Re: Ronald L. Legg #359236 v. SCOC
Appellate Case No 2017-002215

Dear V. Claire Allen,

I have received your letter dated Nov. 22, 2017 in response to my letter dated Nov. 20, 2017, which you have construed as a motion to reinstate, and found deficiency of proof of service.

I am writing now to inform you that this Institution has gone through various lock-downs, which have interfered with inmate access to law library. The letter I wrote, dated Nov. 20, 2017, you reference, was preliminary to the actual 'Motion To Reinstate'; I did mail to you dated Nov. 22, 2017.

You should have received 'Motion To Reinstate', with Proof of Service, before you receive this letter. That motion should supersede the previous letter giving notice of intent to appeal your Order To Dismiss.

Thank You
