SC Court of Appeals

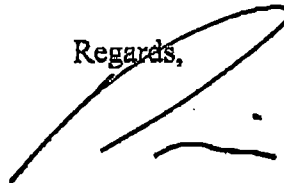

Dear Sir/Madam:

I am writing to find out the status of the trial transcript in the above-captioned case. The case was tried before the Honorable Casey L. Manning on October 12-13, 2016. The transcript was ordered in January of 2017 and extensions were granted through the end of April, 2017. It appears that the court reporter, C.Holmes, is no longer employed by Court Administration. Has another court reporter been assigned to complete the transcription? To date, no transcript or status has been provided to me as counsel for the Plaintiff/Respondent so I would appreciate an update as soon as practicable.

I am sure that you can appreciate that my client is anxious to get the appeal adjudicated as soon as possible.

Please let me know if you have any questions or need anything further from me.

Regards,

Page M. Kalish
