Re: *Harbour Cove Condominium Assoc. vs. Centex Homes, et al.*
Civil Action No.: 2014-CP-26-7634
Appellate Case No.: 2017-002152

Dear Shelby:

Thank you for working with us to resolve the issues indicated in the Court of Appeals letter dated October 19, 2017, regarding the appeal referenced above. Please let this letter confirm my understanding of your conversation this morning with my paralegal, Amy Eversole.

In response to the filing of a Notice of Appeal from several parties, the Court is going to issue an Order which will ask all counsel to come together to create a standard caption. We will also provide a file-stamped copy of Judge Newman's Order, previously submitted unfiled as Exhibit A.

I understand that the proof of service that we filed with Clarendon's notice of appeal is correct and that no further action in that regards required, but that some of the others that filed Notices of Appeal, may have some corrections to make.

Until we receive this Order, no action is required by us at this time to correct the deficiencies listed in the October 19th letter.

Please let us know if we misunderstood anything that we need to do in this matter and thank you for your time.

Sincerely,

WALL TEMPLETON & HALDRUP, P.A.
