Re: Appellate Case No. 2017-002215

Honorable Clerk,

I have received copy of 'Order' To Dismiss, filed Nov. 13, 2017 on Appellate Case No. 2017-002215. Accordingly, the 'Order' cited that, "Appellant failed to correct deficiency for motion to proceed in forma pauperis, as required by Rule 203 and 240 of the South Carolina Appellate Court Rules, and with this Court's letter dated October 25, 2017."

I am writing to inform Clerk and Court, that I am an inmate at the Evans Correctional Institution, which has imposed undue hardship, [redacted] through interference, by repetitious lockdowns, which have infringed upon the free course for responding to legal matters, in an unobstructed, and time mannered discipline, and that have occurred and continue to, during this time period of the correspondence between Appellant and the Court, which have apparently had an adverse effect upon Appellant's right for access to the Court by absence of State obstruction, regardless of any state mitigating factors.

I did respond to Clerk's letter dated October 25, 2017 according to corrections suggested, and in the best of my ability and diligence under the prevailing circumstances of state impositions, I did comply.

If this letter does not serve to show cause and prejudice against Appellant for the purpose of reversing the 'Order' and reinstating the case, then, let this letter serve to notify the Court of my intent to appeal the Order for Dismissal.

Thank you.

With warm, personal regards, I am

Sincerely,

November 20, 2017
