RE: Dedric L. Isreal v. State of South Carolina; 2015-001654

Dear Mr. Shearouse:

The PCR hearing transcript in this matter is due to be ordered by September 18, 2015. I was retained to handle the PCR, but not the appeal from the denial of the PCR. I have contacted Appellate Defense and provided their office with my client's affidavit of indigency; however, they are requesting more information from my client before they will determine if they will represent him on appeal. Consequently, I am requesting a thirty-day extension of time in which to order the PCR hearing transcript in this matter, which will extend the time to order the transcript to October 19, 2015. I expect that Appellate Defense's decision on representation will be resolved by October 19. With my thanks for your assistance in this matter and my best regards, I am,

Yours sincerely,
