Amended Notice of Appeal

Plaintiff hereby appeals a ruling from the bench during trial October 2 – 13, 2017 which directed a verdict against the plaintiff on the state created danger cause of action; the court's decision as to the privacy cause of action, and the court's decision not to charge the jury as requested by the plaintiff in response to a question from the jury; each of which preceded the the underlying the jury verdict for the defendants, that verdict having been filed October 16, 2017.

Also appealed is the order of the Hon. Brian M. Gibbons, who granted summary judgment on certain causes of action by written order filed August 10, 2016.

The 2016 ruling of Judge Gibbons is attached. The rulings of Judge Jefferson are contained within the trial transcript, issued from the bench, rather than being embodied in a written order.
