Appellant requests a ten-day extension for both parties to file Final Briefs. This motion is based on the ground that Respondent recently identified three documents that it believed were not included in the Record on Appeal. However, after consultation, the parties determined the three documents are included. As a result, both parties anticipated a second supplemental record on appeal being filed, which we now realize is not necessary. Therefore, appellant requests that both appellant and respondent be given leave to file Final Briefs on or before Monday, December 11, 2017.

Respectfully submitted,
