Re: *Mark Teseniar v. Fenwick Plantation*
Appellate Case No.: 2016-000185

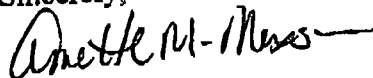

Dear Ms. Kitchings:

I hope this finds you well. I am writing in response to the Court's November 8, 2017 letter requesting any conflicts should oral arguments be scheduled in the above-referenced matter during March 5, 6, 13, 14 or 15, 2018. At this time, Justin Lucey's only available date is March 5, 2018, as all other dates are conflicted due to a scheduled mediation in one case and a date certain trial in another case.

Please do not hesitate contact me should you have any questions.

With best regards, I remain

Sincerely,

Annette M. Mixson
Paralegal
