(transcripts)

Dear Jenny Kitchings, Clerk

I am indigent, I owe medical for receiving  
diabetic medication over \$500.00 restitution. Therefore all  
my pro-se filings are under indigent status that I  
file with the courts. Inspecitally the SC Supreme Court,  
which transferred my case down to the SC Court of  
Appeals. I only had one trial transcript of the record of my  
jury trial of September 22-24 2008 case 2002-6523-1063 Before Judge  
Larry R. Patterson. I sent it in my pro-se memorandum  
enacted I filed in reference to the Johnson Petition by Appellate  
Defense lawyer filed. These records were transferred  
to the SC Court of Appeal. Appellate Case 2005-002191, also  
reference to appellate Case 2016-000966 I sent a copy of  
that transcript, because the state filed a motion requesting that  
submit a copy of the September 22-24 2008 Trial transcript of  
Criminal Case 2002-6523-1063. I requested due to my indigency that  
SC Court of appeal make a copy of the transcript and provide  
the attorney general's office with a copy. The Court of Appeal  
granted me that, because of my indigency. I am now seeking  
Habeas Corpus relief as soon as the remittitur is sent  
down from this Court. I am requesting that you please  
provide me a copy of the record of my filings pertaining
