REF: Appellate Case No. 2017-001962

Dear Mr. Shearouse:

Please find enclosed Appellant's Petition to Supreme Court of South Carolina. I am requesting special permission to submit this petition because of unfair rulings, pure harassment and financial burdensome towards Appellant to deny justice.

I am Pro Se. Appellant would like special permission to submit a Writ of Certiorari without a Record on Appeal because my physical health and financial burdensome from previous actions by the state of South Carolina. I was secretly blackballed an illegal employment discrimination to deny earning an income through employment now be required to pay substantial fees that are not available which is Double Jeopardy.
