Courtney Forrest, Employee/Respondent,

v.

Advanced Disposal Services, Inc., Employer/Appellant,

and

Arch Insurance Company, Carrier/Appellant.

Motion to Reinstate/File Out of Time

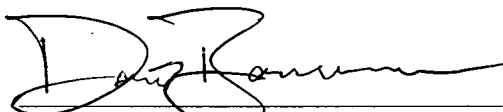

The above-named Appellants hereby move this Court to reinstate their appeal of the above-referenced workers' compensation matter and permit the Appellants to file its written request for the transcript of the underlying hearing out of time. The Appellants' appeal was dismissed by an order of the Court of Appeals, dated December 4, 2017, for failure to file correspondence ordering the transcript of the hearing on appeal and not filing a motion requesting permission to order the transcript outside of the filing deadlines as required by Rule 207 of the South Carolina Appellate Court Rules and correspondence from the Court.

In support of this Motion, Appellants would show the following:

On or about October 5, 2017, Appellants timely filed their Notice of Appeal with the South Carolina Court of Appeals. On or about October 23, 2017, Appellants received a letter from the Clerk of Court of the Court of Appeals advising that a copy of the letter showing that Appellants' had ordered the transcript must be filed within ten days, along with a motion to file out of time. Due to a clerical processing error, counsel for Appellants was not provided this correspondence for review following receipt and was not aware of its existence until receipt of the dismissal notice dated December 4, 2017. On December 5, 2017, Appellants received the aforementioned order dismissing their appeal for failure to comply with Rule 207. In the order, the Court references a second deficiency letter that was issued on November 9, 2017. After consulting with staff and a diligent search of filing systems, mail room, and attorney and staff offices, Counsel for Appellants can find no record of receiving this second letter in their file. Upon receipt of the Court's order, Appellants have made the requisite written request for the transcript and hereby file that correspondence along with this Motion to file the letter out of time. See Exhibit 1.

Appellants respectfully move this Court for an order reinstating their appeal in the above-referenced matter. Additionally, Appellants respectfully move and request that the Court allow Appellants to file the written request for transcript outside of the time limits provided in Rule 207, SCACR.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "R. Daniel Addison", written over a horizontal line.
