreement in accordance with the terms and provisions of this Agreement.

(b) Agent shall be entitled to charge the Cash Management Account for all items deposited in and credited to the Cash Management Account and subsequently returned unpaid or with respect to which Agent fails to reserve final settlement. In the event of insufficient funds in the Cash Management Account, Lender shall repay Agent for such returned unpaid items to the extent that Lender received funds for such items. In the event that Lender repays such funds to Agent, Agent shall disburse funds hereafter received in the Cash Management Account to Lender within one (1) Business Day of the same day that such funds are available until such funds disbursed to Lender equal the amount returned to Agent by Lender pursuant to this Section 8.4(b), together with any applicable interest thereon.

Section 8.5 Intentionally Omitted.

Section 8.6 Entire Agreement. This Agreement constitutes the entire and final agreement between the parties with respect to the subject matter hereof and may not be changed, terminated or otherwise varied, except by a writing duly executed by the parties.

Section 8.7 Intentionally Omitted.

Section 8.8 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto, their respective successors and permitted assigns.

Section 8.9 Notices. All notices, demands, requests, consents, approvals and other communications (any of the foregoing, a "Notice") required, permitted, or desired to be given hereunder shall be in writing sent by facsimile or by any other electronic means or by registered or certified mail, postage prepaid, return receipt requested or delivered by hand or reputable overnight courier addressed to the party to be so notified at its address hereinafter set forth, or to such other address as such party may hereafter specify in accordance with the provisions of this Section 8.9. B. Borrower maintains an account with respect to the Property which account bears Account No. _____ (the "Property Account") with Clearing Bank into which all Rents (as defined in the Cash Management Agreement dated as of the date hereof, among Borrower, Lender and Deposit Bank (as defined in Section 14)) are deposited;

C. Lender and Borrower desire to retain Clearing Bank to provide services described herein.

NOW THEREFORE, in consideration of the mutual premises contained herein and for other good and valuable consideration the sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Duties of Clearing Bank.

(a) Clearing Bank shall receive and process any deposits presented by Borrower or its agent in accordance with the terms of this Agreement. The receipts described in this Section 1(a) are collectively referred to herein as the "Receipts". Clearing Bank shall deposit all Receipts received by it with respect to the Property into the Property Account. Clearing Bank shall maintain a microfilm or other record of each Receipt which is processed by Clearing Bank for a period of at least one year from the date of processing and in accordance with Clearing Bank's standard procedures. No items shall be deemed a Receipt until full and final settlement or payment has been made to Clearing Bank. Items received for deposit in the Property Accounts shall be deemed to bear the valid and legally binding endorsement of the payee and to comply with all of Clearing Bank's requirements for the supplying of missing

endorsements, now or hereafter in effect. Clearing Bank shall not be responsible for nor bear any liability for the processing of any check or other instrument bearing a legend.

(b) Items deposited with Clearing Bank which are returned for insufficient or uncollected funds will be re-deposited the first time. Items returned unpaid the second time for whatever reason shall be debited to the Property Account under advice and returned to Borrower. Borrower shall be liable to Clearing Bank for the amount of any exchange or collection charges incurred by Clearing Bank. Return item fees will be charged directly to the Property Account.

(c)

(i) During any period other than a Cash Management Period (as hereinafter defined), the Property Account shall be maintained under Borrower's sole dominion, control and directions.

(ii) During a Cash Management Period, upon delivery by Lender to Clearing Bank and receipt by Clearing Bank of a Clearing Bank Instruction Letter in form attached hereto as Exhibit A, Clearing Bank shall disburse all collected and available funds as determined by Clearing Bank's then-current availability schedule in effect from time to time (the "Funds") that are then in the Property Account by wire transfer (or transfer via the ACH system) on a daily basis to the Deposit Account at Deposit Bank. Borrower hereby irrevocably instructs and authorizes Clearing Bank to make transfers into the Deposit Account in accordance with this Section 1(c). Clearing Bank shall have no responsibility to verify the accuracy of Lender's notice that a Cash Management Period exists. The foregoing instructions are irrevocable and not subject to modification in any manner, except that Lender, or its successor or servicer, may by written notice to Clearing Bank during a Cash Management Period, amend or rescind such instructions. Upon the request of any party hereto, Clearing Bank shall send to such party, Deposit Bank, Lender and Borrower, via telecopy or by providing access to Clearing Bank's internet banking system, a notice of wire transfer or ACH system advice setting forth the amount transferred. Any sums or items for which credit has been given and such sums paid to Lender, shall be promptly repayable by Lender within ten (10) days of written request by Clearing Bank, if full and final settlement is revoked or otherwise legally rescinded.

2. Fees. To compensate Clearing Bank for performing the services described herein, Borrower authorizes Clearing Bank to charge the Property Account for all compensation fees, charges and expenses with respect to the Property Account which Clearing Bank may be entitled for servicing and maintaining the Clearing Account, including reasonable attorneys' fees and disbursements, incurred by Clearing Bank in the preparation, negotiation and administration of this Agreement (including any amendments hereto or additional instruments or agreements required hereunder) and for the amount of any exchange, collection, processing, transfer, wire, postage or other out-of-pocket expenses incurred by Clearing Bank (collectively, the "Charges"). In the event that the Property Account does not contain sufficient collected funds for payment of the Charges, Borrower authorizes Clearing Bank to charge any of Borrower's other accounts maintained with Clearing Bank or, in the event Borrower's other accounts do not contain sufficient collected funds for the payment of the Charges, Borrower agrees to pay Clearing Bank

the amount of the Charges upon demand. Clearing Bank shall debit the Property Account under advice on a monthly basis or shall include its fees in an account analysis statement, in accordance with the particular arrangements between Clearing Bank and Borrower.

3. Termination.

(a) Clearing Bank may resign from all of its obligations under this Agreement at any time after 30 days prior written notice to the other parties hereto. With respect to the appointment of a successor to Clearing Bank, Borrower and Lender shall use reasonable efforts to designate such a bank promptly after receipt of notice of resignation by Clearing Bank and shall take all reasonable actions necessary to cause such designated successor promptly to assume the obligations of Clearing Bank hereunder.

(b) Lender may terminate this Agreement at any time upon 30 days prior written notice to the other parties hereto.

(c) Borrower may not unilaterally terminate this Agreement or close the Property Account established hereunder, without the prior written consent of Lender.

(d) This Agreement shall create a continuing security interest in the Property Account and shall remain in full force and effect until payment in full of the Obligations (as hereinafter defined). Upon payment and performance in full of the Obligations, this Agreement shall terminate and Lender shall promptly authorize the release to Borrower of all funds remaining on deposit in the Property Account and Clearing Bank and/or Lender shall execute such instruments and documents as may be reasonably requested by Borrower and/or Clearing Bank to permit such release of funds and evidence such termination and the release of the lien hereof.

4. Matters Concerning Borrower. Borrower hereby agrees to deposit with Clearing Bank within two business days of receipt, all Rents received by Borrower with respect to the Property.

5. [Intentionally omitted]

6. Indemnification. Clearing Bank shall not be liable for any claims, suits, actions, costs, damages, liabilities, losses, attorneys fees or expenses or for any interruption of services, or incidental, direct (except if caused by Clearing Bank's gross negligence or willful misconduct) consequential, special or punitive damages ("Liabilities") in connection with the subject matter of this Agreement even if advised of the possibility or likelihood of such damages, other than Liabilities caused by the gross negligence or willful misconduct of Clearing Bank as determined by a court of competent jurisdiction and Borrower hereby agrees to indemnify and hold harmless Clearing Bank and the directors, officers, employees and agents of Clearing Bank and the successors and assigns of Clearing Bank, from and against any and all Liabilities arising from or in connection with any acts or omissions taken by Clearing Bank or any director, officer, employee or agent of any of them, as applicable, in connection with this Agreement, other than those Liabilities caused by the gross negligence or willful misconduct of Clearing Bank. So long as Clearing Bank acts in accordance with standard banking practices, its actions shall be deemed approved. The parties hereto agree that Clearing Bank's sole responsibility to Lender or Borrower or any third party for errors made by Clearing Bank in processing any Receipts shall

be to process a correcting entry in the next regularly scheduled processing of the work after receipt of notification from Lender or Borrower or any third party of such error or after discovery of such error by Clearing Bank, as the case may be, unless such error was due to Clearing Bank's gross negligence or willful misconduct. Clearing Bank shall not be liable for any damage or loss resulting from any delay or failure of performance arising out of the acts or omissions of any third parties, including, but not limited to, various communication services, courier services, the Federal Reserve System, any other bank or any third party who may be affected by funds transactions, fire, mechanical, computer or electrical failures or other unforeseen contingencies, strikes or other causes beyond the reasonable control of Clearing Bank.

7. Lender's Rights in Property Account.

(a) Borrower hereby pledges, transfers and assigns to Lender, and grants to Lender, as additional security for the Loan, a continuing perfected security interest in and to, and a general first lien upon, all of Borrower's right, title and interest in and to (i) the Property Account and all cash, property or rights transferred to or deposited in the Property Account from time to time, (ii) all earnings, investments and securities held in the Property Account and (iii) any and all proceeds of the foregoing. Borrower further agrees to execute, acknowledge, deliver, file or do, at its sole cost and expense, all other acts, assignments, notices, agreements or other instruments as Lender may reasonably require in order to effectuate, assure, secure, assign, transfer and convey unto Lender any of the rights granted by this section.

(b) Clearing Bank and Borrower each acknowledge and agree that during a Cash Management Period the Property Account will be subject to the sole dominion, control and discretion of Lender and its authorized agents or designees and Borrower shall have no right to close any such account or right of withdrawal with respect to the Property Account without the prior written consent of Lender. Borrower shall be entitled to receive information about the Property Account that it shall reasonably request from Clearing Bank. Clearing Bank waives any right to offset against the Property Account any claim which it may have against Borrower; *provided, however*, that Clearing Bank retains the right to charge the Property Account for (i) any of Clearing Bank's Charges provided for herein for which the Borrower is responsible and (ii) all items deposited in and credited to the Property Account and subsequently returned unpaid or with respect to which Clearing Bank fails to receive final settlement or for which any settlement or credit is revoked. The rights and liens of Clearing Bank shall have first priority only with respect to items set forth in clauses (b)(i) and (b)(ii) above.

8. Successors and Assigns; Assignments. This Agreement shall bind and inure to the benefit of and be enforceable by Clearing Bank, Borrower and Lender and their respective successors and assigns. Lender shall have the right to assign or transfer its rights under this Agreement without limitation. Any assignee or transferee shall be entitled to all the benefits afforded Lender under this Agreement; *provided, that* such assignee or transferee shall have delivered to the other parties hereto written confirmation that such assignee or transferee agrees to be bound by the terms of this Agreement and is also the assignee or transferee (or agent thereof) of the Security Instrument.

11. Governing Law and Venue; Waiver of Jury Trial. This Agreement shall be governed by, and construed in accordance with, the law of the State of New York without regard to any conflict of laws principles. Borrower, Clearing Bank and Lender hereby submit to the exclusive jurisdiction of the state courts of the State of New York for the purposes of all legal proceedings arising out of or relating to this Agreement or the transactions contemplated hereby. Borrower, Clearing Bank and Lender irrevocably waive, to the fullest extent permitted by law, any objection which they may now or hereafter have to the laying of the venue of any such proceeding brought in such a court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum ANY ACTION OR PROCEEDING ARISING OUT OF OR CONCERNING THIS AGREEMENT SHALL BE HEARD BY A JUDGE SITTING WITHOUT A JURY.

The duties and obligations of Clearing Bank set forth in this Agreement shall be determined solely by the express provisions of this Agreement, Clearing Bank shall not be liable except for the performance of such party's duties and obligations as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against Clearing Bank.

13. Interpleader. If at any time Clearing Bank, in good faith, is in doubt as to the action it should take under this Agreement or a successor is not appointed within the notice period under Section 3, Clearing Bank shall have the right to commence an interpleader action, at Borrower's expense, in the United States District Court for the Eastern or Southern District of New York or the New York Supreme Court for the County of New York and to take no further action except in accordance with joint instructions from Lender and Borrower or in accordance with the final order of the court in such action.

Re: **Loan #:** [REDACTED] 0543

Borrower: AW-MAGPIG, LLC, HW-MAGPIG, and MW-MAGPIG, LLC

Lender: Wells Fargo Bank, N.A. as Master Servicer on behalf of U.S. BANK NATIONAL ASSOCIATION, as Trustee, successor-in-interest to BANK OF AMERICA, N.A., as Trustee, successor by merger to LASALLE BANK NATIONAL ASSOCIATION, as Trustee, for Bear Stearns Commercial Mortgage Securities Inc., Commercial Mortgage Pass-Through Certificates, Series 2007-TOP26

Dear Borrower:

Wells Fargo Bank, N.A., ("Wells"), is servicer of the Loan and authorized to take certain actions in connection with the Loan on behalf of Lender, the current holder of the Loan.

The Borrower's indebtedness is evidenced by a note and is secured by, among other things, the collateral described in a related security agreement. The note, the security instrument, and all other documents executed in connection with the Loan, as the same may have been amended, modified or assigned, are the "Loan Documents." Capitalized terms not defined in this letter have their respective meanings as defined in the Loan Documents.

This letter serves as notice to Borrower that an event has occurred which triggered the requirement that this Loan be cash managed, pursuant to the terms of the Loan Documents and specifically due to the Definition of a "Cash Management Event" subsection "(d) the date Piggly Wiggly ceases operations at the Property or otherwise "goes dark," or terminates its lease". Lender hereby demands that Borrower implement the required cash management arrangement and execute all necessary documents to do so within thirty (30) days of the date of this letter.

Additionally, in order to properly administer the cash management, Borrower must prepare and provide a budget for the property to Wells as soon as possible. Borrower will be required to provide such other financial information and further cooperation as Wells may request.

Borrower's failure to cooperate with Wells and its counsel in implementing the cash management arrangement and providing such information and cooperation as Lender may require will be an event of default under the Loan Documents.

You are further advised that neither this letter, nor any negotiations or communications which may ensue, shall constitute a waiver of, or any agreement to forbear from exercising, Lender's rights to exercise any and all remedies available to it pursuant to the Loan Documents or otherwise at law. No delay by Lender in exercising any rights or remedies shall operate as a waiver of any rights or remedies Lender may have. Any such waiver shall not be effective unless set forth in writing, duly executed by an authorized representative of Lender. You are not entitled to rely upon any oral statements made, or purported to be made, by or on behalf of Lender in connection with any alleged agreement by or on behalf of Lender to refrain from exercising any of its rights under the Loan Documents or otherwise pursuant to applicable law. Any and all rights and remedies available to Lender are cumulative and may be exercised separately, successively or concurrently at the sole discretion of Lender. Lender expressly reserves all of its rights and remedies under the Loan Documents, at law and in equity.

The Borrower must execute this letter where indicated below to indicate the Borrower's agreement to fully cooperate with Wells and Lender in establishing the required cash management arrangement.

Our Cash Management Servicing Team will be implementing these cash management requirements in your Loan Documents. Please contact Pauline Agan at 510-446-3105 or aganp@wellsfargo.com immediately upon receipt of this letter to begin the process. Thank you for your prompt attention to this matter.

Please return an executed copy of this letter to:

Re: *That certain mortgage loan (the "Loan") evidenced by the Promissory Note (the "Note") dated March 1, 2007 in the original principal amount of \$4,500,000.00 executed and delivered by Borrower, in favor of Bear Stearns Commercial Mortgage, Inc. ("Original Lender"); Loan Number [REDACTED] 0543*

Ladies and Gentlemen:

Wells Fargo Bank, National Association, a national banking association is acting in its capacity as the master servicer of the Loan on behalf of U.S. Bank National Association, as Trustee, successor-in-interest to Bank of America, N.A., as Trustee, successor by merger to LaSalle Bank National Association, as Trustee, for the registered holders of Bear Stearns Commercial Mortgage Securities, Inc., Commercial Mortgage Pass-Through Certificates, Series 2007-TOP26 ("*Lender*"), the current holder of the Loan. The Loan is secured by, among other

things, the collateral described in that certain Mortgage, Fixture Filing and Security Agreement dated as of March 1, 2007 (the "*Mortgage*") made by Borrower to Mortgage Electronic Registration Systems, Inc., as Mortgagee. Lender is currently holder of the Mortgage. Original Lender and Borrower also entered into that certain Clearing Account Agreement and that certain Cash Management Agreement of even date therewith. The Note, the Mortgage, the Clearing Account Agreement and Cash Management Agreement and all other documents executed in connection with the Loan are referred to herein as the "Loan Documents." Capitalized terms not defined herein shall have their respective meanings as defined in the Loan Documents.

This letter constitutes notice to Borrower and Guarantors of Borrower's continuing Event of Default under the Loan Documents, specifically under Section 10.1(q) of the Mortgage, for its failure to abide by the terms of the Cash Management Agreement and the Clearing Account Agreement with regard to the events relating to the Lease with the tenant, Piggly Wiggly, which have created a Cash Management Event. Borrower has failed to comply with the letter sent to Borrower by Wells dated August 1, 2014 ("*Cash Management Event Letter*") for more than sixty (60) days. Borrower has also failed to pay Lender amounts due under the Note as required during the occurrence of a Cash Management Event. Other undeclared events of default may also exist. The foregoing is not meant to be an inclusive listing of all of Borrower's defaults.

Please be further advised that Article 4 of the Note provides that upon the occurrence of an Event of Default, Lender shall be entitled to receive, and Borrower shall pay, interest on the entire unpaid principal sum at the Default Rate as defined in the Note ("*Default Interest*"). Default Interest shall be computed upon the occurrence of the Event of Default from the date due, in this instance, sixty (60) days after the date of the Cash Management Event Letter, until the date credited.

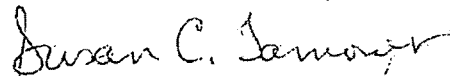

Guarantors are hereby advised of their potential liability as set forth under the Loan Documents, including but not limited to, the Indemnity Agreement.

Neither this letter, nor any negotiations or communications which may ensue shall constitute a waiver of, or any agreement to forbear from exercising, Lender's rights to exercise any and all remedies which may be available pursuant to the Loan Documents or otherwise at law or in equity. No delay by Lender in exercising any rights or remedies shall operate as a waiver of any rights or remedies of Lender. Any such waiver shall not be effective unless set forth in writing, duly executed by an authorized representative of Lender. You shall not be entitled to rely upon any oral statements made or purported to be made by or on behalf of Lender in connection with any alleged agreement by or on behalf of Lender to refrain from exercising any of its rights under the Loan Documents or otherwise pursuant to applicable law. Any and all rights and remedies available to Lender shall be cumulative and may be exercised separately, successively or concurrently at the sole discretion of Lender. Lender expressly reserves all of its rights and remedies under the Loan Documents, at law and in equity.

**DEFENDANTS AND THIRD PARTY
PLAINTIFFS' ANSWER,
COUNTERCLAIMS AND THIRD-PARTY
COMPLAINT**

JURY TRIAL DEMANDED

Comes now the Defendants/Third-Party Plaintiff, by and through undersigned counsel, who would Answer Plaintiff's Complaint, make Counterclaims against the Plaintiffs and who would bring a Third-Party Complaint as follows:

ANSWER
General Denial

1. Defendant/Third-Party Plaintiff denies each and every allegation of Plaintiff's Complaint not specifically admitted herein.

Specific Denial

2. The allegations in paragraph 1 are legal conclusions that do not require a responsive pleading. To the extent a responsive pleading is required, Defendant/Third-Party Plaintiffs admits so much of paragraph 1 as alleges Plaintiff has attempted to file a foreclosure action. Any remaining inferences or allegations are denied.
3. The allegations of paragraph 2 are denied as stated.
4. Defendants/Third-Party Plaintiffs admit so much of paragraph 3 as alleges they are Delaware corporations. The remaining allegations of paragraph 3 are legal conclusions that do not require a responsive pleading. To the extent a responsive pleading is required, the allegations of paragraph 3 are denied as stated.
5. The allegations of paragraph 4 are denied.
6. The allegations in paragraph 5 are legal conclusions that do not require a responsive pleading. To the extent a responsive pleading is required, Defendant/Third-Party Plaintiffs admits so much of paragraph 5 as alleges Plaintiff has attempted to file a foreclosure action. Any remaining inferences or allegations are denied.
7. The allegations of paragraphs 6 through 36 are denied as stated.

For a First Affirmative Defense
Failure to State a Claim

8. Plaintiffs' Complaint fails to state facts showing they are entitled to relief and the Complaint should be dismissed pursuant to Rule 12(b)(6) SCRPC.

For a Second Affirmative Defense
Lack of Jurisdiction

9. Jurisdiction is improperly asserted in this Court because the alleged loan documents which are attached to Plaintiffs' Complaint provide that the parties "submit to the

exclusive jurisdiction of the state courts of the State of New York for the purposes of all legal proceedings arising out of or relating to this Agreement.” Defendants/Third-Party Plaintiffs submit that the above captioned action should be dismissed since jurisdiction is not proper in this Court.

For a Third Affirmative Defense
Improper Venue

10. Venue is improperly asserted in this Court because the alleged loan documents provide multiple venue selection clauses which limit venue to the State of New York. Defendants/Third-Party Plaintiffs submit that the above captioned action should be dismissed since venue is not proper in this Court.

For a Fourth Affirmative Defense
Unclean Hands

11. Plaintiffs come to the Court with unclean hands and therefore their claims against the Defendants/Third-Party Plaintiff are barred. As outlined more fully below, Plaintiffs have committed numerous and repeated acts of malfeasance, misfeasance, wrong doing and unethical conduct which bar them from any recovery.

For a Fifth Affirmative Defense
Waiver

12. Plaintiffs’ action and inaction constitutes a waiver and Defendants/Third-Party Plaintiffs plead the doctrine of waiver as absolute bar to this action.

For a Sixth Affirmative Defense
Fraud in the Inducement

13. As outlined and pleaded more fully below, Defendants/Third-Party Plaintiffs would show that Plaintiffs and the third-party Defendants committed fraud in the inducement of any

contract and Defendants/Third-Party Plaintiffs pleads this as a complete or partial bar to this action.

For a Seventh Affirmative Defense
Accord and Satisfaction

14. Defendants/Third-Party Plaintiffs would show that they paid their monthly mortgage payments in full, up to and through the filing of this lawsuit and that Plaintiffs accepted these payments. Defendants/Third-Party Plaintiffs therefore plead accord and satisfaction as a complete or partial bar to this action.

For an Eighth Affirmative Defense
Breach of Contract Accompanied by a Fraudulent Act

15. As outlined and pleaded more fully above and below, Defendants/Third-Party Plaintiffs would show that Plaintiffs and the Third-Party Defendants committed fraudulent acts in breaching the contracts at issue and Defendant/Third-Party Plaintiffs pleads this as a complete or partial bar to this action.

For a Ninth Affirmative Defense
Insufficient Service of Process/Lack of Service of Process

16. Defendants/Third-Party Plaintiffs would show they were not served with the Verification to Plaintiffs' Complaint in accordance with the applicable Rules of Civil Procedure and/or statutory law and therefore Plaintiffs action should be dismissed.

For a Tenth Affirmative Defense
Improperly Named Plaintiff

17. Without waiving any other defenses or claims they may have, Defendants/Third-Party Plaintiffs would show that the Plaintiff is improperly named and is not a proper party to this action. More specifically, according to the mortgage documents attached to Plaintiffs' Complaint Bear Stearns Commercial Mortgage, Inc. is the mortgagor but the

lawsuit does not list this entity as a Plaintiff and instead names Bear Stearns Commercial Mortgage Securities, Inc. Because the proper party is not named, Plaintiffs' action should be dismissed.

For an Eleventh Defense
Breach of Fiduciary Duty

18. As outlined and pleaded more fully above and below, Defendant/Third-Party Plaintiffs would show that Plaintiff and the Third-Party Defendant breached their fiduciary duty and the Defendant/Third-Party Plaintiffs plead this as a complete or partial bar to this action.

For a Twelfth Defense
Unconscionability

19. Defendants/Third-Party Plaintiffs would show that the terms and conditions claimed and sought to be enforced by Plaintiffs in this lawsuit are unreasonable and unconscionable and Defendants/Third-Party Plaintiffs plead the unconscionability doctrine as a complete and/or partial defense in this action.

For a Thirteenth Defense
Usury

20. Defendants/Third Party Plaintiffs would show that the terms and conditions claimed and sought to be enforced by the Plaintiffs would result in violation of South Carolina's and/or New York usury laws and Defendants/Third-Party Plaintiffs plead usury as a complete and/or partial defense in this action.

For a Fourteenth Defense
Breach of Implied Term of Good Faith and Fair Dealing

21. Every contract has an implied term of good faith and fair dealing. Defendants/Third-Party Plaintiff would show that Plaintiffs have violated this provision, have acted in bad faith and their conduct should operate as a complete and/or partial bar to any recovery.

For a Fifteenth Defense
Offset

22. Defendants/Third Party Plaintiffs have asserts counterclaims and third party claims as outlined and pleaded more fully below. Defendants/Third Party Plaintiffs plead offset as a complete and/or partial defense in this action based upon the counterclaims and third party claims asserted below.

For a Sixteenth
Reservation of Other Affirmative Defenses

23. Defendants/Third-Party Plaintiffs specifically reserve and do not intend to waive any other affirmatives defenses available under common law or statutory law.

COUNTERCLAIMS AND THIRD-PARTY COMPLAINT

Factual Allegations

24. Toward the end of calendar year 2006 and at the beginning of calendar year 2007, AW-Magpig and the other Defendants/Third-Party Plaintiffs sought to finance commercial property located in or around Northeast Columbia, South Carolina commonly referred to as Magnolia Point Shopping Center.

25. Defendants/Third-Party Plaintiffs approached representatives of the Third-Party Defendant, Meridian Capital Group, LLC (hereinafter "Meridian") about the possibility of securing financing for them with a reputable lender.

26. In so doing, Defendants/Third-Party Plaintiffs explained to representatives of Meridian the potentially volatile nature of commercial shopping centers like Magnolia Point and specifically that tenants would come and go from the shopping center, break leases or otherwise vacate leased or rented space without prior notice.
27. In addition, Defendants/Third-Party Plaintiffs explained tenants at the shopping centers would often default on leases or simply not pay leases forcing the landlord to initiate eviction proceedings and collection actions in order to recover rental payments that were owed.
28. Representatives of the Defendants/Third-Party Plaintiffs sought commercially reasonable terms that would account for the volatile nature of commercial shopping centers like Magnolia Point and they explained they would continue paying their mortgage – principal, interest and taxes, even during volatile or economically depressed times.
29. During this same time period (end of calendar year 2006 and at the beginning of calendar year 2007) Meridian secured financing for the Defendants/Third-Party Plaintiffs with Bear Stearns Commercial Mortgage, Inc.
30. On information and belief and unbeknownst to Defendants/Third-Party Plaintiffs, Meridian unlawfully and illegally conspired with Bear Stearns Commercial Mortgage, Inc. in order to secure financing that took unfair advantage of Defendants/Third-Party Plaintiffs by incorporating numerous terms and conditions into the mortgage documents that were unsuitable, unfair, unconscionable and were against the directive and wishes of what the Defendants/Third-Party Plaintiffs had requested when they initially approached Meridian about financing.

31. By way of example, the Plaintiffs to this lawsuit contend that the mortgage documents at issue would require Defendants/Third-Party Plaintiffs to setup a lockbox if a tenant at shopping broke a lease and moved out of the shopping.
32. In fact, that event happened – Piggly Wiggly, the anchor tenant moved out of the shopping center and Plaintiffs insisted on additional money from Defendants/Third-Party Plaintiffs even though the Defendants/Third-Party Plaintiffs paid their mortgage in full (principal, interest and escrow) during all times relevant to this action including times they were not receiving rental income from Piggly Wiggly.
33. Defendants/Third-Party Plaintiffs were not aware of these terms and conditions because they were not provided with copies of the documents prior to closing or at closing.
34. Instead, representatives of Defendants/Third-Party Plaintiffs signed the mortgage documents at the insistence of and relying upon the false and misleading representations of Meridian and Bear Stearns Commercial Mortgage, Inc.
35. Thereafter, Defendants/Third-Party Plaintiffs made full, complete and timely mortgage payments to Plaintiffs and the Third-Party Defendant, Wells Fargo, and at all times relevant to this action Defendants/Third-Party Plaintiffs paid their mortgage in full (principal, interest and escrow).
36. Around April, 2014 a tenant at the shopping, Piggly Wiggly, notified Defendants/Third-Party Plaintiffs of its intension to break its lease with Defendants/Third Party Plaintiffs and move out of the shopping center.
37. Shortly thereafter, Piggly Wiggly in fact broke its lease with Defendants/Third-Party Plaintiffs and moved out of the shopping center.

38. Nonetheless, Defendants/Third-Party Plaintiffs continued timely and fully pay their entire mortgage payment – principal, interest and escrow.
39. Thereafter, Plaintiff and the Third-Party Defendant, Wells Fargo, began to insist that in addition to the mortgage payments Defendant/Third-Party Plaintiffs had to also pay additional sums to the Plaintiffs and/or Wells Fargo because Piggly Wiggly had vacated the property.
40. Thereafter, Plaintiffs and/or Wells Fargo illegally and unlawfully converted the mortgage payments being made by Defendants/Third-Party Plaintiffs and applying them to a host of illegal and unlawful fees, charges, late charges and the like that Plaintiffs and Wells Fargo had devised as part of its illegal and unlawful scam and scheme to drain resources from the shopping center.
41. In furtherance of its scam and scheme, Plaintiffs then commenced this action which acted as a cloud upon the title of the property making it impossible for Defendants/Third-Party Plaintiffs to refinance the property, sell the property or locate and secure another anchor tenant to replace Piggly Wiggly.
42. In essence, Plaintiffs has initiated this lawsuit for nothing more than a technical default because Piggly Wiggly vacated the property as an anchor tenant.
43. In so doing, however, Plaintiffs have made it impossible for Defendants/Third-Party Plaintiffs to secure another anchor tenant to replace Piggly Wiggly.
44. This action is part of Plaintiffs' and Wells Fargo's illegal, unlawful and fraudulent scheme to seize control of the shopping center from Defendants/Third-Party Plaintiffs.

For a First Cause of Action Against Meridian Capital Group, LLC
Negligence

45. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.

46. In operating a commercial financing company, Meridian has a duty to place clients like the Defendants/Third-Party Plaintiffs and specifically including the Defendants/Third-Party Plaintiffs in commercially reasonable mortgages that meet the specific needs of clients specifically including the Defendants/Third-Party Plaintiffs.

47. Additionally, Meridian had a duty to follow the directives of clients like the Defendants/Third-Party Plaintiffs and specifically including the Defendants/Third-Party Plaintiffs in securing financing.

48. Meridian breached these duties to the Defendant/Third-Party Plaintiffs in one or more of the following particulars:

- a. In failing to secure commercially reasonable financing for the Defendants/Third Party Plaintiffs;
- b. Placing Defendants/Third-Party Plaintiffs into commercially unreasonable loans/mortgages that were unsuited for their specific needs;
- c. Failing to follow the directives of Defendants/Third-Party Plaintiffs in securing financing for them;
- d. Such additional and further particulars as may be learned during discovery and/or proven at trial during this matter.

49. As a direct and proximate result of Meridian's negligence, as outlined and pleaded more fully above, Defendants/Third-Party Plaintiff has suffered injuries and damages.

50. More specifically, because of the events pleaded and outlined more fully above, Defendants/Third Party Plaintiffs cannot re-finance the property; cannot lease space to other commercial tenants and have suffered other damages to be proven at trial.

51. Defendants/Third-Party Plaintiffs demand judgment against Meridian and seek all damages allowed by law including punitive damages in an appropriate amount.

For a Second Cause of Action Against Meridian
Breach of Fiduciary Duty

52. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.

53. Defendant/Third-Party Plaintiffs and Meridian had a fiduciary relationship that existed because of the special confidence Defendant/Third-Party Plaintiffs placed in Meridian to find financing for them that was commercially reasonable and suited their particular individual needs given the nature of their business.

54. As outlined and pleaded above, Meridian breached its fiduciary duties to Defendants/Third-Party Plaintiffs in one or more of the following particulars:

- a. In failing to secure commercially reasonable financing for the Defendants/Third-Party Plaintiffs;
- b. Placing Defendants/Third-Party Plaintiffs into commercially unreasonable loans/mortgages that were unsuited for their specific needs;
- c. Failing to follow the directives of Defendants/Third-Party Plaintiffs in securing financing for them;
- d. Such additional and further particulars as may be learned during discovery and/or proven at trial during this matter.

55. As a direct and proximate result of Meridian's breach of fiduciary duty, as outlined and pleaded more fully above, Defendants/Third-Party Plaintiff has suffered injuries and damages.

56. More specifically, because of the events pleaded and outlined more fully above, Defendants/Third Party Plaintiffs cannot re-finance the property; cannot lease space to other commercial tenants and have suffered other damages to be proven at trial.

57. Defendants/Third-Party Plaintiffs demand judgment against Meridian and seek all damages allowed by law including punitive damages in an appropriate amount.

For a Third Cause of Action Against Meridian
Negligent Misrepresentation

58. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.

59. As outlined and pleaded more fully above, Meridian made false and misleading representations to Defendants/Third-Party Plaintiffs about securing commercially reasonable terms and conditions and terms and conditions that met its specific financial needs given the unique nature of its business.

60. On information and belief, Meridian had a pecuniary interest in securing a loan under any terms and conditions because it was paid by Bear Stearns for securing the loan and mortgage at issue in this lawsuit.

61. Nonetheless, and as outlined and pleaded more fully above, Meridian also owed Defendants/Third-Party Plaintiffs a duty of care to convey truthful and honest information to the Defendants/Third-Party Plaintiffs.

62. As outlined and pleaded more fully above, Meridian breached its duties to Defendants/Third-Party Plaintiffs.

63. Defendants/Third-Party Plaintiffs justifiably relied upon the representations of Meridian because, among other things, and as outlined and pleaded more fully above, Meridian was not only being paid by Bear Stearns but was also acting in a fiduciary capacity to Defendants/Third-Party Plaintiffs.

64. As a direct and proximate result of Meridian's breach of fiduciary duty, as outlined and pleaded more fully above, Defendants/Third-Party Plaintiff has suffered injuries and damages.

65. More specifically, because of the events pleaded and outlined more fully above, Defendants/Third Party Plaintiffs cannot re-finance the property; cannot lease space to other commercial tenants and have suffered other damages to be proven at trial.

66. Defendants/Third-Party Plaintiffs demand judgment against Meridian and seek all damages allowed by law including punitive damages in an appropriate amount.

For a Fourth Cause of Action Against Meridian and Plaintiffs
Civil Conspiracy

67. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.

68. On information and belief, representatives of Meridian and Plaintiffs unlawfully and illegally conspired for the purpose of injuring and damaging the Defendants/Third-Party Plaintiffs.

69. More specifically and as outlined and pleaded more fully above, Defendants/Third-Party Plaintiffs explained to Meridian the nature of their business and specifically that tenants would frequently come and go from the shopping center at issue.
70. As outlined and pleaded more fully above, Defendants/Third-Party Plaintiffs retained Meridian to secure financing for them on terms that met their individual needs given the nature of their business that they explained to representatives of Meridian.
71. On information and belief, despite these directives Meridian and the Plaintiff, Bear Stearns, conspired to injure the Defendants/Third-Party Plaintiffs.
72. More specifically, on information and belief, and as outlined and pleaded more fully above, Meridian and Bear Stearns insisted on and included terms and conditions in the mortgage documents that they knew or reasonably should have known Defendants/Third-Party Plaintiffs could not meet according to their own myopic interpretation of those loan documents.
73. Even more specifically, Meridian and Bear Stearns knew or reasonably should have known that because of the nature commercial shopping centers, tenants would come and go, would break leases, etc.
74. Nonetheless and despite what Meridian and Bear Stearns knew or reasonably should have known, they included terms and conditions in the loan and mortgage documents for the purpose of injuring the Defendants/Third-Party Defendants by effectively forcing them to give up the property at issue even when their monthly mortgage payments were timely made and fully made.
75. In fact and as outlined and pleaded more fully above, Meridian and Bear Stearns' unlawful and illegal civil conspiracy has injured the Defendants/Third-Party Plaintiffs

because Defendants/Third-Party Plaintiffs cannot refinance the property at issue; cannot find another anchor tenant to replace Piggly Wiggly and have suffered other legally recognized damages.

76. Defendants/Third-Party Plaintiffs demand judgment against Meridian and Plaintiffs and seek all damages allowed by law including punitive damages in an appropriate amount.

For a Fifth Cause of Action Against Meridian and Plaintiffs
Fraud

77. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.

78. On information and belief, Meridian was acting as an agent for Plaintiff, Bear Stearns, in that it was being paid by Bear Stearns to secure loans for it including the loan and mortgage at issue in this lawsuit.

79. As outlined and pleaded more fully above, Meridian individually and on behalf of Bear Stearns, made representations to Defendants/Third-Party Plaintiffs regarding the suitability of the loan and mortgage documents and the terms and conditions contained therein.

80. As outlined and pleaded more fully above, these representations were false and misleading.

81. More specifically, and as outlined and pleaded more fully above, the terms and conditions were commercially unreasonable but even more significantly, the terms and conditions did not suit the individual needs the Defendants/Third-Party Plaintiffs had expressed to Meridian and Bear Stearns.

82. Meridian and Bear Stearns knew of the falsity of the representations being made to Defendants/Third-Party Plaintiffs.
83. The representations and misrepresentations were material in a number of respects.
84. First, Defendants/Third-Party Plaintiffs would not have entered into the loan and mortgage documents had they known of Bear Stearns intention to essentially swindle the property at issue out from underneath them by trying to hold them in technical even though their mortgage payments were timely and paid in full.
85. In addition, the representations were material because they are at the heart of this litigation now before this Court.
86. Meridian and Bear Stearns made material misrepresentations to Defendants/Third-Party Plaintiffs with the specific intent that they act and rely upon them by entering into the loan and mortgage documents at issue.
87. Defendants/Third-Party Plaintiffs were ignorant of the falsity and untruth in the statements and representations made to them by Meridian and Bear Stearns.
88. Defendants/Third-Party Plaintiffs relied upon the truth of the representations made to them by Meridian and Bear Stearns.
89. Defendants/Third-Party Plaintiffs had a right to rely upon the representations made by Meridian and Bear Stearns.
90. More specifically and as outlined and pleaded more fully above, Defendants/Third-Party Plaintiffs enjoyed a fiduciary relationship with Meridian and Defendants/Third-Party Plaintiffs had a right to rely on their fiduciary relationship even if that fiduciary was also acting as an agent for Bear Stearns.

91. As outlined and pleaded more fully above, Meridian and Bear Stearns fraud and misrepresentations has injured the Defendants/Third-Party Plaintiffs because Defendants/Third-Party Plaintiffs cannot refinance the property at issue; cannot find another anchor tenant to replace Piggly Wiggly and have suffered other legally recognized damages.

92. Defendants/Third-Party Plaintiffs demand judgment against Meridian and Plaintiffs and seek all damages allowed by law including punitive damages in an appropriate amount.

**For a Sixth Cause of Action Against Meridian, Plaintiffs and Wells Fargo
Violation of South Carolina Unfair Trade Practices Act**

93. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.

94. As outlined and pleaded more fully above, Meridian and Plaintiffs (Bear Stearns) have engaged in unfair and deceptive practices in violation of the South Carolina Unfair Trade Practices Act (S.C. Code §§ 39-5-10 *et. seq.*).

95. As it pertains to the Third-Party Defendant, Wells Fargo, it has engaged in unfair and deceptive practices in violation of the South Carolina Unfair Trade Practices Act.

96. More specifically, and as outlined and pleaded more fully above, Wells Fargo took and accepted mortgage payments from Defendants/Third-Party Plaintiffs and on those payments the Defendants/Third-Party Plaintiffs specifically designated which portion of payments were for principal, interest and escrow.

97. Despite this clear designation, Wells Fargo unlawfully and illegally ginned up various fees, service charges, penalties and the like in order to siphon off the money designated

for principal, interest and escrow and in order to declare Defendants/Third-Party Plaintiffs in default.

98. All of the conduct alleged and pleaded above, is capable of repetition and it fact has been repeated by Bear Stearns and Wells Fargo on multiple occasions with Defendants/Third-Party Plaintiffs.

99. More specifically, Defendants/Third-Party Plaintiffs have had other loans on other properties and both Bear Stearns and Wells Fargo have repeated their unlawful and illegal conduct in regards to Defendants/Third-Party Plaintiffs on these loans and property as well.

100. As outlined and pleaded more fully above, Bear Stearns and Wells Fargo's violation of the Unfair Trade Practices Act has injured the Defendants/Third-Party Plaintiffs because Defendants/Third-Party Plaintiffs cannot refinance the property at issue; cannot find another anchor tenant to replace Piggly Wiggly and have suffered other legally recognized damages.

101. Defendants/Third-Party Plaintiffs demand judgment against these parties and seek all damages allowed by law including treble damages, costs and attorney's fees.

**For a Seventh Cause of Action against Plaintiffs and Wells Fargo
Breach of Contract Accompanied by a Fraudulent Act**

102. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.

103. As outlined and pleaded more fully above, Defendants/Third-Party Plaintiffs entered a contract with Bear Stearns.

-
104. An implied term in any contract requires that the parties act in good faith and fair dealing toward one another.
105. Bear Stearns and Wells Fargo have had a fraudulent intent in breaching the contract with Defendants/Third-Party Plaintiffs.
106. More specifically and despite the fact that Defendants/Third-Party Plaintiffs have always paid their mortgage payments in full and on time, Bear Stearns and Wells Fargo have committed numerous and repeated fraudulent acts in siphoning off money paid to them by Defendants/Third-Party Plaintiffs and by trying to unfairly, unlawfully and illegally take advantage of the Defendants/Third-Party Plaintiffs.
107. Even more specifically and as outlined and pleaded more fully above, Wells Fargo has taken mortgage payments from the Defendants/Third-Party Plaintiffs and has applied them to a series of junk fees, penalties, etc. in an effort to declare Defendants/Third-Party Plaintiffs in default and seize the property at issue from them.
108. As outlined and pleaded more fully above, Wells Fargo and Bear Stearns' fraudulent acts and misrepresentations has injured the Defendants/Third-Party Plaintiffs because Defendants/Third-Party Plaintiffs cannot refinance the property at issue; cannot find another anchor tenant to replace Piggly Wiggly and have suffered other legally recognized damages.
109. Defendants/Third-Party Plaintiffs demand judgment against Wells Fargo and Plaintiffs and seek all damages allowed by law including punitive damages in an appropriate amount.

**For a Eighth Cause of Action Against Wells Fargo
Conversion**

110. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.
111. As outlined and pleaded above, Defendants/Third-Party Plaintiffs made numerous monthly mortgage payments to Wells Fargo.
112. In making these monthly mortgage payments, Defendants/Third-Party Plaintiffs included on each payment the exact amount of principal, interest and escrow from the total being paid.
113. Despite this clear directive, Wells Fargo illegally and unlawfully stole and converted Defendants/Third-Party Plaintiffs' payments and did not apply the payments as directed.
114. Instead, and as outlined and pleaded more fully above, Wells Fargo devised an unlawful scam and scheme where they created a variety fraudulent charges, fees, penalties and the like and effectively stole the mortgage payments and converted those funds for their own use.
115. Defendants/Third-Party Plaintiffs demand judgment against Wells Fargo and seek all damages allowed by law including punitive damages in an appropriate amount.

**For a Ninth Cause of Action Against Bear Stearns and Wells Fargo
Civil Conspiracy**

116. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.

117. On information and belief, representatives of Bear Stearns and Wells Fargo have unlawfully and illegally conspired for the purpose of injuring and damaging the Defendants/Third-Party Plaintiffs.
118. More specifically, on information and belief and as outlined and pleaded more fully above, these parties colluded and conspired in such a way that mortgage payments that were made by Defendants/Third-Party Plaintiffs were not properly credited but were instead eaten up by the illegal, unlawful, improper and fraudulent fees charged by Wells Fargo at the direction of Bear Stearns.
119. More specifically, on information and belief and as outlined and pleaded more fully above, by effectively conspiring to re-direct mortgage payments into fraudulent fees and charges, Wells Fargo claimed this money for itself while Bear Stearns declared Defendants/Third-Party Plaintiffs in default and in so doing made it impossible for the Defendants/Third-Party Plaintiffs to refinance the property, sell the property or lease the property to another anchor tenant like Piggly Wiggly.
120. In fact and as outlined and pleaded more fully above, Bear Stearns and Wells Fargo's unlawful and illegal civil conspiracy has injured the Defendants/Third-Party Plaintiffs because Defendants/Third-Party Plaintiffs cannot refinance the property at issue; cannot find another anchor tenant to replace Piggly Wiggly and have suffered other legally recognized damages.
121. Defendants/Third-Party Plaintiffs demand judgment against Bear Stearns and Wells Fargo and seek all damages allowed by law including punitive damages in an appropriate amount.

For a Tenth Cause of Action Against Plaintiff, Bear Stearns and Wells Fargo
Slander of Title

122. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.
123. Bear Stearns and Wells Fargo have published false and defamatory statements to the effect that Defendants/Third-Party Plaintiffs have not paid their mortgage and are in default on their mortgage.
124. In fact, these statements are false and were made by Bear Stearns and Wells Fargo based upon their own fraudulent and malicious conduct as outlined and pleaded more fully above.
125. More specifically, in misappropriating mortgage payments as outlined and pleaded more fully above and in commencing this lawsuit which is based upon the fraudulent scam and scheme of Bear Stearns and Wells Fargo, these parties have made it impossible for the Defendants/Third-Party Plaintiffs to refinance their property, lease their property to another anchor tenant like Piggly Wiggly or payoff the principal mortgage.
126. In essence, Bear Stearns commenced this action based on the fact that the anchor tenant, Piggly Wiggly, broke its lease and vacated shopping center.
127. Based upon the mortgage documents it fraudulently obtained (see above) it then filed the present action thus ensuring Defendants/Third-Party Plaintiffs could not refinance the property, lease the property to another anchor tenant or payoff the principal mortgage.

128. Bear Stearns and Wells Fargo took this action for the improper, unlawful and illegal purpose of effectively taking title to the property at issue despite the fact that at all times relevant Defendants/Third-Party Plaintiffs had paid their mortgage on time and in full.

129. In so doing, Bear Stearns and Wells Fargo have harmed, injured and damaged the Defendants/Third-Party Plaintiffs.

130. Defendants/Third-Party Plaintiffs demand judgment against these parties and seek all damages allowed by law including punitive damages in an appropriate amount.

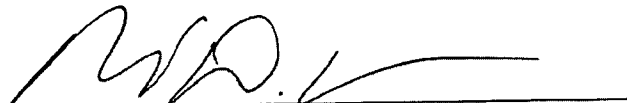

WHEREFORE, having fully Answered Plaintiff's Complaint and asserted Counterclaims and a Third-Party Complaint, Defendant/Third-Party Plaintiff prays for the following relief:

- A. That Plaintiff's Complaint be dismissed with prejudice;
- B. That Defendants/Third-Party Plaintiffs be awarded all taxable costs;
- C. That Defendants/Third-Party Plaintiffs be awarded attorney's fees pursuant to S.C. Code §15-36 et. seq.;
- D. That judgment be rendered against the Plaintiff and Third-Party Defendants (jointly and severally) and in favor of the Defendants/Third-Party Plaintiffs and that the Defendants/Third-Party Plaintiffs be awarded all actual, special, consequential and punitive damages in an appropriate amount (as determined by a jury);
- E. That Defendants/Third-Party Plaintiffs be awarded treble damages where provided by statute; and
- F. That the Court award such additional and further relief that the Court deems just and proper.

In accordance with the United States Constitution and South Carolina State Constitution,
Defendants/Third-Party Plaintiffs demands a trial by jury.

7. The allegations of paragraphs 6 through 36 are denied as stated.

For a First Affirmative Defense
Failure to State a Claim

8. Plaintiffs' Complaint fails to state facts showing they are entitled to relief and the Complaint should be dismissed pursuant to Rule 12(b)(6) SCRPC.

For a Second Affirmative Defense
Lack of Jurisdiction

9. Jurisdiction is improperly asserted in this Court because the alleged loan documents which are attached to Plaintiffs' Complaint provide that the parties "submit to the

exclusive jurisdiction of the state courts of the State of New York for the purposes of all legal proceedings arising out of or relating to this Agreement.” Defendants/Third-Party Plaintiffs submit that the above captioned action should be dismissed since jurisdiction is not proper in this Court.

For a Third Affirmative Defense
Improper Venue

10. Venue is improperly asserted in this Court because the alleged loan documents provide multiple venue selection clauses which limit venue to the State of New York. Defendants/Third-Party Plaintiffs submit that the above captioned action should be dismissed since venue is not proper in this Court.

For a Fourth Affirmative Defense
Unclean Hands

11. Plaintiffs come to the Court with unclean hands and therefore their claims against the Defendants/Third-Party Plaintiff are barred. As outlined more fully below, Plaintiffs have committed numerous and repeated acts of malfeasance, misfeasance, wrong doing and unethical conduct which bar them from any recovery.

For a Fifth Affirmative Defense
Waiver

12. Plaintiffs’ action and inaction constitutes a waiver and Defendants/Third-Party Plaintiffs plead the doctrine of waiver as absolute bar to this action.

For a Sixth Affirmative Defense
Fraud in the Inducement

13. As outlined and pleaded more fully below, Defendants/Third-Party Plaintiffs would show that Plaintiffs and the third-party Defendants committed fraud in the inducement of any

contract and Defendants/Third-Party Plaintiffs pleads this as a complete or partial bar to this action.

For a Seventh Affirmative Defense
Accord and Satisfaction

14. Defendants/Third-Party Plaintiffs would show that they paid their monthly mortgage payments in full, up to and through the filing of this lawsuit and that Plaintiffs accepted these payments. Defendants/Third-Party Plaintiffs therefore plead accord and satisfaction as a complete or partial bar to this action.

For an Eighth Affirmative Defense
Breach of Contract Accompanied by a Fraudulent Act

15. As outlined and pleaded more fully above and below, Defendants/Third-Party Plaintiffs would show that Plaintiffs and the Third-Party Defendants committed fraudulent acts in breaching the contracts at issue and Defendant/Third-Party Plaintiffs pleads this as a complete or partial bar to this action.

For a Ninth Affirmative Defense
Insufficient Service of Process/Lack of Service of Process

16. Defendants/Third-Party Plaintiffs would show they were not served with the Verification to Plaintiffs' Complaint in accordance with the applicable Rules of Civil Procedure and/or statutory law and therefore Plaintiffs action should be dismissed.

For a Tenth Affirmative Defense
Improperly Named Plaintiff

17. Without waiving any other defenses or claims they may have, Defendants/Third-Party Plaintiffs would show that the Plaintiff is improperly named and is not a proper party to this action. More specifically, according to the mortgage documents attached to Plaintiffs' Complaint Bear Stearns Commercial Mortgage, Inc. is the mortgagor but the

lawsuit does not list this entity as a Plaintiff and instead names Bear Stearns Commercial Mortgage Securities, Inc. Because the proper party is not named, Plaintiffs' action should be dismissed.

For an Eleventh Defense
Breach of Fiduciary Duty

18. As outlined and pleaded more fully above and below, Defendant/Third-Party Plaintiffs would show that Plaintiff and the Third-Party Defendant breached their fiduciary duty and the Defendant/Third-Party Plaintiffs plead this as a complete or partial bar to this action.

For a Twelfth Defense
Unconscionability

19. Defendants/Third-Party Plaintiffs would show that the terms and conditions claimed and sought to be enforced by Plaintiffs in this lawsuit are unreasonable and unconscionable and Defendants/Third-Party Plaintiffs plead the unconscionability doctrine as a complete and/or partial defense in this action.

For a Thirteenth Defense
Usury

20. Defendants/Third Party Plaintiffs would show that the terms and conditions claimed and sought to be enforced by the Plaintiffs would result in violation of South Carolina's and/or New York usury laws and Defendants/Third-Party Plaintiffs plead usury as a complete and/or partial defense in this action.

For a Fourteenth Defense
Breach of Implied Term of Good Faith and Fair Dealing

COUNTERCLAIMS AND THIRD-PARTY COMPLAINT

Factual Allegations

25. Toward the end of calendar year 2006 and at the beginning of calendar year 2007, AW-Magpig and the other Defendants/Third-Party Plaintiffs sought to finance commercial

property located in or around Northeast Columbia, South Carolina commonly referred to as Magnolia Point Shopping Center.

26. Defendants/Third-Party Plaintiffs approached representatives of the Third-Party Defendant, Meridian Capital Group, LLC (hereinafter "Meridian") about the possibility of securing financing for them with a reputable lender.
27. In so doing, Defendants/Third-Party Plaintiffs explained to representatives of Meridian the potentially volatile nature of commercial shopping centers like Magnolia Point and specifically that tenants would come and go from the shopping center, break leases or otherwise vacate leased or rented space without prior notice.
28. In addition, Defendants/Third-Party Plaintiffs explained tenants at the shopping centers would often default on leases or simply not pay leases forcing the landlord to initiate eviction proceedings and collection actions in order to recover rental payments that were owed.
29. Representatives of the Defendants/Third-Party Plaintiffs sought commercially reasonable terms that would account for the volatile nature of commercial shopping centers like Magnolia Point and they explained they would continue paying their mortgage – principal, interest and taxes, even during volatile or economically depressed times.
30. During this same time period (end of calendar year 2006 and at the beginning of calendar year 2007) Meridian secured financing for the Defendants/Third-Party Plaintiffs with Bear Stearns Commercial Mortgage, Inc.
31. On information and belief and unbeknownst to Defendants/Third-Party Plaintiffs, Meridian unlawfully and illegally conspired with Bear Stearns Commercial Mortgage, Inc. in order to secure financing that took unfair advantage of Defendants/Third-Party

Plaintiffs by incorporating numerous terms and conditions into the mortgage documents that were unsuitable, unfair, unconscionable and were against the directive and wishes of what the Defendants/Third-Party Plaintiffs had requested when they initially approached Meridian about financing.

32. By way of example, the Plaintiffs to this lawsuit contend that the mortgage documents at issue would require Defendants/Third-Party Plaintiffs to setup a lockbox if a tenant at shopping broke a lease and moved out of the shopping.
33. In fact, that event happened – Piggly Wiggly, the anchor tenant moved out of the shopping center and Plaintiffs insisted on additional money from Defendants/Third-Party Plaintiffs even though the Defendants/Third-Party Plaintiffs paid their mortgage in full (principal, interest and escrow) during all times relevant to this action including times they were not receiving rental income from Piggly Wiggly.
34. Defendants/Third-Party Plaintiffs were not aware of these terms and conditions because they were not provided with copies of the documents prior to closing or at closing.
35. Instead, representatives of Defendants/Third-Party Plaintiffs signed the mortgage documents at the insistence of and relying upon the false and misleading representations of Meridian and Bear Stearns Commercial Mortgage, Inc.
36. Thereafter, Defendants/Third-Party Plaintiffs made full, complete and timely mortgage payments to Plaintiffs and the Third-Party Defendant, Wells Fargo, and at all times relevant to this action Defendants/Third-Party Plaintiffs paid their mortgage in full (principal, interest and escrow).

37. Around April, 2014 a tenant at the shopping, Piggly Wiggly, notified Defendants/Third-Party Plaintiffs of its intension to break its lease with Defendants/Third Party Plaintiffs and move out of the shopping center.
38. Shortly thereafter, Piggly Wiggly in fact broke its lease with Defendants/Third-Party Plaintiffs and moved out of the shopping center.
39. Nonetheless, Defendants/Third-Party Plaintiffs continued timely and fully pay their entire mortgage payment – principal, interest and escrow.
40. Thereafter, Plaintiff and the Third-Party Defendant, Wells Fargo, began to insist that in addition to the mortgage payments Defendant/Third-Party Plaintiffs had to also pay additional sums to the Plaintiffs and/or Wells Fargo because Piggly Wiggly had vacated the property.
41. Thereafter, Plaintiffs and/or Wells Fargo illegally and unlawfully converted the mortgage payments being made by Defendants/Third-Party Plaintiffs and applying them to a host of illegal and unlawful fees, charges, late charges and the like that Plaintiffs and Wells Fargo had devised as part of its illegal and unlawful scam and scheme to drain resources from the shopping center.
42. In furtherance of its scam and scheme, Plaintiffs then commenced this action which acted as a cloud upon the title of the property making it impossible for Defendants/Third-Party Plaintiffs to refinance the property, sell the property or locate and secure another anchor tenant to replace Piggly Wiggly.
43. In essence, Plaintiffs has initiated this lawsuit for nothing more than a technical default because Piggly Wiggly vacated the property as an anchor tenant.

44. In so doing, however, Plaintiffs have made it impossible for Defendants/Third-Party Plaintiffs to secure another anchor tenant to replace Piggly Wiggly.

45. This action is part of Plaintiffs' and Wells Fargo's illegal, unlawful and fraudulent scheme to seize control of the shopping center from Defendants/Third-Party Plaintiffs.

For a Second Cause of Action Against Meridian
Breach of Fiduciary Duty

53. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.

55. As outlined and pleaded above, Meridian breached its fiduciary duties to Defendants/Third-Party Plaintiffs in one or more of the following particulars:

For a Third Cause of Action Against Meridian
Negligent Misrepresentation

59. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.
60. As outlined and pleaded more fully above, Meridian made false and misleading representations to Defendants/Third-Party Plaintiffs about securing commercially reasonable terms and conditions and terms and conditions that met its specific financial needs given the unique nature of its business.

61. On information and belief, Meridian had a pecuniary interest in securing a loan under any terms and conditions because it was paid by Bear Stearns for securing the loan and mortgage at issue in this lawsuit.
62. Nonetheless, and as outlined and pleaded more fully above, Meridian also owed Defendants/Third-Party Plaintiffs a duty of care to convey truthful and honest information to the Defendants/Third-Party Plaintiffs.
63. As outlined and pleaded more fully above, Meridian breached its duties to Defendants/Third-Party Plaintiffs.
64. Defendants/Third-Party Plaintiffs justifiably relied upon the representations of Meridian because, among other things, and as outlined and pleaded more fully above, Meridian was not only being paid by Bear Stearns but was also acting in a fiduciary capacity to Defendants/Third-Party Plaintiffs.
65. As a direct and proximate result of Meridian's breach of fiduciary duty, as outlined and pleaded more fully above, Defendants/Third-Party Plaintiff has suffered injuries and damages.
66. More specifically, because of the events pleaded and outlined more fully above, Defendants/Third Party Plaintiffs cannot re-finance the property; cannot lease space to other commercial tenants and have suffered other damages to be proven at trial.
67. Defendants/Third-Party Plaintiffs demand judgment against Meridian and seek all damages allowed by law including punitive damages in an appropriate amount.

For a Fourth Cause of Action Against Meridian and Plaintiffs
Civil Conspiracy

68. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.
69. On information and belief, representatives of Meridian and Plaintiffs unlawfully and illegally conspired for the purpose of injuring and damaging the Defendants/Third-Party Plaintiffs.
70. More specifically and as outlined and pleaded more fully above, Defendants/Third-Party Plaintiffs explained to Meridian the nature of their business and specifically that tenants would frequently come and go from the shopping center at issue.
71. As outlined and pleaded more fully above, Defendants/Third-Party Plaintiffs retained Meridian to secure financing for them on terms that met their individual needs given the nature of their business that they explained to representatives of Meridian.
72. On information and belief, despite these directives Meridian and the Plaintiff, Bear Stearns, conspired to injure the Defendants/Third-Party Plaintiffs.
73. More specifically, on information and belief, and as outlined and pleaded more fully above, Meridian and Bear Stearns insisted on and included terms and conditions in the mortgage documents that they knew or reasonably should have known Defendants/Third-Party Plaintiffs could not meet according to their own myopic interpretation of those loan documents.
74. Even more specifically, Meridian and Bear Stearns knew or reasonably should have known that because of the nature commercial shopping centers, tenants would come and go, would break leases, etc.
75. Nonetheless and despite what Meridian and Bear Stearns knew or reasonably should have known, they included terms and conditions in the loan and mortgage documents for the

purpose of injuring the Defendants/Third-Party Defendants by effectively forcing them to give up the property at issue even when their monthly mortgage payments were timely made and fully made.

76. In fact and as outlined and pleaded more fully above, Meridian and Bear Stearns' unlawful and illegal civil conspiracy has injured the Defendants/Third-Party Plaintiffs because Defendants/Third-Party Plaintiffs cannot refinance the property at issue; cannot find another anchor tenant to replace Piggly Wiggly and have suffered other legally recognized damages.

77. Defendants/Third-Party Plaintiffs demand judgment against Meridian and Plaintiffs and seek all damages allowed by law including punitive damages in an appropriate amount.

For a Fifth Cause of Action Against Meridian and Plaintiffs
Fraud

78. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.

79. On information and belief, Meridian was acting as an agent for Plaintiff, Bear Stearns, in that it was being paid by Bear Stearns to secure loans for it including the loan and mortgage at issue in this lawsuit.

80. As outlined and pleaded more fully above, Meridian individually and on behalf of Bear Stearns, made representations to Defendants/Third-Party Plaintiffs regarding the suitability of the loan and mortgage documents and the terms and conditions contained therein.

81. As outlined and pleaded more fully above, these representations were false and misleading.

82. More specifically, and as outlined and pleaded more fully above, the terms and conditions were commercially unreasonable but even more significantly, the terms and conditions did not suit the individual needs the Defendants/Third-Party Plaintiffs had expressed to Meridian and Bear Stearns.
83. Meridian and Bear Stearns knew of the falsity of the representations being made to Defendants/Third-Party Plaintiffs.
84. The representations and misrepresentations were material in a number of respects.
85. First, Defendants/Third-Party Plaintiffs would not have entered into the loan and mortgage documents had they known of Bear Stearns intention to essentially swindle the property at issue out from underneath them by trying to hold them in technical even though their mortgage payments were timely and paid in full.
86. In addition, the representations were material because they are at the heart of this litigation now before this Court.
87. Meridian and Bear Stearns made material misrepresentations to Defendants/Third-Party Plaintiffs with the specific intent that they act and rely upon them by entering into the loan and mortgage documents at issue.
88. Defendants/Third-Party Plaintiffs were ignorant of the falsity and untruth in the statements and representations made to them by Meridian and Bear Stearns.
89. Defendants/Third-Party Plaintiffs relied upon the truth of the representations made to them by Meridian and Bear Stearns.
90. Defendants/Third-Party Plaintiffs had a right to rely upon the representations made by Meridian and Bear Stearns.

91. More specifically and as outlined and pleaded more fully above, Defendants/Third-Party Plaintiffs enjoyed a fiduciary relationship with Meridian and Defendants/Third-Party Plaintiffs had a right to rely on their fiduciary relationship even if that fiduciary was also acting as an agent for Bear Stearns.

93. Defendants/Third-Party Plaintiffs demand judgment against Meridian and Plaintiffs and seek all damages allowed by law including punitive damages in an appropriate amount.

**For a Sixth Cause of Action Against Meridian, Plaintiffs and Wells Fargo
Violation of South Carolina Unfair Trade Practices Act**

94. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.

96. As it pertains to the Third-Party Defendant, Wells Fargo, it has engaged in unfair and deceptive practices in violation of the South Carolina Unfair Trade Practices Act.

97. More specifically, and as outlined and pleaded more fully above, Wells Fargo took and accepted mortgage payments from Defendants/Third-Party Plaintiffs and on those

payments the Defendants/Third-Party Plaintiffs specifically designated which portion of payments were for principal, interest and escrow.

98. Despite this clear designation, Wells Fargo unlawfully and illegally ginned up various fees, service charges, penalties and the like in order to siphon off the money designated for principal, interest and escrow and in order to declare Defendants/Third-Party Plaintiffs in default.

99. All of the conduct alleged and pleaded above, is capable of repetition and it fact has been repeated by Bear Stearns and Wells Fargo on multiple occasions with Defendants/Third-Party Plaintiffs.

**For a Seventh Cause of Action against Plaintiffs and Wells Fargo
Breach of Contract Accompanied by a Fraudulent Act**

103. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.
104. As outlined and pleaded more fully above, Defendants/Third-Party Plaintiffs entered a contract with Bear Stearns.
105. An implied term in any contract requires that the parties act in good faith and fair dealing toward one another.
106. Bear Stearns and Wells Fargo have had a fraudulent intent in breaching the contract with Defendants/Third-Party Plaintiffs.
107. More specifically and despite the fact that Defendants/Third-Party Plaintiffs have always paid their mortgage payments in full and on time, Bear Stearns and Wells Fargo have committed numerous and repeated fraudulent acts in siphoning off money paid to them by Defendants/Third-Party Plaintiffs and by trying to unfairly, unlawfully and illegally take advantage of the Defendants/Third-Party Plaintiffs.
108. Even more specifically and as outlined and pleaded more fully above, Wells Fargo has taken mortgage payments from the Defendants/Third-Party Plaintiffs and has applied them to a series of junk fees, penalties, etc. in an effort to declare Defendants/Third-Party Plaintiffs in default and seize the property at issue from them.
109. As outlined and pleaded more fully above, Wells Fargo and Bear Stearns' fraudulent acts and misrepresentations has injured the Defendants/Third-Party Plaintiffs because Defendants/Third-Party Plaintiffs cannot refinance the property at issue; cannot find another anchor tenant to replace Piggly Wiggly and have suffered other legally recognized damages.

111. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.

112. As outlined and pleaded above, Defendants/Third-Party Plaintiffs made numerous monthly mortgage payments to Wells Fargo.

113. In making these monthly mortgage payments, Defendants/Third-Party Plaintiffs included on each payment the exact amount of principal, interest and escrow from the total being paid.

114. Despite this clear directive, Wells Fargo illegally and unlawfully stole and converted Defendants/Third-Party Plaintiffs' payments and did not apply the payments as directed.

115. Instead, and as outlined and pleaded more fully above, Wells Fargo devised an unlawful scam and scheme where they created a variety fraudulent charges, fees, penalties and the like and effectively stole the mortgage payments and converted those funds for their own use.

116. Defendants/Third-Party Plaintiffs demand judgment against Wells Fargo and seek all damages allowed by law including punitive damages in an appropriate amount.

For a Ninth Cause of Action Against Bear Stearns and Wells Fargo
Civil Conspiracy

117. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.
118. On information and belief, representatives of Bear Stearns and Wells Fargo have unlawfully and illegally conspired for the purpose of injuring and damaging the Defendants/Third-Party Plaintiffs.
119. More specifically, on information and belief and as outlined and pleaded more fully above, these parties colluded and conspired in such a way that mortgage payments that were made by Defendants/Third-Party Plaintiffs were not properly credited but were instead eaten up by the illegal, unlawful, improper and fraudulent fees charged by Wells Fargo at the direction of Bear Stearns.
120. More specifically, on information and belief and as outlined and pleaded more fully above, by effectively conspiring to re-direct mortgage payments into fraudulent fees and charges, Wells Fargo claimed this money for itself while Bear Stearns declared Defendants/Third-Party Plaintiffs in default and in so doing made it impossible for the Defendants/Third-Party Plaintiffs to refinance the property, sell the property or lease the property to another anchor tenant like Piggly Wiggly.
121. In fact and as outlined and pleaded more fully above, Bear Stearns and Wells Fargo's unlawful and illegal civil conspiracy has injured the Defendants/Third-Party Plaintiffs because Defendants/Third-Party Plaintiffs cannot refinance the property at issue; cannot find another anchor tenant to replace Piggly Wiggly and have suffered other legally recognized damages.

122. Defendants/Third-Party Plaintiffs demand judgment against Bear Stearns and Wells Fargo and seek all damages allowed by law including punitive damages in an appropriate amount.

For a Tenth Cause of Action Against Plaintiff, Bear Stearns and Wells Fargo
Slander of Title

123. Defendants/Third-Party Plaintiffs re-allege the allegations above as if repeated herein verbatim.

124. Bear Stearns and Wells Fargo have published false and defamatory statements to the effect that Defendants/Third-Party Plaintiffs have not paid their mortgage and are in default on their mortgage.

125. In fact, these statements are false and were made by Bear Stearns and Wells Fargo based upon their own fraudulent and malicious conduct as outlined and pleaded more fully above.

126. More specifically, in misappropriating mortgage payments as outlined and pleaded more fully above and in commencing this lawsuit which is based upon the fraudulent scam and scheme of Bear Stearns and Wells Fargo, these parties have made it impossible for the Defendants/Third-Party Plaintiffs to refinance their property, lease their property to another anchor tenant like Piggly Wiggly or payoff the principal mortgage.

127. In essence, Bear Stearns commenced this action based on the fact that the anchor tenant, Piggly Wiggly, broke its lease and vacated shopping center.

128. Based upon the mortgage documents it fraudulently obtained (see above) it then filed the present action thus ensuring Defendants/Third-Party Plaintiffs could not refinance the property, lease the property to another anchor tenant or payoff the principal mortgage.

129. Bear Stearns and Wells Fargo took this action for the improper, unlawful and illegal purpose of effectively taking title to the property at issue despite the fact that at all times relevant Defendants/Third-Party Plaintiffs had paid their mortgage on time and in full.

130. In so doing, Bear Stearns and Wells Fargo have harmed, injured and damaged the Defendants/Third-Party Plaintiffs.

131. Defendants/Third-Party Plaintiffs demand judgment against these parties and seek all damages allowed by law including punitive damages in an appropriate amount.

WHEREFORE, having fully Answered Plaintiff's Complaint and asserted Counterclaims and a Third-Party Complaint, Defendant/Third-Party Plaintiff prays for the following relief:

- A. That Plaintiff's Complaint be dismissed with prejudice;
- B. That Defendants/Third-Party Plaintiffs be awarded all taxable costs;
- C. That Defendants/Third-Party Plaintiffs be awarded attorney's fees pursuant to S.C. Code §15-36 et. seq.;
- D. That judgment be rendered against the Plaintiff and Third-Party Defendants (jointly and severally) and in favor of the Defendants/Third-Party Plaintiffs and that the Defendants/Third-Party Plaintiffs be awarded all actual, special, consequential and punitive damages in an appropriate amount (as determined by a jury);

E. That Defendants/Third-Party Plaintiffs be awarded treble damages where provided by statute; and

F. That the Court award such additional and further relief that the Court deems just and proper.

In accordance with the United States Constitution and South Carolina State Constitution, Defendants/Third-Party Plaintiffs demands a trial by jury.

Respectfully submitted,

**ANSWER OF THIRD-PARTY
DEFENDANT WELLS FARGO BANK,
N.A. TO THIRD-PARTY
COMPLAINT**

NOW COMES WELLS FARGO BANK, N.A. ("Wells"), by its undersigned attorneys, and hereby responds to the third-party claims asserted against Wells (the "Third-Party Claims") by the defendants and third-party plaintiffs AW-MAGPIG, LLC, HW-MAGPIG, LLC and MW-MAGPIG, LLC (collectively, "Borrowers" and each a "Borrower") in their First Amended Answer, Counterclaims and Third-Party Complaint (the "Answer").

MOTION TO DISMISS

Wells moves the Court pursuant to SCRCP Rule 12(b)(6) to dismiss each of the Third-Party Claims (including, without limitation, any third-party claims that are mislabeled as defenses) for failure to state facts sufficient to constitute a cause of action against Wells.

MOTION TO STRIKE

Wells moves the Court pursuant to SCRCP Rule 12(f) to strike Borrowers' demand for a jury trial as Borrowers waived any rights to a jury trial in writing in multiple Loan Documents.

FOR A THIRD DEFENSE

The Answer fails to plead fraud with particularity.

FOR A FOURTH DEFENSE

As to any Third-Party Claims that assert the existence and/or breach of any contract between Borrowers and Wells, no such contract exists. Further, any such Third-Party Claims are barred by the Statute of Frauds.

FOR A FIFTH DEFENSE

The Third-Party Claims are barred because no Borrower has suffered any damages as a result of the allegedly wrongful action and/or inaction of Wells.

FOR A SIXTH DEFENSE

Any damages sustained by Borrowers (if any) were caused solely by their own culpable and negligent conduct, or by the conduct of a third party over whom Wells had no control, and were not caused nor contributed to by reason of any omission or act on the part of Wells.

FOR AN SEVENTH DEFENSE

The Third-Party Claims are barred, in whole or in part, by the doctrine of unclean hands as evidenced by the defaults set forth in the Complaint and the circumstances underlying same.

FOR AN EIGHTH DEFENSE

As more fully set forth in the Complaint, Borrowers failed to perform all of the conditions precedent in the applicable Loan Documents required on their part to be performed, thus precluding recovery on any Counterclaims.

FOR A NINTH DEFENSE

In the event the Court finds Borrowers entitled to any of their requested relief against Wells, which Wells expressly denies, recovery on the Third-Party Claims may be barred and/or limited by Borrowers' failure to mitigate any damages allegedly sustained.

FOR A TENTH DEFENSE

In the event the Court finds Borrowers entitled to any of their requested relief against Plaintiff, which Plaintiff expressly denies, Plaintiff is entitled to a setoff of the sums owed by Borrowers to Plaintiff.

FOR AN ELEVENTH DEFENSE

The Third-Party Claims are barred, in whole or in part, by the applicable statute(s) of limitations, including, without limitation, those based on alleged facts or circumstances occurring prior to or upon the making of the Loan and/or Borrowers' execution of the Loan Documents or otherwise based on alleged facts or circumstances occurring outside the applicable limitations period(s).

FOR A TWELFTH DEFENSE

Pursuant to certain provisions of the Loan Documents, including, without limitation, Section 14.1 of the Mortgage, Borrowers waived any right to assert some or all of the Counterclaims.

FOR A THIRTEENTH DEFENSE

To the extent the Counterclaims assert claims or seek relief inconsistent with the terms and provisions of the Loan Documents or seek to invalidate or challenge the enforceability of any terms thereof or as a result of Borrowers' actions or inaction, then the Counterclaims are barred under the express terms of the applicable Loan Documents and under the doctrines of accord and satisfaction, condonation, estoppel, laches, payment, waiver, acquiescence, ratification and/or release.

FOR A FOURTEENTH DEFENSE

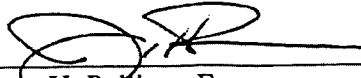

As to the third-party claim asserted by Borrowers against Wells for slander of title, Wells asserts the defense of truth.

FOR A FIFTEENTH DEFENSE

With respect to any special damages sought by Borrowers in the Answer or as to any Third-Party Claims for which special damages are an element (including, without limitation, any third-party claim for civil conspiracy against Wells), Borrowers have failed to specifically state or assert such special damages as required.

FOR A SIXTEENTH DEFENSE

Wells hereby reserves its right to raise additional defenses during the progress of this case, including during and after the completion of discovery.

NOW COMES U.S. Bank National Association, as Trustee, successor-in-interest to Bank of America, N.A., as successor by merger to LaSalle Bank National Association, as Trustee for the registered holders of Bear Stearns Commercial Mortgage Securities, Inc., Commercial Mortgage Pass-Through Certificates, Series 2007-TOP26 ("**Plaintiff**"), by its undersigned attorneys, and hereby responds to the counterclaims asserted against Plaintiff by Borrowers (the "**Counterclaims**") in their First Amended Answer, Counterclaims and Third-Party Complaint

(the "Answer"). Capitalized terms not defined herein shall have the meanings ascribed in the Complaint.

MOTION TO DISMISS

Plaintiff moves the Court pursuant to SCRCP Rule 12(b)(6) to dismiss each of the Counterclaims (including, without limitation, any counterclaims that are mislabeled as defenses) for failure to state facts sufficient to constitute a cause of action against Plaintiff.

MOTION TO STRIKE

Plaintiff moves the Court pursuant to SCRCP Rule 12(f) to strike Borrowers' demand for a jury trial as Borrowers waived any rights to a jury trial in writing in multiple Loan Documents.

FOR A FIRST DEFENSE

1. Each and every averment of the Answer applicable to Plaintiff that is not expressly and specifically admitted in this Reply is denied. The facts and allegations set forth in the Complaint are incorporated by reference in this Reply. Further, Plaintiff is the sole plaintiff in this action and therefore denies any and all allegations in the Answer that indicate or may indicate that there are multiple plaintiffs (including through references in the Answer to "Plaintiffs"). In addition, the Answer contains numerous references to "Bear Stearns" but "Bear Stearns" is not a defined term in the Answer.

FOR A SECOND DEFENSE

(Responding to the allegations of the Counterclaims)

2. Plaintiff does not have knowledge or information sufficient to form a belief as to the allegations of paragraphs 25 through 29 of the Answer and therefore denies same and demands strict proof thereof.

3. As to the allegations of paragraph 30 of the Answer, Plaintiff admits that Bear Stearns Commercial Mortgage, Inc., a New York corporation ("**Original Lender**"), made the

Loan to Borrowers on or about March 1, 2007. Plaintiff does not have knowledge or information sufficient to form a belief as to any remaining allegations in said paragraph 30, and therefore denies same and demands strict proof thereof.

4. As to the allegations of paragraph 31 of the Answer, Plaintiff denies that any Loan Documents contain terms or conditions that are unfair or unconscionable. Plaintiff does not have knowledge or information sufficient to form a belief as to any remaining allegations in said paragraph 31, and therefore denies same and demands strict proof thereof.

5. As to the allegations of paragraph 32 of the Answer, Plaintiff admits that pursuant to the clear terms of the Cash Management Agreement, Borrowers are obligated to, among other things, maintain a Clearing Account throughout the term of the Loan and establish a Cash Management Account upon the occurrence of a Cash Management Event, which occurs upon, among other events, the date that the anchor tenant (Piggly Wiggly) ceases operations at or vacates the Property or otherwise 'goes dark,' or terminates its lease. Except as admitted herein, the allegations of paragraph 32 are denied.

6. As to the allegations of paragraph 33 of the Answer, Plaintiff admits that Piggly Wiggly ceased operations at and vacated the Property and went "dark," resulting in a clear Cash Management Event, and despite multiple demands by Plaintiff, Borrowers have failed to comply with their resultant obligations under the Cash Management Agreement and Mortgage. Except as admitted herein, the allegations of paragraph 33 are denied.

7. Plaintiff does not have knowledge or information sufficient to form a belief as to the allegations of paragraph 34 of the Answer and therefore denies the same and demands strict proof thereof.

8. As to the allegations of paragraph 35 of the Answer, Plaintiff admits that

Borrowers, for valuable consideration, executed the Note, Mortgage, ALR, Reserve Agreement, Cash Management Agreement, Clearing Account Agreement and each of the other applicable Loan Documents. Plaintiff does not have knowledge or information sufficient to form a belief as to any remaining allegations of paragraph 35 of the Answer and therefore denies the same and demands strict proof thereof.

9. Plaintiff denies the allegations of paragraph 36 of the Answer and demands strict proof thereof.

10. As to the allegations of paragraphs 37 and 38 of the Answer, Plaintiff admits that on or about March 10, 2014, Piggly Wiggly provided notice to Borrowers of Piggly Wiggly's intent to close its store at the Property, and Plaintiff further admits that Piggly Wiggly ceased operations at and vacated the Property and went "dark", thereby resulting in a clear Cash Management Event. Plaintiff is without information to form a belief as to any remaining allegations in said paragraphs 37 or 38 and therefore denies same and demands strict proof thereof.

Except as admitted herein, the allegations of paragraph 40 are denied and strict proof thereof is demanded.

13. Plaintiff denies the allegations of paragraph 41 of the Answer and demands strict

FOR A THIRD DEFENSE

The Answer fails to plead fraud with particularity and such failure precludes the recovery for any alleged act or the recovery of any alleged damages.

FOR A FOURTH DEFENSE

The Counterclaims are barred, in whole or in part, by the Statute of Frauds, including, without limitation, any Counterclaims that assert the existence of any contract or agreement between Plaintiff and Borrowers other than as set forth in the applicable Loan Documents.

FOR A FIFTH DEFENSE

The Counterclaims are barred because no Borrower has suffered any damages as a result of the allegedly wrongful action and/or inaction of Plaintiff.

FOR A SIXTH DEFENSE

Any damages sustained by Borrowers (if any) were caused solely by their own culpable and negligent conduct, or by the conduct of a third party over whom Plaintiff had no control, and were not caused nor contributed to by reason of any omission or act on the part of Plaintiff.

FOR AN SEVENTH DEFENSE

The Counterclaims are barred, in whole or in part, by the doctrine of unclean hands as evidenced by the defaults set forth in the Complaint and the circumstances underlying same.

FOR AN EIGHTH DEFENSE

As more fully set forth in the Complaint, Borrowers failed to perform all of the conditions precedent in the applicable Loan Documents required on their part to be performed, thus precluding recovery on any Counterclaims.

FOR AN NINTH DEFENSE

In the event the Court finds Borrowers entitled to any of their requested relief against Plaintiff, which Plaintiff expressly denies, recovery on the Counterclaims may be barred and/or limited by Borrowers' failure to mitigate any damages allegedly sustained.

FOR A TENTH DEFENSE

In the event the Court finds Borrowers entitled to any of their requested relief against Plaintiff, which Plaintiff expressly denies, Plaintiff is entitled to a setoff of the sums owed by Borrowers to Plaintiff.

FOR A ELEVENTH DEFENSE

The Counterclaims are barred, in whole or in part, by the applicable statute(s) of limitations, including, without limitation, those based on alleged facts or circumstances occurring prior to or upon the making of the Loan and/or Borrowers' execution of the Loan Documents or otherwise based on alleged facts or circumstances occurring outside the applicable limitations period(s).

FOR A TWELFTH DEFENSE

Pursuant to certain provisions of the Loan Documents, including, without limitation, Section 14.1 of the Mortgage, Borrowers waived any right to assert some or all of the Counterclaims.

FOR A THIRTEENTH DEFENSE

To the extent the Counterclaims assert claims or seek relief inconsistent with the terms and provisions of the Loan Documents or seek to invalidate or challenge the enforceability of any terms thereof or as a result of Borrowers' actions or inaction, then the Counterclaims are barred under the express terms of the applicable Loan Documents and under the doctrines of accord and satisfaction, condonation, estoppel, laches, payment, waiver, acquiescence, ratification and/or release.

FOR A FOURTEENTH DEFENSE

If and to the extent that Borrowers assert a counterclaim against Plaintiff for slander of title, Plaintiff asserts the defense of truth.

FOR A FIFTEENTH DEFENSE

With respect to any special damages sought by Borrowers in the Answer or as to any Counterclaims for which special damages are an element (including, without limitation, any

counterclaim for civil conspiracy applicable to Plaintiff, if any), Borrowers have failed to specifically state or assert such special damages as required.

FOR A SIXTEENTH DEFENSE

Plaintiff hereby reserves its right to raise additional defenses during the progress of this case, including during and after the completion of discovery.

27. Pursuant to the Clearing Account Agreement and the Cash Management Agreement, during the term of the Loan, Borrowers are obligated to deposit, or cause to be deposited, all Rents and other revenue from the Property into the Clearing Account, as defined therein, being the same account as the Property Account, as defined in the Clearing Account Agreement.

28. A Cash Management Event occurs upon, among other events, (i) the date Piggly Wiggly ceases operations at the Property, vacates the Property or otherwise "goes dark," or terminates its lease, or (ii) an Event of Default.

29. Further pursuant to the Cash Management Agreement, upon the occurrence of a Cash Management Event, Borrowers are obligated to, among other things, establish a Cash Management Account and deposit or cause to be deposited therein all sums on deposit in the Clearing Account and all other sums required to be deposited in the Cash Management Account, and submit to Plaintiff an annual budget within thirty days of receiving notice that a Cash Management Event has occurred.

30. Pursuant to the applicable provisions of the Mortgage and the Cash Management Agreement, upon and after a Cash Management Event all Excess Cash Flow is to be disbursed

from the Cash Management Account to Plaintiff to be held in and/or disbursed from the Excess Cash Flow Reserve Fund, subject to the applicable provisions of the Mortgage and the Cash Management Agreement.

31. Pursuant to the Reserve Agreement, Borrowers are obligated, inter alia, to make the Monthly Deposit, as defined therein, upon notice from Plaintiff during the existence of an Event of Default.

32. Borrowers are obligated to deliver certain records to Plaintiff as set forth in Section 3.11 of the Mortgage (collectively, "Required Documentation"), including, without limitation, monthly rent rolls and operating statements and annual financial statements and, upon Plaintiff's request, a property management report for the Property, an accounting of all tenant security deposits, an annual operating budget, and such other additional information as may be reasonably required by Plaintiff.

A true and correct copy of the 12/19/14 Notice is attached hereto as Exhibit L and incorporated herein by reference.

40. Borrowers failed to make the Monthly Deposit on or within five days of the Monthly Payment Date in January 2015 and each Monthly Payment Date thereafter, resulting in Events of Default.

By letter to Borrowers dated February 24, 2016 (the "2/24/16 Demand"), Plaintiff, through counsel, reminded Borrowers of the existence of Events of Default, declared the entire unpaid Debt immediately due and demanded payment thereof, and requested delivery of certain Required Documentation specified therein. A true and correct copy of the 2/24/16 Demand is attached hereto as Exhibit M and incorporated herein by reference.

42. By letter to counsel for Borrowers dated July 27, 2016 (the "7/27/16 Demand"), Plaintiff, through counsel, again requested delivery of the Required Documentation specified in the 2/24/16 Demand and further requested delivery of additional Required Documentation specified therein. A true and correct copy of the 10/11/16 Demand is attached hereto as Exhibit O and incorporated herein

by reference.

44. Borrowers have failed to provide the Required Documentation requested or pay the entire unpaid Debt, thereby resulting in additional Events of Default (together with all other above-referenced Events of Default, collectively the "Defaults" and each a "Default").

45. Pursuant to the Note and, as applicable, the Mortgage, Borrowers are obligated to pay to Plaintiff or indemnify Plaintiff for, among other amounts, (A) a late charge equal to five percent (5.0%) of each amount not paid within five days of the date same is due ("Late Charge"), (B) a prepayment charge, following any Default and calculated pursuant to the terms of the Note, upon Borrowers tendering payment of the Debt prior to a foreclosure sale (the "Prepayment Charge"), and (C) upon or by virtue of any Default: (1) interest on the Debt at the Default Rate, being the Applicable Interest Rate plus five percent (5.0%) per annum (accrued and unpaid interest at the differential 5.0% per annum rate, herein "Default Interest"), and (2) certain costs and expenses (including, without limitation, attorneys' fees and costs) incurred, paid or advanced by Plaintiff (collectively "Costs and Expenses") in connection with, *inter alia*, (i) collecting the Debt, (ii) protecting or foreclosing Plaintiff's interest in the Property, (iii) enforcing Plaintiff's rights under the Mortgage and other Loan Documents, (iv) appraising the Property, and (v) administration costs upon transfer of the Loan to a special servicer. Late Charges, the Prepayment Charge, Default Interest and Costs and Expenses comprise a portion of the Debt.

46. Plaintiff is entitled to a declaration that the Mortgage and the Financing Statement constitute a perfected lien and perfected security interests against and in the Property, senior in priority to any other person, party or entity (including, without limitation, any Defendant). By virtue of any Default, Plaintiff is entitled to foreclosure of such lien and security interests and a

sale of the Property pursuant to the Mortgage and South Carolina law, with the proceeds of such sale to be applied toward the Debt.

47. Further, pursuant to the Mortgage and the ALR, and by virtue of any Default, Plaintiff is entitled to, among other remedies set forth in the Loan Documents, the appointment of a receiver to manage and operate the Property and to collect and hold the Rents and any other income or amounts collected in connection with the Property, pending further Order of the Court.

48. Pursuant to the applicable provisions of the Note and the Mortgage, as a result of one or more events or circumstances described herein or to be proven at trial, the Debt is fully recourse to Borrowers.

SECOND CAUSE OF ACTION

Guaranty Liability

49. The foregoing allegations are hereby realleged as if set forth herein verbatim.

50. Pursuant to Section 1 of the Guaranty, Defendants jointly and severally agreed, at their sole cost and expense, inter alia, to protect, defend, indemnify, release and hold Plaintiff harmless from and against any and all Losses (as defined therein) imposed upon, incurred by or asserted against Plaintiff (including, without limitation, attorneys' fees and costs), directly or indirectly arising out of or in any way relating to the events or circumstances described in clauses (i) through (ix) thereof.

51. Upon information and belief, Borrowers have (i) misapplied or converted Rents following one or more Defaults, and (ii) engaged in willful misconduct or been grossly negligent by virtue of one or more acts, failures or omissions described herein or otherwise to be proven at trial, including, without limitation, in refusing or failing to establish a Cash Management Account, deposit or cause to be deposited all amounts required to be deposited therein, otherwise comply with their respective obligations under the Cash Management Agreement, and in

refusing or failing to provide Required Documentation as required under the Mortgage and as requested by Plaintiff.

52. Upon information and belief, the Borrowers have asserted a counterclaim in this civil action alleging that they did not agree to certain provisions of the Loan Documents. However, the Borrowers made certain representations in connection with their execution of the Loan Documents. In the event the Borrowers maintain the position that they did not agree with certain provisions of the Loan Documents then such constitutes fraud or misrepresentation by Borrowers in connection therewith and creates liability of the Defendants.

53. As a result, Plaintiff has incurred and will likely continue to incur Losses and Plaintiff is entitled to judgment against Defendants in the full amount thereof, together with attorneys' fees and costs.

54. Pursuant to the 10/11/16 Demand, Plaintiff, through counsel, demanded that Defendants pay Losses incurred but Defendants have failed to do so. Plaintiff again demands payment of all Losses incurred.

55. Plaintiff is entitled to judgment against Defendants in the amount of all Losses, any interest accrued or to accrue thereon pursuant to the Loan Documents, and specifically all other amounts owed under the Guaranty, including but without limitation its attorneys' fees and costs incurred in this civil action.

WHEREFORE, Plaintiff prays to this Honorable Court as follows:

A. that the Debt due to Plaintiff under the Note, the Mortgage and all other Loan Documents, including, without limitation, the entire unpaid principal balance of the Note, Regular Interest, Default Interest, Costs and Expenses, and any Prepayment Charge, if applicable, be ascertained and determined under the direction of the Court;

B. that the Mortgage and the Financing Statement be declared a perfected mortgage lien and perfected first priority security interests in and against the Property, senior in priority to any other person or party, including, without limitation, any Borrower, and that Plaintiff have a judgment of foreclosure for the amount of the Debt;

C. that the Property be sold pursuant to an Order of this Court, the equity of redemption barred, and the proceeds of sale applied as follows:

- 1) first, to Costs and Expenses incurred in connection with this action;
- 2) second, to the payment and discharge of the Debt due to Plaintiff; and
- 3) third, that any surplus of said sale be distributed according to law.

D. that each Borrower and all persons whomsoever claiming an interest by or through any Borrower be forever barred of all right, title and interest in and to the Property, and each and every part thereof;

E. for the immediate appointment of a receiver to take possession of the Property in accordance with the provisions of the Mortgage and the ALR, and to collect, hold and disburse all Rents and other income or revenue of or from the Property pursuant to an Order of this Court;

F. that such receiver be authorized, upon request of Plaintiff, to list or otherwise advertise for sale and to solicit offers to purchase the Property, and to sell the Property, on such terms as are acceptable to and approved by Plaintiff in writing prior to such sale, by way of public or private sale or other disposition free and clear of all security interests, liens, claims and other interests with all valid security interests and liens to attach to the proceeds of such sale(s);

G. in the event that Borrowers are not the successful purchaser at said foreclosure sale or receiver sale, for an Order directing and empowering the Sheriff of Richland County, South Carolina to remove from the Property any and all of Borrowers, any of their agents,

representatives, members, managers, property managers and affiliates, and any individuals or entities claiming an interest in the Property by, through or under any Borrower, and to place the successful purchaser at said foreclosure sale or receiver sale in possession of the Property, should the same become necessary;

H. for entry of a deficiency judgment against Borrowers, jointly and severally, for any and all amounts for which this Court determines Borrowers to be personally liable under the Note, the Mortgage, the ALR and the Guaranty;

I. for entry of a judgment against Defendants, jointly and severally, for any and all amounts for which this Court determines Defendants to be personally liable under the Guaranty;

J. for such other and further relief as this Court deems just and proper.

PROMISSORY NOTE

\$4,500,000.00

New York, New York
March 1, 2007

FOR VALUE RECEIVED, AW-MAGPIG, LLC, HW-MAGPIG, LLC, and MW-MAGPIG, LLC, each a Delaware limited liability company, as maker, each having its principal place of business at 11 East Hawthorne Avenue, Valley Stream, New York 11580 (collectively, "Borrower"), hereby unconditionally promises, on a joint and several basis, to pay to the order of **BEAR STEARNS COMMERCIAL MORTGAGE, INC.**, a New York corporation, as payee, having an address at 383 Madison Avenue, New York, New York 10179 ("Lender"), or at such other place as the holder hereof may from time to time designate in writing, the principal sum of **FOUR MILLION FIVE HUNDRED THOUSAND AND 00/100 DOLLARS (\$4,500,000.00)**, in lawful money of the United States of America with interest thereon to be computed from the date of this Note at the Applicable Interest Rate (defined below), and to be paid in installments as follows:

ARTICLE 1 - PAYMENT TERMS

(a) Unless this Note is dated the first day of a month, a payment on the date hereof on account of all interest that will accrue on the principal amount of this Note from and after the date hereof through and including the last day of the present month (the "Month-End Date");

(b) A constant payment of \$25,308.23 (the "Monthly Payment") on the first day of April 1, 2007 and on the first day of each calendar month thereafter up to and including the first day of February 1, 2017 (each such date to be hereinafter referred to as a "Monthly Payment Date");

each Monthly Payment to be applied as follows:

- (i) first, to the payment of interest which has accrued during the preceding calendar month computed at the Applicable Interest Rate; and
- (ii) the balance toward the reduction of the principal sum;

and the balance of the principal sum and all interest thereon shall be due and payable on the first day of March 1, 2017 (the "Maturity Date"). Interest on the principal sum of this Note shall be calculated by multiplying the actual number of days elapsed in the period for which interest is being calculated by a daily rate based on said 360-day year.

ARTICLE 2 - INTEREST

The term "Applicable Interest Rate" as used in the Security Instrument (defined below) and this Note shall mean an interest rate equal to Five and Four hundred Fourteen thousandths percent (5.4140%) per annum.

ARTICLE 3 - DEFAULT AND ACCELERATION

(a) The whole of the principal sum of this Note, (b) interest, default interest, late charges and other sums, as provided in this Note, the Security Instrument or the Other Security Documents (defined below), (c) all other monies agreed or provided to be paid by Borrower in this Note, the Security Instrument or the Other Security Documents, (d) all sums advanced pursuant to the Security Instrument to protect and preserve the Property (defined below) and the lien and the security interest created thereby, and (e) all sums advanced and costs and expenses incurred by Lender in connection with the Debt (defined below) or any part thereof, any renewal, extension, or change of or substitution for the Debt or any part thereof, or the acquisition or perfection of the security therefor, whether made or incurred at the request of Borrower or Lender (all the sums referred to in (a) through (e) above shall collectively be referred to as the "Debt") shall without notice become immediately due and payable at the option of Lender if any payment required in this Note is not paid within five (5) days of the date the same is due or on the Maturity Date or on the happening of any other default, after the expiration of any applicable notice and grace periods, herein or under the terms of the Security Instrument or any of the Other Security Documents (collectively, an "Event of Default").

ARTICLE 4 - DEFAULT INTEREST

Borrower does hereby agree that upon the occurrence of an Event of Default, Lender shall be entitled to receive and Borrower shall pay interest on the entire unpaid principal sum at a rate equal to the lesser of (a) five percent (5%) plus the Applicable Interest Rate and (b) the maximum interest rate which Borrower may by law pay (the "Default Rate"). The Default Rate shall be computed from the occurrence of the Event of Default until the earlier of the date upon which the Event of Default is cured or the date upon which the Debt is paid in full. Interest calculated at the Default Rate shall be added to the Debt, and shall be deemed secured by the Security Instrument. This clause, however, shall not be construed as an agreement or privilege to extend the date of the payment of the Debt, nor as a waiver of any other right or remedy accruing to Lender by reason of the occurrence of any Event of Default.

ARTICLE 5 - PREPAYMENT; DEFEASANCE

Borrower shall not have the right or privilege to prepay all or any portion of the unpaid principal balance of this Note.

After the date that is the earlier of (a) two years following the effective Startup Date (as such term is defined in Section 860(G)(a)(9) of the Internal Revenue Code of 1986, as amended) of the issuance of Securities (as defined in Article 12 herein) or (b) the third anniversary of the Month-End Date, Borrower may obtain a release of the Property (as hereinafter defined) from the lien of the Security Instrument and the Other Security Documents provided that the following conditions have been satisfied:

(i) Borrower shall have provided not less than 30 and not more than 60 days prior written notice (the "Defeasance Notice") to Lender specifying the scheduled date on

which the Defeasance Collateral (as hereinafter defined) is to be delivered in the manner hereinafter provided (the "Release Date");

(ii) No Event of Default shall have occurred;

(iii) Borrower shall have delivered to Lender on or before the Release Date:

(a) direct, non-callable obligations of the United States of America that provide for payments prior, but as close as possible, to all successive Monthly Payment Dates occurring after the Release Date and the Maturity Date, with each such payment being equal to or greater than the amount of the corresponding Monthly Payment required to be paid under this Note for the balance of the term hereof and the amount required to be paid on the Maturity Date (the "Defeasance Collateral"), each of which shall be duly endorsed by the holder thereof as directed by Lender or accompanied by a written instrument of transfer in form and substance wholly satisfactory to Lender (including, without limitation, such instrument as may be required by the depository institution holding such securities or the issuer thereof, as the case may be, to effectuate book-entry transfers and pledges through the book-entry facilities of such institution) in order to perfect upon the delivery of the Defeasance Security Agreement (as hereinafter defined) the first priority security interest therein in favor of the Lender in conformity with all applicable state and federal laws governing the granting of such security interests. The Defeasance Collateral may be purchased by Lender on Borrower's behalf, in which case Borrower shall deposit with Lender on the Release Date a sum sufficient to purchase the Defeasance Collateral.

(b) a pledge and security agreement, in form and substance satisfactory to Lender in its sole discretion, creating a first priority security interest in favor of Lender in the Defeasance Collateral (the "Defeasance Security Agreement"), which shall provide, among other things, that any excess received by Lender from the Defeasance Collateral over the amount payable by Borrower hereunder shall be refunded to Borrower promptly following each Monthly Payment Date and the Maturity Date;

(c) a certificate by an independent certified public accountant acceptable to Lender certifying that all of the requirements set forth in paragraphs (a) and (b) above have been fully satisfied;

(d) an opinion in form and from a counsel reasonably acceptable to Lender in all respects that Lender has received a perfected first priority security interest in the Defeasance Collateral and that the substitution of the Defeasance Collateral for the Property will not adversely affect the status of the holder of this Note as a REMIC under the Code; and

(e) such other certificates, documents or instruments as Lender may reasonably require;

(iv) all accrued and unpaid interest and all other sums due under this Note, the Security Instrument and other Security Documents up to the Release Date, including, without limitation, all costs and expenses incurred by Lender or its agents pursuant to this

Article 5 in connection with such release (including, without limitation, the review of the proposed Defeasance Collateral and the preparation or review of the Defeasance Security Agreement and the related documentation and opinions, and the cost of obtaining the written confirmation of the rating agencies), shall have been fully paid on or before the Release Date; and

(v) Lender shall have received written confirmation from the rating agencies that have rated the Securities (as defined in the Security Instrument) that such substitution of Defeasance Collateral will not result in a downgrade, withdrawal or qualification of the ratings then assigned to any of the Securities.

Upon compliance with the foregoing requirements relating to the delivery of the Defeasance Collateral, the Property shall be released from the lien of the Security Instrument and the Other Security Documents and the Defeasance Collateral shall constitute collateral which shall secure this Note and the Debt. Lender will, at Borrower's expense, execute and deliver any agreements reasonably requested by Borrower to release the lien of the Security Instrument from the Property.

In addition to the foregoing, Lender shall have the right in connection with the Borrower's exercise of its rights under this Article 5 to require an entity designated by Lender to acquire the Defeasance Collateral and to assume that portion of the obligations of Borrower which is secured by such Defeasance Collateral, in which event Borrower shall thereafter be released from such obligations.

Following an Event of Default and acceleration of this Note, if Borrower or anyone on Borrower's behalf makes a tender of payment of the amount necessary to satisfy the indebtedness evidenced by this Note and secured by the Security Instrument at any time prior to foreclosure sale (including, but not limited to, sale under power of sale under the Security Instrument), or during any redemption period after foreclosure, the tender of payment shall constitute an evasion of the prepayment prohibition contained in this Article 5 and shall, therefore, to the maximum extent permitted by law, include an amount equal to the greater of (i) three percent (3%) of the then principal amount of this Note and (ii) an amount equal to the excess of (A) the sum of the present values of a series of payments payable at the times and in the amounts equal to the payments of principal and interest (including, but not limited to the principal and interest payable on the Maturity Date) which would have been scheduled to be payable after the date of such tender under this Note had this Note not been accelerated, with each such payment discounted to its present value at the date of such tender at the rate which when compounded monthly is equivalent to the Prepayment Rate (as hereinafter defined), over (B) the then principal amount of this Note.

The term "Prepayment Rate" means the bond equivalent yield (in the secondary market) on the United States Treasury Security that as of the Prepayment Rate Determination Date (hereinafter defined) has a remaining term to maturity closest to, but not exceeding, the remaining term to the Maturity Date, as most recently published in the "Treasury Bonds, Notes and Bills" section in The Wall Street Journal as of the date of the related tender of payment. If more than one issue of United States Treasury Securities has the remaining term to the Maturity

Date referred to above, the "Prepayment Rate" shall be the yield on the United States Treasury Security most recently issued as of such date. The term "Prepayment Rate Determination Date" shall mean the date which is five (5) Business Days prior to the prepayment date. The rate so published shall control absent manifest error. As used herein, "Business Day" shall mean any day other than Saturday, Sunday or any other day on which banks are required or authorized to close in New York, New York.

If the publication of the Prepayment Rate in The Wall Street Journal is discontinued, Lender shall determine the Prepayment Rate on the basis of "Statistical Release H.15 (519), Selected Interest Rates," or any successor publication, published by the Board of Governors of the Federal Reserve System, or on the basis of such other publication or statistical guide as Lender may reasonably select.

ARTICLE 6 - SECURITY

This Note is secured by the Security Instrument and the Other Security Documents. The term "Security Instrument" means the Mortgage, Fixture Filing and Security Agreement dated the date hereof in the principal sum of FOUR MILLION FIVE HUNDRED THOUSAND AND 00/100 DOLLARS (\$4,500,000.00) given by Borrower to (or for the benefit of) Mortgage Electronic Registration Systems, Inc., a Delaware stock corporation, as Lender's nominee ("MERS"), having an address at 1595 Spring Hill Road, Suite 310, Vienna, Virginia 22182, as security for the Debt (hereinafter defined) and other obligations covering the fee simple estate of Borrower in certain premises located in Richland County, State of South Carolina, and other property, as more particularly described therein (collectively, the "Property") and intended to be duly recorded in said County. The term "Other Security Documents" as used in this Note shall mean all and any of the documents other than this Note or the Security Instrument now or hereafter executed by Borrower and/or others and by or in favor of Lender or MERS, which wholly or partially secure or guarantee payment of this Note. All of the terms, covenants and conditions contained in the Security Instrument and the Other Security Documents are hereby made part of this Note to the same extent and with the same force as if they were fully set forth herein. All capitalized terms not defined herein shall have the meanings ascribed to them in the Security Instrument and the Other Security Documents.

ARTICLE 7 - SAVINGS CLAUSE

This Note is subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance due hereunder at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the maximum interest rate which Borrower is permitted by applicable law to contract or agree to pay. If by the terms of this Note, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of such maximum rate, the Applicable Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to such maximum rate and all previous payments in excess of the maximum rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the Debt, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the

full stated term of the Note until payment in full so that the rate or amount of interest on account of the Debt does not exceed the maximum lawful rate of interest from time to time in effect and applicable to the Debt for so long as the Debt is outstanding.

ARTICLE 8 - LATE CHARGE

If any sum payable under this Note is not paid prior to the fifth (5th) day after the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of five percent (5%) of the unpaid sum or the maximum amount permitted by applicable law to defray the expenses incurred by Lender in handling and processing the delinquent payment and to compensate Lender for the loss of the use of the delinquent payment and the amount shall be secured by the Security Instrument and the Other Security Documents.

ARTICLE 9 - NO ORAL CHANGE

This Note may not be modified, amended, waived, extended, changed, discharged or terminated orally or by any act or failure to act on the part of Borrower or Lender, but only by an agreement in writing signed by the party against whom enforcement of any modification, amendment, waiver, extension, change, discharge or termination is sought.

ARTICLE 10 - JOINT AND SEVERAL LIABILITY

The obligations and liabilities of each person or party comprising Borrower shall be joint and several.

ARTICLE 11 - WAIVERS

Borrower and all others who may become liable for the payment of all or any part of the Debt do hereby severally waive presentment and demand for payment, notice of dishonor, protest and notice of protest and non-payment and all other notices of any kind. No release of any security for the Debt or extension of time for payment of this Note or any installment hereof, and no alteration, amendment or waiver of any provision of this Note, the Security Instrument or the Other Security Documents made by agreement between Lender or any other person or party shall release, modify, amend, waive, extend, change, discharge, terminate or affect the liability of Borrower, and any other person or entity who may become liable for the payment of all or any part of the Debt, under this Note, the Security Instrument or the Other Security Documents. No notice to or demand on Borrower shall be deemed to be a waiver of the obligation of Borrower or of the right of Lender to take further action without further notice or demand as provided for in this Note, the Security Instrument or the Other Security Documents. If Borrower is a partnership, the agreements herein contained shall remain in force and applicable, notwithstanding any changes in the individuals comprising the partnership. If Borrower is a corporation, the agreements contained herein shall remain in full force and applicable notwithstanding any changes in the shareholders comprising, or the officers and directors relating to, the corporation. If Borrower is a limited liability company, the agreements contained herein shall remain in full force and applicable notwithstanding any changes in the members comprising, or the managers, officers or agents relating to, the limited liability company. The term "Borrower", as used herein,

shall include any alternate or successor partnership, corporation, limited liability company or other entity or person to the Borrower named herein, but any predecessor partnership (and their partners), corporation, limited liability company, other entity or person shall not thereby be released from any liability. Nothing in this Article 11 shall be construed as a consent to, or a waiver of, any prohibition or restriction on transfers of interests in such partnership, corporation, or limited liability company which may be set forth in the Security Instrument or any Other Security Document.

ARTICLE 12 - TRANSFER

Lender may, at any time, sell, transfer or assign this Note, the Security Instrument and the Other Security Documents, and any or all servicing rights with respect thereto, or grant participations therein or issue mortgage passthrough certificates or other securities evidencing a beneficial interest in a rated or unrated public offering or private placement (the "Securities"). Lender may forward to each purchaser, transferee, assignee, servicer, participant, investor in such Securities or any Rating Agency rating such Securities (collectively, the "Investor") and each prospective Investor, all documents and information which Lender now has or may hereafter acquire relating to the Debt and to Borrower, any guarantor and the Property, whether furnished by Borrower, any guarantor or otherwise, as Lender determines necessary or desirable. Borrower and any guarantor agree to cooperate with Lender in connection with any transfer made or any Securities created pursuant to the Security Instrument, including, without limitation, the delivery of an estoppel certificate in accordance therewith, and such other documents as may be reasonably requested by Lender. Borrower shall also furnish and Borrower and any guarantor consent to Lender furnishing to such Investors or such prospective Investors any and all information concerning the Property, the Leases, the financial condition of Borrower and any guarantor as may be requested by Lender, any Investor or any prospective Investor in connection with any sale, transfer or participation interest. Lender may retain or assign responsibility for servicing the Loan, including this Note, the Security Instrument, and the Other Security Documents, or may delegate some or all of such responsibility and/or obligations to a servicer including, but not limited to, any subservicer or master servicer. Lender may make such assignment or delegation on behalf of the Investors if this Note is sold or the Security Instrument or the Other Security Documents are assigned. All references to Lender herein shall refer to and include any such servicer to the extent applicable.

ARTICLE 13 - WAIVER OF TRIAL BY JURY

BORROWER HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER IN CONTRACT, TORT OR OTHERWISE, RELATING DIRECTLY OR INDIRECTLY TO THE LOAN EVIDENCED BY THIS NOTE, THE APPLICATION FOR THE LOAN EVIDENCED BY THIS NOTE, THIS NOTE, THE SECURITY INSTRUMENT OR THE OTHER SECURITY DOCUMENTS OR ANY ACTS OR OMISSIONS OF LENDER, ITS OFFICERS, EMPLOYEES, DIRECTORS OR AGENTS IN CONNECTION THEREWITH.

ARTICLE 14 - EXCULPATION

Except as otherwise provided herein, in the Security Instrument or in the Other Security Documents, Lender shall not enforce the liability and obligation of Borrower, to perform and observe the obligations contained in this Note, the Security Instrument or the Other Security Documents by any action or proceeding wherein a money judgment shall be sought against Borrower or any partner or member of Borrower, except that Lender may bring a foreclosure action, an action for specific performance or any other appropriate action or proceeding to enable Lender to enforce and realize upon this Note, the Security Instrument, the Other Security Documents, and the interests in the Property; and any other collateral given to Lender pursuant to the Security Instrument and the Other Security Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall be enforceable against Borrower or any partner or member of Borrower only to the extent of Borrower's interest in the Property and in any other collateral given to Lender, and Lender, by accepting this Note, the Security Instrument and the Other Security Documents, agrees that it shall not sue for, seek or demand any deficiency judgment against Borrower or any partner or member of Borrower, in any such action or proceeding, under or by reason of or in connection with this Note, the Security Instrument or the Other Security Documents. The provisions of this paragraph shall not, however, (i) constitute a waiver, release or impairment of any obligation evidenced or secured by the Security Instrument or the Other Security Documents; (ii) impair the right of Lender to name Borrower as a party defendant in any action or suit for foreclosure and sale under the Security Instrument; (iii) affect the validity or enforceability of any guaranty made in connection with this Note, the Security Instrument or the Other Security Documents; (iv) impair the right of Lender to obtain the appointment of a receiver; (v) impair the enforcement of any assignment; or (vi) constitute a waiver of the right of Lender to enforce the liability and obligation of Borrower or any partner or general partner of Borrower, by money judgment or otherwise, to the extent of any loss, damage, cost, expense, liability, claim or other obligation incurred by Lender (including attorneys' fees and costs reasonably and actually incurred) arising out of or in connection with the following:

- (a) fraud or misrepresentation by Borrower in connection with this Note, the Security Instrument or the Other Security Documents;
- (b) the gross negligence or willful misconduct of Borrower;
- (c) material physical waste of the Property;
- (d) the breach of provisions in this Note, the Security Instrument or the Other Security Documents concerning Environmental Laws and Hazardous Substances and any indemnification of Lender with respect thereto in any document;
- (e) the removal or disposal of any portion of the Property after an Event of Default under this Note, the Security Instrument or the Other Security Documents;
- (f) the misapplication or conversion by Borrower of (i) any insurance proceeds paid by reason of any loss, damage or destruction to the Property, (ii) any awards or other amounts received in connection with the condemnation of all or a portion of the Property, or (iii) any

Rents following default under this Note, the Security Instrument or the Other Security Documents;

(g) failure to pay Taxes (provided that the liability of Borrower shall be only for amounts in excess of the amount held by Lender in escrow for the payment of Taxes), assessments, charges for labor or materials or other charges that can create liens on any portion of the Property; and

(h) any security deposits collected with respect to the Property which are not delivered to Lender upon a foreclosure of the Property or action in lieu thereof, except to the extent any such security deposits were applied in accordance with the terms and conditions of any of the Leases prior to the occurrence of the Event of Default that gave rise to such foreclosure or action in lieu thereof.

Notwithstanding anything to the contrary in this Note, the Security Instrument or the Other Security Documents (i) the Debt shall be fully recourse to Borrower; and (ii) Lender shall not be deemed to have waived any right which Lender may have under Section 506(a), 506(b), 1111(b) or any other provisions of the U.S. Bankruptcy Code to file a claim for the full amount of the Debt or to require that all collateral shall continue to secure all of the Debt owing to Lender in accordance with this Note, the Security Instrument or the Other Security Documents, in the event that: (A) the first full Monthly Payment is not paid when due; (B) Borrower fails to permit on-site inspections of the Property, fails to provide financial information, or fails to comply with the terms of Section 4.3 of the Security Instrument; (C) Borrower fails to obtain Lender's prior written consent to any subordinate financing or other voluntary lien encumbering the Property; (D) Borrower fails to obtain Lender's prior written consent to any assignment, transfer, or conveyance of the Property or any interest therein as required by the Security Instrument.

ARTICLE 15 - AUTHORITY

Borrower (and the undersigned representative of Borrower, if any) represents that Borrower has full power, authority and legal right to execute and deliver this Note, the Security Instrument and the Other Security Documents and that this Note, the Security Instrument and the Other Security Documents constitute valid and binding obligations of Borrower.

ARTICLE 16 - APPLICABLE LAW

This Note shall be deemed to be a contract entered into pursuant to the laws of the State of New York and shall in all respects be governed, construed, applied and enforced in accordance with the laws of the State of New York.

ARTICLE 17 - SERVICE OF PROCESS

(a) Borrower will maintain a place of business or an agent for service of process in the State of South Carolina and give prompt notice to Lender of the address of such place of business and of the name and address of any new agent appointed by it, as appropriate. Borrower further agrees that the failure of its agent for service of process to give it notice of any service of

process will not impair or affect the validity of such service or of any judgment based thereon. If, despite the foregoing, there is for any reason no agent for service of process of Borrower available to be served, and if it at that time has no place of business in the State of South Carolina then Borrower irrevocably consents to service of process by registered or certified mail, postage prepaid, to it at its address given in or pursuant to the first paragraph hereof.

Borrower initially and irrevocably designates William P. McElveen, Jr., with offices on the date hereof at Ellis, Lawhorne & Sims, P.A., 1501 Main Street, 5th Floor, Columbia, South Carolina 29201, to receive for and on behalf of Borrower service of process in the State of South Carolina with respect to this Note.

ARTICLE 18 - COUNSEL FEES

In the event that it should become necessary to employ counsel to collect the Debt or to protect or foreclose the security therefor, Borrower also agrees to pay all reasonable fees and expenses of Lender, including, without limitation, reasonable attorney's fees for the services of such counsel whether or not suit be brought.

ARTICLE 19 - NOTICES

The information contained in this Section 1.3 is provided in order that this Security Instrument shall comply with the requirements of the Uniform Commercial Code for security deeds to be effective as financing statements filed as a fixture filing. The name of the "Debtor" is the name of Borrower as set forth in the introductory paragraph of this Security Instrument; and the name of the "Secured Party" is the name of Lender as set forth in the introductory paragraph of this

Security Instrument: the mailing address of the "Secured Party" from which information concerning the security interest may be obtained and the mailing address of the "Debtor" are as set forth in the preamble to this Security Instrument. CONDITIONS TO GRANT

TO HAVE AND TO HOLD the Property unto Mortgagee, its successors and assigns, forever, subject, however, to the Permitted Exceptions (defined below); PROVIDED, HOWEVER, these presents are upon the express condition that, if Borrower shall well and truly pay to Lender the Debt and other obligations at the time and in the manner provided in the Note, this Security Instrument or the other Security Documents, shall well and truly perform the Other Obligations as set forth in this Security Instrument and shall well and truly abide by and comply with each and ever covenant and condition set forth herein and in the Note, this Security Instrument and the Other Security Documents, these presents and the estate hereby granted shall cease, terminate and be void; provided, however, that Borrower's obligation to indemnify and hold harmless Lender pursuant to the provisions hereof shall survive any such payment or release. And Borrower does hereby bind Borrower, Borrower's successors and assigns to warrant and forever defend the said premises unto the said Mortgagee, its substitutes or successors and assigns forever, against the claim, or claims, of all persons claiming or to claim the same or any part thereof..

ARTICLE 2 - PAYMENTS

Section 2.1 DEBT AND OBLIGATIONS SECURED. This Security Instrument and the grants, assignments and transfers made in Article 1 are given for the purpose of securing the following, in such order of priority as Lender may determine in its sole discretion (the "Debt"): (a) the payment of the indebtedness evidenced by the Note in lawful money of the United States of America; (b) the payment of interest, prepayment premiums, default interest, late charges and other sums, as provided in the Note, this Security Instrument or the Other Security Documents (defined below); (c) the payment of all other moneys agreed or provided to be paid by Borrower in the Note, this Security Instrument or the

Other Security Documents; (d) the payment of all sums advanced pursuant to this Security Instrument to protect and preserve the Property and the lien and the security interest created hereby; and (e) to secure in accordance with Section 29-3-50, Code of Laws of South Carolina (1976), as amended, all future advances and re-advances that may subsequently be made to Borrower by Lender, evidenced by the aforesaid Note or other instruments, and all modifications, renewals and extensions thereof (provided, however, that nothing contained herein shall create an obligation on the part of the Lender to make future advances or re-advances to Borrower), plus interest thereon, and all charges and expenses of collection incurred by Lender or Mortgagee, including court costs and attorney's fees. This Security Instrument and the grants, assignments and transfers made in Article 1 are also given for the purpose of securing the performance of all other obligations of Borrower contained herein and the performance of each obligation of Borrower contained in any renewal, extension, amendment, modification, consolidation, change of, or substitution or replacement for, all or any part of this Security Instrument, the Note or the Other Security Documents (collectively, the "Other Obligations"). Borrower's obligations for the payment of the Debt and the performance of the Other Obligations shall be referred to collectively below as the "Obligations."

Section 2.2 PAYMENTS. Unless payments are made in the required amount in immediately available funds at the place where the Note is payable, remittances in payment of all or any part of the Debt shall not, regardless of any receipt or credit issued therefor, constitute payment until the required amount is actually received by Lender in funds immediately available at the place where the Note is payable (or any other place as Lender, in Lender's sole discretion, may have established by delivery of written notice thereof to Borrower) and shall be made and accepted subject to the condition that any check or draft may be handled for collection in accordance with the practice of the collecting bank or banks. Acceptance by Lender of any payment in an amount less than the amount then due shall be deemed an acceptance on account only, and the failure to pay the entire amount then due shall be and continue to be an Event of Default (defined below).

All the covenants, conditions and agreements contained in (a) the Note and (b) all and any of the documents other than the Note or this Security Instrument now or hereafter executed by Borrower and/or others and by or in favor of Lender, which wholly or partially secure or guaranty payment of the Note (the "Other Security Documents"), are hereby made a part of this Security Instrument to the same extent and with the same force as if fully set forth herein.

Section 3.3 INSURANCE.

(a) Borrower, at its sole cost and expense, for the mutual benefit of Borrower and Lender, shall obtain and maintain, or cause to be maintained, during the entire term of this Security Instrument policies of insurance for Borrower and the Property providing at least the following coverages:

(i) comprehensive all risk insurance ("Special Form") including, but not limited to, loss caused by any type of windstorm or hail on the Improvements and the Personal Property, (A) in an amount equal to one hundred percent (100%) of the "Full Replacement Cost," which for purposes of this Agreement shall mean actual replacement value (exclusive of costs of excavations, foundations, underground utilities and footings) with a waiver of depreciation, but the amount shall in no event be less than the outstanding principal balance of the Note; (B) containing an agreed amount endorsement with respect to the Improvements and Personal Property waiving all co-insurance provisions or to be written on a no co-insurance form; (C) providing for no deductible in excess of Ten Thousand and No/100 Dollars (\$10,000.00) for all such insurance coverage and (D) if any of the Improvements or the use of the Property shall at any time constitute legal non-conforming structures or uses, coverage for loss due to operation of law in an amount equal to the Full Replacement Cost, coverage for demolition costs and coverage for increased costs of construction. In addition, Borrower shall obtain: (x) if any portion of the Improvements is currently or at any time in the future located in a federally designated "special flood hazard area", flood hazard insurance in an amount equal to the lesser of (1) the outstanding principal balance of the Note or (2) the maximum amount of such insurance available under the National Flood Insurance Act of 1968, the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, as each may be amended or such greater amount as Lender shall require; (y) [intentionally omitted]; and (z) earthquake insurance in amounts and in form and substance satisfactory to Lender in the event the Property is located in an area with a high degree of seismic activity;

(ii) business income insurance (A) with loss payable to Lender; (B) covering all risks required to be covered by the insurance provided for in subsection (i) above; and (C) in an annual aggregate amount equal to all rents or estimated gross revenues from the operation of the Properties (as reduced to reflect expenses not incurred during a period of Restoration) and covering rental losses or business interruption, as may be applicable, for a period of at least twelve (12) months, after the date of the casualty, and notwithstanding that the Policy may expire prior to the end of such period. The amount of such business income insurance shall be determined prior to the date hereof and at least once each year thereafter based on Borrower's reasonable estimate of the gross income from the Property for the succeeding twelve (12) month period. All proceeds payable to Lender pursuant to this subsection shall be held by Lender and shall be applied to the Obligations from time to time due and payable hereunder and under the Note; provided, however, that nothing herein contained shall be deemed to relieve Borrower of its obligations to pay the Obligations on the respective dates of payment provided for in the Note, this Security Instrument, and the Other Security Documents except to the extent such amounts are actually paid out of the proceeds of such business income insurance;

(iii) at all times during which structural construction, repairs or alterations are being made with respect to the Improvements, and only if the Property coverage form does not otherwise apply, (A) owner's contingent or protective liability insurance, otherwise known as Owner Contractor's Protective Liability, covering claims not covered by or under the terms or provisions of the commercial general liability insurance policy in (v) below; and (B) the insurance provided for in subsection (i) above written in a so-called builder's risk completed value form (1) on a non-reporting basis, (2) against all risks insured against pursuant to subsection (i) above, (3) including permission to occupy the Property, and (4) with an agreed

amount endorsement waiving co-insurance provisions;

(iv) comprehensive boiler and machinery insurance, if steam boilers or other pressure-fixed vessels are in operation, in amounts as shall be reasonably required by Lender on terms consistent with the commercial property insurance policy required under subsection (i) above;

(v) commercial general liability insurance against claims for personal injury, bodily injury, death or property damage occurring upon, in or about the Property, such insurance (A) to be on the so-called "occurrence" form with a combined limit of not less than Two Million and No/100 Dollars (\$2,000,000.00) in the aggregate and One Million and No/100 Dollars (\$1,000,000.00) per occurrence; (B) to continue at not less than the aforesaid limit until required to be changed by Lender in writing by reason of changed economic conditions making such protection inadequate; and (C) to cover at least the following hazards: (1) premises and operations; (2) products and completed operations on an "if any" basis; (3) independent contractors; (4) blanket contractual liability for all legal contracts and (5) contractual liability covering the indemnities contained in Article 13.1 to the extent the same is available;

(vi) automobile liability coverage for all owned and non-owned vehicles, including rented and leased vehicles containing minimum limits per occurrence of One Million and No/100 Dollars (\$1,000,000.00);

(vii) worker's compensation and employee's liability subject to the worker's compensation laws of the applicable state;

(viii) umbrella liability insurance in an amount not less than Three Million and No/100 Dollars (\$3,000,000.00) per occurrence on terms consistent with the commercial general liability insurance policy required under subsection (v) above, including, but not limited to, supplemental coverage for workers' compensation and automobile liability, which umbrella liability coverage shall apply in excess of the automobile liability coverage in clause (vi) above;

(ix) upon sixty (60) days' written notice, such other reasonable insurance such as sinkhole or land subsidence insurance, and in such reasonable amounts as Lender from time to time may reasonably request against such other insurable hazards which at the time are commonly insured against for property similar to the Property located in or around the region in which the Property is located; and

(x) Borrower shall use commercially reasonable efforts, consistent with those of prudent owners of commercial real estate to maintain insurance against damage resulting from acts of terrorism, or an insurance policy without a terrorism exclusion, on terms consistent with the commercial property insurance policy required under subsection (a) above and otherwise reasonably satisfactory to Lender; provided, however, if such terrorism insurance is obtainable from any insurer or the United States of America or any agency or instrumentality thereof and the lack of such insurance in and of itself will result in a downgrade by any rating agency issuing any statistical rating in any Secondary Market Transaction to the then current ratings assigned, or to be assigned, to the Securities (as hereinafter defined) or any class thereof, Borrower shall obtain

such insurance.

(b) All insurance provided for in Section 3.3(a) shall be obtained under valid and enforceable policies (collectively, the "Policies" or in the singular, the "Policy"), shall be satisfactory in form and substance to Lender and shall be subject to the approval of Lender as to insurance companies, amounts, deductibles, loss payees and insureds. The Policies (i) shall be issued by financially sound and responsible insurance companies approved by Lender and authorized or licensed to do business in the state where the Property is located, with a claims paying ability rating of "A" or better by Standard & Poor's Corporation or a rating of "A:VII" or better in the current Best's Insurance Reports; (ii) except for the Policy referenced in Section 3.3(a)(vii) shall name Borrower as the insured and Lender as an additional insured, as its interests may appear; (iii) in the case of property damage, boiler and machinery, flood and earthquake insurance, shall contain a so-called New York Non-Contributory Standard Mortgagee Clause and (other than those strictly limited to liability protection) a Lender's Loss Payable Endorsement (Form 438 BFU NS), or their equivalents, naming Lender as the person to which all payments made by such insurance company shall be paid; (iv) shall contain a waiver of subrogation against Lender; (v) shall be maintained throughout the term of this Security Instrument without cost to Lender; (vi) shall be assigned and the originals (or duplicate originals certified to be true and correct by the related insurer) delivered to Lender; and (vii) shall contain such provisions as Lender deems reasonably necessary or desirable to protect its interest including, without limitation, endorsements providing that neither Borrower, Lender nor any other party shall be a co-insurer under said Policies and that Lender shall receive at least thirty (30) days prior written notice of any modification, reduction or cancellation. Any blanket Policy shall specifically allocate to the Property the amount of coverage from time to time required hereunder and shall otherwise provide the same protection as would a separate Policy insuring only the Property in compliance with the provisions of Section 3.3(a). Borrower shall pay the premiums for such Policies (the "Insurance Premiums") as the same become due and payable and shall furnish to Lender evidence of the renewal of each of the new Policies with receipts for the payment of the Insurance Premiums or other evidence of such payment reasonably satisfactory to Lender (provided that such Insurance Premiums have not been paid to Lender or Lender's servicing agent pursuant to Section 3.5 hereof). If Borrower does not furnish such evidence and receipts at least thirty (30) days prior to the expiration of any apparently expiring Policy, then Lender may procure, but shall not be obligated to procure, such insurance and pay the Insurance Premiums therefor, and Borrower agrees to reimburse Lender for the cost of such Insurance Premiums promptly on demand. Within thirty (30) days after request by Lender, Borrower shall obtain such increases in the amounts of coverage required hereunder as may be reasonably requested by Lender, taking into consideration changes in the value of money over time, changes in liability laws, changes in prudent customs and practices, and the like.

(c) If the Property shall be damaged or destroyed, in whole or in part, by fire or other casualty, Borrower shall give prompt notice of such damage to Lender and shall promptly commence and diligently prosecute the completion of the repair and restoration of the Property as nearly as possible to the condition the Property was in immediately prior to such fire or other casualty, with such alterations as may be reasonably approved by Lender (the "Restoration") and otherwise in accordance with Section 4.4 of this Security Instrument. Borrower shall pay all costs of such Restoration whether or not such costs are covered by insurance. In case of loss covered by Policies, Lender may either (1) settle and adjust any claim without the consent of Borrower, or (2) allow Borrower to agree with the insurance company or companies on the amount to be paid upon the loss; provided, that (A) Borrower may adjust

losses aggregating not in excess of \$100,000 if such adjustment is carried out in a competent and timely manner and (B) if no Event of Default shall have occurred, Lender shall not settle or adjust any such claim without the consent of Borrower, which consent shall not be unreasonably withheld or delayed. In any case Lender shall and is hereby authorized to collect and receipt for any such insurance proceeds; and the reasonable expenses incurred by Lender in the adjustment and collection of insurance proceeds shall become part of the Debt and be secured hereby and shall be reimbursed by Borrower to Lender upon demand.

Section 3.4 PAYMENT OF TAXES, ETC.

(a) Borrower shall pay all taxes, assessments, water rates, sewer rents, governmental impositions, and other charges, including without limitation vault charges and license fees for the use of vaults, chutes and similar areas adjoining the Land, now or hereafter levied or assessed or imposed against the Property or any part thereof (the "Taxes"), all ground rents, maintenance charges and similar charges, now or hereafter levied or assessed or imposed against the Property or any part thereof (the "Other Charges"), and all charges for utility services provided to the Property prior to the same becoming delinquent. Borrower will deliver to Lender, promptly upon Lender's request, evidence reasonably satisfactory to Lender that the Taxes, Other Charges and utility service charges have been so paid or are not then delinquent. Borrower shall not suffer and shall promptly cause to be paid and discharged any lien or charge whatsoever which may be or become a lien or charge against the Property. Except to the extent sums sufficient to pay all Taxes and Other Charges have been deposited with Lender in accordance with the terms of this Security Instrument, Borrower shall furnish to Lender paid receipts for the payment of the Taxes and Other Charges prior to the date the same shall become delinquent.

(b) After prior written notice to Lender, Borrower, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any of the Taxes, provided that (i) no Event of Default has occurred under the Note, this Security Instrument or any of the Other Security Documents, (ii) Borrower is permitted to do so under the provisions of any other mortgage, deed of trust or deed to secure debt affecting the Property, (iii) such proceeding shall suspend the collection of the Taxes from Borrower and from the Property or Borrower shall have paid all of the Taxes under protest, (iv) such proceeding shall be permitted under and be conducted in accordance with the provisions of any other instrument to which Borrower is subject and shall not constitute a default thereunder, (v) neither the Property nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, cancelled or lost, (vi) Borrower shall have deposited with Lender adequate reserves for the payment of the Taxes, together with all interest and penalties thereon, unless Borrower has paid all of the Taxes under protest, and (vii) Borrower shall have furnished the security as may be required in the proceeding, or as may be requested by Lender to insure the payment of any contested Taxes, together with all interest and penalties thereon.

Section 3.5 ESCROW FUND. In addition to the initial deposits with respect to Taxes and Insurance Premiums made by Borrower to Lender on the date hereof to be held by Lender in escrow, Borrower shall pay to Lender on the first day of each calendar month (a) one-twelfth of an amount which would be sufficient to pay the Taxes payable, or reasonably estimated by Lender to be payable, during the next ensuing twelve (12) months and (b) one-twelfth of an amount which would be sufficient to pay the Insurance Premiums due for the renewal of the coverage afforded by the Policies upon the expiration

thereof (the amounts in (a) and (b) above shall be called the "Escrow Fund"). Borrower agrees to notify Lender immediately of any changes to the amounts, schedules and instructions for payment of any Taxes and Insurance Premiums of which it has obtained knowledge and authorizes Lender or its agent to obtain the bills for Taxes and Other Charges directly from the appropriate taxing authority. The Escrow Fund and the payments of interest or principal or both, payable pursuant to the Note shall be added together and shall be paid as an aggregate sum by Borrower to Lender. Lender will apply the Escrow Fund to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to Sections 3.3 and 3.4 hereof. If the amount of the Escrow Fund shall exceed the amounts due for Taxes and Insurance Premiums pursuant to Sections 3.3 and 3.4 hereof, Lender shall, in its discretion, return any excess to Borrower or credit such excess against future payments to be made to the Escrow Fund. In allocating such excess, Lender may deal with the person shown on the records of Lender to be the owner of the Property. If the Escrow Fund is not sufficient to pay the items set forth in (a) and (b) above, Borrower shall promptly pay to Lender, upon demand, an amount which Lender shall reasonably estimate as sufficient to make up the deficiency. Lender will place the Escrow Fund in a money market account, if available. The Escrow Fund shall not constitute a trust fund and may be commingled with other monies held by Lender. Any interest earned on the Escrow Fund shall accrue for the benefit of Borrower but shall remain a part of the Escrow Fund.

Section 3.6 CONDEMNATION. Borrower shall promptly give Lender notice of the actual or threatened commencement of any condemnation or eminent domain proceeding and shall deliver to Lender copies of any and all papers served in connection with such proceedings. Lender is hereby irrevocably appointed as Borrower's attorney-in-fact coupled with an interest, with exclusive powers to collect, receive and retain any award or payment for any taking accomplished through a condemnation or eminent domain proceeding and to make any compromise or settlement in connection therewith. All condemnation awards or proceeds shall be either (a) paid to Lender for application against the Debt or (b) applied to Restoration of the Property in accordance with Section 4.4 hereof. Notwithstanding any taking by any public or quasi-public authority through eminent domain or otherwise (including but not limited to any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Security Instrument and the Debt shall not be reduced until any award or payment therefor shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the award by the condemning authority but shall be entitled to receive out of the award interest at the rate or rates provided herein or in the Note. Any award or payment to be applied without penalty to the reduction or discharge of the Debt or any portion thereof may be so applied whether or not the Debt or such portion thereof is then due and payable. If the Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the award or payment, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been or may be sought, recovered or denied, to receive the award or payment, or a portion thereof sufficient to pay the Debt.

Section 3.7 LEASES AND RENTS.

(a) Borrower does hereby absolutely and unconditionally assign to Lender, Borrower's right, title and interest in all current and future Leases and Rents, it being intended by Borrower that this assignment constitutes a present, absolute assignment and not an assignment for additional security only.

Such assignment to Lender shall not be construed to bind Lender to the performance of any of the covenants, conditions or provisions contained in any such Lease or otherwise impose any obligation upon Lender. Borrower agrees to execute and deliver to Lender such additional instruments, in form and substance reasonably satisfactory to Lender, as may hereafter be requested by Lender to further evidence and confirm such assignment. Nevertheless, subject to the terms of this Section 3.7, Lender grants to Borrower a revocable license to operate and manage the Property and to collect the Rents. Borrower shall hold the Rents, or a portion thereof sufficient to discharge all current sums due on the Debt, in trust for the benefit of Lender for use in the payment of such sums. Upon an Event of Default, without the need for notice or demand, the license granted to Borrower herein shall automatically be revoked, and Lender shall immediately be entitled to possession of all Rents, whether or not Lender enters upon or takes control of the Property. Lender is hereby granted and assigned by Borrower the right, at its option, upon revocation of the license granted herein, to enter upon the Property in person, by agent or by court-appointed receiver to collect the Rents. Any Rents collected after the revocation of the license may be applied toward payment of the Debt in such priority and proportions as Lender in its sole discretion shall deem proper.

(b) All Leases entered into from and after the date of this Security Instrument shall be written on the standard form of lease which has been approved by Lender. No changes may be made to the Lender-approved standard lease without the prior written consent of Lender except for commercially reasonable changes agreed to in the ordinary course of Borrower's business. All Leases shall provide that they are subordinate to this Security Instrument and that the tenant thereunder agrees to attorn to Lender.

(c) Borrower (i) shall observe and perform all the material obligations imposed upon the lessor under the Leases and shall not do or permit to be done anything to impair the value of the Leases as security for the Debt; (ii) shall promptly send copies to Lender of all notices of default which Borrower shall receive thereunder; (iii) shall not collect any of the Rents more than one (1) month in advance; and (iv) shall not execute any other assignment of the lessor's interest in the Leases or the Rents. Borrower shall promptly send copies to Lender of all notices of default which Borrower shall send under any Lease in excess of 5,000 square feet; and, (A) shall enforce all of the material terms, covenants and conditions contained in the Lease upon the part of the lessee thereunder to be observed or performed, short of termination thereof; (B) shall not alter, modify or change the terms of the Leases in any material respect without the prior written consent of Lender, which consent shall not be unreasonably withheld; (C) shall not convey or transfer or suffer or permit a conveyance or transfer of the Property or of any interest therein so as to effect a merger of the estates and rights, or a termination or diminution of the obligations of, tenants under the Leases; (D) shall not consent to any assignment of or subletting under the Leases not in accordance with the terms of the Leases, without the prior written consent of Lender; and (E) shall not cancel or terminate the Leases or accept a surrender thereof, except that any Lease of less than 5,000 square feet may be canceled if at the time of the cancellation thereof a new Lease is entered into on substantially the same terms or more favorable terms as the canceled Lease.

(d) Borrower, as the lessor thereunder, may enter into proposed lease renewals and new leases without the prior written consent of Lender, provided each such proposed lease: (i) is not for greater than or equal to 5,000 square feet of the net rentable area of the Property; (ii) shall have an initial term of not less than three (3) years or greater than ten (10) years; (iii) shall provide for rental rates comparable to then-existing local market rates and shall be an arm's-length transaction; (iv) shall not contain any options for renewal or expansion by the tenant thereunder at rental rates which are either

below comparable market levels or less than the rental rates paid by the tenant during the initial lease term; (v) shall be to a tenant which is experienced, creditworthy and reputable; and (vi) shall comply with the provisions of subsection (b) above. Borrower may enter into a proposed lease which does not satisfy all of the conditions set forth in clauses (i) through (v) immediately above, provided Lender consents in writing to such proposed lease, such consent not to be unreasonably withheld or delayed. Borrower expressly understands that any and all proposed leases are included in the definition of "Lease" or "Leases" as such terms may be used throughout this Security Instrument, the Note and the Other Security Documents. Borrower shall furnish Lender with executed copies of all Leases and any amendments or other agreements pertaining thereto within ten (10) days of the execution thereof.

(e) All security deposits of tenants, whether held in cash or any other form, shall not be commingled with any other funds of Borrower and, if cash, shall be deposited by Borrower at such commercial or savings bank or banks as may be reasonably satisfactory to Lender. Any bond or other instrument which Borrower is permitted to hold in lieu of cash security deposits under any applicable legal requirements shall be maintained in full force and effect in the full amount of such deposits unless replaced by cash deposits as hereinabove described, shall be issued by an institution reasonably satisfactory to Lender, shall, if permitted pursuant to any legal requirements, name Lender as payee or lender thereunder (or at Lender's option, be fully assignable to Lender) and shall, in all respects, comply with any applicable legal requirements and otherwise be reasonably satisfactory to Lender. Borrower shall, upon request, provide Lender with evidence reasonably satisfactory to Lender of Borrower's compliance with the foregoing. Following the occurrence and during the continuance of any Event of Default, Borrower shall, upon Lender's request, if permitted by any applicable legal requirements, turn over to Lender the security deposits (and any interest theretofore earned thereon) with respect to all or any portion of the Property, to be held by Lender subject to the terms of the Leases.

Section 3.8 MAINTENANCE OF PROPERTY. Borrower shall cause the Property to be maintained in a good and safe condition and repair. The Improvements and the Personal Property shall not be removed, demolished or materially altered (except for normal replacement of the Personal Property) without the consent of Lender. Borrower shall promptly repair, replace or rebuild any part of the Property which may be destroyed by any casualty, or become damaged, worn or dilapidated or which may be affected by any proceeding of the character referred to in Section 3.6 hereof and shall complete and pay for any structure at any time in the process of construction or repair on the Land. Borrower shall not initiate, join in, acquiesce in, or consent to any change in any private restrictive covenant, zoning law or other public or private restriction, limiting or defining the uses which may be made of the Property or any part thereof which may have a material adverse affect on the use, operation or value of the Property. If under applicable zoning provisions the use of all or any portion of the Property is or shall become a nonconforming use, Borrower will not cause or permit the nonconforming use to be discontinued or abandoned without the express written consent of Lender, which consent shall not be unreasonably withheld.

Section 3.9 WASTE. Borrower shall not commit or suffer any waste of the Property or make any change in the use of the Property which will in any way materially increase the risk of fire or other hazard arising out of the operation of the Property, or take any action that might invalidate or give cause for cancellation of any Policy, or do or permit to be done thereon anything that may in any way impair the value of the Property or the security of this Security Instrument. Borrower will not, without the prior written consent of Lender, permit any drilling or exploration for or extraction, removal, or production of

any minerals from the surface or the subsurface of the Land, regardless of the depth thereof or the method of mining or extraction thereof.

Section 3.10 COMPLIANCE WITH LAWS. Borrower shall promptly comply with all existing and future federal, state and local laws, orders, ordinances, governmental rules and regulations or court orders affecting or which may be interpreted to affect the Property, or the use thereof ("Applicable Laws"). Borrower shall from time to time, upon Lender's request, provide Lender with evidence reasonably satisfactory to Lender that the Property complies with all Applicable Laws or is exempt from compliance with Applicable Laws. Borrower shall give prompt notice to Lender of the receipt by Borrower of any notice related to a violation of any Applicable Laws and of the commencement of any proceedings or investigations which relate to compliance with Applicable Laws.

Section 3.11 BOOKS AND RECORDS.

(a) Borrower shall keep adequate books and records of account in accordance with methods reasonably acceptable to Lender in its sole discretion, consistently applied and furnish to Lender:

(i) monthly rent rolls signed, dated and certified by Borrower (or an officer, general partner or principal of Borrower if Borrower is not an individual) under penalty of perjury to be true and complete to the best knowledge of such person after having made due inquiry, detailing the names of all tenants of the Improvements, the portion of Improvements occupied by each tenant, the base rent and any other charges payable under each Lease and the term of each Lease, including the expiration date, and any other information as is reasonably required by Lender, within fifteen (15) days after the end of each calendar month;

(ii) a monthly operating statement of the Property certified by Borrower (or an officer, general partner or principal of Borrower if Borrower is not an individual) under penalty of perjury to be true and complete to the best knowledge of such person after having made due inquiry, detailing the total revenues received, total expenses incurred, total capital expenditures (including, but not limited to, all capital improvements (including, but not limited to, tenant improvements)), leasing commissions and other leasing costs, total debt service and total cash flow, and if available, any quarterly operating statement prepared by an independent certified public accountant, within thirty (30) days after the close of each calendar month; and

(iii) an annual balance sheet and profit and loss statement of Borrower, in the form reasonably required by Lender, prepared and certified by Borrower, and, if available, any financial statements prepared by an independent certified public accountant within ninety (90) days after the close of each fiscal year of Borrower.

(b) Upon request from Lender, Borrower and its affiliates shall furnish to Lender: (i) a property management report for the Property, showing the number of inquiries made and/or rental applications received from tenants or prospective tenants and deposits received from tenants and any other information requested by Lender, in reasonable detail and certified by Borrower (or an officer, general partner or principal of Borrower if Borrower is not an individual) under penalty of perjury to be true and complete to the best knowledge of such person, but no more frequently than quarterly; (ii) an accounting of all security deposits held in connection with any Lease of any part of the Property,

including the name and identification number of the accounts in which such security deposits are held, the name and address of the financial institutions in which such security deposits are held and the name of the person to contact at such financial institution, along with any authority or release necessary for Lender to obtain information regarding such accounts directly from such financial institutions; and (iii) an annual operating budget presented on a monthly basis consistent with the annual operating statement described above for the Property and all proposed capital replacements and improvements at least fifteen (15) days prior to the start of each calendar year.

(c) Borrower and its affiliates shall furnish Lender with such other additional financial or management information as may, from time to time, be reasonably required by Lender in form and substance reasonably satisfactory to Lender.

Section 3.12 PAYMENT FOR LABOR AND MATERIALS. Borrower will promptly pay when due all bills and costs for labor, materials, and specifically fabricated materials incurred in connection with the Property and never permit to exist beyond the due date thereof in respect of the Property or any part thereof any lien or security interest, even though inferior to the liens and the security interests hereof, and in any event never permit to be created or exist in respect of the Property or any part thereof any other or additional lien or security interest other than the liens or security interests hereof, except for the Permitted Exceptions (defined below). Nothing contained herein shall affect or impair Borrower's ability to diligently and in good faith contest any lien or bill for labor or materials, provided that any lien placed upon the Property must be fully and irrevocably discharged (by bond or otherwise) within 60 days after the date the same is first placed upon the Property.

Section 3.13 PERFORMANCE OF OTHER AGREEMENTS. Borrower shall observe and perform each and every material term to be observed or performed by Borrower pursuant to the terms of any agreement or recorded instrument affecting or pertaining to the Property, or given by Borrower to Lender for the purpose of further securing an obligation secured hereby and any amendments, modifications or changes thereto.

Section 3.14 PROPERTY MANAGEMENT. In the event that Lender determines that the Property is not being managed in accordance with generally accepted management practices for properties similar to the Property, Lender shall deliver written notice thereof to Borrower, which notice shall specify with particularity the grounds for Lender's determination. If Lender determines that the conditions specified in Lender's notice are not remedied to Lender's reasonable satisfaction by Borrower within thirty (30) days from receipt of such notice or that Borrower has failed to diligently undertake correcting such conditions within such thirty (30) day period, Borrower shall, at Lender's direction, terminate any existing management agreement for the Property and enter into a property management agreement acceptable to Lender with a management company reasonably acceptable to Lender.

Section 3.15 EXCESS CASH FLOW RESERVE FUND. Borrower authorizes Agent (as defined in the Cash Management Agreement) to deposit Excess Cash Flow (as defined in the Cash Management Agreement) in an account established with Lender (the "Excess Cash Flow Reserve Fund") for funds received in accordance with Section 4.1(g) of the Cash Management Agreement. Interest thereon shall accrue for the benefit of Borrower, but shall remain in and constitute part of the Excess Cash Flow Reserve Fund. Such Excess Cash Flow Reserve Fund shall be additional collateral for the Debt and may be applied by Lender in any manner as Lender may so elect. The balance of such account

shall be promptly released to Borrower (i) upon payment in full of the Debt and release of this Security Instrument, (ii) upon the defeasance of the Loan, or (iii) within fourteen (14) Business Days of Agent's confirmation that Agent has received notification from Lender of the occurrence of a Cash Management Termination Event.

ARTICLE 4 - SPECIAL COVENANTS

Borrower covenants and agrees that:

Section 4.1 PROPERTY USE. The Property shall be used only for retail purposes and for no other use without the prior written consent of Lender, which consent may not be unreasonably withheld.

Section 4.2 ERISA.

(a) Borrower shall not engage in any transaction which would cause any obligation, or action taken or to be taken, hereunder (or the exercise by Lender of any of its rights under the Note, this Security Instrument and the Other Security Documents) to be a non-exempt (under a statutory or administrative class exemption) prohibited transaction under the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

(b) Borrower further covenants and agrees to deliver to Lender such certifications or other evidence from time to time throughout the term of the Security Instrument, as requested by Lender in its sole discretion, that (i) Borrower is not an "employee benefit plan" as defined in Section 3(3) of ERISA, or other retirement arrangement, which is subject to Title I of ERISA or Section 4975 of the Internal Revenue Code of 1986, as amended (the "Code"), or a "governmental plan" within the meaning of Section 3(32) of ERISA; (ii) Borrower is not subject to state statutes regulating investments and fiduciary obligations with respect to governmental plans; and (iii) one or more of the following circumstances is true:

(iii) Borrower qualifies as an "operating company" or a "real estate operating company" within the meaning of 29 C.F.R. § 2510.3-101(c) or (e) or an investment company registered under The Investment Company Act of 1940.

Section 4.3 SINGLE PURPOSE ENTITY. Borrower has not and shall not: (a) engage in any business or activity other than the ownership, development, operation and maintenance of the Property, and activities incidental thereto; (b) acquire or own any material assets other than (i) the Property, and (ii) such incidental Personal Property as may be necessary for the operation of the Property; (c) merge into or consolidate with any person or entity or dissolve, terminate or liquidate in whole or in part, transfer or otherwise dispose of all or substantially all of its assets or change its legal structure, without

in each case Lender's consent; (d) fail to preserve its existence as an entity duly organized, validly existing and in good standing (if applicable) under the laws of the jurisdiction of its organization or formation, or without the prior written consent of Lender, amend, modify, terminate or fail to comply with the provisions of Borrower's Partnership Agreement, Articles or Certificate of Incorporation or similar organizational documents, as the case may be, as same may be further amended or supplemented, if such amendment, modification, termination or failure to comply would adversely affect the ability of Borrower to perform its obligations hereunder, under the Note or under the Other Security Documents; (e) own any subsidiary or make any investment in, any person or entity without the consent of Lender; (f) commingle its assets with the assets of any of its general partners, affiliates, principals or of any other person or entity; (g) incur any debt, secured or unsecured, direct or contingent (including guaranteeing any obligation), other than the Debt, except with respect to trade payables in the ordinary course of its business of owning and operating the Property, provided that such debt is paid within sixty (60) days of when incurred; (h) become insolvent and fail to pay its debts and liabilities from its assets as the same shall become due; (i) fail to maintain its records, books of account and bank accounts separate and apart from those of the general partners, principals and affiliates of Borrower, the affiliates of a general partner of Borrower, and any other person or entity; (j) enter into any contract or agreement with any general partner, principal or affiliate of Borrower, except upon terms and conditions that are intrinsically fair and substantially similar to those that would be available on an arms-length basis with third parties other than any general partner, principal or affiliate of Borrower; (k) seek the dissolution or winding up in whole, or in part, of Borrower; (l) maintain its assets in such a manner that it will be costly or difficult to segregate, ascertain or identify its individual assets from those of any general partner, principal or affiliate of Borrower, or any general partner, principal or affiliate thereof or any other person; (m) hold itself out to be responsible for the debts of another person; (n) make any loans or advances to any third party, including any general partner, principal or affiliate of Borrower, or any general partner, principal or affiliate thereof; (o) fail to file its own tax returns; (p) agree to, enter into or consummate any transaction which would render Borrower unable to furnish the certification or other evidence referred to in Section 4.2(b) hereof; (q) fail either to hold itself out to the public as a legal entity separate and distinct from any other entity or person or to conduct its business solely in its own name in order not (i) to mislead others as to the identity with which such other party is transacting business, or (ii) to suggest that Borrower is responsible for the debts of any third party (including any general partner, principal or affiliate of Borrower, or any general partner, principal or affiliate thereof); (r) fail to maintain adequate capital for the normal obligations reasonably foreseeable in a business of its size and character and in light of its contemplated business operations; or (s) file or consent to the filing of any petition, either voluntary or involuntary, to take advantage of any applicable insolvency, bankruptcy, liquidation or reorganization statute, or make an assignment for the benefit of creditors.

Section 4.4 RESTORATION AFTER CASUALTY/CONDEMNATION. In the event of a casualty or a taking by eminent domain, the following provisions shall apply in connection with the Restoration of the Property:

(a) If the Net Proceeds (defined below) shall be less than \$225,000 and the costs of completing the Restoration shall be less than \$225,000, the Net Proceeds will be disbursed by Lender to Borrower upon receipt, provided that all of the conditions set forth in Subsection 4.4(b)(i) are met and Borrower delivers to Lender a written undertaking to expeditiously commence and to satisfactorily complete with due diligence the Restoration in accordance with the terms of this Security Instrument.

(b) If the Net Proceeds are equal to or greater than \$225,000 or the costs of completing the Restoration is equal to or greater than \$225,000, Lender shall make the Net Proceeds available for the Restoration in accordance with the provisions of this Subsection 4.4(b). The term "Net Proceeds" for purposes of this Section 4.4(b) shall mean: (i) the net amount of all insurance proceeds received by Lender pursuant to Subsections 3.3(a) (i), (iv), (ix), and (x) of this Security Instrument as a result of such damage or destruction, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting the same or (ii) the net amount of all awards and payments received by Lender with respect to a taking referenced in Section 3.6 of this Security Instrument, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting the same, whichever the case may be.

(i) The Net Proceeds shall be made available to Borrower for the Restoration provided that each of the following conditions are met: (A) no Event of Default shall have occurred under the Note, this Security Instrument or any of the Other Security Documents which has not been cured and no event shall have occurred which after the passage of time or the giving of notice would constitute an Event of Default; (B) Borrower shall deliver or cause to be delivered to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the reasonably estimated cost of completing the Restoration, reasonably satisfactory to Lender; (C) the Net Proceeds together with any cash or cash equivalent deposited by Borrower with Lender are sufficient in Lender's reasonable discretion to cover the cost of the Restoration; (D) Borrower shall deliver to Lender, at its expense, the insurance set forth in Subsection 3.3(a)(iii) hereof; (E) less than fifty percent (50%) of the total floor area of the Improvements has been damaged, destroyed, taken, or rendered unusable as a result of such fire or other casualty or taking, whichever the case may be; (F) Leases demising in the aggregate at least 50% of the total rentable space in the Property which has been demised under executed and delivered Leases in effect as of the date of the occurrence of such fire or other casualty or taking, whichever the case may be, shall remain in full force and effect during and after the completion of the Restoration; (G) Borrower shall commence the Restoration as soon as reasonably practicable and shall diligently pursue the same to reasonably satisfactory completion; (H) Lender shall be reasonably satisfied that any operating deficits, including all scheduled payments of principal and interest under the Note at the Applicable Interest Rate (as defined in the Note), which will be incurred with respect to the Property as a result of the occurrence of any such fire or other casualty or taking, whichever the case may be, will be covered out of (1) the Net Proceeds, (2) the insurance coverage referred to in Subsection 3.3(a)(ii), if applicable, or (3) by other funds of Borrower which are deposited with Lender prior to the commencement of the Restoration; (I) Lender shall be reasonably satisfied that, upon the completion of the Restoration, the gross cash flow and the net cash flow of the Property will be restored to a level sufficient to cover all carrying costs and operating expenses of the Property, including, without limitation, debt service on the Note at a coverage ratio (after deducting replacement reserve requirements and reserves for tenant improvements and leasing commissions from net operating income) of at least 1.50:1.00, which coverage ratio shall be determined by Lender in its reasonable discretion on the basis of the Applicable Interest Rate (as defined in the Note); (J) Lender shall be reasonably satisfied that the Restoration will be completed on or before the earliest to occur of (1) six (6) months prior to the Maturity Date (as defined in the Note), (2) one (1) year after the occurrence of such fire or other casualty or taking, whichever the case may be, (3) the earliest

date required for such completion under the terms of any Leases which are required to remain in effect subsequent to the occurrence of such fire or other casualty or taking in accordance with the provisions of this Subsection 4.4(b), or (4) such time as may be required under applicable zoning law, ordinance, rule or regulation in order to repair and restore the Property to the condition it was in immediately prior to such fire or other casualty or to as nearly as possible the condition it was in immediately prior to such taking, as applicable; (K) the Property and the use thereof after the Restoration will be in compliance with and permitted under all applicable zoning laws, ordinances, rules and regulations; (L) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with all applicable governmental laws, rules and regulations (including, without limitation, all applicable Environmental Laws (defined below)); and (M) such fire or other casualty or taking, as applicable, does not result in the loss of access to the Property or the Improvements.

(ii) The Net Proceeds shall be held by Lender, and until disbursed in accordance with the provisions of this Subsection 4.4(b), shall constitute additional security for the Obligations. The Net Proceeds shall be disbursed by Lender to, or as directed by, Borrower from time to time during the course of the Restoration, upon receipt of evidence reasonably satisfactory to Lender that (A) all materials installed and work and labor performed (except to the extent that they are to be paid for out of the requested disbursement) in connection with the Restoration have been paid for in full, and (B) there exist no notices of pendency, stop orders, mechanic's or materialmen's liens or notices of intention to file same, or any other liens or encumbrances of any nature whatsoever on the Property arising out of the Restoration which have not either been fully bonded to the reasonable satisfaction of Lender and discharged of record or in the alternative fully insured to the reasonable satisfaction of Lender by the title company insuring the lien of this Security Instrument.

(iii) All plans and specifications required in connection with the Restoration shall be subject to prior reasonable review and acceptance in all respects by Lender and by an independent consulting engineer selected by Lender (the "Casualty Consultant"). Lender shall have the use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration. The identity of the contractors, subcontractors and materialmen engaged in the Restoration, as well as the contracts under which they have been engaged, shall be subject to prior reasonable review and acceptance by Lender and the Casualty Consultant. All costs and expenses incurred by Lender in connection with making the Net Proceeds available for the Restoration including, without limitation, reasonable counsel fees and disbursements and the reasonable and actual Casualty Consultant's fees, shall be paid by Borrower.

(iv) In no event shall Lender be obligated to make disbursements of the Net Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, minus the Casualty Retainage. The term "Casualty Retainage" as used in this Subsection 4.4(b) shall mean an amount equal to 10% of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, until such time as the Casualty Consultant certifies to Lender that 50% of the required Restoration has been completed. There shall be no Casualty Retainage with respect to costs actually incurred by Borrower for work in place in completing the

last 50% of the required Restoration. The Casualty Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this Subsection 4.4(b), be less than the amount actually held back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Subsection 4.4(b) and that all approvals necessary for the re-occupancy and use of the Property have been obtained from all appropriate governmental and quasi-governmental authorities, and Lender receives evidence reasonably satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage, provided, however, that Lender will release the portion of the Casualty Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which the Casualty Consultant certifies to Lender that the contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of the contractor's, subcontractor's or materialman's contract, and the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company insuring the lien of this Security Instrument. (v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the reasonable opinion of Lender, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the "Net Proceeds Deficiency") with Lender before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be held by Lender and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this Subsection 4.4(b) shall constitute additional security for the Obligations.

(vii) With respect to Restorations related to casualties, the excess, if any, of the Net Proceeds, and the remaining balance, if any, of the Net Proceeds Deficiency deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Subsection 4.4(b), and the receipt by Lender of evidence satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be remitted by Lender to Borrower, provided no Event of Default shall have occurred under the Note, this Security Instrument or any of the Other Security Documents.

(c) All Net Proceeds not required (i) to be made available for the Restoration or (ii) to be returned to Borrower as excess Net Proceeds pursuant to Subsection 4.4(b)(vii) may, at Lender's election, be retained and applied by Lender toward the payment of the Debt whether or not then due and payable in such order, priority and proportions as Lender in its discretion shall deem proper or be paid,

either in whole or in part, to Borrower for such purposes as Lender shall designate, in its discretion. If Lender shall receive and retain Net Proceeds, the lien of this Security Instrument shall be reduced only by the amount thereof received and retained by Lender and actually applied by Lender in reduction of the Debt.

Borrower and each tenant-in-common comprising Borrower further agrees to execute and deliver to Lender such assignments or other instruments as may be required by Lender in order to enable Lender to enforce any and all claims, and to collect any and all payments or disbursements which may be made, on account of the TIC Agreement.

(g) Without limitation to the rights provided to Lender in this Section 4.5, Borrower and each tenant-in-common comprising Borrower irrevocably grants Lender the right (in Lender's name or in the name of such tenant-in-common) to exercise any and all rights of such tenant-in-common in any Bankruptcy Action to make elections with respect to the TIC Agreement including, without limitation, elections with respect to any proposed plan of reorganization. If Lender is advised by counsel chosen by it that the payment of tax by Borrower would be unlawful or taxable to Lender or unenforceable or provide the basis for a defense of usury, then Lender shall have the option by written notice of not less than ninety (90) days to declare the Debt immediately due and payable.

(b) Borrower will not claim or demand or be entitled to any credit or credits on account of the Debt for any part of the Taxes or Other Charges assessed against the Property, or any part thereof, and no deduction shall otherwise be made or claimed from the assessed value of the Property, or any part thereof, for real estate tax purposes by reason of this Security Instrument or the Debt. Section 8.3 SALE/ENCUMBRANCE DEFINED. A sale, conveyance, mortgage, grant, bargain, encumbrance, pledge, assignment, or transfer within the meaning of this Article 8 shall be deemed to include, but not limited to, (a) an installment sales agreement wherein Borrower agrees to sell the Property or any part thereof for a price to be paid in installments; (b) an agreement by Borrower leasing all or a substantial part of the Property for other than actual occupancy by a space tenant thereunder or a sale, assignment or other transfer of, or the grant of a security interest in, Borrower's right, title and interest in and to any Leases or any Rents; (c) if Borrower or any general partner of Borrower is a corporation, the voluntary or involuntary sale, conveyance, transfer or pledge of such corporation's stock or the creation or issuance of new stock by which an aggregate of more than 49% of the ownership of such corporation's stock shall be vested in or pledged to a party or parties who are not now stockholders; (d) if Borrower or any general partner of Borrower is a limited liability company, the voluntary or involuntary sale, conveyance, transfer or pledge of membership interests in the capital or profits of such company or the creation or issuance of new membership interests by which an aggregate of more than 49% of the ownership of such company's membership interests shall be vested in or pledged to a party or parties who do not now hold membership interests in such company; (e) if

Borrower or any general partner of Borrower is a limited or general partnership or joint venture, (i) the change, removal or resignation of a general partner or managing partner, (ii) the transfer or pledge of the partnership interest of any general partner or managing partner or any profits or proceeds relating to such partnership interest, (iii) the transfer or pledge of more than 49% of the capital or profits of the partnership or (iv) the creation or issuance of new partnership interests by Borrower or its general partner which an aggregate of more than 49% of the ownership of partnership interests in such partnership shall be vested in a party or parties who do not now hold partnership interests in such partnership or joint venture; and (f) without limitation to the foregoing, any voluntary or involuntary sale, transfer, conveyance or pledge by any person or entity which directly or indirectly controls Borrower (by operation or law or otherwise) (a "Principal") of its direct or indirect controlling interest in Borrower. Notwithstanding the foregoing, the following transfers shall not be deemed to be a sale, conveyance, mortgage, grant, bargain, encumbrance, pledge, assignment or transfer within the meaning of this Article 8: (A) transfer by devise or descent or by operation of law upon the death of a partner, member, shareholder or stockholder of Borrower or any general partner thereof, and (B) a sale, transfer or hypothecation of a partnership, shareholder or membership interest in Borrower, whichever the case may be, by the current partner(s), shareholder(s) or member(s), as applicable, to an immediate family member (i.e., parents, spouses, siblings, children or grandchildren) of such partner, or shareholder or member or to a Principal (or a trust for the benefit of any such persons). Notwithstanding anything to the contrary contained herein (including, without limitation, the terms of the immediately preceding sentence), any sale, conveyance, mortgage, grant, bargain, encumbrance, pledge, assignment or transfer permitted or consented to which shall result in any party not now owning more than 49% of the ownership interests in Borrower acquiring more than 49% of the ownership interests in Borrower shall require the receipt by Lender of a substantive non-consolidation opinion reasonably acceptable to Lender.

Section 8.4 LENDER'S RIGHTS. Lender reserves the right to condition the consent required hereunder upon a modification of the terms hereof and, if required, on assumption of the Note, this Security Instrument and the Other Security Documents as so modified by the proposed transferee, on payment of a transfer fee of one percent (1%) of the principal balance of the Note and all of Lender's expenses incurred in connection with such transfer, including without limitation the approval by any and all Rating Agencies, required by Lender, of the proposed transferee, the proposed transferee's continued compliance with the covenants set forth in Section 4.3 hereof, or such other conditions as Lender shall determine in its sole discretion to be in the interest of Lender. An assignment and assumption of the Note shall not be permitted within the first twelve (12) months from the date hereof. Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon Borrower's sale, conveyance, mortgage, grant, bargain, encumbrance, pledge, assignment, or transfer of the Property without Lender's consent. This provision shall apply to every sale, conveyance, mortgage, grant, bargain, encumbrance, pledge, assignment, or transfer of the Property regardless of whether voluntary or not, or whether or not Lender has consented to any previous sale, conveyance, mortgage, grant, bargain, encumbrance, pledge, assignment, or transfer of the Property.

ARTICLE 9 - PREPAYMENT

Section 9.1 PREPAYMENT BEFORE EVENT OF DEFAULT. The Debt may be prepaid only in strict accordance with the express terms and conditions of the Note including the payment of any

prepayment consideration or premium due under the Note.

Section 9.2 PREPAYMENT ON CASUALTY AND CONDEMNATION. Provided no Event of Default exists under the Note, this Security Instrument or the Other Security Documents, in the event of any prepayment of the Debt pursuant to the terms of Sections 4.4 hereof, no prepayment consideration or premium shall be due in connection therewith, but Borrower shall be responsible for all other amounts due under the Note, this Security Instrument and the Other Security Documents. Any prepayment made pursuant to this Section 9.2 that is not made on a Payment Date shall be accompanied by interest that would be due and payable through the next scheduled Payment Date.

Section 9.3 PREPAYMENT AFTER EVENT OF DEFAULT. Following an Event of Default and acceleration of the Debt, if Borrower or anyone on Borrower's behalf makes a tender of payment of the amount necessary to satisfy the Debt at any time prior to foreclosure sale, or during any redemption period after foreclosure, (i) the tender of payment shall constitute an evasion of Borrower's obligation to pay any prepayment consideration or premium due under the Note and such payment shall, therefore, to the maximum extent permitted by law, include a premium equal to the prepayment consideration or premium that would have been payable on the date of such tender had the Debt not been so accelerated, or (ii) if at the time of such tender a prepayment would have been prohibited under the Note had the Debt not been so accelerated, the tender of payment shall constitute an evasion of such prepayment prohibition and shall, therefore, to the maximum extent permitted by law, include an amount equal to the greater of (i) 3% of the then principal amount of the Note and (ii) an amount equal to the excess of (A) the sum of the present values of a series of payments payable at the times and in the amounts equal to the payments of principal and interest (including, but not limited to the principal and interest payable on the Maturity Date (as defined in the Note)) which would have been scheduled to be payable after the date of such tender under the Note had the Debt not been accelerated, with each such payment discounted to its present value at the date of such tender at the rate which when compounded monthly is equivalent to the Prepayment Rate (as defined in the Note), over (B) the then principal amount of the Note.

ARTICLE 10 - DEFAULT

Section 10.1 EVENTS OF DEFAULT. The occurrence of any one or more of the following events shall constitute an "Event of Default":

- (a) if any portion of the Debt is not paid within five (5) days following the date the same is due or if the entire Debt is not paid on or before the Maturity Date;
- (b) if any of the Taxes or Other Charges is not paid within ten (10) days following the date the same is due and payable except to the extent sums sufficient to pay such Taxes and Other Charges have been deposited with Lender in accordance with the terms of this Security Instrument;
- (c) if the Policies are not kept in full force and effect, or if the Policies are not delivered to Lender within five (5) days of Lender's request;
- (d) if the Property is subject to actual waste;
- (e) if Borrower violates or does not comply with any of the provisions of Sections 3.7 and 4.3 and Articles 8, 12 and 13;

(f) if any representation or warranty of Borrower or any person guaranteeing payment of the Debt or any portion thereof or performance by Borrower of any of the terms of this Security Instrument or any general partner, managing member, principal or beneficial owner of any of the foregoing, made herein or any guaranty or indemnity, or in any certificate, report, financial statement or other instrument or document furnished to Lender shall have been false or misleading in any material respect when made;

(g) if (i) Borrower or any general partner or managing member of Borrower shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization, conservatorship or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts, or (B) seeking appointment of a receiver, trustee, custodian, conservator or other similar official for it or for all or any substantial part of its assets, or the Borrower, or any general partner or managing member of Borrower, shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against Borrower, or any general partner or managing member of Borrower, any case, proceeding or other action of a nature referred to in clause (i) above which (A) results in the entry of an order for relief or any such adjudication or appointment or (B) remains undismissed, undischarged or unbonded for a period of sixty (60) days; or (iii) there shall be commenced against the Borrower, or any general partner or managing member of Borrower, any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its assets which results in the entry of any order for any such relief which shall not have been vacated, discharged, or stayed or bonded pending appeal within sixty (60) days from the entry thereof; or (iv) the Borrower, or any general partner or managing member of Borrower, shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii), or (iii) above; or (v) the Borrower, or any general partner of Borrower, shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due;

(h) if Borrower shall be in default under any other mortgage, deed of trust, deed to secure debt or other security agreement covering any part of the Property whether it be superior or junior in lien to this Security Instrument;

(i) if the Property becomes subject to any mechanic's, materialman's or other lien other than a lien for local real estate taxes and assessments not then due and payable and the lien shall remain undischarged of record (by payment, bonding or otherwise) for a period of sixty (60) days;

(j) if any federal tax lien is filed against Borrower, any general partner or managing member of Borrower, or the Property and same is not discharged of record within sixty (60) days after same is filed;

(k) if Borrower fails to cure any violations of Applicable Laws within sixty (60) days of first having received notice thereof;

(l) if (i) Borrower fails to timely provide Lender with the written certification and evidence referred to in Section 4.2 hereof, or (ii) Borrower consummates a transaction which would cause the Security Instrument or Lender's exercise of its rights under this Security Instrument, the Note or the

Other Security Documents to constitute a nonexempt prohibited transaction under ERISA or result in a violation of a state statute regulating governmental plans, subjecting Lender to liability for a violation of ERISA or a state statute;

(m) if Borrower shall fail to reimburse Lender on demand, with interest calculated at the Default Rate (defined below), for all Insurance Premiums or Taxes, together with interest and penalties imposed thereon, paid by Lender pursuant to this Security Instrument;

(n) if Borrower shall fail to timely deliver to Lender an estoppel certificate pursuant to the terms of Subsection 7.4(a);

(o) if Borrower shall fail to timely deliver to Lender, after request by Lender, the statements referred to in Section 3.11 in accordance with the terms thereof;

(p) if any default occurs in the performance of any guarantor's or indemnitor's obligations under any guaranty or indemnity executed in connection herewith and such default continues after the expiration of applicable grace periods set forth in such guaranty or indemnity, or if any representation or warranty of any guarantor or indemnitor thereunder shall be false or misleading in any material respect when made;

(q) if for more than thirty (30) days after notice from Lender, Borrower shall continue to be in default under any other term, covenant or condition of the Note, this Security Instrument or the Other Security Documents in the case of any default which can be cured by the payment of a sum of money or for sixty (60) days after notice from Lender in the case of any other default, provided that if such default cannot reasonably be cured within such sixty (60) day period and Borrower shall have commenced to cure such default within such sixty (60) day period and thereafter diligently and expeditiously proceeds to cure the same, such sixty (60) day period shall be extended for so long as it shall require Borrower in the exercise of due diligence to cure such default, it being agreed that no such extension shall be for a period in excess of one hundred twenty (120) days;

(r) if any of the tenants-in-common comprising Borrower shall be in default under the TIC Agreement;

(s) if any of the tenants-in-common comprising Borrower shall bring a partition action or other action of a similar nature with respect to the Property; or

(t) a default beyond applicable notice or cure periods (if any) shall occur under any Other Security Documents.

(u) if the property management agreement is altered or terminated without Lender's prior consent.

Section 10.2 LATE PAYMENT CHARGE. If any sum payable under this Security Instrument or any of the Other Security Documents is not paid prior to the fifth (5th) day after the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of five percent (5%) of such unpaid sum or the maximum amount permitted by applicable law, to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the

use of such delinquent payment, and such amount shall be secured by this Security Instrument and the Other Security Documents.

Section 10.3 DEFAULT INTEREST. Borrower will pay, from the date of an Event of Default through the earlier of the date upon which the Event of Default is cured or the date upon which the Debt is paid in full, interest on the unpaid principal balance of the Note at a per annum rate equal to the lesser of (a) five percent (5%) plus the Applicable Interest Rate (as defined in the Note), and (b) the maximum interest rate which Borrower may by law pay or Lender may charge and collect (the "Default Rate").

ARTICLE 11 - RIGHTS AND REMEDIES

Section 11.1 REMEDIES. Upon the occurrence of any Event of Default, Borrower agrees that Lender or Mortgagee, acting on behalf of and at the sole discretion of Lender in its capacity as Lender's nominee, may take such action, without notice or demand, as it deems advisable to protect and enforce its rights against Borrower and in and to the Property, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as Lender may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of Lender:

- (a) declare the entire unpaid Debt to be immediately due and payable;
- (b) institute proceedings, judicial or otherwise, for the complete foreclosure of this Security Instrument under any applicable provision of law in which case the Property or any interest therein may be sold for cash or upon credit in one or more parcels or in several interests or portions and in any order or manner;
- (c) with or without entry, to the extent permitted and pursuant to the procedures provided by applicable law, institute proceedings for the partial foreclosure of this Security Instrument for the portion of the Debt then due and payable, subject to the continuing lien and security interest of this Security Instrument for the balance of the Debt not then due, unimpaired and without loss of priority;
- (d) sell for cash or upon credit the Property or any part thereof and all estate, claim, demand, right, title and interest of Borrower therein and rights of redemption thereof, pursuant to power of sale or otherwise, at one or more sales, as an entity or in parcels, at such time and place, upon such terms and after such notice thereof as may be required or permitted by law;
- (e) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained herein, in the Note or in the Other Security Documents;
- (f) recover judgment on the Note either before, during or after any proceedings for the enforcement of this Security Instrument or the Other Security Documents;
- (g) apply for the appointment of a receiver, trustee, liquidator or conservator of the Property, without notice and without regard for the adequacy of the security for the Debt and without regard for the solvency of Borrower or of any person, firm or other entity liable for the payment of the Debt;
- (h) subject to any applicable law, the license granted to Borrower under Section 1.2 shall

automatically be revoked and Lender may enter into or upon the Property, either personally or by its agents, nominees or attorneys and dispossess Borrower and its agents and servants therefrom, without liability for trespass, damages or otherwise and exclude Borrower and its agents or servants wholly therefrom, and take possession of all books, records and accounts relating thereto and Borrower agrees to surrender possession of the Property and of such books, records and accounts to Lender upon demand, and thereupon Lender may (i) use, operate, manage, control, insure, maintain, repair, restore and otherwise deal with all and every part of the Property and conduct the business thereat; (ii) complete any construction on the Property in such manner and form as Lender deems advisable; (iii) make alterations, additions, renewals, replacements and improvements to or on the Property; (iv) exercise all rights and powers of Borrower with respect to the Property, whether in the name of Borrower or otherwise, including, without limitation, the right to make, cancel, enforce or modify Leases, obtain and evict tenants, and demand, sue for, collect and receive all Rents of the Property and every part thereof; (v) require Borrower to pay monthly in advance to Lender, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of such part of the Property as may be occupied by Borrower; (vi) require Borrower to vacate and surrender possession of the Property to Lender or to such receiver and, in default thereof, Borrower may be evicted by summary proceedings or otherwise; and (vii) apply the receipts from the Property to the payment of the Debt, in such order, priority and proportions as Lender shall deem appropriate in its sole discretion after deducting therefrom all expenses (including reasonable attorneys' fees) incurred in connection with the aforesaid operations and all amounts necessary to pay the Taxes, Other Charges, insurance and other expenses in connection with the Property, as well as just and reasonable compensation for the services of Lender, its counsel, agents and employees;

(i) exercise any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the generality of the foregoing: (i) the right to take possession of the Personal Property or any part thereof, and to take such other measures as Lender may deem necessary for the care, protection and preservation of the Personal Property, and (ii) request Borrower at its expense to assemble the Personal Property and make it available to Lender at a convenient place acceptable to Lender. Any notice of sale, disposition or other intended action by Lender with respect to the Personal Property sent to Borrower in accordance with the provisions hereof at least five (5) days prior to such action, shall constitute commercially reasonable notice to Borrower;

(j) apply any sums then deposited in the Escrow Fund and any other sums held in escrow or otherwise by Lender in accordance with the terms of this Security Instrument or any Other Security Document to the payment of the following items in any order in its discretion: (i) Taxes and Other Charges; (ii) Insurance Premiums; (iii) Interest on the unpaid principal balance of the Note; (iv) Amortization of the unpaid principal balance of the Note; (v) All other sums payable pursuant to the Note, this Security Instrument and the Other Security Documents, including without limitation advances made by Lender pursuant to the terms of this Security Instrument;

(k) surrender the Policies maintained pursuant to Article 3 hereof, collect the unearned Insurance Premiums and apply such sums as a credit on the Debt in such priority and proportion as Lender in its discretion shall deem proper, and in connection therewith, Borrower hereby appoints Lender as agent and attorney-in-fact (which is coupled with an interest and is therefore irrevocable) for Borrower to collect such Insurance Premiums;

(l) pursue such other remedies as Lender may have under applicable law; or

(m) apply the undisbursed balance of any Net Proceeds Deficiency deposit, together with interest thereon, to the payment of the Debt in such order, priority and proportions as Lender shall deem to be appropriate in its discretion.

In the event of a sale by foreclosure or otherwise, of less than all of the Property, this Security Instrument shall continue as a lien and security interest on the remaining portion of the Property unimpaired and without loss of priority. In the event of a sale, by foreclosure or otherwise, Lender may bid for and acquire the Property and, in lieu of paying cash therefor, may make settlement for the purchase price by crediting against the Obligations the amount of the bid made therefor, after deducting therefrom the expenses of the sale, the cost of any enforcement proceeding hereunder and any other sums which Lender is authorized to deduct under the terms hereof, to the extent necessary to satisfy such bid. Notwithstanding the provisions of this Section 11.1 to the contrary, if any Event of Default as described in clause (i) or (ii) of Subsection 10.1(g) shall occur, the entire unpaid Debt shall be automatically due and payable, without any further notice, demand or other action by Lender.

Section 11.2 APPLICATION OF PROCEEDS. The purchase money, proceeds and avails of any disposition of the Property, or any part thereof, or any other sums collected by Lender pursuant to the Note, this Security Instrument or the Other Security Documents, may be applied by Lender to the payment of the Debt in such priority and proportions as Lender in its discretion shall deem proper. Upon any foreclosure sale, Lender may bid for and purchase the Property and shall be entitled to apply all or any part of the Debt as a credit to the purchase price.

Section 11.3 RIGHT TO CURE DEFAULTS. Upon the occurrence of any Event of Default or if Borrower fails to make any payment or to do any act as herein provided, Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder, make or do the same in such manner and to such extent as Lender may deem necessary to protect the security hereof. Lender is authorized to enter upon the Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in the Property or to foreclose this Security Instrument or collect the Debt, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 11.3, shall constitute a portion of the Debt and shall be due and payable to Lender upon demand. All such costs and expenses incurred by Lender in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any such action or proceeding shall bear interest at the Default Rate, for the period after notice from Lender that such cost or expense was incurred to the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by this Security Instrument and the Other Security Documents and shall be immediately due and payable upon demand by Lender therefor.

Section 11.4 ACTIONS AND PROCEEDINGS. Lender has the right to appear in and defend any action or proceeding brought with respect to the Property and to bring any action or proceeding, in the name and on behalf of Borrower, which Lender, in its discretion, decides should be brought to protect its interest in the Property.

Section 11.5 RECOVERY OF SUMS REQUIRED TO BE PAID. Lender shall have the right from time to time to take action to recover any sum or sums which constitute a part of the Debt as the same become due, without regard to whether or not the balance of the Debt shall be due, and without prejudice to the right of Lender thereafter to bring an action of foreclosure, or any other action, for a default or defaults by Borrower existing at the time such earlier action was commenced.

Section 11.6 EXAMINATION OF BOOKS AND RECORDS. Lender, its agents, accountants and attorneys shall have the right to examine the records, books, management and other papers of Borrower and its affiliates which reflect upon their financial condition, at the Property or at any office regularly maintained by Borrower or its affiliates or where the books and records are located. Lender and its agents shall have the right to make copies and extracts from the foregoing records and other papers. In addition, Lender, its agents, accountants and attorneys shall have the right to examine and audit the books and records of Borrower and its affiliates pertaining to the income, expenses and operation of the Property during reasonable business hours at any office of Borrower and its affiliates where the books and records are located.

Section 11.7 OTHER RIGHTS, ETC.

(a) The failure of Lender to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Security Instrument. Borrower shall not be relieved of Borrower's obligations hereunder by reason of (i) the failure of Lender to comply with any request of Borrower to take any action to foreclose this Security Instrument or otherwise enforce any of the provisions hereof or of the Note or the Other Security Documents, (ii) the release, regardless of consideration, of the whole or any part of the Property, or of any person liable for the Debt or any portion thereof, or (iii) any agreement or stipulation by Lender extending the time of payment or otherwise modifying or supplementing the terms of the Note, this Security Instrument or the Other Security Documents.

(b) It is agreed that the risk of loss or damage to the Property is on Borrower, and Lender shall have no liability whatsoever for decline in value of the Property, for failure to maintain the Policies, or for failure to determine whether insurance in force is adequate as to the amount of risks insured. Possession by Lender shall not be deemed an election of judicial relief, if any such possession is requested or obtained, with respect to any Property or collateral not in Lender's possession.

(c) Lender may resort for the payment of the Debt to any other security held by Lender in such order and manner as Lender, in its discretion, may elect. Lender may take action to recover the Debt, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Mortgagee or Lender thereafter to foreclose this Security Instrument. The rights of Lender under this Security Instrument shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Mortgagee or Lender shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision. Mortgagee or Lender shall not be limited exclusively to the rights and remedies herein stated but shall be entitled to every right and remedy now or hereafter afforded at law or in equity.

Section 11.8 RIGHT TO RELEASE ANY PORTION OF THE PROPERTY. Lender may release any portion of the Property for such consideration as Lender may require without, as to the

remainder of the Property, in any way impairing or affecting the lien or priority of this Security Instrument, or improving the position of any subordinate lienholder with respect thereto, except to the extent that the obligations hereunder shall have been reduced by the actual monetary consideration, if any, received by Lender for such release, and may accept by assignment, pledge or otherwise any other property in place thereof as Lender may reasonably require without being accountable for so doing to any other lienholder. This Security Instrument shall continue as a lien and security interest in the remaining portion of the Property.

Section 11.9 VIOLATION OF LAWS. If the Property is not in compliance with Applicable Laws, Lender may impose additional reasonable requirements upon Borrower in connection herewith including, without limitation, monetary reserves or financial equivalents.

Section 11.10 RIGHT OF ENTRY. Lender and its agents shall have the right to enter and inspect the Property at all reasonable times.

ARTICLE 12 - ENVIRONMENTAL HAZARDS

Section 12.1 ENVIRONMENTAL REPRESENTATIONS AND WARRANTIES. Borrower represents and warrants, based upon an environmental assessment of the Property and information that Borrower knows or should reasonably have known, that: (a) there are no Hazardous Substances (defined below) or underground storage tanks in, on, or under the Property, except those that are both (i) in compliance with Environmental Laws (defined below) and with permits issued pursuant thereto and (ii) fully disclosed to Lender in writing pursuant to the written reports resulting from the environmental assessments of the Property delivered to Lender (the "Environmental Report"); (b) there are no past, present or threatened Releases (defined below) of Hazardous Substances in, on, under or from the Property except as described in the Environmental Report; (c) there is no threat of any Release of Hazardous Substances migrating to the Property except as described in the Environmental Report; (d) there is no past or present non-compliance with Environmental Laws, or with permits issued pursuant thereto, in connection with the Property except as described in the Environmental Report; (e) Borrower does not know of, and has not received, any written or oral notice or other communication from any person or entity (including but not limited to a governmental entity) relating to Hazardous Substances or Remediation (defined below) thereof, of possible liability of any person or entity pursuant to any Environmental Law, other environmental conditions in connection with the Property, or any actual or potential administrative or judicial proceedings in connection with any of the foregoing; and (f) Borrower has truthfully and fully provided to Lender, in writing, any and all information relating to conditions in, on, under or from the Property that is known to Borrower and that is contained in Borrower's files and records, including but not limited to any reports relating to Hazardous Substances in, on, under or from the Property and/or to the environmental condition of the Property.

Borrower further agrees that the failure of its agent for service of process to give it notice of any service of process will not impair or affect the validity of such service or of any judgment based thereon. If, despite the foregoing, there is for any reason no agent for service of process of Borrower available to be served, and if it at that time has no place of business in the State of South Carolina, then Borrower irrevocably consents to service of process by registered or certified mail, postage prepaid, to it at its address given in or pursuant to the first paragraph hereof.

(b) Borrower initially and irrevocably designates William P. McElveen, Jr. with offices on the date hereof at Ellis, Lawhorne & Sims, P.A., 1501 Main Street, 5th Floor, Columbia, South Carolina 29201, to receive for and on behalf of Borrower service of process in the State of South Carolina with respect to this Security Instrument.

ARTICLE 18 - APPLICABLE LAW

Section 18.1 CHOICE OF LAW. THIS SECURITY INSTRUMENT SHALL BE DEEMED TO BE A CONTRACT ENTERED INTO PURSUANT TO THE LAWS OF THE STATE OF NEW YORK AND SHALL IN ALL RESPECTS BE GOVERNED, CONSTRUED, APPLIED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, PROVIDED HOWEVER, THAT WITH RESPECT TO THE CREATION, PERFECTION, PRIORITY AND ENFORCEMENT OF THE LIEN OF THIS SECURITY INSTRUMENT, AND THE DETERMINATION OF DEFICIENCY JUDGMENTS, THE LAWS OF THE STATE WHERE THE PROPERTY IS LOCATED SHALL APPLY.

Section 18.2 USURY LAWS. This Security Instrument and the Note are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the Debt at a rate which could subject the holder of the Note to either civil or criminal liability as a result of being in excess of the maximum interest rate which Borrower is permitted by applicable law to contract or agree to pay. If by the terms of this Security Instrument or the Note, Borrower is at any time required or obligated to pay interest on the Debt at a rate in excess of such maximum rate, the rate of interest under the Security Instrument and the Note shall be deemed to be immediately reduced to such maximum rate and the interest payable shall be computed at such maximum rate and all prior interest payments in excess of such maximum rate shall be applied and shall be deemed to have been payments in reduction of the principal balance of the Note. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the Debt shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Note until payment in full so that the rate or amount of interest on account of the Debt does not exceed the maximum lawful rate of interest from time to time in effect and applicable to the Debt for so long as the Debt is outstanding.

Section 18.3 PROVISIONS SUBJECT TO APPLICABLE LAW. All rights, powers and remedies provided in this Security Instrument may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of law and are intended to be limited to the extent necessary so that they will not render this Security Instrument invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable law. If any term of this Security Instrument or any application thereof shall be invalid or unenforceable, the remainder of this Security Instrument and any other application of the term shall not be affected thereby.

ARTICLE 19 - SECONDARY MARKET

Section 19.1 TRANSFER OF LOAN. Lender may, at any time, sell, transfer or assign the Note, this Security Instrument and the Other Security Documents, and any or all servicing rights with respect thereto, or grant participations therein or issue mortgage passthrough certificates or other securities evidencing a beneficial interest in a rated or unrated public offering or private placement (the "Securities"). Lender may forward to each purchaser, transferee, assignee, servicer, participant or investor in such Securities or any Rating Agency rating such Securities (collectively, the "Investor") and each prospective Investor, all documents and information which Lender now has or may hereafter acquire relating to the Debt and to Borrower, and the Property, whether furnished by Borrower, or otherwise, as Lender determines necessary or desirable. Borrower agrees to cooperate with Lender in connection with any transfer made or any Securities created pursuant to this Security Instrument, including, without limitation, the delivery of an estoppel certificate in accordance therewith, and such other documents as may be reasonably requested by Lender. Borrower shall also furnish and Borrower consents to Lender furnishing to such Investors or such prospective Investors or Rating Agency any and all information concerning the Property, the Leases, the financial condition of Borrower as may be reasonably requested by Lender, any Investor or any prospective Investor or Rating Agency in connection with any sale, transfer or participation interest. Lender may retain or assign responsibility for servicing the Note, this Security Instrument, and the Other Security Documents, or may delegate some or all of such responsibility and/or obligations to a servicer including, but not limited to, any subservicer or master servicer. Lender may make such assignment or delegation on behalf of the Investors if the Note is sold or this Security Instrument or the Other Security Documents are assigned. All references to Lender herein shall refer to and include any such servicer to the extent applicable.

Section 19.2 CONVERSION TO REGISTERED FORM. At the request and the expense of Lender, Borrower shall appoint, as its agent, a registrar and transfer agent (the "Registrar") reasonably acceptable to Lender which shall maintain, subject to such reasonable regulations as it shall provide, such books and records as are necessary for the registration and transfer of the Note in a manner that shall cause the Note to be considered to be in registered form for purposes of Section 163(f) of the Code. The option to convert the Note into registered form once exercised may not be revoked. Any agreement setting out the rights and obligation of the Registrar shall be subject to the reasonable approval of Lender. Borrower may revoke the appointment of any particular person as Registrar, effective upon the effectiveness of the appointment of a replacement Registrar. The Registrar shall not be entitled to any fee from Lender or any other lender in respect of transfers of the Note and Security Instrument (other than Taxes and governmental charges and fees).

Section 19.3 COOPERATION. Borrower acknowledges that Lender and its successors and assigns may (a) sell this Security Instrument, the Note and Other Security Documents to one or more third parties as a whole loan, (b) participate the loan secured by this Security Instrument (the "Loan") to one or more third parties, (c) deposit, through one or a series of transactions, this Security Instrument, the Note and Other Security Documents with a trust, which trust may sell certificates to third parties evidencing an ownership interest in the trust assets or (d) otherwise sell the Loan or interest therein to third parties (the transactions referred to in clauses (a) through (d) are hereinafter referred to as "Secondary Market Transactions"). Borrower shall cooperate in good faith with Lender in effecting any such Secondary Market Transaction and shall cooperate in good faith to implement all requirements imposed by any rating agency issuing any statistical rating in any Secondary Market Transaction or the requirements of potential investors in any Secondary Market Transaction. Borrower agrees to make upon Lender's written request, without limitation, all structural or other changes to the Loan (including delivery of one or more new component notes to replace the original note or modify the original note to reflect multiple components of the Loan and such new notes or modified note may have different interest rates and amortization schedules), modifications to any documents evidencing or securing the Loan, delivery of opinions of counsel reasonably acceptable to the rating agency or potential investors and addressing such matters as the rating agency or potential investors may reasonably require, including, without limitation, an opinion from Delaware counsel that (i) Borrower is a limited liability company is a legal entity separate and apart from its Sole Member; (ii) creditors of Sole Member shall have no right to obtain possession of or to exercise legal or equitable remedies directly with respect to the Property; (iii) creditors of the Sole Member may only claim Sole Member's membership interest in Borrower and have no direct claim on the assets of Borrower; (iv) the existence of the Borrower as a separate legal entity shall continue until the cancellation of the Borrower's Certificate of Formation; (v) the bankruptcy or dissolution of the Sole Member will not, by itself, cause the Borrower to be dissolved or its affairs to be wound up; and (vi) other standard opinion rendered with respect to single-member limited liability companies organized under Delaware law; provided, however, that the Borrower shall not be required to modify (i) the initial weighted average interest rate payable under the Note, (ii) the stated maturity of the Note, (iii) the aggregate amortization of principal of the Note, (iv) any other material economic term of the Loan, or (v) decrease the time periods during which Borrower is permitted to perform its obligations under this Security Instrument or any of the Other Security Documents. Borrower shall provide such information and documents relating to Borrower, Indemnitor, if any, the Property and any tenants of the Improvements as Lender may reasonably request in connection with a Secondary Market Transaction. Lender shall have the right to provide to prospective investors or rating agencies any information in its

possession, including, without limitation, financial statements relating to Borrower, the Indemnitior, if any, the Property and any tenant of the Improvements. Borrower acknowledges that certain information regarding the Loan and the parties thereto and the Property may be included in a private placement memorandum, prospectus or other disclosure documents.

ARTICLE 20 - COSTS

Section 20.1 PERFORMANCE AT BORROWER'S EXPENSE. Borrower acknowledges and confirms that Lender shall impose certain administrative processing and/or commitment fees in connection with (a) the extension, renewal, modification, amendment and termination of its loan, (b) the release or substitution of collateral therefor, (c) obtaining certain consents, waivers and approvals with respect to the Property, (d) the review of any Lease or proposed Lease or the preparation or review of any subordination, non-disturbance agreement or (e) if the servicer, in its reasonable determination, anticipates that there will occur an Event of Default and the Loan is transferred to a special servicer (the occurrence of any of the above shall be called an "Event"). Borrower further acknowledges and confirms that it shall be responsible for the payment of all costs of reappraisal of the Property or any part thereof required by law, regulation, any governmental or quasi-governmental authority or, following an Event of Default, Lender. Borrower hereby acknowledges and agrees to pay, immediately, with or without demand, all such reasonable fees (as the same may be increased or decreased from time to time), and any additional reasonable fees of a similar type or nature which may be imposed by Lender from time to time, upon the occurrence of any Event or otherwise. Wherever it is provided for herein that Borrower pay any costs and expenses, such costs and expenses shall include, but not be limited to, all reasonable legal fees and disbursements of Lender, whether retained firms, the reimbursement for the expenses of in-house staff or otherwise.

ARTICLE 2 - TERMS OF ASSIGNMENT

Section 2.1PRESENT ASSIGNMENT AND LICENSE BACK. It is intended by Borrower that this Assignment constitute a present, absolute assignment of the Leases, Rents, Lease Guaranties and Bankruptcy Claims, and not an assignment for additional security only. Nevertheless, subject to the terms of this Section 2.1, Lender grants to Borrower a revocable license to collect and receive the Rents and other sums due under the Lease Guaranties and Bankruptcy Claims. Borrower shall hold the Rents and all sums received pursuant to any Lease Guaranty or Bankruptcy Claim, or a portion thereof sufficient to discharge all current sums due on the Debt, in trust for the benefit of Lender for use in the payment of such sums.

Section 2.2NOTICE TO LESSEES. Section 2.3INCORPORATION BY REFERENCE. All representations, warranties, covenants, conditions and agreements contained in the Security Instrument as same may be modified, renewed, substituted or extended are hereby made a part of this Agreement to the same extent and with the same force as if fully set forth herein.

ARTICLE 3 - REMEDIES

Section 3.1REMEDIES OF LENDER. Upon or at any time after the occurrence of a default under this Assignment beyond applicable notice and cure periods or an Event of Default (as defined in the Security Instrument) which has not been cured (a "Default"), the license granted to Borrower in Section 2.1 of this Assignment shall automatically be revoked, and Lender shall immediately be entitled to possession of all Rents and sums due under any Lease Guaranties, whether or not Lender enters upon or takes control of the Property. In addition, upon or at any time after the occurrence of a Default, Lender, or Assignee acting on behalf of and at the sole discretion of Lender in its capacity as Lender's nominee, may, at its option, without waiving such Default, without notice and without regard to the adequacy of the security for the Debt, either in person or by agent, nominee or attorney, with or without bringing any action or proceeding, or by a receiver appointed by a court, dispossess Borrower and its agents and servants from the Property, without liability for trespass, damages or otherwise and exclude Borrower and its agents or servants wholly therefrom, and take possession of the Property and all books, records and accounts relating thereto and have, hold, manage, lease and operate the Property on such terms and for such period of time as Lender may deem proper and

either with or without taking possession of the Property in its own name, demand, sue for or otherwise collect and receive all Rents and sums due under all Lease Guaranties, including those past due and unpaid with full power to make from time to time all alterations, renovations, repairs or replacements thereto or thereof as may seem proper to Lender and may apply the Rents and sums received pursuant to any Lease Guaranties to the payment of the following in such order and proportion as Lender in its sole discretion may determine, any law, custom or use to the contrary notwithstanding: (a) all expenses of managing and securing the Property, including, without being limited thereto, the salaries, fees and wages of a managing agent and such other employees or agents as Lender may deem necessary or desirable and all expenses of operating and maintaining the Property, including, without being limited thereto, all taxes, charges, claims, assessments, water charges, sewer rents and any other liens, and premiums for all insurance which Lender may deem necessary or desirable, and the cost of all alterations, renovations, repairs or replacements, and all expenses incident to taking and retaining possession of the Property; and (b) the Debt, together with all costs and reasonable attorneys' fees. In addition, upon the occurrence of a Default, Lender at its option, may (1) complete any construction on the Property in such manner and form as Lender deems advisable, (2) exercise all rights and powers of Borrower, including, without limitation, the right to negotiate, execute, cancel, enforce or modify Leases, obtain and evict tenants, and demand, sue for, collect and receive all Rents from the Property and all sums due under any Lease Guaranties, (3) either require Borrower to pay monthly in advance to Lender, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupancy of such part of the Property as may be in possession of Borrower or (4) require Borrower to vacate and surrender possession of the Property to Lender or to such receiver and, in default thereof, Borrower may be evicted by summary proceedings or otherwise.

Section 3.2 OTHER REMEDIES. Nothing contained in this Assignment and no act done or omitted by Lender or Assignee pursuant to the power and rights granted to Lender hereunder shall be deemed to be a waiver by Lender of its rights and remedies under the Note, the Security Instrument, or the Other Security Documents and this Assignment is made and accepted without prejudice to any of the rights and remedies possessed by Lender under the terms thereof. The right of Lender to collect the Debt and to enforce any other security therefor held by it may be exercised by Lender either prior to, simultaneously with, or subsequent to any action taken by it hereunder. Borrower hereby absolutely, unconditionally and irrevocably waives any and all rights to assert any setoff, counterclaim or crossclaim of any nature whatsoever with respect to the obligations of Borrower under this Assignment, the Note, the Security Instrument, the Other Security Documents or otherwise with respect to the loan secured hereby in any action or proceeding brought by Lender to collect same, or any portion thereof, or to enforce and realize upon the lien and security interest created by this Assignment, the Note, the Security Instrument, or any of the Other Security Documents (provided, however, that the foregoing shall not be deemed a waiver of Borrower's right to assert any compulsory counterclaim if such counterclaim is compelled under local law or rule of procedure, nor shall the foregoing be deemed a waiver of Borrower's right to assert any claim which would constitute a defense, setoff, counterclaim or crossclaim of any nature whatsoever against Lender in any separate action or proceeding).

Section 3.3 OTHER SECURITY. Lender may take or release other security for the payment of the Debt, may release any party primarily or secondarily liable therefor and may

apply any other security held by it to the reduction or satisfaction of the Debt without prejudice to any of its rights under this Assignment.

Section 3.4NON-WAIVER. The exercise by Lender of the option granted it in Section 3.1 of this Assignment and the collection of the Rents and sums due under the Lease Guaranties and the application thereof as herein provided shall not be considered a waiver of any default by Borrower under the Note, the Security Instrument, the Leases, this Assignment or the Other Security Documents. The failure of Lender to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Agreement. Borrower shall not be relieved of Borrower's obligations hereunder by reason of (a) the failure of Lender to comply with any request of Borrower or any other party to take any action to enforce any of the provisions hereof or of the Security Instrument, the Note or the Other Security Documents, (b) the release regardless of consideration, of the whole or any part of the Property, or (c) any agreement or stipulation by Lender extending the time of payment or otherwise modifying or supplementing the terms of this Assignment, the Note, the Security Instrument or the Other Security Documents. Lender may resort for the payment of the Debt to any other security held by Lender in such order and manner as Lender, in its discretion, may elect. Lender may take any action to recover the Debt, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Lender thereafter to enforce its rights under this Assignment. The rights of Lender under this Assignment shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Lender shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision.

Section 3.5BANKRUPTCY. (a) Upon or at any time after the occurrence of a Default beyond applicable notice and cure periods, Lender shall have the right to proceed in its own name or in the name of Borrower in respect of any claim, suit, action or proceeding relating to the rejection of any Lease, including, without limitation, the right to file and prosecute, to the exclusion of Borrower, any proofs of claim, complaints, motions, applications, notices and other documents, in any case in respect of the lessee under such Lease under the Bankruptcy Code.

(a) If there shall be filed by or against Borrower a petition under the Bankruptcy Code, and Borrower, as lessor under any Lease, shall determine to reject such Lease pursuant to Section 365(a) of the Bankruptcy Code, then Borrower shall give Lender not less than ten (10) days' prior notice of the date on which Borrower shall apply to the bankruptcy court for authority to reject the Lease. Lender shall have the right, but not the obligation, to serve upon Borrower within such ten-day period a notice stating that (i) Lender demands that Borrower assume and assign the Lease to Lender pursuant to Section 365 of the Bankruptcy Code and (ii) Lender covenants to cure or provide adequate assurance of future performance under the Lease. If Lender serves upon Borrower the notice described in the preceding sentence, Borrower shall not seek to reject the Lease and shall comply with the demand provided for in clause (i) of the preceding sentence within thirty (30) days after the notice shall have been given, subject to the performance by Lender of the covenant provided for in clause (ii) of the preceding sentence.

ARTICLE 4 - NO LIABILITY, FURTHER ASSURANCES

Section 4.1NO LIABILITY OF LENDER. This Assignment shall not be construed to bind Lender to the performance of any of the covenants, conditions or provisions

contained in any Lease or Lease Guaranty or otherwise impose any obligation upon Lender. Lender shall not be liable for any loss sustained by Borrower resulting from Lender's failure to let the Property after a Default or from any other act or omission of Lender in managing the Property after a Default unless such loss is caused by the willful misconduct and bad faith of Lender. Lender shall not be obligated to perform or discharge any obligation, duty or liability under the Leases or any Lease Guaranties or under or by reason of this Assignment and Borrower shall, and hereby agrees, to indemnify Lender for, and to hold Lender harmless from, any and all liability, loss or damage which may or might be incurred under the Leases, any Lease Guaranties or under or by reason of this Assignment and from any and all claims and demands whatsoever, including the defense of any such claims or demands which may be asserted against Lender by reason of any alleged obligations and undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Leases or any Lease Guaranties. Should Lender incur any such liability, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall be secured by this Assignment and by the Security Instrument and the Other Security Documents and Borrower shall reimburse Lender therefor immediately upon demand and upon the failure of Borrower so to do Lender may, at its option, declare all sums secured by this Assignment and by the Security Instrument and the Other Security Documents immediately due and payable. This Assignment shall not operate to place any obligation or liability for the control, care, management or repair of the Property upon Lender, nor for the carrying out of any of the terms and conditions of the Leases or any Lease Guaranties; nor shall it operate to make Lender responsible or liable for any waste committed on the Property by the tenants or any other parties, or for any dangerous or defective condition of the Property, including without limitation the presence of any Hazardous Substances (as defined in the Security Instrument), or for any negligence in the management, upkeep, repair or control of the Property resulting in loss or injury or death to any tenant, licensee, employee or stranger.

Section 4.2NO MORTGAGEE IN POSSESSION. Nothing herein contained shall be construed as constituting Lender or Assignee a "mortgagee in possession" in the absence of the taking of actual possession of the Property by Lender. In the exercise of the powers herein granted Lender, no liability shall be asserted or enforced against Lender, all such liability being expressly waived and released by Borrower.

Section 4.3FURTHER ASSURANCES. Borrower will, at the cost of Borrower, and without expense to Lender, do execute, acknowledge and deliver all and every such further acts, conveyances, assignments, notices of assignments, transfers and assurances as Lender shall, from time to time, require for the better assuring, conveying, assigning, transferring and confirming unto Lender the property and rights hereby assigned or intended now or hereafter so to be, or which Borrower may be or may hereafter become bound to convey or assign to Lender, or for carrying out the intention or facilitating the performance of the terms of this Assignment or for filing, registering or recording this Assignment and, on demand, will execute and deliver and hereby authorizes Lender to execute in the name of Borrower to the extent Lender may lawfully do so, one or more financing statements, chattel mortgages or comparable security instruments, to evidence more effectively the lien and security interest hereof in and upon the Leases.

Lender may forward to each purchaser, transferee, assignee, servicer, participant or investor in such Securities or any credit rating agency rating such Securities (collectively, the "Investor") and each prospective Investor, all documents and information which Lender now has or may hereafter acquire relating to the Debt and to Borrower and the Property, whether furnished by Borrower or otherwise, as Lender determines necessary or desirable.
