RE: State v. Choice; 2013-002735
15-0014-R

S.C. SUPREME COURT

South Carolina Supreme Court
Request for extension of time

Comes now the above named Appellant in the above cited Case, respectfully request an extension of time in which to file his petition for writ of Certiorari before the SC Supreme Court. Petitioner's previous attorney dropped Petitioner's case and was relieved of his duties as counsel, while only bringing this matter to the petitioner's attention 30 days prior of his petition is to be filed. This places the petitioner in a serious disadvantage to properly prepare, and file his petition before the Court, without an attorney, and petitioner contends that it isn't possible for him to prepare and file at such short notice without counsel. Therefore, petitioner request an extension of time to be appointed and/or to retain counsel to properly prepare and file his petition before the Court.

Respectfully
Mr. Kevin L. Choice
