Re: State of South Carolina vs. Tyrone L Robinson 2012-GS-07-1939

Dear Ms. Kitchings:

Please find the enclosed Amended Notice of Appeal, Certificate of Service, Verdict Form, Sentencing Sheet and Order Denying Motion to Reconsider in the above Beaufort County General Sessions Action. Please return a clocked copy of the Notice of Appeal and Certificate of Service in the enclosed SASE.

I was appointed to represent Mr. Robinson in his PCR action. Mr. Robinson's PCR was dismissed without prejudice when it was determined that he still had a pending Motion to Reconsider Sentencing. Judge Thomas Cooper, Jr. then signed an order denying the motion to reconsider sentencing, which was filed November 13, 2017. On October 26, 2017 Appellant filed a *pro se* Notice of Appeal, which on information and belief was premature as it pre-dated the filing of the final order in the General Sessions action. The enclosed Amended Notice of Appeal is an effort to correct any procedural deficiencies in this action.

With best regards, I am,

James K. Falk

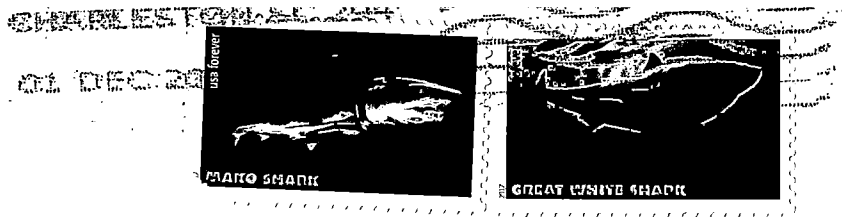

Thank you for your assistance.
