

BEFORE THE SUPREME COURT OF SOUTH CAROLINA

Appellate Case No. 2016-002541

State of South Carolina, and City of Columbia, SC
v. Marie Assa'ad-Faltas, MD, MPH

On Petition for a writ of certiorari
To the Court of Appeals of South Carolina

**SIXTH SUPPLEMENT TO MOTION to Appoint Counsel for Rehearing OR to Allow Petitioner
to Argue Rehearing pro se; AND, in either case, to Extend the Time to File for Rehearing.**

Dr. Assa'ad-Faltas hastens to attach hereto the *substituted-and-now-fully-annotated* Part II of Teresa Ingram's testimony in Dr. Faltas' 22-26 February 2010 General Session jury trial, Judge C. Newman presiding. Page numbers after the text in Parts I, II, and III are reserved for the photos and other attachments.

God willing and this Court permitting, an analysis of that trial shall be filed ASAP.

Submitted on 11 December 2017 ~~and served by personal delivery of a copy to the office of SC's Attorney General.~~

S.C. SUPREME COURT

[pages 56 to 203 are extracted in separate documents] *****
[page 203, line 25 to page 204, line 3] The Court: Any witnesses who have been subpoenaed in this case who are wishing to challenge the issuance of the subpoena we will be in touch with you as long as you make it known to us who you are.

[4-5] (Whereupon, the jury was brought into open court at 2:19 p.m.)
[6-7] The Court: Ms. Ingram, if you'll take your spot up here. The witness is still under oath. You may continue.

[8-9] Ms. Weiss: Thank you, Your Honor. May it please the court?

[10-11] Teresa Ingram, having been previously sworn and remaining under oath, testified as follows:

[12-16] Ms. Weiss: May it please the court? Your Honor, it's come to my attention that the witness had some information she wanted to take with her I think to help refresh her memory. Is there any objection by the defense to her having notes with her on the stand?

[17] Dr. Faltas: I need to see the notes!

[18-19] Ms. Weiss: It's not notes to be put into evidence. It's notes to refresh her memory.

[20] The Court: All right. You may proceed.

[21] Ms. Weiss: Thank you, Your Honor.

[22-23] (State's exhibits 1 through 6 were marked for identification only.)

[page 205, lines 1-2] Direct examination By Ms. Weiss:

[25] Q. Teresa, I'm going to show you what's been marked as State's exhibits 1 through 6 for identification at this point.

[26] Dr. Faltas: I object, Your Honor.

[27] The Court: It's noted. The objection is noted.

[28] Ms. Weiss: Thank you.

[29] The Court: You may proceed.

[110-113] By Ms. Weiss: Q. I'm going to show you what's been marked State's exhibits 1 through 6. Without identifying them, do you recognize these photos?

[114] A. Yes.

[115-116] Q. Going one at a time, let's start with... Going one at a time, can you describe what is depicted in those photos?

[117-118] A. Do you want me to show them to the jury or just tell you?

[119] Q. No, just describe them.

[120] A. Okay. In this first one it shows —

[121] Dr. Faltas: Your Honor, I'm sorry. May I move —

[122] The Court: Yes.

[123] Dr. Faltas: — there? Yes?

[124 to page 206, line 7] The Witness: In this first picture it shows Richard apparently leaving. This picture just shows her in her car parked outside the mailbox taking pictures of my car and his truck in front of my building. This picture shows her peeking out her window just taking a picture of him leaving. This is another picture of him leaving. It's just showing the truck, no person, just the vehicle. And this picture shows where she tried to get a side picture of his truck, and Mitch's truck is in that.

[129-131] By Ms. Weiss: Q. And do these pictures accurately depict Richard's vehicle as well as your apartment complex as — I mean, is there anything altered? Do they accurately depict ---

[132] Dr. Faltas: Objection.

[133] The Witness: Accurately.

[134] Ms. Weiss: --- this location?

[135] The Witness: Accurately.

[136] Dr. Faltas: Objection. Compound.

[137] The Court: The objection is overruled.

[138-139] Ms. Weiss: Your Honor, at this time I move to admit State's exhibits 1 through 5.

[140-141] The Court: Any objection to those pictures being admitted into evidence?

[142] Dr. Faltas: Yes, Your Honor.

[143-144] The Court: All right. The objection is overruled. They're admitted over objection.

[145] Ms. Weiss: Thank you.

[page 207, line 1] (State's exhibits 1 through 5 were received in evidence.)

[146] By Ms. Weiss: Q. Now, if you'll just go through 1 through 5 just showing them to the jury and just tell the jury what the exhibit number is on the back as you show it to them.

[147-148] A. This first one is exhibit number 5,¹¹¹ and it shows Richard basically just leaving.

[149-150] Q. And if you can, since it's been since yesterday, who is Richard?

[151] A. Boyfriend.

[152] Q. And it's your boyfriend?

[153-154] A. Yes, my boyfriend. This picture which is exhibit number 4 depicts the building in which I live in, and it shows her rear-view mirror which shows that she sits out by the mailbox and takes pictures. That's my car and that's Richard's truck. This is exhibit number 2---

[155] Dr. Faltas: Your Honor ---

[156] The Witness: ---and this is---

[157-158] Dr. Faltas: --- may I ask that she raise it so I can see?

[122 to page 208, line 7] The Witness: This -- this depicts her peeking out her blinds just to be able to snap a picture, and it depicts him leaving as well. This is another -- exhibit number 1, she's doing the same thing. It's him leaving, and she's taking a picture. And this is exhibit number 3, and it just shows where obviously she was just trying to take a picture of his truck right here in the corner, and that's Mitch. That's the neighbor that lives in her building. So you see it's a little space -- it's a good piece in between. So she would have to make a way to actually see what goes on in front of my building.

[159-160] By Ms. Weiss: Q. And in State's exhibit 3, is that the side of your building?

[161] A. Yes.

[162-163] Q. That you can see out of her window? Okay. I show you State's exhibit 6. Can you identify what's in that photo?

[164-167] A. In this photo this -- excuse me. In this photo it shows me talking with the policemen, and she's taking pictures of me talking with the policemen. I think on that day she called the police on the police!

[168-169] Ms. Weiss: Your Honor, at this time I'd move State's Exhibit 6 into evidence.

¹¹¹ State's Exhibit 5 is not the "first" photo chronologically in that set. Baseless renumbering of photos to falsify the chronology pervaded this trial!

20 **The Court:** Show it to Dr. Faltas.

21 **Dr. Faltas:** Objection, Your Honor.

22 **The Court:** Basis for the objection?

123 to page 209, line 21 **Dr. Faltas:** And the continuing -- the second thing is she did not take the picture. She has no knowledge of why I took the picture. I also pray the Court to tell them to disregard her statement that that day I called the police on the police. She does not have personal knowledge of that.

124 **The Court:** All right. The objection is overruled, and the picture is admitted into evidence.

125-61 (State's exhibit 6 was received in evidence. State's exhibits 7 through 99 were marked for identification only.)

72-81 **By Ms. Weiss:** Q. And who is in this photo?

91 **A.** I am in the photo in the middle with two officers.

100-111 **Q.** And did you call the police or do you know if this is a day that you called the police?

121 **A.** I'm not sure.

131-171 **Q.** Okay, Your Honor, I'm going to try to do this a little bit more -- a little bit more easily. I'm going to ask you to look at Defense -- at State's exhibits 7 through 99.

If you'll just flip through these very briefly and just see if you recognize these photos.

115-120 **Dr. Faltas:** I object, Your Honor, to the huge number at once.

120 **The Court:** The objection is overruled.

21-22 **The Witness:** (The witness looks at the photographs.) They are all pictures of me and my family.¹¹²

123 **Dr. Faltas:** May I see?

124 **The Witness:** Friends. My car.

251 **Ms. Weiss:** Just leave them in that order.

1 page 210, line 11 **The Witness:** Me doing nothing.¹¹³

12-41 **Ms. Weiss:** Just one moment. Let the defendant look at the photos. (Dr. Faltas looks at the photographs.)

5-61 **Ms. Weiss:** Your Honor, for the record the defendant was provided a copy of each of these photos represented.

7-91 **Dr. Faltas:** No, I was provided a black-and-white copy,¹¹⁴ and I object to Ms. Weiss saying that in the presence of the jury.

110 (Dr. Faltas continues to look at the photographs.)

111-121 **The Court:** Do you have further questions to ask the witness --

131 **Ms. Weiss:** Your Honor, they're all about the photos.

141 **The Court:** -- that doesn't relate to those photographs?

15-171 **Ms. Weiss:** Yes, they relate to the photographs, Your Honor. I can go ahead and I can take the ones she's already looked at. I can start with those.

181 **Dr. Faltas:** I'm almost through. Almost through.

19-201 **Ms. Weiss:** If you can let me have the ones you have already looked at.

211 **Dr. Faltas:** Almost through.

22-234 **By Ms. Weiss:** Q. Teresa, do all of these accurately depict you and your friends, your apartment and your car and your friends' cars?

251 **A.** Yes, and family.

1 page 211, line 11 **Q.** And family. Sorry. Family.

2-31 **Ms. Weiss:** Your Honor, at this time I move State's exhibits 7 to 99 into evidence.

41 **The Court:** What says the defense?

61 **Dr. Faltas:** Objection.

67-71 **The Court:** Objection is overruled. They're admitted into evidence.

8-91 (State's exhibits 7 through 99 were received in evidence.)

100-111 **By Ms. Weiss:** Q. Please show -- tell the jury what this picture depicts.

121 **A.** This picture shows me and my brother---

113-141 **The Court:** Just a moment. Anything that's in evidence that's referred to must be referred to by exhibit number.¹¹⁵ [Vide endnote]

115-211 **The Witness:** Oh, I'm sorry. This is exhibit number 7, and the picture depicts my brother and I. He was apparently trying to leave for work and she had blocked his car on that day, and you can tell by her rear-view mirror where she was almost in front of him,¹¹⁴ but by that time she could notice that my brother and I was on the phone trying to contact 9-1-1 at that time!

122-251 **By Ms. Weiss:** Q. Now, State's exhibits 8, 9, and 10, as far as you can tell, were these all taken on the same day? Is there a date on those photos?

1 page 212, line 11 **A.** Yes, it does have a date.

21 **Q.** And what is the date on the photos?

31 **A.** The date has the ninth month, 26, '09.

41 **Q.** 9/26/09?

51 **A.** Yes.

62-71 **Q.** And what do those photos depict? Show them to the jury and just talk about them by...

8-141 **A.** Exhibit number 8 just shows my brother's car right here, and it also has her rear-view mirror to show where she sits in the car and takes the pictures. Exhibit number 9, a different angle and still her rear-view mirror of my brother's car in front of my building. That's a dentist office beside the building. And this is a really close shot that has my brother's vehicle and license tag.¹¹⁵

151 **Court Reporter:** I'm sorry. That's your brother's?

116-171 **The Witness:** License tag and vehicle number and that was exhibit number 10.

118-211 **By Ms. Weiss:** Q. I show you State's exhibits 11, 12, 13, 14, 15, and 16. Going through each of these, will you please show these to the jury and tell them what the pictures depict?

121 to page 213, line 10 **A.** [21 to page 213, line 4] Okay. This is exhibit number 11, and it shows a picture of my car at the far end of my building which would actually be in front of my building. This shows a picture of my car, the tail end of my car, and this is exhibit number 12, which is also parked in front of my building. This is exhibit number 13, and it depicts myself and a friend apparently leaving, and there she is snapping pictures and I'm waving at her just to say we see you taking pictures.¹¹⁶ [5-10] This is another picture of us the same day. She's still taking pictures, of course. That shows my car still on my side in front of my building, and this is a closer shot of her taking pictures. And this is another shot. It could be the same but different focuses maybe, but this is the same picture on the same day, me and my friend leaving.

131 **Q.** Which friend would that be?

141 **A.** Wendy Ceo!

151 **Q.** And that's State's exhibits 13, 14, 15, and 16?

161 **A.** Correct.

115-171 **Q.** All show you and Wendy. When you're waving in that picture, what was going through your mind? Was that a friendly wave?

¹¹² Circa half the photos are of inanimate objects not owned by Teresa and/or of persons who are neither her family nor friends.

¹¹³ Teresa was not "doing nothing" in that photo. She was calling police on Dr. Faltas to build a record against her. Vide note 154, *infra*.

¹¹⁴ By objective measurements, there are over 60 feet between the two cars in that photo.

¹¹⁵ Teresa and her brother admitted: (1) not knowing what a zoom lens is and (2) no car is "blocked in" in any photo. Tr. pp 272-3 and 395-6.

¹¹⁶ Teresa admitted that it was her friend, Windy Ceo, who had a camera pointed at Dr. Faltas first. Tr. p 240, *infra*.

118-221 A. It was not a friendly wave. It was a wave as to say: Please stop.¹¹⁷ We see you. Just hey. Maybe she'd stop if you wave. I don't-- that doesn't work. It was just a wave, a cynical wave!

122-221 Q. And were you and Wendy -- and what time of day was this? Do you know? Do you remember this?

124 A. Maybe about three or four, something --

125 Q. This was during the day.

126 A. Yeah, it was during the day.

127-1 Q. And do you have any idea where you or Wendy were either going or coming from?

128 A. I have no idea.¹¹⁸

129 Q. And was there anything illegal going on ---

130 A. Oh, no.

131 Q. --- when this was happening?

132 A. No. Never.¹¹⁹

133-134 Q. I'm going to show you State's exhibits 17, 18, 19, and 20. Can you tell the jury just in these four photos who's in the photos and what is in the photos, what's being depicted?

135 A. Excuse me. This is exhibit number 17, and it shows Richard Cooper and I. Obviously we were coming back from somewhere because we were walking into my building.¹²⁰ She had been saying words,¹²¹ so I was waving to her once again cynical: "I see you; give it a rest." And as you can see, he's walking towards me as if to just go on in the apartment.¹¹⁸⁻²³¹ So this just shows a closer picture of me asking her to please stop,¹²² and it shows that Richard is kind of seeing or showing that just to go on inside, like she takes perfect pictures as to the conversations and movements. So she got me in conversation with her asking her to stop,¹²³ and it's showing Richard telling me to go on inside.¹²⁴ This is the same day. That's Richard now looking at her just in awe and amazement like this really goes on every day,¹²⁴ and this is just a picture of her obviously parked behind -- directly behind his truck right here to get a picture.

136 Q. State's exhibit 21, what does this depict?

137 A. That depicts the back side of the building where I live.

138 Q. Okay. And---

139 A. And in that top left square where the rail is, that would be the balcony to my apartment.

140 Q. And do you know from what angle this photo was taken?

141 A. She would have had to have been on her balcony.

142-143 Q. State's exhibits 22, 23, 24, 25, and 26, I believe these are all taken about the same time, so if you can just state what this grouping of photos depicts.

144-145 A. Okay. Do you want me to go over them separate or just ...

146-146 Ms. Weiss: Your Honor, if it's okay just to go by the grouping of photos, that group I just named out?

147 The Court: Okay.

148 Ms. Weiss: Thank you, Your Honor.

149 The Witness: Okay. In these groups of pictures it shows me walking my company, Corey, downstairs and,¹²⁵ of course, he's not happy because she always calls the police whenever he's over or she always makes it her business to harass him.¹²⁶ So this would depict him being tired of her. This is her just constantly taking pictures, and that's her -- that's her windshield, as always, her rear-view mirror. That's him. We're either waiting on the police here or we're all outside, but that's still her taking pictures. It's all the same time frame. It's all the same evening.¹²⁷

149-41 By Ms. Weiss: Q. Do you recall if this evening¹²⁸ if she was just taking pictures or if she was saying things?

150 A. She had been taking pictures and saying things.¹²⁹

151 Q. Exhibit 27, do you know what this depicts?

152-153 A. That depicts her inside of her apartment out her window taking a picture of me talking to the police.

154 Q. Okay.

155 Dr. Faltas: What number was that? I'm sorry.

¹¹⁷ "Please stop" cannot possibly be read in Teresa's ecstatic smile; and she is standing across the car from Wendy Ceo, who is pointing a camera at Dr. Faltas. The true explanation is in Dr. Assa'ad-Faltas' testimony at Tr. p 702, lines 5-7. State's Exhibits 13-16 are pasted on a separate sheet. Teresa could not have had her friend photograph Dr. Faltas in her car to tell Dr. Faltas to "please stop" taking photos.

¹¹⁸ The photo sequence, proven by the frame numbers on the negatives and the progress of the shadows from the southwest-west sun, and Teresa's position at the car door establish that Teresa and Wendy were "going," not "coming." Weiss is aware of the conflict of the time of day of those photos with Teresa's false pretense that she was employed "seven to three" "five days a week." Tr. p 31, lines 17-22.

¹¹⁹ Ingram was later convicted of disorderly conduct which victimized Dr. Faltas, case L083175; so, clearly, something "illegal was going on."

¹²⁰ Vide footnote 36, *supra*, and the separate sheet with this photo set pasted thereon. All three are early in the morning because Teresa's shadow is long in front of her from the east sun behind her. The white socks and black flip-flops are seen in all other photos where Teresa is neither going to, nor coming from, an address beyond 300/304 Byron Road, Columbia, SC 29209. Richard Cooper is also in home clothes. All three photos are clearly taken from a vehicle Dr. Faltas is driving. It is thus impossible for Dr. Faltas to have gotten Teresa "in a conversation" from that distance. The one photo of Teresa and Richard "going into [Teresa's] building" clearly shows Richard pulling Teresa in as she tries to make one more threat to Dr. Faltas. The photo-documented fact is that Teresa is standing in front of Building 304, where Dr. Faltas lived, which is south of Building 300, where Teresa lived. And the only non-intelligence-insulting explanation is that Teresa planted herself there to prevent Dr. Faltas from parking back in front of, and entering, her own building after she had finished circling with the lesser-used of her two vehicles to recharge its battery. Tr. p 699, lines 16-18.

¹²¹ Dr. Assa'ad-Faltas' larynx is partly paralyzed, Tr. p 539, lines 9-16; so she could not have projected her voice across the parking lot.

¹²² Vide notes 119 and 120, *supra*.

¹²³ Vide notes 119 and 120, *supra*.

¹²⁴ Undeniably, Teresa is standing in front of the building where Dr. Faltas lived, not the reverse.

¹²⁵ According to the frame-stamped negatives and to contact sheet on the non-active side of the CD containing digitization of those negatives, in Frames 1-3, PWID-cocaine and burglary convict Corey Lamont Curry was ALONE in the 300/304 Byron Rd. parking lot. In no picture is Teresa "walking [her] company, Corey, downstairs." Corey was already downstairs.

¹²⁶ The real reason Corey Lamont Curry was unhappy is that Dr. Faltas thwarted his drug drop that day.

¹²⁷ It was NOT "evening." Teresa's 911 call is automatically voice-stamped "Wednesday, October 21st 2009. The time: 13:38"

¹²⁸ Solicitor Weiss betrays her awareness that "Wednesday...13:38" is a time Teresa would not be home *is she were really employed then.*

¹²⁹ The recording of Teresa's 911 call does not have Dr. Faltas' voice at all, only the voices of Teresa, Corey, Tiffany and her toddler.

113 Ms. Weiss: State's exhibit 27.

114-151 By Ms. Weiss: Q. All right. State's exhibit 28?

116-118 A. That shows me walking my brother outside, and she's - I think on that picture she was talking to him, asking him about his work or something on that day.¹³⁰

119-201 Q. State's exhibits 29 and 30, do you know what these depict?

121 A. It depicts Richard leaving.

122 Q. Okay. And is there a date on these photos?

123 A. Yes. It says 9/10 - what? 10/9/11.

124 Q. I believe 10/11/09?

125 A. 10/11/09, yeah.

(page 217, lines 1-31) Q. State's exhibits 31, 32, 33, 34, 35, 36, 37, and 41, if you'll look at this grouping of photos. What does this group of photos represent - depict?

126-131 A. That depicts -- one day it was beautiful outside. I went on my balcony, and I noticed the man that lives downstairs from me had company and the guy was sitting outside. So I was on my balcony saying how nice of a day it was, and me and him was conversating (sic),¹³¹ and she came outside with her camera, started calling me all kind of names, vulgar names,¹³² and was arguing with the man that was sitting outside. That's what those pictures depict, and I was inside of my balcony, so she was leaned over on her balcony.

134 Q. At any point did you call her out to her balcony?

135 A. Never.¹³³

136-171 Q. Were you actually have a discussion with her on her balcony?

138 A. Never.

139 Q. What types of vulgar names was she calling you?

140-211 A. Bitch, prostitute, killer, but mainly a bitch and prostitute.

122-231 Q. Do you have any idea why she would have been calling you this to your balcony in front of this man?

124 A. Well, no. She says that every chance that she gets.

125 Q. State's exhibits 38, 39, 40, what do these depict?

(page 218, lines 1-31) A. It depicts her obviously out by the mailboxes taking pictures of my vehicle and Richard's vehicle, and it's a perfect picture of the apartments.

141 Q. And these apartments, that would be whose apartment?

141 A. I live in that building, and she lives in that building.

142-171 Q. So two separate buildings. Okay. State's exhibits 42, 43, and 44, I show them to you.

141 A. It obviously shows me leaving.

141 Q. State's exhibits 45, 46, 47, and 48.

110-141 A. It shows the picture of the parking lot and my car and my brother's car and my neighbor's car, and it has - this picture right here which is exhibit number 45, it shows me talking with someone. I'm not sure who that is, but that's me in front of my building.¹³⁴

145 Dr. Faltas: Your Honor? Your Honor?

146 The Court: Yes.

117-211 Dr. Faltas: I object to what Ms. Weiss is writing on here. Victim. We have agreed that she's an alleged victim and she had not said anything - Ms. Weiss started writing before the witness spoke, and I object to her saying - writing victim!

122 The Court: All right. The objection is noted!

124 to page 219, line 11 By Ms. Weiss: Q. State's exhibits 49, 50, 51, 52, 53, 54, this series of photos, if you would please tell the jury what this series of photos depicts.

12-121 A. That's the day my father and my two uncles came to Columbia. My father came to pick up some storm windows because they're remodeling their house. His truck stopped on him at my apartment. Because we all know how she is, I asked him to try to have somebody come from Sumter as quick as possible to not cause problems in my dad's life. So when - as my uncles came to get my dad and we're all outside, lo and behold here she comes with her camera and starts snapping pictures away,¹³⁵ snapping, snapping, snapping, and not to mention she says that those are my clients,¹³⁶ my dad and my uncles.

113 Q. And who have you heard her say that to?

141 A. A judge in court.¹³⁷

115 Q. Speaking about these photos.

116 A. Yeah, about those photos.¹³⁸

117 Q. And for the record, who exactly is in these photos?

118 A. Myself, my uncles,¹³⁹ and my dad.

119 Q. Approximately how long was your dad's car out there?

120 A. No more than two hours.

¹³⁰ With her larynx half paralyzed, Dr. Faltas is physically unable to project her voice across that 180-foot 300/304 front yard!

¹³¹ Only the chronologically penultimate photo shows Teresa even looking towards "the guy." She turned to him only at the end.

¹³² An audio recording made by Dr. Faltas of that conversation proves Teresa insulted Dr. Faltas, not the reverse.

¹³³ Solicitor Weiss had seized and concealed the chronologically first and eighth frames of the 13 October 2009 set: John (Mitch) Jone, standing under Dr. Faltas' balcony and calling out to her then sitting, smoking and enjoying the argument. The true chronology of the events of that day is shown on separate sheets with the photos (and magnification of some) in true chronological order.

¹³⁴ The photo is NOT in front of Building 300, Byron Road; and Teresa later admitted she knows to whom she spoke.

¹³⁵ The set of 17 October 2009 is six photos reproduced on separate sheets. They show Teresa with a wire coat hanger in her hand and, at the very least, suggest the vehicle being towed may have been forced open with the wire coat hanger. Tr. pp 260-62, *infra*.

¹³⁶ Curtis Ingram testified that: (1) Dr. Faltas never spoke to him, Trial Tr. p 418, lines 16-23; (2) his brother smiled at being photographed, Tr. p 419, lines 6-11; and (3) he knows a wire coat hanger may be used to force a car door open, Tr. 416-17.

¹³⁷ This 22-26 February 2010 General Sessions trial followed four 2009 magistrate court events attended by Teresa and Dr. Faltas: 22 September (TRO); 29 September to 1 October (eviction); 14 October (TRO); and 10 November (TRO). All four are audio recorded and the last one was also transcribed. Nowhere did Dr. Faltas say that Teresa's "dad and uncles" are her clients!

¹³⁸ The 10 November 2009 TRO hearing before Lykesland Magistrate Davis is the only hearing postdating "these photos."

¹³⁹ To the extent Teresa suggests all her uncles are in the photos of 17 October 2009, that is false: Leon Ingram is not in any of the photos.

121-221 Q. And did Dr. Faltas come out and approach your father and your uncles?

123-221 A. No, she just came out, the usual staring and the taking and snapping of pictures. It's done in a way to make you react or respond.

124-221 Q. Now, the next set of photos is October 21st, 2009, and I believe you testified about this date yesterday. Who is that depicted in the photo?

124 A. That's Corey.

125 Q. Okay. And how do you know Corey?

126 A. He sells movies and music D.V.D.'s.¹⁴⁰

127 Q. And is he a friend of yours?

128 A. He is an associate.

129 Q. And do you --

130-131 A. So that's friend. Friend is more deeper than an associate. So friend-associate.

132 Q. Do you watch movies with him?

133 A. Yeah.

134 Q. Okay. And who is that?

135 A. That's Corey again and --

136 Q. Who is that?

137-138 A. That's the shade-tree mechanic. I don't even know his name.¹⁴¹

139 Q. And what was he doing there?

140-141 A. He was fixing my car or attempting to fix my car, working on my car.

142-143 Q. Okay. I'm going to start kind of with this series. This photo depicts what?

144-145 A. That's just us basically by my car probably discussing what's wrong with the car, and it's clearly in front of my building, directly in front of my car.

146 Dr. Faltas: I'm sorry. What exhibit number was that?

147 Ms. Weiss: 55 --

148 The Witness: And it's not blocking any drive --

149 Court Reporter: I'm sorry. I can't take you both at the same time.

150 The Witness: I'm sorry.

151-152 Ms. Weiss: Exhibit number 55. By Ms. Weiss: Q. Go ahead.

153 A. And I said it was not blocking any driveways.

154 Q. Okay. Exhibit number 56.

155 A. That depicts that, yeah.

156-161 Q. A little closer photo? When these photos were being taken, was Dr. Faltas making any comments towards you or Corey?

162-163 A. On those first two -- because she took those pictures in motion, I think. On those -- the first set right there, I was -- I was not downstairs yet because Tiffany's car is in the next set.¹⁴² So by the time we all came downstairs, he had them -- Corey had already asked her several times to please stop with the pictures.¹⁴³ So by that time I think in that group it will show that he's flipping her the bird. Yeah, that -- that depicts him saying -- obviously saying something to her.

164-165 Q. And?

166-167 A. That's me asking her to please leave. Why are you harassing my company? He's looking down as if to say: Well, I'm tired of this.¹⁴⁴ I'm calling the police.¹⁴⁵ That depicts by now she's taking pictures. That's something to go -- to go show. Now you have a picture.¹⁴⁶ That's more of an expression of I'm tired of you taking my picture. Everybody is not going to have the same response. I have to live there so ...

168-171 Q. These are State's exhibits, in order that we were talking about them, 55, 56, 57, 60, 58, 59.

172-173 A. That's me beginning to call the police because he's getting very irate by that point and --

174 Q. State's exhibit 61.

175-176 A. -- that's what it shows. That actually shows her parked in front of his car blocking my car¹⁴⁷ which is blocking everybody at that time, and it has her rear-view mirror in it as well.

177 Q. State's exhibit 62 and then finally State's exhibit 63.

178 A. It just shows me waiting on the police.

179 Q. Okay. And State's exhibit 64?

180 A. That's Tiffany Lurke, my friend.

181 Q. And according to the date, this was on that same day?

182 A. Yes, the same day.

183-184 Q. I'm sorry. That's State's exhibit 64, State's exhibits 65, 76, 75, 69, 71, 73, 70, 66, 67, 68, 72 and 74, and according to the dates, these are all on the same day that we were just talking about. Is this a day that you were talking about yesterday during testimony when all these people were outside of your apartment?

185 A. Yes.

186 Dr. Faltas: Objection.

187 Ms. Weiss: What --

188 The Court: Objection is overruled.

189-190 By Ms. Weiss: Q. What specifically -- I'm going to let you look at the photos to refresh your memory. What specifically was happening on this day, if you can just ...

¹⁴⁰ Corey Curry denied it at trial Tr. p 733, lines 19-21:

Q. Did you ever sell music and music videos and movie videos?

A. No. I don't know what you're talking about.

He was later arrested for selling pirated and counterfeit material, indictment 2016GS4002612 to which he pled guilty:

¹⁴¹ Teresa could not have invited to her parking lot a "shade tree mechanic" whose name she did "not even know."

¹⁴² On 21 October 2009, Tiffany was at 300 Byron Rd. for three minutes only; and her car is not any photo taken by Dr. Faltas then.

¹⁴³ In the first three frames, Corey Curry and Dr. Faltas are on the opposite corners of the 300/304 Byron Rd front yard. In the third frame, Corey performs on himself a lewd act which does NOT ask Dr. Faltas "to please stop with the pictures."

¹⁴⁴ Corey's obscene gestures at Dr. Faltas goad her to photograph him in the act, not "to please stop with the pictures."

¹⁴⁵ On 3 August 2001, Corey had pled guilty to PWID-cocaine at a motel right behind the 300/304 Byron Rd. buildings.

¹⁴⁶ The only reason for Corey's alarm at being photographed in this location is his PWID-cocaine in this very area.

¹⁴⁷ Teresa's car was "down," Tr. p 49, lines 7-15, supra, and being examined by an unknown-named "shade tree mechanic," Tr. p 220, lines 16-21, supra. If she had arguendo wanted to annoy Teresa, Dr. Faltas would not have "blocked in" an inoperable car.

113-231 A. Well, what was happening -- clearly I walked my brother downstairs.¹⁴⁸ Just as I said yesterday, I try to meet my company and take them outside whenever they come,¹⁴⁹ so it shows me walking my brother outside. On this day I had Tiffany's little girl, Kyra. So I had her in a stroller downstairs, and me and my brother is talking to her as he's making an attempt to get in the car.¹⁵⁰ And here it clearly shows how she's circling around -- well, not circling around, but she's done changed positions, parked directly back behind the car at that moment, and it shows me with Kyra at a distance directly in front of my building;

124-251 Q. Do each of these photos -- State's exhibits 69 is you with?

124-224, line 11 A. Kyra. And that's my brother.

125-31 Q. And would that be the child you referred to yesterday as your niece?

125-41 A. Yes.

125-51 Q. That would be Tiffany's daughter?

125-61 A. Correct.

125-71 Q. Okay.

125-81 A. That's another picture of all three of us.

125-91 Q. (Ms. Weiss shows a picture to the witness.) That would be?

125-101 A. My brother. And she's directly behind his car.

125-111 Q. (Ms. Weiss shows a picture to the witness.)

125-121 A. That's her by the mailbox, and that's my brother and my car.

125-131 Q. (Ms. Weiss shows a picture to the witness.)

125-141 A. My brother. Parking lot.

125-151 Q. (Ms. Weiss shows a picture to the witness.)

125-161 A. That's all three of us again.

125-171 Q. (Ms. Weiss shows a picture to the witness.)

125-181 A. That's still all three of us.

125-191 Q. Approximately how far was Dr. Faltas from you when these were being taken?

125-201 A. Just -- well, you can see her car in that shadow right there.

125-211 Q. (Ms. Weiss shows a picture to the witness.)

125-221 A. Yeah, and it shows the frustration on my face in every picture. That's us three. That's -- actually in that one -- let me see this one close up. Okay. By that time -- by this time I'm asking her to stop with the pictures and I'm talking to my brother, but it shows the baby is trying to like get down in the pictures a little bit.¹⁵¹

125-231 Q. (Ms. Weiss shows a picture to the witness.)

125-241 A. And that's us three.

125-251 Q. State's exhibit 77?

125-261 A. That's me and my brother.

125-271 Q. State's exhibits 78, 79, 80, and 81?

125-281 A. Depicts Richard leaving.

125-291 Q. State's exhibits 82 and 83?

125-301 A. It obviously is a picture of me leaving.

125-311 Q. State's exhibits 84 and 85?

125-321 A. That's -- okay. That picture is actually in front of the building, but for some reason I guess she assumes that everybody that comes there comes to visit me,¹⁵² but that's actually a neighbor's company,¹⁵³ the other vehicle that's on the picture. I don't even know who that person is.

125-331 Q. State's exhibits 86, 87, and 89?

122 to page 226, line 91 A. [22 to page 226, line 3] That shows the day the fire marshal came to check on something that she had complained about, and I was coming out of my apartment and it was a city worker that was trying to get me to come to the road, but she had intervened, so I was like, well, maybe he is talking to her. But she carried on so bad, and I asked the guy who he was talking to and he said me. [4-9] The two fire marshals were sitting in the car, and they were trying to get her to come and talk with them about the complaint that she was having; So she wouldn't do that. She refused to come talk to them. She tried to start with me, and it shows in the picture that I started to call the police at that time while they were sitting there.¹⁵⁴

110-111 Q. State's exhibits 90, 93, 91, 92, 96, 94, 95, and 97 -- that's State's exhibits 90 and 93.

112-1 A. That's directly in front of my building.

112-2 Q. And then State's exhibits 91, 92, 96, 94, 95, and 97.

112-3 A. That's her sitting in her car taking pictures of my company's car out in front of my apartment. That picture shows her just taking a pic -- sitting in her car as well taking pictures of my car. That picture shows a picture of my car and my landlord or landlady leaving;

That shows -- the last three shows me and my friend and the guy that was working on my car, and that's the -- that's the back of my -- that last picture -- oh, that's the... Yeah, that's the -- that's the landlady. That's a picture of my car.

123-1 Dr. Faltas: Your Honor, I object to her writing victim!

124-1 The Court: Okay!

¹⁴⁸ Frames 4-9 show Teresa heading to Dr. Faltas' car alone. Teresa's brother appears in Frames 11-25, after Tiffany and Corey had left. In Frames 11 and 12, Teresa's brother, in white T-shirt, stands besides his car with a clear exit if he really wanted to leave.

¹⁴⁹ It is incredible that grown hulky men would have needed Teresa to escort them in and out to protect them from Dr. Faltas. In Frames 4-9, Teresa is bare-headed in a tank top. She reappears in Frames 13-22 with a cap and an open jacket. She had clearly gone upstairs to improve her appearance and return to wait for police in the front yard. She was NOT escorting "company."

¹⁵⁰ Nothing prevented Teresa's brother from getting into his car. Frames 11-12 and 23-25 are clearly taken from over 200 feet away; yet, Teresa's brother's car, the white Lincoln, stays in the same place throughout that roll's 25 frames.

¹⁵¹ Kyra is trying to avoid the sun in her eyes as Teresa pointed the stroller south circa noon on a clear day.

¹⁵² Teresa had no basis to testify on what assumptions, if any, Dr. Faltas made.

¹⁵³ Teresa cannot possibly have been distressed by Dr. Faltas' photographing a car owned by someone unknown to Teresa.

¹⁵⁴ Fire marshals are themselves officers who did not need Teresa's help to get Dr. Faltas to talk to them; but Teresa had been "informed to call 9-1-1 to get an incident report" Tr. p 41, lines 13-18, *supra*, basically any time she saw Dr. Faltas outdoors.

125 to page 227, line 1) By Ms. Weiss: Q. I show you State's exhibits 98 and 99.

124 A. That's a picture of Corey and the man that was working – it clearly shows her at the mailbox like she does snapping pictures inside her car.

125 Q. Finally State's exhibit 88?

126 A. As she states that she does not follow anyone, she followed him to his home.¹⁵⁵

127 Q. Whose home is this?

128 A. That is where Corey lives.¹⁵⁶

129-131 Q. Now, the dates that are listed beside you, those are the dates from the pictures ---

132 A. Correct.

133-141 Q. ---that we just looked at? They were actually written on the pictures.

142 A. Correct.

143-147 Q. Okay. And before -- you called 9-1-1 on September 23rd when your car was blocked in?

148 A. Uh-huh. Yes.¹⁵⁷

149-221 Q. All right. And then September 24th in the morning, you testified yesterday that that was the day -- that was the time you called the police and made a report because the defendant followed you and Richard?

222 A. Correct.

223-251 Q. And later that afternoon on September 24th, '09, you called the police again?

page 228, line 1) A. Correct!

252-31 Q. And October 9th of '09 was the date that she blocked you in the parking lot?

41 A. Correct.¹⁵⁸

15-21 Q. And October 21st, '09, the dates that we have the numerous pictures from, is that the date of the rock-throwing incident?

81 A. Yes.¹⁵⁹

19-31 Q. And the incident report where the defendant -- the defendant called the police November 6th of '09 about Corey, and October 23rd of '09 is when the defendant -- one of the times she complained to law enforcement that you were a prostitute.

141 A. Correct.¹⁶⁰

151 Dr. Faltas: Your Honor, I object to ...

16-171 Ms. Weiss: Beg the court's indulgence one moment. I need to mark this, please. State's exhibit 113.

18-19 (State's exhibit 113 was marked for identification only.)

20-231 By Ms. Weiss: Q. Teresa, there was a C.D. in this envelope which is currently in the C.D. player. Did you have the opportunity to listen to this C.D.?

241 A. Yes.

251 Q. And do you know whose voice ---

page 229, line 1) Dr. Faltas: What's the exhibit number?

2-31 Ms. Weiss: I'm sorry. Exhibit number 113. Do you know whose voice is on this C.D.?

41 Dr. Faltas: Exhibit? Did you say 113?

51 Ms. Weiss: Yes, I did.

61 Dr. Faltas: Was the last number 129?

71 Ms. Weiss: I'm sorry?

81 Dr. Faltas: The last number I have...

9 The Court: Just proceed.

101 Ms. Weiss: Thank you.

111 The Court: Proceed.

12-131 By Ms. Weiss: Q. Do you know whose voice is on the C.D.?

141 A. If I'm not mistaken, on that one it would be mine!

151 Q. Okay. And what are you doing on the C.D.?

161 A. Calling to report her.

171 Q. Okay. And did it accurately depict your phone call?

181 A. Yes.

191 Q. And it is your voice?

201 A. My voice.

21-221 Ms. Weiss: Your Honor, at this time I move State's exhibit 113 into evidence.

231 The Court: What says the defense?

241 Dr. Faltas: We need to hear it!

25 to page 230, line 1) The Court: The objection is overruled. You may proceed!

26 Ms. Weiss: Thank you, Your Honor.

3-51 (State's exhibit 113 was received in evidence. Whereupon, a portion of State's exhibit 113 was played for the jury.)

6-71 Dr. Faltas: I'm sorry. I request that it be played completely!

81 The Court: The objection is overruled!

9-101 By Ms. Weiss: Q. Who else is on that recording other than you?

111-121 A. In the background I can hear Corey, and clearly Tiffany and Kyra made some noises as well!

13-141 Q. Okay. What were you -- what was going through your mind? What were you feeling when you made that phone call?

15-231 A. The main thing that was going through my mind is when Tiffany got off work and she comes to get her daughter and she has to deal with that,¹⁶¹

¹⁵⁵ The photo shows the front tire off Corey's blue truck; Tr. p 276, *infra*. So, Dr. Faltas could not possibly have "followed [Corey] to his home" when his truck was non-drivable for missing a tire. And even if Dr. Faltas had *arguendo* "followed Corey to his home," the law punishes following only the targeted person, not her "friend-associate" drug dealer too!

¹⁵⁶ Teresa would have had no personal knowledge of Corey's home if her merely a "friend-associate." Corey was not "very irate," *supra*, on 21 October 2009 but in a panic about being caught in the vicinity of his previous serious crime.

¹⁵⁷ Teresa admitted it was Corey's blue truck, not Dr. Faltas' car, which was blocking the parking lot. Tr. pp 270-71, *infra*.

¹⁵⁸ There is absolutely no police report of photo suggesting any "blocking in" on 9 October 2009.

¹⁵⁹ Vide note 87, *supra*, and Tr. pp 349-51, *infra*, for the physical impossibility of launching rocks from the driver's seat through the passenger window, a feat requiring a projectile power device, not an arm confined in a sedan.

¹⁶⁰ On 25 July 2013, Teresa was convicted of having, in November 2009, victimized Dr. Faltas with disorderly conduct, L083175.

¹⁶¹ Tiffany had left her Kyra with Teresa, who had, three months earlier, been FIRED from The Mentor Network for neglect of a vulnerable

I feel inadequate as a provider during those few hours if I have someone's child and their child's picture is being taken.¹⁶²
Who is to say that – who knows what she's doing with those pictures? Mine, the child or anybody's picture, for that fact? And then for it to be thousands,¹⁶³ hundreds, I felt bad. I felt as if I can't have company.¹⁶⁴ It's a risk and a chance if you come to my house.

²⁴¹ Q. And, Teresa, do you have a history of anxiety attacks?

²⁵¹ A. Yes, I do!

^{page 231, line 11} Q. And how long have you had those?

²⁻³¹ A. I've had them maybe about three years, three to five maybe.

⁴¹ Q. And --

⁵¹ A. Yeah, about three years!

⁶⁻⁷² Q. And since March of 2009 have you had any related to this, these sets of incidents?

⁸⁻¹²¹ A. Yes. Actually, I feel panicky right now.¹⁶⁵ I had a bad migraine last night. This -- just being in here and having to deal with this on a constant basis has gotten on my last nerve literally. My stomach is turning right now. I just don't want to be here dealing with that.¹⁶⁶

adult entrusted to her. Vide notes 11-16 and 46-50, supra. Had she truly been Teresa's "BFF," Tiffany would have known Teresa's immediate employment history MOST RELEVANT to her care-giver ability and reliability.

¹⁶² Had Teresa or Tiffany been concerned about strangers having or seeing their own or their young ones' photos, they would not have so copiously displayed them on FaceBook. Vide note 96, supra.

¹⁶³ Dr. Faltas took of Teresa ONLY 57 photos, in 13 sets provoked by Teresa/her "company," specifically:

- (1) 12 September 2009: (5 photos) State Exx 22-26: Teresa's "friend-associate," Corey Curry, blocked the parking lot. Vide Tr. pp 215, line 10 to 216, line 16, supra, and pp 269, line 12 to p 271, line 15, infra.
- (2) 13 September 2009: (3 photos) State Exx 17, 18 and 19: Teresa's planted herself in front of the building where Dr. Faltas lived and threatened to vandalize the vehicles she parks there. Vide note 119, supra, and Tr. p 268, lines 12-15.
- (3) 15 September 2009: (4 photos) State Exx 13-16: Teresa's "company," Wendy Ceo, has a blue camera pointed at Dr. Faltas. Vide note 116 and Tr. pp 213, line 1 to 214, line 8, supra, and Tr. pp 237, line 13 to 241, line 15, infra.
- (4) 24 September 2009: (5 photos) State Exx 6-7, 27-28, and 77: Teresa and her brother called police on Dr. Faltas falsely claiming that she was blocking Rodney's car. Vide Tr. pp 208, line 12 to 209, line 12, supra, and p 269, lines 1-11, infra.
- (5) 13 October 2009: (8 photos) State Exx 31-37 and 42: John Mitchell (Mitch) Jones, the tenant in the apartment below Dr. Faltas' called her out to the back balcony and started verbally abusing her. Vide note 132, supra, and Tr p 217, lines 1-24 and on cross pp 280, line 13 to 283, line 11, infra.
- (6) 15 October 2009: (3 photos of car driven by Teresa, who is not visible there) State Exx 42-44: Teresa followed Larry Mason to go file complaint against Dr. Faltas. Vide Tr. p 218, lines 6-8, supra, and p 264, line 5 to 265, line 8, infra.
- (7) 16 October 2009: (2 photos) State Exx 45, 46: Teresa stood under Dr. Faltas' window making loud threats under guise of conversing with "company." Tr. P 218, lines 9-22, supra, and 266, lines 5-16, infra.
- (8) 17 October 2009: (6 photos) State Exx 49-54: Dr. Faltas returned from an errand to find Teresa with a wire coat hanger in her hand and her "company" hooking a truck to tow it away, and blocking her mailbox in the process. Afraid her own truck "might be next," and wanting to document that she had not blocked anyone, Dr. Faltas silently took the photos from a safe distance. Tr. p 260, line 17 to p 263, line 2, and pp 415-20, infra.
- (9) 18 October 2009: (4 photos not offered by the Prosecution) Teresa stood under Dr. Faltas' window talking loudly to Jones in his SUV.
- (10) 21 October 2009: (16 photos) State Exx 55-77: Corey Lamont Curry, threatened to rape Dr. Faltas and continued making lewd gestures at her; yet, Teresa called 9-1-1 falsely accusing Dr. Faltas of having thrown rocks out of her car, a physically impossible task. Vide notes 87, supra, and Tr. pp 349-51, infra.
- (11) 22 October 2009: (1 photo not offered by the Prosecution) Teresa stood opposite Dr. Faltas' window talking loudly.
- (12) 23 October 2009: (2 photos of car being driven by Teresa, who is not visible in the photos) State Exx 82 and 83: Teresa often drove across Dr. Faltas' car when she sat in it. Tr. p 263, line 3 to p 264, line 4, and p 278, lines 20-23, infra.
- (13) 5 November 2009: (3 photos) State Exx 86, 87, and 89: Teresa called police on Dr. Faltas solely to build a record against her. Vide notes 112 and 154, supra.

State's other Teresa-identified 41 photos are of PWID-cocaine felon Corey Lamont Corey making lewd gestures at Dr. Faltas or of buildings and vehicles which Teresa does not even own. Dr. Faltas took ALL relevant photos from her car(s), window, or balcony, always at a distance of over 20 feet from the photo's subject. The photos are neither "thousands" nor "hundreds," only the above-listed 57 of Teresa herself plus 5 of a car being driven by her.

¹⁶⁴ Curtis and Rodney Ingram and Tiffany Lurke testified they continued to visit Teresa at the same rate before and after the photos.

¹⁶⁵ "Panic attacks" are, by definition, not triggered by any event in the patient's environment.

¹⁶⁶ Teresa had actively initiated complaints against Dr. Faltas and could have declined to pursue them if she truly did not "want to be here dealing with that." She and Dr. Faltas' other false accusers expected her to collapse upon being arrested, as betrayed by, e.g.:

(1) Teresa on Tr. p 304, line 1, infra: "A. I'm not sure when anything took place. I'm surprised it even got this far."

(2) Solicitor Weiss, on transcript of 22 February 2010, page 110, lines 15-25: "Really, I am not prepared for this, Your Honor, but I would add that these are Dr. Faltas's pictures. She's been provided a photocopy as well as the disks that correspond to them. I intend to enter every one of these photographs as evidence of the surveillance. And so I believe I've gone through each of the dates that correspond to them, but if there's anything I have left out, it's in these photographs that I have provided, a copy of every one of these to Dr. Faltas in this form. *****²⁵ Ms. Weiss: They're black-and-white photographs." [footnote continued on next page]

13-15 **Q:** Beg the court's indulgence. Teresa, the photos that you were looking at, do you know when those photos were taken other than the ones that we have listed with dates on them?

16-17 **A.** No. I could just guess by the, you know -- **I would say between September and November.**

18-19 **Q.** Now, prior to September, you were talking yesterday how things started in March -- March, April, May. Do you recall Dr. Faltas taking photos--

21 **A.** Oh, yeah. Yeah.¹⁶⁷

22 **Q.** ---during the Summer?

23-25 **A.** Yeah. Yeah, because the summertime she hated the most because she hated me to come out in short pants or skirts, so yeah.

page 232, line 11 **Dr. Faltas:** Objection, Your Honor.

2 **Ms. Weiss:** And you remember that ---

3 **The Court:** The objection is overruled.

4-5 **Ms. Weiss:** Q. And you remember that because?

6 **A.** She stated that to me once.¹⁶⁸

7-9 **Q.** And, Teresa, what is the one thing you hope would happen? What is the one thing you're looking for out of this?

10-14 **A.** That they do not let her come back to that property and for her to leave me alone because, other than this court appearance that's going on now, I still have to go to court with her for maybe two or three other things. I just want her to leave me alone, period.

15-16 **Ms. Weiss:** Thank you. No further questions, Your Honor.

17 **The Court:** Cross-examination!

18-19

Cross-Examination By **Dr. Faltas:**

20-22 **Q.** The last thing you said that you hoped to come out of this is that I don't come back to the property. Isn't that what you just said?

23 **A.** Correct!

24 to page 233, line 1 **Q.** You are aware that this jury has no power to do that! They can only find me guilty or not guilty, and if they find me guilty, I go to prison.

2 **Ms. Weiss:** Objection, Your Honor.

3 **Dr. Faltas:** If they find me not ---

4-6 **The Court:** The objection -- just a moment, ma'am. The objection is sustained. The jury is not concerned with the punishment.

7-9 **By Dr. Faltas:** Q. As you sit here, do you realize that these are criminal proceedings?

10 **A.** Yes.

11-12 **Q.** And do you realize that the way for me to not go back to the property is for me to go to prison?

13 **Ms. Weiss:** Objection, Your Honor.

14 **The Court:** Objection is sustained.

[footnote continued from previous page] And (3) Rodney Ingram on 25 February 2010, transcript pp 399-401:

page 399, line 4 **Dr. Faltas:** Why did you not graduate?

5 **Ms. Weiss:** Objection.

6 **The Witness:** The same reason you're not a real doctor.

7 **Dr. Faltas:** Your Honor--

8 **The Witness:** Thank you.

9 **Dr. Faltas:** Your Honor--

10-12 **The Witness:** It's the same reason you're not a real doctor. Lady, I don't know you to be telling you my personal business. I don't know you, ma'am!

13 **Dr. Faltas:** Your Honor--

14 **The Witness:** What do you want me to say?

15 **Dr. Faltas:** Your Honor -- Your Honor, I--

16-19 **The Witness:** Now, go ahead and cry, fall out, so we can get this over with so I can go home, please. I've got to go to work, ma'am. I don't have time to play. I don't know you. It would be different if I knew you!

20-21 **The Court:** Ladies and gentlemen, I'm going to have y'all go to the jury room. Please do not discuss the case.

22-23 **(Whereupon, the jury was excused from open court at 11:34 a.m.)** 24 **The Court:** Mr. Ingram?

25 **The Witness:** Yes, sir.

page 400, lines 1-10 **The Court:** As testy or as difficult your relationship with Dr. Faltas might be and as upset as you might be based on what you may think to be what she has done to you, the procedure in court is that a witness must answer questions that are asked. **The witness must not -- must not make extraneous comments. The witness must not attempt to assault the character of the person asking the questions. I would hate to hold you in contempt of court. You must comply with the rules of court!** If you would bring the jury back, please.

11-19 **Dr. Faltas:** Your Honor, before they do, **I move for dismissal with prejudice. The State knew exactly how its witnesses would react. This is how Ingram was behaving. This is how the other Ingram is behaving on purpose after being admonished many, many times, and what they are trying to say is we can do this to a foreigner under the eyes of the Court. You, the jury, can also do it to her. I need a dismissal with prejudice, a sanction for the prosecutorial misconduct!**

20-22 **The Court:** All right. It's all denied. If you'll bring the jury back. Your time is extended another ten minutes with this witness because of the disruption.

23-24 **Dr. Faltas:** Thank you, Your Honor. May I ask you to admonish him to not keep shaking his head like this?

25 to page 401, line 1 **(Whereupon, the jury was brought into open court at 11:36 a.m.)**

2-6 **The Court:** Ladies and gentlemen, you must disregard the extraneous -- the contemporaneous and extraneous outbursts by this witness. **His conduct is improper. He's been admonished that he may be held in contempt of court if it continues!** Next question.

7 **Dr. Faltas:** Thank you, Your Honor.

8-9 **Dr. Faltas:** So I was in the process of asking you why did you not graduate from---

10 **Ms. Weiss:** Objection.

11 **The Court:** Objection sustained.

12-13 **By Dr. Faltas:** Q. What do you do for the mental health department?

14 **A.** I work with crazy people. 15 **Q.** What do you do?

16 **Ms. Weiss:** Objection.

17 **The Court:** Overruled.

18 **The Witness:** I just told you I work with crazy people.

19-20 **By Dr. Faltas:** Q. What do you actually do?

21-22 **A.** I work with them to make sure that they don't hurt themselves or other people.

23 **Q.** So are you basically a security guard, a nanny, what?

24 **Ms. Weiss:** Objection.

25 **The Court:** Overruled.

¹⁶⁷ No photo-taking of Teresa by Dr. Faltas was admitted, offered, or even alleged, before September 2009.

¹⁶⁸ Dr. Faltas was openly concerned that Teresa's scandalous outfits attracted unsafe persons to the area. Vide note 116, supra, and State's Exx 13-16: *Teresa's gray skirt stops at her pubis and may violate laws prohibiting public frontal nudity.*

15-171 **By Dr. Faltas:** *Q. You do know that I have land at 324 Byron Road and that I want to build on it.*

18-191 **A.** *I know that you claim to have land, and I know that you claim to build some big circus something.*¹⁶⁹

201 **Q.** *Circus?*

211 **A.** *Yes.*¹⁷⁰

221 **Q.** *And so you want me to not build on that land either?*

231 **A.** *I never said that.*

24 to page 234, line 11 **Q.** *Well, that land is close to your apartment. So by you not wanting me to build anywhere near you, you want me to not build on that land!*

21 **A.** *If you do and I'm still there, I would leave!*

41 **Q.** *You will do what?*

45-51 **A.** *If you build something there and I am still there, I would leave!*

6-71 **Q.** *You will leave. Have you lived at other apartments before?*

81 **A.** *Yes.*

91 **Q.** *So your choice is for me to go to prison or for ---*

101 **Ms. Weiss:** *Objection, Your Honor.*

111 **Dr. Faltas:** *---me to ---*

121 **The Court:** *The objection is sustained. Next question.*

13-151 **By Dr. Faltas:** *Q. You are aware that all pictures were taken from my apartment, aren't you?*

161 **A.** *That's not correct.*

171 **Q.** *What do you think?*

181 **A.** *What do I know?*

191 **Q.** *Uh-huh.*

20-211 **A.** *I know that you take pictures from your apartment and from your car.*

22-231 **Q.** *Oh, I'm sorry. All pictures that I took were taken from my apartment.*

241 **A.** *Again, pictures were taken from---*

251 **Q.** *No. No. No.*

page 235, line 1 **A.** *---your car and apartment.*

21 **Q.** *I'm sorry. Were taken away. That the police came---*

31 **A.** *I don't know.*

41 **Q.** *You don't know.*

51 **A.** *No.*

16-21 **Q.** *When I was being in handcuffs and taken to prison, weren't you not standing and waving?*

18-181 **A.** *That's incorrect. As a matter of fact, the parking lot was so crowded and full of cars I couldn't get in, and I can remember clearly asking one of the officers, "Can I come in because I live at the residence?" And I was told, "No." So I had to park like on the far side behind someone else's truck, and when I did get a chance to go out, I got out of the car and I went straight in my apartment.*¹⁷¹

151 **Q.** *So you never waved at me?*

161 **A.** *No, I didn't.*¹⁷²

117-1191 **The Court:** *Ladies and gentlemen, we're going to have you go to the jury room for a short break. Please do not discuss the case.*

120-211 *(Whereupon, the jury was excused from open court at 3:22 p.m.)*

¹⁶⁹ Teresa had attended several prior magistrate court events where Dr. Faltas testified she intended to build a solar house, not "a circus," and explained that Steele and Mason's sewer lines were impediment to that. Tr. pp 243-4, *infra*.

¹⁷⁰ Also at Tr. p 688, line 6, to p 689, line 14, the Prosecution stipulated to Dr. Faltas' qualifications and inventions:

6-71 **Dr. Faltas:** *All right. Thank you, Your Honor. I also wanted to show you my green card and my medical license.*

81 **Ms. Weiss:** *Your Honor?* 10-121 **Ms. Weiss:** *I object to the showing of it. The State takes .. well, we submit that the defendant has a green card and she has a medical license!*

13-141 **The Court:** *All right. The State stipulates that you have those two things.*

15-171 **Dr. Faltas:** *Thank you, Your Honor, and I thank the State for stipulating that. I also wanted to show you from a distance the building plans that I drew---*

18-201 **Ms. Weiss:** *Your Honor, I object to the showing of the building plans. The State stipulates that there are building plans that Dr. Faltas has created and submitted for a patent!*

21-221 **The Court:** *You can accept the State's stipulation or you can offer them into evidence.*

23-241 **Dr. Faltas:** *I accept the State's stipulation. Could I just show them from a distance like this?*

251 **The Court:** *What says the State?*

page 689, lines 1-31 **Ms. Weiss:** *Your Honor, I object. I object to the relevance. The State is stipulating there are plans and they've been submitted for a patent!*

4-61 **Dr. Faltas:** *May I respond that the intricacy of them is relevant to the fact that I barely had time and I could not possibly have been spending time watching Ingram or anyone?*

71 **The Court:** *The objection is overruled, and you may---* 81 **Dr. Faltas:** *Thank you, Your Honor.*

91 **The Court:** *...show them from a distance.* 101 **Dr. Faltas:** *Thank you, Your Honor, and may I...*

111 **The Court:** *From the witness chair.* 12-131 **Dr. Faltas:** *Yeah. May I also out of pride show them to Your Honor from the witness chair as well?*

141 *(Dr. Faltas shows the plans.)*

¹⁷¹ Columbia Police Department ("CPD")-made videos of Dr. Faltas' 2 December 2009 false arrest, Part II, minute 8:10-15, show Teresa coming out of Building 300, not going into it, and positioning herself for a good view as, not after, Dr. Faltas, in handcuffs is forced into a CPD car to be taken to jail. Still frames from those videos are printed on separate sheets, and the CPD-made videos are uploaded to Dr. Faltas' FaceBook page: https://www.facebook.com/marie.faltas.9/videos/vb.100000969677854/151138518261803/?type=2&video_source=user_video_tab

¹⁷² CPD-made dashcam videos were never copied to Dr. Faltas. At Part II, minute 8:40-54, link at note 170, *supra*, "Ms. Burger," driver of the CPD car, is ordered by, and assures, then-CPD-Sergeant Passmore "that interior is turned on." "It is, front and back. Front and back!" Weiss admits later at Trial Tr. p 762, lines 6-8: "and they are eleven hours worth of video." Only four video hours of those eleven were provided to Dr. Faltas at the end of the trial — unplayable and too late to be used for impeachment or rebuttal!

12-24 **The Court:** We'll take a five-minute break. Ma'am, when you step down, do not discuss your testimony with anyone during the break.

125 (Whereupon, a short break was taken.)

126 (page 236, lines 1-7) **Ms. Weiss:** May it please the court, Your Honor? Before we bring the jury in, Bob Cooper is here from the City Attorney's office. He received a subpoena at lunch and that I believe you had indicated that everybody in the subpoena could leave and we could deal with it later, but he was not -- I don't believe he was here yet, so I wanted to deal with it directly.

128 **The Court:** All right.

129 **Dr. Faltas:** I believe--

110-121 **The Court:** Our hands are full right now other than addressing subpoena issues. All witnesses were summoned with the defense's case, and we're still in the State's case.

113-141 **Mr. Cooper:** Your Honor, I'm three or four blocks down the street. If someone will call me, I will come.

115-161 **The Court:** If you'll give that information to my clerk, we'll be happy to do so.

117 **Mr. Cooper:** Okay. Thank you, sir.

118-201 **Dr. Faltas:** Your Honor, I believe Ms. Weiss was speaking about subpoena issues. He did not file the motion to quash, only Mr. Delaney did.

121-221 **Mr. Cooper:** I will be filing a motion, Your Honor, but I didn't get this until 1:30 and I was told to be here at 2.

123 **The Court:** Okay. Bring the jury, please.

124-241 **Dr. Faltas:** Your Honor, may I set up the tape recorder? Yes?

125 (page 237, line 1) **The Court:** Go ahead, whatever...

126 **Dr. Faltas:** But I don't know where the outlet ...

127 **The Court:** I don't know either.

128 **Dr. Faltas:** Pardon?

129 **The Court:** I don't know either.

130-81 **Ms. Weiss:** Your Honor, for purposes of trying to figure out scheduling of witnesses, do you know how late we intend to go today?

131 **The Court:** 5:30, 6:00.

132 **Ms. Weiss:** Thank you, Your Honor.

111-121 (Whereupon, the jury was brought into open court at 3:35 p.m.)

133 **The Court:** Very good. You may continue.

134-141 **Dr. Faltas:** Do I have permission to approach the witness ---

146 **The Court:** Yes, ma'am.

147 **Dr. Faltas:** --- with these pictures?

118-201 **By Dr. Faltas: Q:** State's exhibits 16, 13, 14 -- 13 to 15. (Dr. Faltas shows pictures to the witness.) **Who is that other person?**

121-221 **A:** The other person in this picture that she's talking about is my friend Wendy Ceo.

231 **Q:** Was Wendy Ceo arrested with you ---

241 **Ms. Weiss:** Objection, Your Honor.

251 **The Court:** To what?

126 (page 238, line 1) **Dr. Faltas:** I haven't even finished the question.

241 **Ms. Weiss:** Your Honor, may we approach?

244 **Dr. Faltas:** I object to that, Your Honor. I think we have established that ---

251 **The Court:** The parties may approach.

161 (Whereupon, a bench conference was held.)

17-81 **The Court:** All right. Let me hear the question, and do not answer until I rule.

81 **Dr. Faltas:** I may ask the question?

110 **The Court:** Pose the question to the witness.

111-121 **By Dr. Faltas: Q:** Was Wendy -- how do you pronounce her last name?

131 **A:** You said it correct.

141 **Q:** Ceo?

151 **A:** Yes.

116-181 **Q:** One of the two young ladies with you the day you forged someone's signature on a credit card that you found and bought clothes with it and then went out and came ---

191 **A:** Clothes was never bought. I never left and came back.

201 **Ms. Weiss:** Objection. Objection.

211 **The Witness:** Thank you.

221 **Ms. Weiss:** Objection.

231 **Dr. Faltas:** All right.

24-251 **The Court:** Just a moment. Just a moment. The objection is overruled.

126 (page 239, line 1) **Dr. Faltas:** Thank you, Your Honor.

12-31 **The Court:** The answer to the question is what? Yes or no.

14-81 **The Witness:** The answer to the question is yes, and the explanation: I did not leave the store. I gave a clear explanation as to what happened on that day. **Yes, Wendy Ceo was one of the persons with me on that day.** The credit card was never stolen.¹⁷³ I never left the store with anything.¹⁷⁴

19-121 **By Dr. Faltas: Q:** Well, I will -- didn't, in fact, the police report say that you and Wendy and one Stephanie Simmons who is probably Tiffany that you talk about ---

131 **Ms. Weiss:** Objection.

114-161 **Dr. Faltas:** All right. Then I'll get the police report. I'll get the police report. I'll get the police report. It's on record!

117-191 **The Court:** The objection is sustained. Next question, please.

119-201 **By Dr. Faltas: Q:** What is Wendy doing?

211-221 **A:** You need to ask Wendy and Wendy is not here, and I cannot ---

231 **Q:** In the pictures.

241 **A:** --- speak for Wendy.

125 to page 240, line 2) **Q:** In the pictures. In the pictures. **Can you look in the pictures?** You are testifying about my intent and what I was doing. Look --

31 **A:** I'm not Wendy.

41 **Q:** What?

51 **A:** Do I see her in the picture?

61 **Q:** What is she doing in the pictures?

71 **A:** Standing.

81 **Q:** Does she not, in fact, have a camera pointed at me?

91 **A:** Maybe.

101 **Q:** Maybe? You don't know.

¹⁷³ Teresa is belied by her own GUILTY pleas to theft and fraud for indictments 1999GS4036573 and 1999GS4036584.

¹⁷⁴ The relevant police report is part of Teresa's criminal cases, F920142 and F920143, file and was there provided to her per Brady.

111 A. You have the pictures in your hand.

112 Q. May I point?

113-151 The Court: You must question a witness. You can hand the picture to the jury. You cannot stand and make a speech to the jury. You must ---

116 Dr. Faltas: All right.

117 The Court: --- ask questions of the witness.

118 Dr. Faltas: All right. May I -- may I ...

119-201 By Dr. Faltas: Q. Is there not an exit right here?

211 A. There's an exit on both ends, as I stated earlier.

22-231 Q. And this picture -- these pictures are clearly taken from the other side.

231 A. You're on the opposite side of the car.

251 Q. So no one is being blocked here?

[page 241, line 1] A. On that particular picture, no.

211 Dr. Faltas: All right. May I ask the jury to see that?

13-41 The Court: You may pass anything in evidence to the jury.

41 Dr. Faltas: Thank you.

6-71 The Court: And proceed with your questions. Next question.

8-101 By Dr. Faltas: Q. In fact, during that time didn't you start the kick of flipping me the finger ---

111 A. So untrue.

12-211 Dr. Faltas: Your Honor, could you please admonish her to let me finish the question?

14-151 The Court: You asked her was she flipping the finger at you. She said no. Next question.

16-171 By Dr. Faltas: Q. State's exhibits 11 and 12.

181 A. Place them down, and I'll get them.

191 Court Reporter: I'm sorry. What was your response?

20-211 The Witness: I told her to place the pictures down, and I'll pick them up. They're pictures of my car.

22-231 By Dr. Faltas: Q. What's in here?

241 A. What's in where? That's dirt, rocks. What do you mean?

251 Q. You do not know that this is the sewer clean-out?

[page 242, lines 1-3] A. I am a resident of Sumter county.¹⁷⁵ I don't - I'm renting from that property, renting. I don't own that property. I don't know anything about a sewer.¹⁷⁶

41 Q. So why don't you go back to Sumter county?

51 A. The same reason why you won't go back to Egypt.

61 Ms. Weiss: Objection, Your Honor.

7-81 By Dr. Faltas: Q. So you want me to go back to Egypt.

9-101 A. Yes, because you have been deported in '93 and in '98 and in 2003.¹⁷⁷ Public information.¹⁷⁸

111 Q. How have you seen that?

121 A. The internet.¹⁷⁹

131 Q. That's not true, is it?

141 A. That's very true.¹⁸⁰

15-161 Dr. Faltas: Your Honor, she's -- all right. May I -- may I point that those are---

171 Ms. Weiss: Objection, Your Honor.

18-191 The Court: You cannot testify. You have a witness on the stand. Let's ask the witness questions.

20-221 Dr. Faltas: Okay. So you do not know that those are the sewer clean-outs and these are two views of the sewer clean-out in front of the ---

231 Ms. Weiss: Objection, Your Honor.

24-251 The Witness: Again, I do not know anything, nothing at all, about the sewer.¹⁸¹

[page 243, lines 1-5] By Dr. Faltas: Q. Haven't you -- haven't you attended at least two magistrates' hearings where I explained to the magistrate that the issue between the landlady and Larry Mason and me is the sewer?

61 A. Regardless, that's not me.

71 Q. Did you attend the ---

81 A. I'm not Larry nor Dinah.

9-101 Dr. Faltas: Your Honor, I asked -- I asked her a very straightforward question: Did she attend hearings?

111 The Witness: I'm not going to talk about the sewer.

121 Dr. Faltas: Your Honor---

131 The Court: Yes, ma'am?

14-191 Dr. Faltas: She cannot choose what she's going to talk about. If I pose a proper question to her, she needs to answer, and I asked her a very straight and simple question: Whether she attended at least two hearings before different magistrates where the sewer issue was talked about. That's all I asked!

¹⁷⁵ In her *Ingram v. Triffon* complaint, and all her testimony in that case, Teresa identified herself as a resident of Richland County. And at page 256, lines 5-7, *infra*: "A. [...] I haven't been in Sumter in years."

¹⁷⁶ In four 2009 magistrate court events attended by Teresa and Dr. Faltas: 22 September (TRO); 29 September to 1 October (eviction); 14 October (TRO); and 10 November (TRO), Dr. Faltas explained the sewer situation in. Teresa so admitted, *infra*: [25 to page 244, line 2] A. Yes, I've been to courts and you've explained about the sewer in every single court appearance, something about the sewer!

¹⁷⁷ In 1993, Dr. Faltas obtained a TRO from the U.S. Court for South Carolina, which maintained jurisdiction to prevent Dr. Faltas' deportation without judicial review. On 13 December 1995, an immigration judge TERMINATED exclusion proceedings against Dr. Faltas. Before BIA's reinstatement of said proceedings became final, Dr. Faltas became a class representative before the U.S. Court for the Western District of Washington. The Government settled that class action by *inter alia* admitting it had misinterpreted and misapplied IRCA to Dr. Faltas' class and, separately, agreed to nullify any deportation/exclusion proceedings it ever initiated against Dr. Faltas. Dr. Faltas was NEVER physically deported. The Prosecution stipulated that Dr. Faltas has a green card, note 170, *supra*. Even Blanton's 17 November 2009 "case summary" had noted that Dr. Faltas has a green card.

¹⁷⁸ There is no formal valid "public information" to the effect that Dr. Faltas was ever deported; and Teresa could not point out to any.

¹⁷⁹ *Vide* notes 177 and 178, *supra*.

¹⁸⁰ *Vide* notes 177 and 178, *supra*.

¹⁸¹ *Vide* note 176, *supra*.

[20-21] **The Court:** The answer is yes or no, ma'am. You must answer, if you know.

[22] **The Witness:** Yeah.

[23-24] **By Dr. Faltas:** Q. The answer is yes?

[25 to page 244, line 21] **A. Yes, I've been to courts and you've explained about the sewer in every single court appearance, something about the sewer:**

[3] **Q. So when you said I don't know nothing about no sewer---**

[4] **Ms. Weiss:** Objection, Your Honor.

[5] **The Witness:** Because it's not my business.

[6] **Dr. Faltas:** Your Honor---

[7] **The Witness:** Because it's not my business. That's why.

[8] **Dr. Faltas:** But you ---

[9] **The Court:** Just a moment.

[10] **Dr. Faltas:** You just ---

[11-12] **The Court:** We're off the record at this point. Off the record.

[13] (Off-the-record comments were made by the Court.)

[14] **The Court:** First we'll hear an objection by Ms. Weiss.

[15-17] **Ms. Weiss:** Thank you, Your Honor. The objection is the defendant is badgering the witness. She is mimicking the witness and improperly stating questions.

[18-20] **The Court:** The objection is sustained. You must act civil toward the witness on the stand, Dr. Faltas. Next question.

[21-22] **Dr. Faltas:** Your Honor, my emergency bracelets broke. Could I just get a second to fix them?

[23] **The Court:** Okay.

[24-25] (Pause in proceedings while Dr. Faltas attempts to repair her bracelets.)

[page 245, lines 1-2] **Dr. Faltas:** Well, I'm sorry. It may take longer than I thought, so I'll leave -- I'll leave it.

[3-6] **By Dr. Faltas:** Q. And those two hearings, one was initiated by my landlady and the other one initiated by you along with my landlady. Yes or no?

[7] **A. I don't know what you're talking about.**¹⁸²

[8-10] **Q. All right. From September 29th, 2009, to October 2nd, 2009, did you attend and testify in an eviction hearing initiated by Dinah Steele, the landlady, against me?**

[11] **A. Yeah, for harassment. They still can't get her out.**

[12] **Dr. Faltas:** Your Honor, I ask the witness to ---

[13] **The Witness:** I can explain.

[14-15] **The Court:** All right. Ms. Ingram, you must answer the questions asked and the questions asked only. Next question.

[16-17] **By Dr. Faltas:** Q. So you did attend that hearing.

[18] **A. I've already answered that.**

[19] **Q. And the answer is yes?**

[20] **A. I've answered it.**

[21] **Q. And you were the first witness. Is that correct?**

[22] **A. I don't remember.**

[23-25] **Q. Did you at the beginning of that hearing say or did Dinah Steele at the beginning of that hearing say that she wanted you to be the---**

[page 246, line 1] **Ms. Weiss:** Objection.

[9] **The Court:** The objection is sustained.

[3-4] **By Dr. Faltas:** Q. Did you stay in court for that hearing for three days?

[5-6] **A. Probably so. With you we stay in court for days and long nights. So, yes, I'm quite sure of it!**

[7-8] **Q. And you were under no compulsion to stay in court for three days.**

[9] **A. If I didn't have to, no.**

[10-12] **Q. You were the first witness and your testimony was taken in about an hour, and you could have left if you had wanted to. Yes or no?**

[13] **A. I guess, yeah.**

[14-16] **Q. Okay. So when you told the jury that I am bringing you to court and that you don't have time for it, that wasn't true, was it?**

[17] **A. I don't remember.**¹⁸³

[18-21] **Q. Okay. And then there was a second hearing that you, Dinah Steele, Larry Mason, and Mitch Jones initiated to get a restraining order against me, and that took place on November 10th, 2009. Is that correct?**

[22-23] **A. It was -- yes, it was and it was granted and still in effect.**

[24-25] **Q. My question was: You initiated it and you went to court!**

[page 247, line 1] **A. I don't know who initiated it.**¹⁸⁴

[2] **Q. You don't know who initiated it?**

[3] **A. That's my answer.**¹⁸⁵

[4-5] **Q. So if I have papers saying that you signed the application, you don't know?**

[6-7] **A. Your question was: Did I initiate it? You did not ask me did I sign it.**

[8] **Q. Do you initiate court proceedings by signing papers?**

[9] **A. Do you? I don't know.**¹⁸⁶

[10-12] **Q. You don't know. All right. State's exhibit 4, isn't it true that this is taken from the other side of the mailboxes, meaning from the street?**

[13] **A. No, meaning that you was on the grass.**

[14] **Q. But not between the mailboxes and your car. Right?**

[15] **A. The picture clearly shows that.**

[16] **Q. So I was not blocking anyone.**

[17-18] **A. On that particular picture it does not show you blocking anyone!**

[19-20] **Q. Okay. And on the top of the sign here does it not show missing siding?**

[21] **A. I don't know.**

[22] **Q. Can you look?**

¹⁸² Vide note 176, *supra*.

¹⁸³ Teresa could not possibly "not remember" an event yet volunteer so much detail about it, basically in the same breath.

¹⁸⁴ Teresa could not possibly "not know" who initiated a case yet volunteer so much detail about it in the same breath.

¹⁸⁵ Vide notes 183 and 184, *supra*.

¹⁸⁶ Vide notes 183 and 184, *supra*.

231 A. I've looked and I don't see that.¹⁸⁷ I don't know.¹⁸⁸

124-251 Q. Okay. So is it – *do you think you're the center of the universe?*

page 248, line 11 A. Yes!

12-31 Q. You are. All right. Do you think that I think you're the center of my universe?

41 A. I think that you are obsessed with me, yes.

15-61 Q. Okay. All right. *Didn't you just testify that I had made complaints to the fire department about the landlady?*

71 A. I never said that.¹⁸⁹

18-91 Q. *Didn't you say that the fire marshals came about my having made complaints about the building?*

101 A. I said that.

111-121 Q. All right. And didn't I need to document the conditions of the building?

131 A. I don't know what you needed to do.

141 Q. Okay. So you assumed that everything---

151 A. I didn't assume.

161 Q. Didn't you just say you think I'm obsessed with you?

172-181 A. Yes, you are. The pictures prove that. How you're acting in here today proves that.

191 Q. What?

201 A. How you're acting in here today proves that.

21-221 Q. Okay. *State's exhibits 90 and 93, are you in those pictures at all?*

231 A. No person is in those pictures!

241 Q. Okay. *Are they not close up of the missing siding?*

251 A. I don't know.¹⁹⁰

page 249, lines 1-31 Q. *So a reasonable person can see that I took those pictures to document the missing siding and having nothing to do with you.*

41 Ms. Weiss: Objection, Your Honor.

51 The Court: Objection sustained.

6-81 By Dr. Faltas: Q. *State's exhibits 86, 87, and 89, is this my car here way far from you?*

91 A. That's not way far, but that's your car.¹⁹¹

101 Q. Is it blocking anything?

111-121 A. Place it down, and I'll get it. *Yeah, it's blocking the front end of my brother's car.*¹⁹²

131 Q. What is your brother's car?

141 A. The same place where you pointed to to ask the question.

15-161 Q. No, seriously, show the jury where your brother's car is.

17-181 A. Definitely. Place it back down. Right here. So this is her.

191 Q. Isn't it true that this is my other Toyota truck?

201 A. No, that's untrue.

211 Q. Is this car parked front forward or back forward?

221 A. Put it down so I can see it.

231 Q. Which is in the three pictures.

241 A. They're all backed in. Backed in.

251 Q. So how am I blocking that other car?

page 250, lines 1-51 A. I said you're blocking the front part of the car. I didn't say the entire car. The front left side. You are in your car in your driver's seat taking pictures out of the passenger window which would make it on the right side of – it would make it the left side of his car.¹⁹³

61 Q. *So this car could drive this way. Yes or no?*

71 A. It could drive whichever way it wanted to go!

81 Q. So it can get out.

9-101 A. There are two – one on each side. You can use whichever one you want.

111 Q. *So I wasn't really blocking anyone.*

121 Ms. Weiss: Objection, Your Honor.

13-141 The Witness: On that picture she was blocking. That's fine.

151 The Court: Yes, ma'am.

161 Ms. Weiss: The defendant is testifying.

17-181 The Court: The objection is sustained. Anything further of this witness?

191 Dr. Faltas: Your Honor, I've barely begun. Yes.

201 The Court: Proceed.

211 Dr. Faltas: Well, I'm getting the pictures.

221 The Court: Go ahead.

23-241 By Dr. Faltas: Q. *State's exhibits 78, 79, 80, and 81.*

251 A. (The witness looks at the exhibits.)

page 251, line 11 Q. *Have you looked at them?*

21 A. Excuse me. Yes, I have.

3-51 Q. *Do they not show that Richard is going through the exit, going around, making a detour to go through the exit that's closer to my building?*

6-71 A. It does not show that.¹⁹⁴ What it does show is him leaving.¹⁹⁵

8-101 Q. *Leaving through the exit that is closer to my building and then making a U-turn when he could have used the exit that's closer to your building.*

11-12 A. If that's what you see, that's fine.¹⁹⁶ The pictures show him leaving out of an exit, just him leaving!

13 Q. Do they not show him coming, making a detour--

14 Ms. Weiss: Objection, Your Honor.

15 Dr. Faltas: All right.

16 The Witness: I've already answered it.

17 The Court: Objection is sustained.

18-19 By Dr. Faltas: Q. Is this my other truck, the Toyota truck?

20 A. I don't know.

21-22 Q. You don't know. Okay. Do you know that I have two cars?

23 A. I don't know what you have.¹⁹⁷

24 Q. Have you seen me drive two cars?

25 A. I'm not sure.¹⁹⁸

(page 252, lines 1-2) Q. Have you seen two cars in the parking lot since I moved in?

26 A. There's several cars there.

27 Ms. Weiss: Objection.

28 The Court: Just a moment.

29 Ms. Weiss: Objection.

30 The Witness: There's several cars there!

31-32 The Court: When there's an objection, Ms. Ingram, you need to stop talking. The objection?

33-34 Ms. Weiss: Relevance. The defendant's cars to this case...

35 The Court: All right. The objection is sustained.

36-37 By Dr. Faltas: Q. State's exhibit 65, does it not show my Toyota truck and does it not show open exit for your car and your brother's car?

38 A. No, it sure doesn't.¹⁹⁹

39-40 Q. It doesn't. State's exhibits 51, 55, and 56, is that Corey Curry?

41 A. Yes.

42 Q. Is his truck blocking two other cars?

43 A. Incorrect.²⁰⁰

44 Q. In one of them is he grabbing his crotch?

45 A. I can't really say.²⁰¹

46 Q. What?

(page 253, line 1) A. I can't really say.²⁰²

47-48 Q. You can't really say. And in the other two, does it show him in an aroused state?

49 A. If you saw that, I don't see that. No.

50-51 Q. State's exhibits 61, 58, and 59, is that Corey Curry flipping me the finger?

52 A. Yes, it is.

53 Q. And that is on October 21st, 2009?

54 A. Yep.

55-56 Q. Okay. Could you please look at -- is that you coming out there?

57 A. That's me.

58 Q. Okay. Could you please look at your fingers?

59 A. For what? Okay. I've looked.

60-61 Q. All right. Isn't it true that you had just thrown a rock at me? That's why your fingers are like that?

62 A. (The witness laughs.)

63 Q. That's a yes or no question.

64 A. The answer would be no.²⁰³

65-66 Q. All right. And then you claimed that day, according to that recording, that I threw rocks at you. Is that correct? That very day, that very time!

67 A. Yes!

68-69 Q. Okay. State's exhibits 60 and 63. In the recording did you say anything about rocks hitting you?

(page 254, lines 1-2) A. Actually I did. If I'm not mistaken, I said two of them hit me and I'm holding them in my hand.²⁰⁴

70-71 Q. What would stop you from picking up rocks from the parking lot and holding them in your hand?

72 A. (Witness shook head from side to side.)

73-74 Q. Anyone can pick up two rocks and say, "She threw rocks at me."

75-76 A. Yeah, but you really did do it.²⁰⁵ So what's your question?

77 Q. Did the policemen come?

78 A. Yes, they came.

79 Q. Did you give him or her the rocks?

²⁰³ A walking person's fingers are instinctively adducted, not maximally-abducted as are Teresa's in Frame 4 of 21 October 2009.

²⁰⁴ Teresa's entire 21 October 2009 call to 9-1-1 is transcribed by Dr. Faltas from State's Ex. 113. Teresa claims it to be "the second time" rocks are thrown at her. She neither specifies that both times are from that date nor claim anything actually hit her. All frames, when magnified, show NOTHING in Teresa's right hand and, in her left hand, her green cell phone and her keychain which she later gives to Kyra to play with. Kyra puts the keys in her mouth, a known choking hazard!

²⁰⁵ Vide notes 87 and 159, *supra*, and Tr. pp 349-51, *infra*, for the physical impossibility of launching rocks from a driver's seat through the passenger window.

13-14 A. They didn't ask for them, but I did hold on to them for a minute.²⁰⁶

15-16 Q. Uh-huh. Because you knew they had no fingerprints of mine on them.

17 Ms. Weiss: Objection, Your Honor.

18 The Witness: If that makes you feel fine, sure.

19 The Court: Objection is sustained.

20-22 By Dr. Faltas: Q. Does it look as if you're in pain or hurt in any way in these pictures?

23-24 A. I look straight-up-and-down stressed out and frustrated with you in every single picture.²⁰⁷

25 to page 255, line 1 Q. Stressed out and frustrated at me in every single picture.

26 A. Yeah. Uh-huh.²⁰⁸

3-4 Q. And you say you had anxiety attacks for three to five years; right?

5 A. Correct.

6-7 Q. And that was before you ever knew that I existed, at least two years before.

8 A. Exactly.

9-10 Q. Okay. And then you filed a lawsuit against a woman in June of 2008?

11 A. I've never filed a lawsuit against anyone, never.²⁰⁹

12-13 Q. The case of Teresa Ingram against Marjorie Russell Triffon is not your case?

14-16 A. A car accident. You're right. One time.²¹⁰ You're right. It was a car accident I had maybe about two years ago.

Well, it was a car accident for car repairs,²¹¹ yeah.

17-18 Q. Actually it's not one time. There is another lawsuit by you pending in Sumter also for a car accident.

19 A. And what lawsuit was that? That – that is not true.

20-21 Q. Uh-huh. Well, we'll get it and we'll show it to the jury.

22 A. Thank you.

23-24 Q. And in that lawsuit about the car accident you claimed that that woman hit you and caused you mental distress.

25 to page 256, line 3 A. Even if I did, that was probably not any time that I had known you if I was in Sumter, as you just stated, that there was an incident that happened that I didn't know you. So if I did not know you then, that would be irrelevant.

4 Q. When was that case tried?

5-7 A. I don't even know what you're talking about, for one, but if you're saying in Sumter, I haven't been in Sumter in years.²¹²

8 Q. Ah.

9 A. Ah.

10-11 Q. Didn't you just tell the jury that you don't even live in Columbia? You live in Sumter?

12 A. I'm a resident of Sumter, yes. That's where I'm from.

13-14 Q. No. You told the jury that you don't even live in Columbia, and you don't know any---

15-17 A. No, Sumter is my permanent address. Yeah, that's my permanent address. That will never change in life. After I'm gone, it still will be my address, yes.

18-19 Q. And then yesterday you told the jury that I caused a baby to cry.

20-21 A. You sure did,²¹³ and as a matter of fact, you can hear in the 9-1-1 tapes that her mom was upset because you did that.²¹⁴

22 Q. That's the same mom who went stealing with you; right?

23 A. That's so not true.

24 Q. She would do whatever ---

25 A. You need to ask her that. She's not here.

page 257, line 1 Ms. Weiss: Objection.

9 The Court: Objection sustained.

3-6 By Dr. Faltas: Q. State's exhibits 64, 62, 71, 72, 74, 68, 66, 70, 73, 76, 67, 75, and 69. Please tell the jury in which one of them do you see the baby crying!

7-8 A. For a fact in this one because I know; I was there with the baby. Go ahead. Show them that.

9 Q. Does this, in fact, not show the baby asleep?

10-11 A. If that's what you see. I know what happened;²¹⁵ I was there.

12-13 Q. And according to the recording and according to the – to how the pictures are, what time of day is it?

14 A. I don't know.²¹⁶

15-17 Q. You don't know. All right. Your Honor, may we play the beginning of State's exhibit 113 again, just the beginning, please?

18 The Court: Proceed.

19-20 Dr. Faltas: Thank you, Your Honor. I don't know how to ...

²⁰⁶ Basic police competence requires investigating any alleged assault weapon or instrument. Also, vide notes 203-205, *supra*.

²⁰⁷ Teresa is undeniably smiling smugly and vindictively in all the 21 October 2009 photos after she called 9-1-1.

²⁰⁸ The photos are reprinted on separate sheets, some with magnifications and/or arrows. Denying what is obvious in the photos IS lying.

²⁰⁹ Teresa's retraction of that lie when confronted with Dr. Faltas' awareness of *Ingram v. Triffon* highlights the emphasis with which Teresa perjures herself "I've never filed a lawsuit [...], never," when she thinks she can get away with it.

²¹⁰ Teresa had also sued Dr. Faltas for a TRO and had complained against her husband for criminal domestic violence.

²¹¹ Teresa also sought payment of her medical expenses, including Vicodin, from a woman who did NOT cause the collision.

²¹² Teresa is transcribed in now-SC-Justice James' court in Sumter on 7 January 2010, 49 days, not "years," before this testimony.

²¹³ Kyra's sound is heard only when she separates from her mother at minutes :02:54: child sounds, :03:03 – :03:04: child sounds, :03:05 :03:06 Tiffany Lurke: Tell Mommy Bye Bye; :03:06 – :03:07: child sounds; * * * * * :03:10 – :03:13 Tiffany Lurke: [profanity] * * * * * :03:33: child: Bye. The child is NOT crying; but if she *arguendo* were, it would MOST LIKELY be a protest to being separated from her mother.

²¹⁴ Correlating audio with photos, Tiffany began insulting Dr. Faltas when Dr. Faltas took photos only of Corey Curry and Teresa; then Tiffany left for her job; and Dr. Faltas took photos of Kyra only in the context of documenting that Teresa was NOT injured.

²¹⁵ Teresa "was there" but she did not know what time of day it was, note 216, *infra*. The audio and photos belie her.

²¹⁶ Teresa cannot possibly know what happened if she did not even know what time of day it did. Vide note 215, *supra*.

6 *A. Yes.*

7-8 *Q. So you can't answer the simple question that 13:30 is 1:30?*

10 *A. It doesn't matter how you try to bash me.²¹⁸ Just - just - just go ahead with it.*

11 *Q. And wasn't it high noon on a clear day?*

12-13 *A. I just said I didn't know what time it was.²¹⁹ It's a clear day according to the pictures.*

14 *Q. And at almost high noon, I mean, like ---*

15 *A. I don't know.*

16 *Q. ---it was the middle of the day, sunny day, clear day?*

2 *The Court: Just a moment. I can't hear the question.*

3 *Ms. Weiss: Your Honor?*

4 *The Court: Yes.*

5 *Ms. Weiss: The defendant is testifying.*

6-7 *The Court: You can't testify. This witness must testify. You just ask questions.*

8-9 *Dr. Faltas: I'm referring to her testimony yesterday.*

10-13 *By Dr. Faltas: Q. Yesterday when I pointed out that a baby of that age doesn't even know what a camera is, you said, "Oh, no, she was upset by the flash." Didn't you say that? Would you like the testimony read back?*

14-17 *A. What I said was -- your response to a baby would not have known, my response was: Any person would know at any age if a stranger is in their face with anything flashing or taking pictures.²²¹*

18 *Q. Flashing?*

19 *A. That's what I said!*

20-21 *Q. Yeah, you said the flash, but that was high noon and the flash wouldn't have gone off!*

22 *A. Okay. And?*

23-24 *The Court: The jury is to disregard the statement. It wasn't a question. Did you have a question?*

125 to page 260, line 1 *By Dr. Faltas: Q. Have you ever taken pictures?*

2 *A. Sure.*

3 *Q. Have you ever used automatic cameras?*

4 *A. Sure.*

5-6 *Q. Do you know that the flash doesn't go off when it's daylight?*

7 *A. I do know that it depends on how you have it set.*

8-9 *Q. Uh-huh. And do you know that even if the flash were set to go on, it wouldn't be seen when it's daylight?*

10 *A. That's not always true.*

11 *Q. Uh-huh. I am at quite a distance from---*

12 *Ms. Weiss: Objection.*

13-15 *By Dr. Faltas: Q. Do the pictures show that I'm at quite a distance from---*

16 *A. They sure don't.²²²*

17-19 *Q. They don't. All right. State's exhibits 54, 53, 52, 51, 50, and 49: Are you holding a coat hanger in your hand in some of them, in at least one of them?*

20 *A. I don't know what it is that you see, but no.²²³*

21-22 *Q. Specifically State's exhibit 54, do you see a coat hanger?*

23-24 *A. I don't see a coat hanger, and I would like for you to show me a coat hanger in this picture right here.*

25 *Q. That's what I'm pointing at.*

page 261, lines 1-3 *A. No, no, no. But you're saying that there's a coat hanger in this picture. Just show me a coat hanger that's in this picture.*

4 *Q. Yes, right here in your hand.*

5-7 *A. It looks like something across the picture. I don't ever recalling having a coat hanger, but it does look like something across the picture!*

8 *Q. And on this one here also a coat hanger?*

9 *A. No.²²⁴*

10-11 *Q. And does it show that those people are going through a clear exit? No one is blocking them?*

12-13 *A. It does show that. It shows you sitting in your car taking pictures, yeah!*

²¹⁷ What credibility can be given to a witness who denies that 13:30 is 1:30 pm? She thus betrayed her ignorance, her compulsive lying, or both

²¹⁸ Dr. Faltas did not receive formal denial that Teresa had spent "a year and a half" as "navy aviation" until after that trial.

²¹⁹ Vide notes 215 and 216, *supra*.

²²⁰ Vide notes 215 and 216, *supra*.

²²¹ The photos clearly show Dr. Faltas was never "in [kyra's] face" but stayed in her car with at least another car's length away from the baby.

²²² Teresa and her brother admitted they do not know what a zoom (telephoto) lens is. Vide note 115, *supra*.

²²³ The photos are reprinted on separate sheets, some with magnifications and/or arrows. Denying what is obvious in the photos IS lying.

114 Q. *Where am I in my car taking pictures?*

115-18 A. Right here in every single picture in your rear-view mirror. You're so smart that you forget that it takes a picture of yourself in the car. As a matter of fact, there's pictures with you taking pictures of yourself in the mirror.

119 Q. *This is very far from where you were ---*

120 A. No, it's not.²²⁵

121-22 Q. *All right. The jury will see that. Are these people able to pull out?*

123-24 A. **You see they are directly in front of an entrance or exit. So, yes, they can pull straight out.**

125 to page 262, line 11 Q. *So they were not blocked. So I come home. I see somebody with a coat hanger ---*

126 A. You was already home.²²⁶

13-51 Q. *Could you please let me finish the question? I see somebody with a coat hanger in her hand and people hooking a car to a truck---*

61 Ms. Weiss: Objection, Your Honor.

7 The Court: The objection is sustained.

8-91 Dr. Faltas: *Would a reasonable person seeing this, seeing that someone was ---*

100 Ms. Weiss: Objection.

111 The Court: Objection is sustained.

112-141 **By Dr. Faltas: Q. Have you known coat hangers to be used to force open a car?**

115-18 A. No, and none of those pictures depict that.²²⁷ If there was a coat hanger on any of those pictures, what would a coat hanger do? A coat hanger cannot tow a truck. It cannot pull a truck, even if it was a coat hanger.

119 Q. *It would force a truck open.*

120-21 A. Nothing was locked, so why would we have to try to force something open if nothing was locked?

122 Q. *If someone were stealing something ---*

123 A. If. But it wasn't.

124 Q. *How would I know that?*

125 A. If. Hypothetical.

1 page 263, line 1 Q. *How would I know?*

2 A. How would I know?

13-51 Q. *Okay. And this is State's exhibit 82. Isn't that, in fact, your car pulling out of the exit that's closer to my building?*

16-71 A. **That's me leaving out of the entrance or exit that I chose, yes.**²²⁸

81 Q. *Isn't it, in fact, the exit closer to my building?*

9-10 A. **That is the entrance or exit that is on -- closest to the building that she resides in.**²²⁹

11-14 Q. *And since you started trying to run me off, isn't it true that one of the things you and your unquote/quote company were -- started doing is do a detour in front of my building and car and honk at me and yell obscenities at me?*

115-201 A. Actually you did that several times. As a matter of fact, I can remember calling the police because you kept continuously doing it as a way to irritate me, and when you used the race card about this old foreigner, I'm the only black person that lives in my building, and I've never been discriminated on.

121 Q. *Yes, of course, because you pay \$320 ---*

122-231 A. I do not -- I wish I did, but you'll never know how much I pay because it's not your business.²³⁰

124 to page 264, line 1 Q. *What reason would you have to take this exit as opposed to the exit that's closer to your building as portrayed in the State's exhibit 82?*

12-41 A. **It's my choice.**²³¹ There's no entrance or exit. You can call it whatever or whatever we choose to call it. So I choose to use whichever one I want to just as well as you do.²³²

15-61 Q. *State's exhibits 85, 84, 44, 43, and 42. Is the red car a Corvette?*

17-141 A. It's a red car. I don't know who that car is. Everybody that comes to that address does not come to visit me. Three other people live in that building outside of me. I do not know every vehicle that comes in the parking lot. It's a red car; that's what I know. It's a Chevrolet, looks like it. That's all I know. Anything else, I don't know who the car belongs to, who drives it, how the person looks or anything.

115-171 Q. *Isn't it true that this car is driven by Larry Mason and that you followed him that day to go and file something against me?*

118-191 A. Once again, I don't know who drives that car, how the person looks.

1201 Q. *Have you ever seen Larry Mason drive a red Corvette?*

1211 A. Corvette. This isn't a Corvette.

1221 Q. *Have you ever seen Larry Mason drive a red Chevrolet?*

1231 A. I've seen him drive a red Corvette.

124-251 Q. *And is a Corvette a Chevrolet? Is Corvette made by Chevrolet?*

1 page 265, lines 1-21 A. I don't know, but I know that this red car is not a Corvette. That I do know.

13-41 Q. *In State's exhibit 44 is your car following a Corvette, a red Corvette?*

15-61 A. **My car is leaving out following a red car.** I don't know what kind of car it is,²³³ and I don't think you do either.

171 Q. *And these are taken from my window, aren't they?*

81 A. Well, you would know.

²²⁵ The photos are reprinted on separate sheets, some with magnifications and/or arrows. Denying what is obvious in the photos is lying.

²²⁶ If she "was already home," Dr. Faltas have taken the photos from the safety of her apartment window not gone down to her car.

²²⁷ Two photos do show a wire coat hanger in Teresa's hand; and Curtis Ingram admitted they used one that day.

²²⁸ The oppression is stark: Teresa "chose" to drive by Dr. Faltas' home and car but wants her imprisoned for doing the same.

²²⁹ Vide note 228, supra.

²³⁰ Vide notes 228 nd 229, supra.

²³¹ Vide notes 228 to 230, supra.

²³² The true reason is in Dr. Faltas' unchallenged testimony. But these annotations are limited to Teresa's objectively provable lies.

²³³ Teresa knew the car and driver she was following that day: Larry Mason made her follow him to file a complaint against Dr. Faltas.

9-10 Q. *State's exhibits 40 and 43, do they show my building and your building and my pickup truck in front of my building?*

11-13 A. This is a perfect picture of both of the buildings, not in its entirety, and there is a little beat-up truck in the picture.

14-15 Q. *Have you ever seen me drive that old beat-up truck that's in the picture?*

16 A. I don't know.²³⁴

17 Q. *So you don't know.*

18 A. I know you drive the little green raggedy car.

19 Q. *What?*

20 A. I know that you drive the green raggedy car.

21 Q. *The green what?*

22 A. Raggedy, rickety old car---

23 Q. *Okay.*

24-25 A. ---that's filled with paper cups and straws and plastic and all kind of other stuff.

[page 266, line 1] Q. So you look at my car.

24 A. Who can't see it? And when you came home last night, now the apartments look worse than what they do just by sight because you left your window up with all that stuff showing.

5-6 Q. The State's exhibits 45 and 46, isn't -- aren't these taken from my window?

7-8 A. Unless you're on the top of the building or the side of the building, yeah.

9-11 Q. *Okay. And isn't it true that that day you were talking to someone loud enough for me to hear and telling them that my Egyptian ---*

12 Ms. Weiss: *Objection, Your Honor.*

13-14 The Witness: I don't know what you can hear. I don't know; I'm not you.

15-16 The Court: Objection -- just a moment. The objection is sustained.

17-20 By Dr. Faltas: Q. And State's exhibits 29 -- and State's exhibits 29 and 30, do they not show this so-called Richard Cooper again making a detour and driving in front of my building?

21 A. It shows the so-called Richard Cooper leaving.

22 Q. *Which exit? Can you tell?*

23 to page 267, line 1 A. The one that he chose on that day, and it's not an entrance or exit. So you can stop saying that. It's not an entrance or exit. You can use it as you wish: Entrance or exit.

2 Q. *State's exhibit 27, is it taken from my window?*

3-5 A. Yep, clearly from your window because it shows all the straws that I just said that you have.²³⁵ Yeah, yeah, yeah, your window.

6-7 Q. *And isn't it true that it shows you talking to a policeman?*

8 A. Correct.

9-10 Q. *And isn't it true that it shows the clear exit, that the exit is totally clear?*

11-12 A. There's not an entrance or exit. If it shows something -- it could be either/or.

13-14 Q. *Either/or exit or entrance, it's clear, not blocked by anyone?*

15 A. On that picture, no.

16-17 Q. And you had called the police falsely claiming that I had blocked your brother's exit or whatever?

18 A. If I called the police falsely, what have you done?

19 Q. *What did you say?*

20-21 A. I said if I ever call the police falsely, what have you done? Every complaint has been false and frivolous --

22 Q. *Your Honor ---*

23 A. --because you want to be a real lawyer ---

24 Q. *Your Honor ---*

25 A. -- on T.V.

[page 268, lines 1-2] Q. *Your Honor, may I ask you to admonish the witness for interjecting ---*

3 A. But you do the same thing.

4 Dr. Faltas: Your Honor, this witness is out of control!

5-6 The Court: All right. Let's respond to the questions. Next question. Anything further?

7 Dr. Faltas: Yes, Your Honor. I was ---

8 The Court: Next question.

9-11 Dr. Faltas: The State doesn't have the pictures in the correct order, so I was trying to find them in the correct order.

12-14 By Dr. Faltas: Q. Exhibits -- State's exhibits 19, 18, and 17. In exhibit 19 aren't you, in fact, standing in front of my building?

15 A. No.²³⁶

16 Q. *You're not.*

17-18 A. No, and the picture shows that.²³⁷ And you can't see that? Does that show me in front of your building?

19 Q. *Okay. Is this my building?*

20 A. Yeah.

21 Q. *And is this your building?*

22 A. Correct.

23 Q. *And aren't you, in fact, in front of my---*

24-25 A. No.²³⁸ Does that picture show your sign number on your door? That's not in the front of your building.

[page 269, lines 1-3] Q. *And then in State's exhibit 6, does it show you talking to police after you called police and claimed that I blocked ---*

4-5 A. I'm not sure who called on this day, but, yes, it does show me talking to the police.

6-7 Q. *And it does show the exit that's closer to your building?*

8 A. It shows an entrance or an exit.

9 Q. That is completely clear and unblocked. Yes or no?

10-11 A. The entrance or exit that's in that particular picture is not blocked.

12-13 Q. *And then -- and then State's exhibits 26, 25, 24, 23, and 22.*

14 A. (The witness looks at the photographs.)

²³⁴ State's Exx. 17-20 and 22-26, *inter alia*, are photos taken by Dr. Faltas from inside that Toyota truck; and Teresa had so testified.

²³⁵ This belies her Teresa's testimony at p 251, line 23, *supra*, "A. I don't know what you have." *Vide* also note 197, *supra*.

²³⁶ *Vide* notes 36 and 119, *supra*, and State Exx. 17-19.

²³⁷ *Vide* notes 36 and 119, *supra*, and State Exx. 17-19.

²³⁸ *Vide* notes 36 and 119, *supra*, and State Exx. 17-19.

115 Q. Do they not show the truck of Corey Curry?

116 A. Yes, it shows you sitting in your car taking pictures.

117 Q. Ma'am?

118-119 A. Yes, it shows you in your car taking pictures of his truck.

120 Q. Aren't the pictures taken from behind his truck?

121 A. You were in your car taking pictures of the truck.

122 Q. Aren't they taken from behind his?

123-125 A. You can't say that and I can't say -- well, you can say it, of course. I can't say that because I don't ... You make up everything.²³⁹

126 Q. Does it show the license plate?

128 A. Not clear. Oh, this one right here you was real close on this one, almost directly behind him, and on this one. Yeah, these pictures are showing you almost blocking him.²⁴⁰ Yeah.

161 Q. How could I block him ---

17-81 A. I said almost blocking him, if you're that close.²⁴¹ Are you looking at these pictures?

19-101 Q. Yes, ma'am, and he was -- he could be driving out or stopped in the middle of the parking lot and not ---

111-121 A. How can it be the middle if it's on this end in front of my car? Come on now. You need to look at your pictures.

113-114 Q. It's not -- all right. What is your car -- where is your car? Show the jury---

115 A. Where it's always parked.

116-121 Q. So where is your car in this picture? Show the jury. Show the jury!

118-119 A. You can only see the rim of my car, the front rim, the front left rim.

120 Q. Where? Where?

121-122 A. See right here. If you could see a so-called hanger, you can see this rim!

123-241 Q. Okay. So this is Corey's truck blocking your car, not my car?

125 A. Correct!

126-271, line 11 Q. I am not blocking any ---

124 A. He's parked directly in front of my car. He was leaving and we was talking, and then you came outside and so, yeah, yeah, you're right!

151 Q. So he is the one blocking the parking lot!

16-91 A. He is the one on that particular picture parked where I asked him to, directly in front of my car. I never complained about him parking in front of my car or being parked or stalled in front of my car.

1101 Q. Yeah, but it could have inconvenienced me.

111-113 A. No, it inconvenienced me to the point one day that the police had to literally make you put your foot on the gas to leave to stop harassing me.²⁴²

114-161 Q. Your Honor, could you please make her limit herself to the question? State's exhibits 7, 28, and 77, are they -- do they seem to be taken the same day and the same time?

117-118 A. I can't say that. You should have your camera fixed where it shows the date and time.

119 Q. Does it show you in all three pictures?

120 A. Does it show me what? Does it show myself? Yeah.

121 Q. Does it show your brother?

122-241 A. Yep, it shows him frustrated with you and doing hand gestures like, "I can't leave out."²⁴³ Yeah, it does. It shows all that.

125 Q. Is he wearing the same thing in the three pictures?

126-272, line 11 A. Yep.

121 Q. Are you wearing the same thing in the three pictures?

131 A. It looks like it.

141 Q. Is it the same light conditions in the three pictures?

15-61 A. That I don't know. Is it the same light condition? How was your camera set?

17-81 Q. And isn't it true that I am completely on my side of the buildings and the other exit is not blocked?

191 A. On the picture no exits are blocked.

100 Q. All right. Thank you.

111-121 A. I don't ... Well, how about the harassment part? What about that?

113-141 Dr. Faltas: Your Honor, could you please admonish the witness not to speak unless there is a question before her?

1151 The Court: Okay. She's so admonished!

1161 Dr. Faltas: Pardon?

1171 The Court: She is so admonished!

118-1191 Dr. Faltas: Thank you. Would you please tell the jury to disregard that comment by her?

120 The Court: Proceed.

124 Dr. Faltas: Thank you.

122-231 By Dr. Faltas: Q. State's exhibit 9.

1241 A. (The witness looks at the photograph.)

1251 The Court: How many more photographs do you have there?

126-273, lines 1-21 Dr. Faltas: Your Honor, I have the rest of what the State presented.

13 The Court: How many are there?

14-31 Dr. Faltas: There seems to be about 30, but I'm doing them in groups.

16-7 The Court: Do you plan to ask her questions about all of them?

181 Dr. Faltas: Not individually but in groups, Your Honor.

191 The Court: Okay.

110-121 By Dr. Faltas: Q. That picture shows my Toyota pick-up and your brother's car?

113-161 A. I don't know the relevance of these pictures. It's like you're taking pictures of his car. What do you want me to say? It shows the entrance or exit. Yes, it has a picture of my brother's car.

²³⁹ Teresa's false accusation of Dr. Faltas' "mak[ing] up everything" is equivalent to Teresa's denial that she ever told a lie; vide note 350, *infra*.

²⁴⁰ In *State Exx 22-26*, Dr. Faltas is behind the blue truck of Corey, who left it "stalled" in the middle of the parking lot.

²⁴¹ As in note 209, *supra*, tries her utmost to get away with her lies until confronted with undeniable records or photos.

²⁴² CDP Sergeant Sanders testified at Tr. p 544, lines 4-24, that Dr. Faltas complained about Teresa throwing rocks in September 2009.

²⁴³ In those photos, Dr. Faltas' car is at one exit; the other exit is totally open to Teresa's brother's car. No other interpretation is possible.

117 Q. And it's not blocked in any way, is it?

118-119 A. Show the pictures that are blocking. No, it's not blocked on that one.

120-121 Q. Okay. Have you ever used a camera that has a zoom photo -- a zoom lens?

121 A. I'm sure I have.

123 Q. Do you know what a zoom lens is?

124-125 A. I'm not a photographer. I'm not familiar with it like that!

126-127 Q. So you don't know what a zoom lens is or do you?

127 A. I'm not familiar with it like that!

128 Q. All right. State's exhibits 47, 10, and 8.

129 A. (The witness looks at the photographs.)

130 Q. Do they once again show your brother with a clear exit?

131-132 A. It does not show that on any of these pictures you've just handed me. Really. It clearly shows you directly behind his car taking pictures. That's what these pictures are depicting: You in your car taking pictures. Why? Who knows. These are the ones that are -- you are blocking him from moving on that though, yeah.²⁴⁴

133 Q. Isn't the mailbox here? So I'm on the other side of ---

134 A. I didn't point out that one either.

135 Q. All right. State's exhibits 96, 91, 92, 97, 95, and 94.

136 A. (The witness looks at the photographs.)

137 Q. Do they show this Corey working on your car?

138-139 A. It does not show Corey working on anything. What it does show is you in your car obviously moving to get closer to take the pictures. That's -- that's what it's showing.

140 Q. Does it show your car with your hood up and ---

141 A. It sure does. Uh-huh.

142 Q. With parts all over the lot?

143 A. All over the lot?

144 Q. Uh-huh.

145 A. One car could be parked all over the lot? Really.

146-147 Q. Parts. Parts. Parts. P-a-r-t-s. Car parts.

148 A. Okay. So it's parts -- so you see parts all over here. I don't see parts right there. I see parts directly at the tire where he was working at.

149 Q. Is this a garage? Is our parking lot a garage?

150-151 A. Wherever said it was a garage? Whoever said that -- whoever said that I could not have my car worked on? That's not in the lease.²⁴⁵

152 Q. In a residential ---

153 A. Here you go.

154 Q. In a residential area?

155 A. Here you go.

156-157 Q. And then State's exhibits 98 and 99, do they not show Corey in his blue truck in the middle of the parking lot and in one of them he's flipping a finger at me again?

158-159 A. Yeah. It shows him actually leaving. Yeah. Yeah, he flipped you for sure.

160 Q. And then State's exhibit 88?

161-162 A. That shows that obviously you had followed him to his residence, but then you don't do things like that? It shows you followed that man to his house.²⁴⁶ That's what that shows.²⁴⁷ But then you're so scared because he grabbed his crotch, but then you follow him to his house?

163-164 Dr. Faltas: Your Honor, could you please -- the witness hasn't heeded Your Honor's admonition.

165-166 The Court: She's responded to your question. Next question.

167 By Dr. Faltas: Q. So you know for a fact that that's his house.

168 A. You do, too. Yep.

169 Q. And that's his car in front of his house?

170 A. You know that, too.

171 Q. Minus a tire.

172-173 A. Minus what tire? What do you see? Where do you see minus a tire at? Oh, yeah, it is minus a tire. You was that close?

174 Q. Is that common sense?

175-176 A. I can't tell you. You was following somebody home who you're scared of, so from -- for just flipping you and grabbing their crouch (sic) in a so-called purported arousal state, but then you followed them to their house?

177 Q. How do you know I followed him?

178 A. How did you get the picture?

179 Q. How do you know I didn't get ---

180 A. How did you get the picture?

181-182 Q. How do you know I didn't get the address from the police department?

183-184 A. Okay, but how did you get the picture? Even if you got the address and you went there, how did you get the picture?

185 Q. It's not following---

186-187 A. Are you stalking him as well?

188 Q. Ma'am?

189 A. Ma'am?

190 Q. You did not see me follow him.

191 A. It's your picture, your camera ---

192 Q. It's ---

193 A. It's with the same --

194 Q. Okay ---

195 A. Okay. So your point is what?

196 Court Reporter: I can't take you both at the same time.

197 The Witness: I'm sorry.

198-199 By Dr. Faltas: Q. And exhibits -- State's exhibits 38 and 39, do you recall what you said about them?

²⁴⁴ Rodney's car was visibly unoccupied when Dr. Faltas photographed it; so, she could not have blocked anyone in.

²⁴⁵ Dr. Faltas' lease limits use of her apartment and vicinity to residential purposes. The landlady may have favored Teresa with exceptions.

²⁴⁶ Vide note 155, supra.

²⁴⁷ Vide note 155, supra.

115-181 **A.** I recall stating that -- I don't really recall, but the way it -- looks like you parked out by the mailbox, stalked out like you always are.²⁴⁸ These just are you taking pictures of nothing really.²⁴⁹

119 **Q.** Parked out by the mailbox.

120-211 **A.** These pictures prove the obsession and the constant harassment.²⁵⁰ That's what your pictures are proving.

122-231 **Q.** Isn't it clear that they are taken from the street, not ---

124-251 **A.** I just said that. I didn't say from in your apartment. I said you're stalked out by the -- by the mailboxes.

(page 278, lines 1-21) **Q.** They aren't by the mailboxes. The mailboxes are on the other side.

1 **Ms. Weiss:** Objection, Your Honor.

4-7 **The Court:** The objections are -- the objection is sustained. You cannot testify. You'll get an opportunity if you want to testify. Do you have any more questions for the witness?

18-91 **Dr. Faltas:** Yes, Your Honor. I haven't finished going through the pictures.

110-111 **The Court:** All right. You need to ask her questions as opposed to testifying.

112-151 **By Dr. Faltas:** Q. State's exhibits 1, 2, 3, 5, and 20, do they not show on another occasion also Corey's car marking a detour to go in ---

116 **A.** Excuse me? Whose car? Let's get it right.

117 **Q.** Richard's car.

118-191 **A.** It does not show any detour,²⁵¹ unless these pictures can talk. It shows you taking a picture of him leaving.

120-211 **Q. And State's exhibit 83, does it not show your car driving in front of my car?**

22-231 **A. If you were sitting in your car when you took this picture, then, yes, I guess I did pass by you.**

24-251 **Q.** Okay. And then State's exhibit 21, does it show your balcony?

(page 279, line 1) **A.** Yes.

21 **Q.** And Charlene's balcony?

13 **A.** Yep.

14 **Q.** And does Charlene's balcony have a ---

15-61 **A.** I don't know what Charlene has on her balcony now. I don't know.²⁵²

16-21 **Q.** Do you dispute that it has a big sofa there that people don't normally put in their balconies?

19-11 **A.** And the eyesore from your apartment. Come on. If there's a sofa on her porch, what's the relevance of these questions?

112 **Q.** Is there a sofa in her porch ---

131 **A.** Wow.

114 **Q.** ---or not?

115-161 **A.** There's a sofa on her porch, and there's trash in your window.²⁵³

117-181 **Q.** Did there come a time when you got furniture from Aaron's rent furniture or from Aaron's ---

191 **Ms. Weiss:** Objection.

201 **The Witness:** No, there wasn't.²⁵⁴

211 **The Court:** The objection is sustained.

22-231 **By Dr. Faltas:** Q. Did Corey ever work for Aaron's ---

241 **A. I don't know.²⁵⁵ I'm not Corey.**

1251 **Q.** When did you meet Corey?

(page 280, line 1) **A.** A couple of years ago maybe.

121 **Q.** How did you meet him?

13 **A.** That doesn't matter.

1 **Ms. Weiss:** Objection.

51 **The Court:** The objection is sustained.

16-71 **Dr. Faltas: Did you ever come to know that he has many drug convictions ---**

61 **Ms. Weiss:** Objection.

9-101 **The Witness:** That's not my -- that's not my business. See, that's the difference between me and you.

11-121 **The Court:** Just a moment, ma'am. When there's an objection, let's stop talking. The objection is sustained.

113-151 **By Dr. Faltas:** Q. And then State's exhibits 41, 37, 36, 35, 34, 33, 32, and 31, do they not show you in your balcony?

116-221 **A.** Yes. This was the day that you came out, while I'm talking to the man that's downstairs in my building, calling names and cursing.²⁵⁶ This is a little feeble act that she plays in court when she gets in court that she can't talk, but then she screams all kind of obscenities and stuff all day, just like she just had her little tyrant just now. Yes, I remember these pictures on this date.

123-241 **Q.** In fact, didn't you hear in one court where I played a tape ---

1251 **Ms. Weiss:** Objection.

(page 281, line 1) **The Court:** Objection is sustained.

12-31 **Dr. Faltas:** Your Honor, may I play a tape for impeachment purposes?

41 **The Court:** A tape from another court hearing?

61 **Dr. Faltas:** No, a tape from her.

91 **The Court:** From her?

121 **The Witness:** She's saying me and ---

81 **The Court:** Just a moment, ma'am. A tape from where?

19-101 **Dr. Faltas:** Where she that day was yelling obscenities at me and I came out and recorded it.

111 **The Court:** All right.

112-131 **Dr. Faltas:** And took pictures to correlate both of them and that tape was played in a court.

²⁴⁸ If Dr. Faltas waited for her mail at the mail boxes, a legitimate purpose reveals itself: prevention of mail theft.

²⁴⁹ Dr. Faltas explained that she needed to document the buildings' structural issues unrelated to Teresa.

²⁵⁰ The oppressive unreasonableness is self-evident: how could Teresa possibly be "harassed" by Dr. Faltas' mapping out sewer lines?

²⁵¹ The photos, in their correct sequence, do show Teresa's boyfriend unnecessary driving by Dr. Faltas' apartment, then making a U-turn.

²⁵² Teresa had obtained that sofa from Aaron's Furniture but did not pay for it. She hid it from repossession in Charlene's balcony.

²⁵³ Teresa further belies her own false pretense that she does not know what Dr. Faltas has. Vide notes 197 and 235, supra.

²⁵⁴ Vide note 252, supra.

²⁵⁵ Teresa could not have known where Corey's house by sight without knowing where he worked, if he did.

²⁵⁶ The tape recorded Teresa yelling to Dr. Faltas "Die, b---, die." their neighbor Jones so testified on 10 November 2009 in magistrate court.

114 **The Court:** All right. You may proceed.

115 **Dr. Faltas:** Thank you, Your Honor.

116 **The Witness:** Play it.

117-119 **The Court:** Ladies and gentlemen, let's stand for -- do you need a break? All right. Please go to the jury room for a break.

120-211 **(Whereupon, the jury was excused from open court at 4:52 p.m.)**

122-241 **The Court:** Ma'am, you have prepared to play whatever it is when the jury comes back out. Are you preparing to play something?

1251 **Dr. Faltas:** Yes, Your Honor.

126 **The Court:** Looking for something?

127 **Dr. Faltas:** Yes, I'm looking.

13-1 **The Court:** All right. If you'd be prepared to go when the jury comes back out.

14 **Dr. Faltas:** Thank you.

16 **The Court:** We'll take a short break.

171 **(Whereupon, a short break was taken.)**

18-9 **The Court:** All right. If you'll take your seat and bring the jury, please.

100 **Ms. Weiss:** Your Honor?

111 **The Court:** Yes.

112-161 **Ms. Weiss:** Due to the fact that it's 5:00 and we're still on this witness, we do not have any more witnesses coming today. I was just going to have everybody lined up for tomorrow. I'm hoping we'll finish this witness today. Does that sound ...

171 **The Court:** All right.

181 **Ms. Weiss:** Thank you, Your Honor.

119-201 **Dr. Faltas:** Your Honor, I don't think I can finish this witness today.

211 **The Court:** She said she hopes that we will.

122-231 **(Whereupon, the jury was brought into open court at 5:04 p.m.)**

124 to page 283, line 21 **The Court:** It doesn't really matter... If someone wants to sit on that back row, it's fine with me. If some of the jurors want to sit on the back row, it doesn't matter to me even though the... All right.

141 **Dr. Faltas:** Your Honor?

16 **The Court:** Yes, proceed.

15-61 **Dr. Faltas:** Thank you. To save time, may I -- may I ask other questions and ---

17 **The Court:** To save time, yes.

18-91 **Dr. Faltas:** I mean -- and when there is another break, I find the exact spot on the tape? I'm ---

100 **The Court:** You're asking the questions. Proceed.

111 **Dr. Faltas:** Thank you, Your Honor.

112-191 **By Dr. Faltas:** Q. Ma'am, I'm going back in the order from the beginning -- I did the pictures that she did last, but I'm going back from the beginning of the questions Ms. Weiss asked you, and I hope I'll go over them quickly. You said you worked in Navy aviation for a year and a half and had a medical discharge. Can you tell us what does that mean -- what medical condition you had?

201 **A.** A medical honorable discharge.

211 **Q.** Yeah. What was the medical condition?

221 **Ms. Weiss:** Objection.

231 **The Court:** The objection is overruled.

24-251 **The Witness:** Migraines. Migraines is why I was dismissed from the military.²⁵⁷ My God.

124 to page 284, lines 1-21 **By Dr. Faltas:** Q. And you were how old then?

131 **A.** I don't know. I don't remember.²⁵⁸

14-51 **Q.** Okay. And then you said you went to South Carolina University?

16 **A.** Yes.

171 **Q.** And did you graduate?

181 **A.** No.

19-101 **Q.** You did not graduate. You also went to Benedict College.

111 **A.** Yes.

1121 **Q.** Did you graduate from Benedict College?

1131 **A.** No.

1141 **Q.** No?

1151 **A.** That's the answer.

116-171 **Q.** I just didn't hear it. And you said you also went to Columbia College?

1181 **A.** No, I did not say that.

119-201 **Q.** Did you go to other colleges from which you did not graduate?

211 **A.** Yeah.

221 **Q.** Which other colleges or universities?

231 **A.** I went to Midlands Tech. Wow.

241 **Q.** Midlands Tech? And what else?

125 to page 285, line 11 **A.** That's it. If you found out something else ... I went to high school, middle school, elementary school.

121 **Q.** So you do not have any college degree?

131 **A.** No, I do not have a degree.²⁵⁹

14-51 **Q.** Okay. At one time in another court you claimed that you have an associate's degree.

161 **A.** When did I say that?²⁶⁰

171 **Q.** Well, there are tapes.

181 **A.** Okay.

19-101 **Q.** And you say that you're gainfully employed. What is your hourly rate?

111-121 **A.** That's irrelevant, and that's not your business. Huh-uh.²⁶¹

113-141 **Dr. Faltas:** Your Honor, may I ask that you have her answer?

115-161 **The Court:** The objection is sustained. It's irrelevant.

117-181 **Dr. Faltas:** May -- may I offer her answer for the record?

191 **The Court:** No.

²⁵⁷ In her Ingram v. Triffon trial, Teresa emphatically DENIED that she ever had pain of any type before the February 2008 collision.

²⁵⁸ Real veterans in their thirties do NOT forget their service dates. Teresa was concealing her prior lies about military service.i

²⁵⁹ In Dr. Faltas' 29 September to 1 October 2009 eviction trial initiated by Landlady Steele, Teresa testified she has an associate's degree.

²⁶⁰ Characteristically, liars cannot keep track of the lies they told and of where and when they told them.

²⁶¹ Teresa was clearly reluctant to give more details about her then-non-existent employment.

120-221 By Dr. Faltas: Q. And you have been divorced for only a year and a half?

121 A. That's what I said.²⁶²

123-241 Q. Okay. So when you rented the apartment, you were not divorced?

125 A. No.

(page 286, lines 1-21) Q. Okay. And, in fact, was it your brother, you, or your ex-husband who rented the apartment for you or someone else?

127 A. Ask me some relevant questions because the questions that you're asking are -- it's like you're trying to be funny with the questions, and I'm not sure how you want me to answer your questions. I can't give you a yes-or-no answer to those questions.

18-91 Q. Do you know if you signed a lease in your own name or someone else rented?

110-111 A. If I'm renting the place and I live there alone, I, of course, signed my own lease.²⁶³

112-113 Q. Did you have to offer proof of income before -- before ---

114 Ms. Weiss: Objection.

115 The Witness: I went through the same process you did.²⁶⁴

116-201 By Dr. Faltas: Q. Your Honor, she obviously doesn't know what process I went through. I was asking if she ever -- if she had to offer -- to offer proof of income before renting the apartment.

211 A. Everybody has to show proof of income.²⁶⁵

221 Q. Ma'am, I'm not asking about everybody.

231 A. Wow.

241 Q. I'm asking about you. Did you have ---

251 A. What's the relevance?

(page 287, lines 1-21) Dr. Faltas: Your Honor, could you please make her answer?

13-51 The Court: There's an objection that preceded your colloquy with the witness. State the nature of the objection.

16-2 Ms. Weiss: Relevance to this line of questioning to the case.

19 The Court: And what's the relevance, ma'am?

115-151 Dr. Faltas: Your Honor, you know that my defense is that this person has been engaged by Dinah Steele and Larry Mason to try to get rid of me so they can keep my land and the sewer on it, and I am trying to prove that she has a financial incentive to work with them on that, including that they either give her a low rate for rent or an exception or things like that! I'm trying to establish that, Your Honor.

161 The Court: The objection is sustained.

117-181 By Dr. Faltas: Q. So how did you know to rent this apartment?

119 A. What do you mean how did I not rent it?

120 Q. How do you know to rent it? I mean ---

211 A. Because it had for rent sign outside.²⁶⁶

122-231 Q. And why were you not wanting to stay where you were before?

124 Ms. Weiss: Objection.

125 The Witness: Because I wanted to move.²⁶⁷

(page 288, line 1) Ms. Weiss: Objection.

12 The Witness: The same reason why you moved there.

13-41 The Court: She's answered the question. She wanted to move. Next question.

15 The Witness: Oh, man.

16-21 Dr. Faltas: Did there come a time when other people paid the rent for you?

14 Ms. Weiss: Objection.

19 The Court: Objection is sustained.

110-121 By Dr. Faltas: Q. And you talked about a man whom you were dating, and it ended around Valentine's in 2009?

113 A. You made a statement. You didn't ask a question.

114-161 Q. Do you recall in your direct examination by the State that you talked about a man whom you were dating and it ended badly around Valentine 2009?

117 A. Yeah.

118-191 Q. Did you call the police telling them that he had threatened to kill you?

200-221 A. I called the police and said I made threats -- that he -- that he made threats. I'm not even sure what the exact words were. Do you have that transcript or that tape when I called 9-1-1?

24-251 Q. Your Honor, I cannot testify, but, yes, there is a police report where you said he had ---

(page 289, line 1) A. Okay. Well, thank you.

121 Q. --- threatened to kill you.

131 A. Thank you.

14-51 Q. And did you also say that he left notes on your door and produced those notes to the police?

161 A. Yes.

121 Q. Okay. And ---

181 A. I said he left a note.²⁶⁸

19-101 Q. Did you also tell the police that he called and talked to your brother?

111 A. I probably did, but what's the relevance of that?

111 Q. Okay.

113 A. Okay. Yes, he came. Yeah, I called the police.

114-161 Q. And did you tell the jury that the police were out in the parking lot talking to you when I saw you and asked what's going on?

117-241 A. I did not say that. What I said was when the police came up, then I went downstairs to meet him because our doors have a lock on it which means if you don't know the code you can't get in. I went downstairs to meet him. At that time she was already in her window yelling to try to get him to talk to her,²⁶⁹ and he told her to go back inside, to mind her business, that what was going on or what had happened didn't have anything to do with her.

²⁶² While Teresa was only confirming her prior testimony, she did not take that opportunity to recant her prior perjury about being divorced.

²⁶³ Teresa did not have a lease for 300 Byron Road, Apt. 4. That was established in discovery in civil case 2009-CP-40-02219.

²⁶⁴ Teresa already knew that Dr. Faltas was being charged a higher rent and thus did not "go through the same process."

²⁶⁵ A statement of such breadth cannot possibly be true: there are always exceptions, special cases, and alternative arrangements.

²⁶⁶ When Teresa rented at 300 Byron Rd., the landlord did NOT use for-rent signs, only word of mouth that they take tenants others do not.

²⁶⁷ Teresa did not "want to move" but was evicted from Shandon Crossing where she had rented as "Teresa Jackson." Vide note 1, supra. She returned under her mother's name, Theda Ingram, after having been evicted from Byron Road in March 2010, and was again evicted. 2011CV401062158 and 2012CV401060983 She now rents under Curtis Ingram's name and faced four more evictions so far.

²⁶⁸ According to the police report, Teresa had claimed her ex-boyfriend was leaving frequent notes, not just one.

²⁶⁹ Teresa could have given police the code; instead, she directed police to meet her under the window of Dr. Faltas, who inquired as normal.

[25 to page 290, line 2] **Q. And did you after that ask Dinah Steele and Larry Mason to change the lock code on the door to your building so that this man cannot come in?**

[3] **A. Yes, I did.**

[4] **Q. Okay. And did you tell them that?**

[5] **A. Did I tell who that?**

[6] **Q. Did you tell Dinah Steele and Larry Mason that that--**

[7-8] **A. If they changed the code on the door, the answer is obviously, yes, I had to tell them. Right?**

[9] **Q. You requested it. You requested that it happen.**

[10] **Ms. Weiss:** Objection.

[11-12] **The Court:** The objection is sustained. She's answered the question already.

[13-15] **By Dr. Faltas:** **Q. And then the next day you called the police and said to forget about it; you didn't want the file.**

[16] **A. Oh, that's so untrue.²⁷⁰**

[17] **Q. What?**

[18] **A. That's not true.**

[19] **Q. So what happened to that complaint?**

[20-22] **A. That's not your business. You want to know that. I'm not going to -- I'm not going into my personal business with you.²⁷¹ I'm sorry.**

[23-24] **Q. Did you testify -- do you recall testifying on direct examination that that was the end of that situation?**

[25] **A. Yes.**

[page 291, line 1] **Q. Okay.**

[2] **A. And it is.**

[3-4] **Q. So someone threatens to kill you. You make a call, and that's the end of it.**

[5] **Ms. Weiss:** Objection.

[6] **The Witness:** The same thing you did.²⁷²

[7-9] **By Dr. Faltas:** **Q. Do you recall testifying that you never knew me on a personal basis?**

[10] **A. I don't. Still to this day I don't.**

[11-12] **Q. Since the time I moved in, did I ever make an effort to visit with you or get close to you?**

[13] **A. Yes, you did try.²⁷³**

[14] **Q. When?**

[15-18] **A. You tried with all the hellos and the little conversations up until I told you I wasn't going to be involved in that lawsuit thing or whatever about this - that little piece of land.**

[19] **Q. Okay. So when did I say hello?**

[20] **A. I don't know. Shortly after you moved in.**

[21-22] **Q. Okay. So it's polite -- you don't think it's polite to say hello to a neighbor?**

[23-25] **A. If I call back to you, yes, I think it's polite to do that. If it's a neighbor or a stranger or anybody, that's just the polite thing to do is to say hello.**

[page 292, line 1] **Q. So I was politely saying hello to you?**

[2] **A. Yes, in the beginning you was.**

[3] **Q. Yeah. And the beginning was September 2008?**

[4] **A. When you moved in there.**

[5] **Q. Okay.**

[6] **A. Whenever you moved in there, that was the beginning.²⁷⁴**

[7-8] **Q. And you claim that the first time I asked you what your rent was was in March 2009.**

[9] **A. Yeah, around that time.**

[10-11] **Q. Okay. So from September 2008 'til March 2009, all I did was say hello to you, right?**

[12-13] **A. No, I never said all of that. I never said that whole span that all you did was say hello.**

[14] **Q. Okay. Did I ever try to come into your apartment?**

[15] **A. No. You know better. No.**

[16] **Q. Did I ever ask you out?**

[17] **A. You don't have a life. This is your life.**

[18] **Q. Did I ever ask you out?**

[19-20] **A. This is your life. You would invite me to court, yes. You would invite me to court often.²⁷⁵**

[21-23] **Q. Between September 2008 and March 2009, did I ever take you to court or invite you out or make a phone call to you or anything?**

[24-25] **A. Yeah. You wrote me a note.²⁷⁶ Do you remember that little letter you wrote me?**

[page 293, line 1] **Q. Okay.**

[2] **A. Do you remember?**

[3] **Q. What is the date of that letter?**

[4] **A. I don't remember.**

²⁷⁰ CPD's records show that Teresa declined to follow-up on the report she made against Gregory Dion Smith.

²⁷¹ The police report Teresa made is not private but public and discoverable under FOIA. Dr. Faltas was merely impeaching Teresa.

²⁷² Teresa knew that Dr. Faltas never filed a similar report, much less filed one and declined to follow-up with did as did Teresa.

²⁷³ Teresa paradoxically describes Dr. Faltas' greetings as neighborly etiquette and harassment simultaneously.

²⁷⁴ In Dr. Faltas' 29 September to 1 October 2009 eviction trial, Teresa falsely testified that Dr. Faltas started harassing her as soon as she moved in.

²⁷⁵ Teresa testified that she stopped talking to Dr. Faltas after the one time the latter "invited" Teresa "to court." So, "often" is a lie.

²⁷⁶ That "little letter," admitted as Def Ex 1 and, *inter alia*, asks Teresa to NOT approach Dr. Faltas' car uninvited.

[5-6] **Dr. Faltas:** All right. Your Honor, I think it's Court's exhibit 6.

[7-9] **Court Reporter:** I don't know. The Court's exhibits are right here.

[9] **Dr. Faltas:** May I use it from the Court's exhibits?

[10] **The Court:** Yes.

[11] **Dr. Faltas:** Thank you.

[12-14] **By Dr. Faltas: Q. (Dr. Faltas hands Court's exhibit 5 to the witness.) Court's exhibit 5, is that a copy of it?**

[15-16] **A.** This is a copy of a letter that you wrote to me. We had a conversation. We was in the parking lot one day --

[17] **Ms. Weiss:** Objection, Your Honor.

[18] **The Court:** The basis for the objection?

[19-20] **Ms. Weiss:** If the defendant wishes for the witness to refer to the letter, I'd ask that she enter it into evidence.

[21] **The Court:** All right. Do you offer it into evidence?

[22] **Dr. Faltas:** Yes, Your Honor. I thought it was already.

[23] **The Court:** It's a Court's exhibit, not in evidence.

[24] **Dr. Faltas:** Oh.

[25] **The Court:** Do you offer it into evidence?

[page 294, line 1] **Dr. Faltas:** Yes. Absolutely.

[2] **The Court:** All right. It's Defense number 1.

[3] (Defendant's exhibit 1 was received in evidence.)

[4 to page 295, line 18] **The Witness:** [4-6] Okay. This is -- this is a letter that she wrote me -- me, her, and my neighbor that lives next door to me, Ms. Charlene. Me and Charlene was outside one day. She was sitting in her car just taking pictures.²⁷⁷ So on this day it's like, well, let's just give it a try and see if we could just talk to her and see if she could be civil. We did talk. We did talk to the extent of why does she do the things that she does, and if she's so highly educated and knows the judicial system as well as she does, why does she harass the people in Columbia? Why don't you move somewhere else that's big, time and you can really be seen? [This is small stuff right here.] And how she claims to be a doctor quote/unquote. [17-22] So I said to her, "Well, since you're a doctor, can you see me? You're a doctor. You're my neighbor. Can you see me?" So at that time then she went on about, "Well, I don't have my license,"²⁷⁸ or whatever she said. So I said, "Well, can I get a prescription?" She went on and said, well, she couldn't do that. [23 to page 295, line 5] Well, anyhow, she writes a letter in response trying to make it that I begged her for money and I begged her for pills and I said to her that I was impressed with the way -- with the way that she handles herself in court and that she -- and that I wanted her to teach me I guess the law maybe, but it was the -- this letter to me was to say that we had a regular conversation,²⁷⁹ and she took the conversation and turned it into that. [6-18] So this clearly let me see that you cannot even have a civil conversation with her, and on that day I thought it was a civil conversation. As a matter of fact, at the end of our conversation the neighbor that lives in her building, Mr. John, pulls up, and all of a sudden she goes into character: "Oh, my gosh. She's trying to kill me. Can you wait until I get in my apartment?" And I'm standing there like, oh, no, I know you're not doing this. We done stand outside -- she's in her car the whole time for one now. She's in her car with her window wound all the way up on this side this much, but we still had a conversation! As soon as she saw the man pull up, she started screaming and trying to run like I was trying to attack her!

And the next day I got this in the mail.

[19-20] **By Dr. Faltas: Q. What is the date of that letter?**

[21-22] **A.** It's typed October 3rd, but it doesn't show the mailing date.

[23] **Q. Can you read it, please?**

[24] **A.** No.

[25 to page 296, line 3] **Q. Does the last sentence before the signature say, "But please do not come uninvited near my car again, as when you did it yesterday it made me very uncomfortable and blocked my access to my home"?**

[4-6] **A.** It doesn't matter what you read from off of that. Okay. You wrote the letter. What do you want me to say? Yes, you wrote the letter and what?

[7-8] **Q. And that was the next day after you came next to my car ---**

[9-14] **A.** That was after you invited me and Charlene.²⁸⁰ If I was uninvited to your car, how can I have talked to you for 45 minutes, if I was so much in uninvited? Yes, you were sitting in your car and your window was wind (sic) up, but there was enough cracked down, maybe about this much, to talk!

[15-16] **Q. So the date of that letter is October 3rd, 2009. Where is the pen?**

[17] **Ms. Weiss:** I'll be glad to take the sign down.

[18] **Dr. Faltas:** No, I want to put ...

[19] **Ms. Weiss:** No!

[20] **Dr. Faltas:** What?

[21] **Ms. Weiss:** Take my sign down.

[22 to page 297, line 1] **Dr. Faltas:** I want to put this letter in here! So in between two dates when you claim I was harassing you and making unwanted contact with you and all of that, you come, stand next to my car, ask me to write you a prescription, ask me to be your doctor ---

[2] **Ms. Weiss:** Objection.

[3-8] **The Witness:** Yes. Yeah, I did. Yeah, because it's like -- as intelligent as you claim to be, something has to be wrong for you to act the way that you do. So, yes, I gave you a chance, just you sitting

²⁷⁷ No photographs were taken by Dr. Faltas on 2 October 2009. "Just taking pictures" is a talisman her false accusers repeat *ad nauseam*.

²⁷⁸ Dr. Faltas has her medical license. She only explained to Teresa that she cannot form a physician-patient relationship with her.

²⁷⁹ Teresa, then already addicted to Vicodin, accusing Dr. Faltas for "a pill or a prescription" is NOT "a regular conversation."

²⁸⁰ Teresa's own retelling proves her uninvited: Dr. Faltas kept her car window rolled up with only a small crack and rushed to her apartment as soon as a different neighbor showed up and agreed to watch her return to her apartment.

in your car and you looking at us all crazy.²⁸¹ So let's -- if we can talk to you with sense -- you can't talk to anybody sensible.

9-121 By Dr. Faltas: Q. And that is sensible for someone to approach somebody on whom you are calling the police and tell me to give you a prescription and to be your doctor?

113-191 A. We're still neighbors, yes, and when I said for you to be my doctor,²⁸² that was said in a funny sense because you claim to be so much of a doctor. That's what I said when I said that, and as a matter of fact, on that day we made light of that. It was to the point where you even laughed as if the judicial system here is a joke to you, and I think you said that in court several times.

1201 Q. I said that the judicial system is a joke?

1211 A. Oh, yeah.²⁸³

1221 Q. Did I ever introduce myself to you?

1231 A. I don't -- yeah, I want to say you did. Yeah.

1241 Q. When?

125 to page 298, line 11 A. I don't know when, but you did, probably the same day when you tried to get me to go to court with you.

126 Q. What?

128-31 A. The same day you wanted me to come to court with you. You already know who I was, so obviously you had been stalking me since then.²⁸⁴

16-71 Q. So in March 2009 is when I asked you to come to court with me.

81 A. Yeah, I think it was that time.

109-111 Q. Yeah. And I live in the next building to you or I lived there from September 2008, and you think I wouldn't know who you are except by stalking you?

112-181 A. Exactly, because I have neighbors that's there -- I've been there for two and half years. I just see these people. I've never known their name until she moved here with all that mess. I just see these people and that's it. I speak cordially. Hello. Good-bye. That's it.²⁸⁵ So, yes, it's possible for you to live and not know anybody's name. If you mind your business, you wouldn't know people's names.

119-201 Q. So, in fact, the other neighbors weren't even greeting you, and I was the one greeting you!

121-231 A. I never said that. What I said was I spoke, but I never knew their names. We spoke hello, goodbye's, but I never held a conversation.²⁸⁶ We never exchanged names.

124 to page 299, line 11 Q. So I was saying hello to you between September 2008 until March 2009, and then in March 2009 I asked you what your rent was. Right?

121 A. Yeah.

122 Q. Okay.

123-21 A. You asked the rent. I'm -- yeah. There's so much stuff that's happened with you.²⁸⁷ Like if you're trying to make me be specific on dates and times, I'm not going to be that accurate.

124 Q. Okay.

125 A. So ...

101 Q. And how much did you tell me your rent was?

111-121 A. I never told you,²⁸⁸ as I'm not going to tell you today because it's not your business.

113-151 Q. And did you testify many times that I responded that they are charging me much more rent than they are charging you?

116-181 A. Yes, you have, and in each response I said, "Who wouldn't love to have a rent for \$300?" If I can live somewhere and pay \$300 for rent, I would, but I'm not.

119-20 Q. And you still don't want to tell this jury how much your rent is.

1211 A. It's none of their business either.

1221 Q. Your rent has always been less than \$550.

123 Ms. Weiss: Objection.

124 Dr. Faltas: Has your rent---

125 to page 300, line 11 The Court: The objection is sustained. Let's move on beyond the rent!

²⁸¹ Earlier on 2 October 2009, the war Steele and Mason launched against Dr. Faltas was thwarted by two legal defenses: first, Dr. Faltas attended a hearing in Columbia's Municipal Court where she requested a jury trial on Steele's false allegation of trespass (a jury acquitted Dr. Faltas of that charge on 21 March 2013); then she obtained a stay of eviction from Richland County Central Magistrate Court. Dr. Faltas was NOT "sitting in her car just taking pictures" or "looking at us all crazy." Clearly, as soon as Steele and Mason failed to have Dr. Faltas incarcerated and/or physically evicted that day, they instructed Charlene and Teresa to physically stand between Dr. Faltas and her apartment; but Providence sent a male neighbor to thwart that plan.

²⁸² By 2 October 2009, Teresa had milked her February 2008 collision with Triffon's car of all narcotics she could get for feigned pain. Dr. Faltas then knew nothing of *Ingram v. Triffon* but detected Teresa's drug-seeking behavior when she saw it.

²⁸³ Presiding Judge Newman's compliments to Dr. Faltas as "most pleasant and gracious," "not frivolous at all," Tr. p. 329, lines 1-11, infra; suffice.

²⁸⁴ In February 2009, Teresa had called police to 300/304 Byron Road and made Steele and Mason there change the code on a building door, Tr. pp. 289-290, supra. So, by March 2009, Dr. Faltas had to know of Teresa without "stalking" her.

²⁸⁵ Teresa's claim of reticence towards her neighbors is contradicted by her claim of "conversating" with a neighbor's guest on 13 October 2009. Tr. p. 217, lines 1-8, supra, and State Exx 31-37 and 42.

²⁸⁶ Many other court records document conversations among Teresa and her neighbors before and after Dr. Faltas moved into 304 Byron Road.

²⁸⁷ The contacts between Teresa and Dr. Faltas before that trial are defined and documented, apart from the one question about Teresa's rent in March 2009, and another about Teresa's verbal abuse of a different neighbor later that spring, started only in late August 2009, immediately after Teresa lost her *Ingram v. Triffon* case and, unemployed, had no money to pay her rent.

²⁸⁸ On 29 September 2009, Teresa told Dr. Faltas on cross-examination in her eviction trial where Teresa was a witness for Steele that Teresa's rent was \$500.⁰⁰/month. That trial was audio recorded and the tapes had been illegally seized from Dr. Faltas.

12-41 By Dr. Faltas: Q. And then you claim that I started harassing you after you said, no, you would not come to court with me.

12-41 A. Oh, yeah, nonstop.

16-51 Q. Okay. So did there come a time when I said, "Okay. See how I can harass you now. You will come to court with me," or anything like that?

16-51 A. Can you repeat that?

110-111 Q. I'm saying like if you said that I started harassing you in March ---

121 A. Uh-huh.

113-115 Q. --- did there come a time afterwards like, say, in April I said, "See, I have harassed you for a month. Now you have to come to court with me"?

116-231 A. No, no, no, no, no. I did that on my own accord just to give you respect as an elderly lady. Maybe you were delusional or crazy in your own mind!
So for me to call the police on an old lady that does not have a life and it's clearly (sic) that the things that you're doing is for attention! no, I did not call the police immediately and say that you was harassing me and you know that. I've stated that in court before, too.

124 Q. That wasn't even my question.

125 to page 301, line 11 A. Well, what's the question? I don't understand the question.

12 Q. If you would please listen ---

124 A. I answered it to the best of my knowledge that I thought you asked.

15-21 Q. If you would please listen. You said that I started harassing you after you said you will not come to court with me.

18 A. Yes.

19 Q. What do you think I was trying ---

110 A. I'm not you.

111-141 Q. Okay. Then did there come a time, say, in April or May when I said, "Okay. I've harassed you for two months. Now you've learned your lesson. You will come to court with me," or something like that?

115-181 A. It's like are you trying to be funny? I'm not understanding that question. It's like you're smiling when you're asking it like you're trying to make a point, but I'm really not getting it.

191 Q. And then you testified that you have ten acres of land?

200 A. I said several.²⁸⁹

200 Q. What?

221 A. I said several!

221 Q. You have several acres?

241 A. Several. Not a slab. Several.²⁹⁰

251 Q. Okay. And you call the land that I have a little slab?

1page 302, line 11 A. That's what I call it. Compared to mine it is a slab.

12 Q. Okay. And I shouldn't be allowed to build on it?

11 A. I never said that.

14 Ms. Weiss: Objection.

9 The Court: The question has been answered.

16-51 By Dr. Faltas: Q. And you said that you mind your business and I should mind mine; right?

18 A. Yes.

110-111 Q. Okay. Is it my business if I'm charged more than others?

121 Ms. Weiss: Objection.

113-141 The Witness: You're right. That's your business. You said it correct: Your business.

115-161 Dr. Faltas: And how will I know if I'm charged more than others?

121 Ms. Weiss: Objection.

118-201 The Court: The objection is sustained. How much rent you're charged is irrelevant. Let's move to the -- beyond the rent, her rent and your rent.

121-241 By Dr. Faltas: Q. And then you claim that the reason you said that you wouldn't come to court is that you would be missing days from work!

1251 A. Yes!

1page 303, lines 1-31 Q. And yet you stayed in one hearing for three days and in another hearing for one day and in this trial for what? Three days now?

11 A. Correct.

121 Q. Okay. All of these are things that you initiated.

16-51 A. I initiated? I never initiated you harassing me, so I don't understand your last statement, question, or anything. I never asked to be harassed.

191 Q. You caused these charges to be brought against me.

110 A. I caused it? I caused you to harass me?

111-121 Q. Ma'am, did you file complaints against me that resulted in these charges being brought against me?

113 A. Obviously, yes!

1141 Q. Okay. And then Dinah Steele, the landlady, started ---

1151 Ms. Weiss: Objection.

1161 The Court: I didn't hear the question.

117-201 By Dr. Faltas: Q. And Dinah Steele, the landlady, had started an eviction proceeding against me in which you went and stayed in court for three days. Yes?

121 to page 304, line 11 A. I'm not sure when anything took place! Like I stated on yesterday, when all this stuff started with her about court -- when I say every day all the time, literally every day all the time. I'm not sure on dates and times. I never even kept a journal or a log of all this mess. I'm surprised it even got this far!

121 Q. Do you have a supervisor at work?

121 A. Yes, I do.²⁹¹

121 Q. What's that supervisor's name?

121 A. My supervisor's name is Ms. Washington.²⁹²

121 Q. What's her first name?

121 A. Sandra.²⁹³

108-91 Q. And the current job that you have, have you been in it for how long?

110 A. About two and a half years.²⁹⁴

111 Q. Were you ever fired for any reason from any job?

112-114 A. I don't know. Could -- you know, could be. I've been working since I was younger. I'm in my thirties now. I'm sure. Maybe.²⁹⁵

115 Q. Did you tell us why you did not graduate from college?

116 Ms. Weiss: Objection.

117 The Witness: Oh.

119 The Court: Objection is sustained.

119 The Witness: Okay.

120-221 By Dr. Faltas: Q. And you said you started noticing me in my car in March; right?

231 A. Yes.

241 The Court: The question has been asked and answered.

251 Dr. Faltas: That was?

(page 305, lines 1-2) The Court: You repeated the same questions over and over.

31 Dr. Faltas: Not the same. In my car. In my car.

91 The Court: The objection is sustained.

91 Dr. Faltas: All right.

16-81 By Dr. Faltas: Q. Isn't March the time I bought what you call the slab of land?

91 A. I don't know when you purchased it.²⁹⁶

101 Q. Okay.

111 A. I don't know anything about that.²⁹⁷

121 Q. Okay. And then you called me eclectic or weird or ---

13-151 A. Or a gypsy. Exactly. You've taken my pictures. You could have root on me, voodoo. I don't know the purpose for that.

Yes, I did say that.

161 Q. Do you know what the word eclectic means?

171 Ms. Weiss: Objection, Your Honor.

181 The Witness: Do you?

191 The Court: Overruled.

20-211 By Dr. Faltas: Q. Of course I do.

221 A. So do I.²⁹⁸

231 Q. So what does it mean?

241 A. I'm not answering.

(25 to page 306, line 1) Q. And then when you went to see Investigator Blanton, did you write a statement under oath for her?

12-71 A. Yes, I wrote a long statement of every incident that I could think -- that I could just think about. It's humanly impossible for me to just sit at one period -- let's say somebody gives me an hour to say everything that you've done pretty much in every court case. I could never sit here and say how much things that you have done.

18-91 Q. So you gave Investigator Blanton two sworn statements; right?

101 A. Yeah.

11-121 Q. Okay. And in one of them you told her that I overheard you having a verbal altercation with a neighbor.

131 A. Correct.

141 Q. And I overheard you from my window; right?

151 A. Yep.

16-171 Q. You were standing under my window and yelling at another neighbor.

18-191 A. That's where you're making the stuff up.²⁹⁹ You know I was not under your window.³⁰⁰

20-211 Q. And you wrote in your sworn statement to Investigator Blanton what happened after that.

(22 to page 307, line 11) A. *(22 to page 307, line 2)* She wants me to tell you that guys that she wanted to pray for me, and I was on the phone talking to my mom, and my mom could hear her in the background saying she wanted to pray for me. By this time I'm already kind of irritated because I'm already arguing, and here she is not minding her business. *(2-11)* My mom is in my ear saying, "Well, if she wants to pray with you or whatever, go ahead and let her do it." So I stand there holding the phone and she's reciting the Lord's prayer as if I don't know it. But she tries to play me as if I'm just stupid or don't know the Lord's prayer. I go to church every Sunday and³⁰¹, yes, I do know it, but I did let her say the prayer.³⁰² I didn't stop her. She did say it, and when she did say the prayer, I walked off from her. I didn't want to. Clearly I didn't want to, but I did, but she prayed.

112-141 Q. In fact, didn't you in your sworn statement to Investigator Blanton write that I told you that if you loved God you should go and apologize to that neighbor?

15-171 A. You said that, and I'm good with God. If you love God and claim to know God the way that you do, the things that you do you should not do.

181 Dr. Faltas: No objection?

191 Ms. Weiss: What?

201 Dr. Faltas: These being Defendant's exhibits 2 and 3.

211 Ms. Weiss: You can mark them.

221 Dr. Faltas: May I, Your Honor? May I?

231 The Court: May you do what?

241 Dr. Faltas: Mark them as Defendant's exhibits 2 and 3.

²⁹⁴ Teresa was terminated from "The Mentor Network" on 25 June 2009 and never rehired. Vide note 11 (part 1), supra.

²⁹⁵ Teresa was terminated from "The Mentor Network" on 25 June 2009 and never rehired. Vide note 11 (part 1), supra.

²⁹⁶ Teresa knew that Dr. Faltas and her mother bought that land in March 2009 because Dr. Faltas placed a big address sign on it on 12 March 2009.

²⁹⁷ In addition to the conspicuous address sign, note 298, supra, Teresa herself testified that Dr. Faltas talked to her about that property

²⁹⁸ Teresa's objectively-documented perjuries are aggravated by her objectively-documented lack of education; she does NOT know what "eclectic" means.

²⁹⁹ After falsely accusing Dr. Faltas again of "making stuff up," Teresa's own testimony confirms what Dr. Faltas reported.

³⁰⁰ The Prosecution's own exhibits confirm that Teresa often went towards Dr. Faltas' residence and stood under her window.

³⁰¹ 13 September 2009 is at least one Sunday Teresa did NOT "to church" because she planted herself in front of Dr. Faltas' residence. State Exx. 17-19.

³⁰² It was Teresa's own mother, not Dr. Faltas, who made Teresa pray with Dr. Faltas according to Teresa's own story.

125 **The Court:** Any objection by the State?

126-128 **Ms. Weiss:** No objection to them being marked, Your Honor. As far as evidence, I think the best evidence is the witness's testimony.

14 **Dr. Faltas:** Prior inconsistent statements, Your Honor!

6 **The Court:** What are they?

16-21 **Dr. Faltas:** They are handwritten sworn statements by her.

8 **The Court:** All right. They can be marked.

9-10 **Dr. Faltas:** Thank you. Your Honor, may I introduce them if she identifies them?

11-12 **The Court:** At this point they're for identification only.

13-14 (Defendant's exhibits 2 and 3 were marked for identification only.)

15 **The Court:** You have 15 more minutes.

16-18 **By Dr. Faltas:** Q. (Dr. Faltas hands documents to the witness.) Do you recognize Defendant's exhibits (sic) 2, please?

19 **A:** Yes.

20 **Q:** Is most of it in your handwriting?

21 **A:** Yep.

22 **Q:** Has it been sworn to by you?

23 **A:** Yes.

24 **Q:** Could you please read it for the jury?

25 **A:** No.

126-128 **Ms. Weiss:** Objection, Your Honor.

9 **The Court:** Basis for the objection?

6-9 **Ms. Weiss:** The defendant can ask the witness about anything in statements; most of these she has. If there's an inconsistent statement, I believe she can read from it to - to point to impeach ---

10 **Dr. Faltas:** That's what I ---

11 **Ms. Weiss:** --- but I object to her just reading from ---

12 **Court Reporter:** I can't take you both at the same time.

13 **The Court:** The objection is sustained.

14 **Ms. Weiss:** Thank you.

15 **The Court:** Improper use of a statement.

16 **Dr. Faltas:** I'm sorry?

17-19 **The Court:** I said improper use of a preexisting statement. The objection is sustained. Or a previously given statement.

20 **Dr. Faltas:** May I pass it to the jury then?

21 **The Court:** No, it's not in evidence.

22-23 **Dr. Faltas:** May I admit it into evidence since she identified it?

24 **The Court:** No, you may not.

25 **Dr. Faltas:** Your Honor, may I request argument on this?

126-128 **Ms. Weiss:** Objection, Your Honor.

3-5 **By Dr. Faltas:** Q. Defendant's exhibit 3, do you recognize it as most of it being in your handwriting?

6 **A:** Yes.

7 **Q:** And did you file that under oath?

8 **A:** Yeah, both of them say the same thing, I think.

9 **Court Reporter:** I'm sorry. Repeat that.

10 **The Witness:** I said yeah. Yes.

11-12 **By Dr. Faltas:** Q. What is the date of that one?

13 **A:** 11/03.

14 **Q:** Which year?

15 **A:** '09.

16 **Q:** Is Tiffany's real name Stephanie?

17-19 **A:** There you go wanting to be nosy again. Tiffany and Stephanie are two different people. If you're so smart, you would have known that.

20-23 **Q:** You claim that -- you claimed -- yesterday you testified that the Commissioner HUD, the fire chief, and police officers come to your address wanting to -- in the hope of meeting who the prostitute who is on 300 Byron Road?

24 to page 311, line 14 **A:** [24 to page 311, line 4] Yes. Yes, because you tell everybody that, and there has been several cases or incidents where I've even asked her and the judge -- we've been in court and she has been asked why does she feel that I'm a prostitute. [5-14] Her response is because I wear nails and how I dress. Anybody that wears nails or wigs or weaves is a prostitute.³⁰³ As a matter of fact, she says Marilyn Monroe is a prostitute, and who else did you say? There was a couple of other people, but that's her reason. And she feels that I take my money and spend my money on clothes. As a matter of fact, in pertaining to her calling me a prostitute, an officer came one day and asked her as well why does she call me a prostitute, and she told the officer because I spend my money on clothes.³⁰⁴ So that's her reasoning for calling me a prostitute.³⁰⁵ So when people come, they want to know: Well, let me see the prostitute, so...

15 **Q:** Okay. So did the commissioner of HUD proposition you ---

16 **Court Reporter:** I'm sorry. The commissioner of what?

17-19 **By Dr. Faltas:** Q. Of HUD proposition you, say, "I came in the hope of meeting the prostitute"?

20 **A:** Okay.

21 **Q:** "Come and be a prostitute with me"? Did anyone do that?

22 **A:** Okay.

23-24 **Q:** Did anyone come and say, "Okay. Since you're the prostitute ---

25 **A:** Okay.

126-128 **Ms. Weiss:** Objection, Your Honor.

3-5 **By Dr. Faltas:** Q. ---of 300 Byron Road, here is money. Give us sex," or something like that?

³⁰³ The "nails" Teresa wears in the 21 October 2009 photos are CONTRA-INDICATED for care-givers to children and vulnerable adults.

³⁰⁴ In the September-November 2009 photos, Teresa is dressed scandalously but beyond the means or a mere maid. Dr. Faltas did not then know that Teresa also has a history of shoplifting clothes.

³⁰⁵ CPD's Sgt. Sanders testified that Dr. Faltas showed him photos of numerous strange men going "at all hours" where Teresa lived.

13-10 A. Okay. Nobody has ever and will ever proposition me for anything like that.³⁰⁶ My family is well to do.³⁰⁷ I've been brought up with both my mother and my father. They are still married today in the same household and everything. I have no kids or anything. So for you to have an opinion, that's fine. I'm not going to even defend that. If you think I'm a prostitute, that's fine. I think you're a lesbian.³⁰⁸ So now you see how it feels? It doesn't feel good; right?

11-13 Q. I was asking those people whom you claim came in the hope of meeting the prostitute why did they hope to meet a prostitute?

14 A. Because you go around saying that to everybody.

15 Q. Yes, but what were they wanting to do with --

16 A. Why would you say it?

17 Q. My question is: Did -- how did --

18 A. I can't answer for them, but why would you say it?

19 Q. You testified that they came --

20 A. [20 to page 313, line 1] Exactly. And his exact words were, "When I went to talk to Dr. Really "Faltas about her complaints with the HUD commissioner," he was -- like when he came in my apartment compared to hers -- the buildings do look kind of like an eyesore. It's not like -- okay. It wouldn't be anyone's first choice, but the insides are really nice, and my apartment is beautiful. [2-12] When he came from her apartment into my apartment, he was like, "Oh, my gosh. I thought these apartments were ..." She's got books in the refrigerator.³⁰⁹ Who lives like that? Books -- she doesn't even eat in her house,³¹⁰ but then this man is coming in his profession saying that -- maybe he wasn't supposed to tell me what she said, but he said, "Well, don't you know I went to talk to her and she says that you're a prostitute?" So I want to meet Teresa, quote/unquote. So he comes into my apartment, and it's like, "Wow," like it's unbelievable. Everybody else is living how normal people should live.³¹¹ I don't know her...

13-14 Q. So the HUD Commissioner wanted to meet the prostitute, and you said the fire marshal also?

15-19 A. Yeah, and not only did he just come to meet me, he came to look at the apartment because obviously she had complained that the apartments were I guess bad or in a condition that's not livable, but that was clearly unfounded because it's just the way she chooses to live in her apartment, so ...

20 Q. Could you please stay on the subject?

21-25 A. That is the subject. We are talking about the HUD commissioner that came and his reasoning for coming. That's -- that's on the same thing. You just don't want to know -- you don't want them to know the entire truth.³¹² Speak the truth.

page 314, line 1 Q. Ma'am, could you please answer the question?

2 A. I am.

3-4 Q. And do you recall yesterday you also testified that the fire chief wanted to meet the prostitute on 300 Byron Road?

5 A. Yeah.

6-7 Q. So did that fire chief also tell you -- did he proposition you? Did he say I --

8-9 A. Again, nobody will never proposition me.³¹³ Never. That's what you need.³¹⁴

10-11 Q. And you also testified that the police officers come in the hope of meeting the prostitute?

12-23 A. [12-18] Well, the police officers already know because they come out there almost on a constant basis, so they know who I am. But there's just one officer that came at a time when he could visibly see that I was upset with her, and he asked her why was she doing that, and this is the same officer that had to literally almost force her to put her foot on the gas and go. [19-3] She's arguing with the officer about not harassing me and not blocking me, and the officer is clearly telling her, "I'm here in your presence, and you're harassing her now." So the officers already know who I am.³¹⁵ So they already know that she calls me a prostitute.

24 Q. And?

25 The Court: You have five more minutes.

page 315, line 1 Dr. Faltas: Five more minutes?

1 The Court: Five more minutes.

Dr. Faltas: Until we adjourn for today?

1 The Court: Yes, five more minutes.

5-6 Dr. Faltas: Thank you, Your Honor, but I will continue to cross-examine?

7-8 The Court: Well, I don't know. You have five more minutes.

9 Dr. Faltas: Well, Your Honor --

10 The Court: Ask your next question.

11-12 By Dr. Faltas: Q. Ma'am, have you been on Zolofit and Vicodin?

13 A. I never said --

14 Ms. Weiss: Objection.

15-18 The Witness: It's fine. It's fine. I never said Vicodin.³¹⁶ I said Zolofit. And if you want to know or anybody else, I take Effexor for my anxiety attacks. So since you know so much but so little ...

19-20 Q. And you had those anxiety attacks long before you met me.

21-24 A. Well, actually I thought I was having one this morning and I wasn't going to make it and terrible migraines that I got discharged for.³¹⁷ Dealing with you, yes, is causing me physical anxiety.³¹⁸

³⁰⁶ Teresa was later revealed to have been a strip dancer in her late teens/early twenties. She was likely propositioned then.

³⁰⁷ Teresa's family is NOT "well to do." Both her parents have fraudulent check convictions and she had many evictions for non-payment.

³⁰⁸ It was later revealed that the lesbian is CPD's "Investigator" Blanton. Dr. Faltas' false accusers project their own sins on her.

³⁰⁹ On 2 December 2009, CDP falsely arrested Dr. Faltas and videotaped her residence. No books ever were in her refrigerator.

³¹⁰ Teresa and Dr. Faltas' other false accuser intruded into Dr. Faltas' private life, not the reverse. This also relates to note 235, supra.

³¹¹ "Normal people" do NOT forge credit cards, receive convicted cocaine dealers, or frame the innocent in return for free rent.

³¹² The "entire truth" was in the exculpatory photos and court-proceedings audio recordings the Prosecution had illegally seized.

³¹³ Vide note 2 (Part I) and notes 306 and 307, supra.

³¹⁴ Vide note 309, supra. Dr. Faltas' false accusers know that she lives a life of religious chastity but attack her even on that.

³¹⁵ It was later revealed that CPD conspired with Teresa and other officers to spread false rumors that Dr. Faltas suspects Teresa because she is black.

³¹⁶ In *Ingram v. Triffon*, Teresa repeatedly presented evidence that she had been on Vicodin and Oxycodone (Oxycontin).

³¹⁷ Teresa was NOT discharged for "migraines." In *Ingram v. Triffon*, Teresa DENIED any pain prior to the February 2008 collision.

³¹⁸ Any "anxiety" Teresa may have had must have been related to Dr. Faltas' astute cross-examination exposing Teresa's lies.

125 to page 316, lines 21 Q. Okay. And you testified that when you took somebody's credit card and signed their name on it and got merchandise and then went out and went ---

126 Ms. Weiss: Objection, Your Honor.

127 The Witness: You keep saying that like you just want to sneak that in. That didn't happen,³¹⁹ and if it makes you feel good to keep saying that, that's fine. I've already explained how that situation happened ---

128-21 By Dr. Faltas: Q. When did it happen?

129-131 A. --- and that happened in 1998 which would make it over 12 years ago.

132 Q. And when were you born?

133 A. You don't know that?

134 Q. Ma'am, I'm asking you: When were you born?

135 A. 1976.

136 Q. So at that time you were 22.

137 A. Good.

138 Q. So you weren't just out of high school ---

139 Ms. Weiss: Objection.

140 The Witness: Did I say that?

141-21 The Court: Just a moment. The objection is sustained. Move beyond that line of questions.

143 to page 317, line 1 By Dr. Faltas: Q. And when you sued a woman for allegedly a car accident, you said that that caused you anxiety and mental distress. Isn't that correct?

143-1 A. Yeah, anything -- it doesn't have to be one particular thing that can cause a person to have anxiety attacks.

144 Q. And that accident occurred in June 2008?

145 A. I'm not sure. I don't remember.³²⁰ It happened.

146 Q. Okay.

147-51 A. And I don't think it was June. I don't think it was that far into the year.

148 Q. Okay. And that was before you met me!

149 A. Exactly. So why is that even any of your business?

150 Q. And you had the trial in August 2009!

152-14 A. You know all this better than me.³²¹ I don't know when the trial was.³²² If you say it was in August, it probably was in August.

155 Q. Okay. And you did not get any money from it!

156 A. I sure didn't, not a dime!

157 Q. All right.

158 A. I'm alive.

159-201 Q. And you claimed that that accident had been causing you anxiety and mental distress.

161 A. I never said that.³²³

162-231 Dr. Faltas: Well, Your Honor, may I show her the complaint?

164 The Court: No!

125 to page 318, line 1 By Dr. Faltas: Q. And you also claim that you never called me the B. Word!

125-3 A. Never.³²⁴ And in the tape that you want everybody to hear, if anybody can hear anybody calling anybody a bitch on this tape,³²⁵ the only person you can hear clearly on this tape is her arguing with us outside. So, yes, play your tape.

166 Dr. Faltas: I'm trying to find this ---

167-8 The Court: Unless the tape is about 30 seconds, we're not going to hear it today. How long is the tape.

169 Dr. Faltas: Well, that part where she's ---

170 The Court: How long is it?

171 Dr. Faltas: It's about 15 minutes, Your Honor.

172-13 The Court: All right. Well, I said we're leaving in 15 minutes and that was 15 minutes ago.

174 Dr. Faltas: Sorry?

175-171 The Court: I said 15 minutes ago that we were leaving in 15 minutes, so obviously we're not going to listen to a 15-minute tape.

175 Dr. Faltas: All right. So can Your Honor set ---

179-201 The Court: So you have one more minute. (Pause) Now 40 seconds.

181-231 By Dr. Faltas: Q. Did you ever write in a sworn statement that there was an altercation by people other than me in the parking lot?

124 to page 319, line 111 A. [24 to page 319, line 61 That's something that -- actually, that's something you started when you followed me and Richard that morning when you accused him of fighting me, and a couple of days later a neighbor from down the street was just walking past and I was outside either washing my car or something, and he said, "Was you home when they was fighting in the parking lot?" And I was like, "Who?" He was like a girl -- actually he said it was a white girl and black dude fighting in the parking lot. [7-11 So she clearly knew it wasn't me and Richard.³²⁶ So I put just put two and two together that when she accused him of that morning -- of me and him in the parking lot fighting... So I think that's what she's trying to refer to, but I don't know nothing about that.³²⁷

182-131 Q. So there are people who come to our parking lot and fight?

184 A. I don't know. They were -- I don't know.³²⁸

185-191 The Court: All right. Ladies and gentlemen, that will do it for this day. 9:30 tomorrow morning. 9:30. 9:30. 9:30 tomorrow morning. Do not take any exhibits with you. We look forward to seeing you all. I'm sure you all look forward to seeing us. 9:30 tomorrow morning;

190-211 (Whereupon, the jury was excused from open court for the day at 5:55 p.m.)

192 The Court: You may step down, Ms. Ingram.

193 The Witness: Thank you.

194 The Court: Is there anything before we leave this day?

195 Dr. Faltas: Yes, Your Honor

196 The Court: All right. Yes, ma'am?

³¹⁹ Vide notes 173 and 174, *supra*.

³²⁰ Teresa remembered enough to say the collision was before June. Dr. Faltas' question had confused the collision date with the complaint date

³²¹ Teresa knew that Dr. Faltas did NOT then have the *Ingram v. Triffon* TRANSCRIPTS and thus knew much LESS about it than did Teresa.

³²² Teresa's *Ingram v. Triffon* trial ended exactly six month before this testimony. Normal 34-year olds do not forget so quickly.

³²³ Teresa's *Ingram v. Triffon* complaint DID "say that."

³²⁴ Teresa is on tape having insulted Dr. Faltas with the B word. That day, Dr. Faltas had only a copy of a copy of that tape.

³²⁵ That tape was among Dr. Faltas' property illegally seized from her home and car on 2 December 2009.

³²⁶ After Teresa's public "ex-boyfriend situation," it was reasonable for Dr. Faltas to fear violence in the area from Teresa's men.

³²⁷ Throughout her cross-examination, Teresa would pretend to not know something yet testify about it in much detail.

³²⁸ Vide note 327, *supra*.

2-5 Dr. Faltas: I have a municipal trial tomorrow morning and, of course, I'll be here all day. I didn't get a chance -- actually, it's before Executive Judge Turner, so I need something to---

6 The Court: She knows where you'll be tomorrow.

7-8 Dr. Faltas: So no more -- so I'll file a motion for a continuance. The second thing is ---

9-11 The Court: She knows that you're in this trial. You have -- you subpoenaed her here today, so she knows that you'll be here tomorrow.

12-16 Dr. Faltas: Your Honor, I think I have about an hour and a half more of cross-examination of this witness. At this point may I know what the State's projected schedule is and when I will get to put up my case? I'm considering that Your Honor is not a resident judge here, how that would go.

17-21 The Court: All right. Well, tomorrow is Thursday. This session of court will end on Friday. I'm assigned to be in Fairfield County next week, Lexington the week thereafter, and not assigned to be back in Richland anymore for the next several months that I know of.

22 Dr. Faltas: So I mean --

23-24 The Court: Other than common pleas court in -- is that April? So I don't know.

25 Dr. Faltas: So --

page 321, lines 1-2 The Court: On Saturday the mock trial will be in this courtroom.

26 Dr. Faltas: Pardon?

41 The Court: A mock trial will be in this courtroom.

42 Dr. Faltas: A block trial?

43 The Court: We won't be here on Saturday. Yes.

44 Dr. Faltas: Did you say block trial ---

45-49 The Court: Mock trial with high school students. I won't be here Saturday nor Sunday.

110-111 Dr. Faltas: So, Your Honor, then may I ask that you make the State give a time certain so that ---

112 The Court: Make the State rest?

131 Dr. Faltas: At a time certain.

114-118 The Court: All right. Well, I'll be happy to impose time limits on everything in the trial. I'll be happy to impose time limits on direct examination, time limits on cross-examination, time limits on arguments. I'll be happy to do that if that's what you would like for me to do.

119-201 Dr. Faltas: Well, so long as they allow for me a fair chance to put on my case.

211 The Court: Do you agree that ---

221

(A telephone rings in the courtroom.)

223-251 The Court: Oh, boy. Oh, boy. Let's let her slide this time. She's worked hard being on a 403... She won't do it again. We'll let her slide!

page 322, line 11 Lady In The Courtroom: I apologize!

2-51 The Court: But I appreciate you being on the case though. Yes, ma'am? You -- you think that there should be time limits so that you'll have an opportunity to get your defense in so that we can finish this case on Friday!

6-7 Dr. Faltas: Yes, Your Honor, or possibly on Saturday. I mean ---

9-11 The Court: We can't be here Saturday. The court - the county has already agreed to host the mock trial competition which takes place every year, and they'll be using these courtrooms.

12 Dr. Faltas: All of them?

113-116 The Court: Yeah, and the court reporter has a previous engagement on Friday. I have something else to do on Friday. What do you have on Friday? Saturday. Saturday. Saturday, not Friday. Saturday.

117-119 Dr. Faltas: Well, Your Honor, of course, another court reporter can be brought in.

119 The Court: But you can't bring in another judge.

120-211 Dr. Faltas: No, I understand. I didn't know that Your Honor ---

122 to page 323, line 61 The Court: Well, we're on to something: Time limits to get this trial done. That's -- that's what we're on to. But, for example, this one witness has taken all day, and you say you have another hour and a half more of questioning of her, much of which you've been very repetitive in doing. So if we can agree on some -- you know, I generally do not like to impose time limits on folks asking questions, and even though I'm certain the jury would love for there to be time limits placed on the length of time people are on that stand asking questions ...

7-81 Dr. Faltas: Well, Your Honor, I mean, what is the alternative? That I don't get to put a defense?

9-11 The Court: Well, you have a right to put up a defense, but you've -- you've -- how many witnesses do you anticipate having?

112-121 Dr. Faltas: Well, I don't even know who else the State will put on, but I definitely, God willing, plan to testify myself unless there is a directed verdict at the end of the State's case. But what I wanted to say: The State presented a hundred exhibits and the witness, you know, freelanced on everything. I asked simple yes or no ---

118-251 The Court: Well, you were asking her about photographs that you took, and you intend to testify. So you want her to tell what's in the pictures. Then later you want to say what's in the pictures, and then after asking her what's in the pictures, then you want to put the pictures down and then ask her more questions about what happened regarding what was -- what was in the pictures. So, you know, much of that can be condensed!

page 324, lines 1-21 Dr. Faltas: Your Honor, I was following the State's direct examination, and I think I have a right to do that!

13-51 The Court: Well, I'm not questioning that at all! We're just discussing the means to which this matter can be shortened somewhat. That's what we're talking about.

16-51 Dr. Faltas: All right. Can the State tell us how many witnesses it has and can there be a time certain for the State to finish its case?

9 The Court: All right. State?

101 Ms. Weiss: Yes, Your Honor.

111-121 The Court: She wants a time certain for the State to finish. How many more witnesses do you have?

13-191 Ms. Weiss: I anticipate calling one, two, four, five, six, seven -- possibly seven to eight more witnesses! Depending on how the testimony goes, I may be able to shorten that. I would love to have -- time limits would be perfectly fine with the State. I don't anticipate -- most of these witnesses should be -- actually, all the witnesses should be very short.

20 The Court: All right.

21-221 Dr. Faltas: Well, Your Honor, unless the witnesses have admissible evidence, could we ask now who the witnesses are?

23-251 The Court: The investigators and police officers and other people who were out there whose pictures were taken, et cetera. Those are probably the witnesses.

page 325, line 11 Ms. Weiss: (Nodded head up and down.)

12-31 Dr. Faltas: But, for example, Investigator Blanton admitted that she never personally observed anything!

14-51 The Court: She's not testified yet in this trial. She testified in the suppression hearing.

16-51 Dr. Faltas: Well, I'm sure she will testify at the different thing once she testified under oath that she never observed any event!

9-131 The Court: Well, I don't know what she plans to testify to, but if you all want us -- want a one-hour limit to be placed on all witnesses - 20 minutes for direct exam and 40 minutes for cross-exam or 30 minutes for direct and 30 minutes for cross - I'll be happy to impose that.

141 Dr. Faltas: Yes, please, Your Honor and - but ---

151 The Court: Would you like for me to do that?

116-181 Dr. Faltas: Yes, Your Honor, so long as the State rests by Thursday, God willing tomorrow, by 5:00 so I can get to present a defense.

119-201 The Court: All right. All right. That means you might not have another hour and a half with Ms. Ingram up here.

21-231 Dr. Faltas: Well, I mean, I don't know how long her witnesses will be, especially -- especially if they have no admissible evidence.

241 The Court: Right.

125 to page 326, line 11 Dr. Faltas: If they did not personally observe anything.

12-41 The Court: All right. I understand. Well, we'll see how it goes, but based -- would you want me to impose those time limits as well?

41 Ms. Weiss: Yes, Your Honor.

16-91 The Court: All right. The parties have agreed for there to be time limits that the court will impose and that -- and that further that the State will rest by the end of the day tomorrow?

101 Ms. Weiss: Your Honor, if we can ---

111 The Court: Can we go up 'til 6 tomorrow?

112-141 Ms. Weiss: If we can set a limit on the cross-examination of the victim in the morning, I have no problem resting tomorrow.

115-191 The Court: All right. And will necessitate your having no more than one-half hour more with the victim so that we can start with the other witnesses by 10:00, 10:15 at the latest.

19-23 **Dr. Faltas:** *Your Honor, I think I deserve an hour and a half with the alleged victim and after that we can -- she can shorten her other witnesses and especially -- I mean, I don't want her to be putting witnesses whom she knows have no admissible evidence---*

24 **The Court:** Right. ^{125 to page 327, line 11} **Dr. Faltas:** *---and I try to object and, Your Honor, you know -- and I look bad to the jury.*

2-8 **The Court:** Yeah. Well, part of the hazards of a *pro se* litigant is that oftentimes no matter how many law books you might read -- but you still do not know proper trial procedures and the rules of procedure and the rules of evidence, and if you don't, then quite often you will have objections sustained and overruled that will not go in your favor.

9-10 **Dr. Faltas:** *Am I wrong in that witnesses who did not observe things personally cannot testify? Am I wrong?*

11-16 **The Court:** Any witness the State calls can testify and any -- you object to whatever testimony that the State offers, and I will rule based on every objection that everyone makes. I cannot foretell the substance of any testimony or what my rulings would be as to any testimony offered.

17-18 **Dr. Faltas:** *Has Your Honor considered further the issue of the unconstitutionality of the statute?*

19-20 **The Court:** Yes, I've considered it further. I will -- I will rule on that by day's end tomorrow!

21 **Dr. Faltas:** Thank you, Your Honor. 21 **The Court:** Okay? 23-24 **Ms. Weiss:** Your Honor, may I ask a question about the timeliness? 25 **The Court:** Yes.

^{page 328, lines 1-3} **Ms. Weiss:** If the State does not go for a full 30 minutes, it's still 30 minutes for the defense. We each have 30 minutes. 4 **The Court:** Yes.

6 **Ms. Weiss:** So if I choose to go shorter to try to get the witnesses in more quickly ---

7-10 **The Court:** Right. That limitation will not be imposed on Ms. Ingram. She has another full arsenal of questions for her tomorrow that will take at least up to an hour and a half you think?

11 **Dr. Faltas:** Yes, Your Honor.

12 **The Court:** All right.

13-15 **Dr. Faltas:** And, Your Honor, may I say that if the State finishes before the end of the day tomorrow, may I start before then?

16 **The Court:** Yes, absolutely.

17 **Dr. Faltas:** Unless there is a directed verdict.

18 **The Court:** Absolutely.

19-21 **Ms. Weiss:** But, Your Honor, I will say that it is the State's burden of proof, and I do intend to call all the witnesses that I need to call to put up my case.

22-23 **The Court:** Absolutely. You have a right to call whatever witnesses you choose to call.

24 **Ms. Weiss:** Thank you, Your Honor.

25 **Dr. Faltas:** *Your Honor, have I offended you?*

^{page 329, lines 1-2} **The Court:** Not in any way. You've been most pleasant and gracious, and you have not offended me in any way!

3-7 **Dr. Faltas:** *Your Honor, I think -- in fact, I was surprised at the admissions that were made as far as the search warrant and I hope you -- I mean, I think the evidence was even better than I expected, and I hope you don't think I made the suppression motion frivolously.*

8-11 **The Court:** No. No, you didn't. I did not consider the motion frivolous at all. I thought it was appropriate for you to make the motion, and I ruled based on the evidence offered as I saw it, but I have no problem with ---

12-13 **Dr. Faltas:** Should I brief the issue further of the -- that it should have been the ...

14-16 **The Court:** I've ruled on that issue of the -- I've ruled on the search warrant, and the evidence is in. The evidence consists of the photographs.

17 **Dr. Faltas:** Do I need -- I'm asking to preserve it.

18-20 **The Court:** Are there other -- is there other evidence other than photographs that were taken that you intend to offer?

21 **Ms. Weiss:** Photographs and audiotapes.

22-23 **The Court:** Yeah. Those things are, you know, matters that you'll be using as well.

24 **Dr. Faltas:** *But they are my property.*

^{25 to page 330, line 4} **The Court:** Yeah. But, still, that's the -- under any analysis it's almost not the matter of the subject of a search! If you made -- if you take pictures and you're acknowledging that you took the pictures and all of that so ...

6-7 **Dr. Faltas:** *Your Honor, the reason I needed the search to be declared invalid is that they are still to this day holding on to more of my property!*

8-9 **The Court:** Yeah. Well, those are separate issues not germane to this trial!

10 **Dr. Faltas:** Well ---

11-14 **The Court:** But I've ruled on that search warrant issue, and I am going to stand by that ruling. Anything regarding other property and all, that's another matter for another day, maybe even for another judge!

15-19 **Dr. Faltas:** Well, Your Honor, all the motions were assigned to Your Honor, and I need to be able to -- I wasn't -- even after she was told to make the arrangements, the arrangements weren't honored, and I still wasn't able to hook my computer up!

20 **The Court:** What's wrong with the computer now? 21 **Dr. Faltas:** Sorry? 22 **The Court:** What's wrong with the computer now?

^{23 to page 331, line 2} **Dr. Faltas:** They didn't come at the time they said they were coming, and so I wasn't able to have enough time to take it to the apartment and connect it and test it. Besides, there are a matter of maybe 180 floppy disks that I need to test.

3-8 **The Court:** Well, that's -- as I indicated, we're doing the trial now and that's -- to a great degree, that is a collateral issue not germane to the proof in this case. That's a matter involving -- almost of a civil nature, but we'll address any other relevant issues of this case that we need to, including that if we need to!

9 **Dr. Faltas:** Thank you, Your Honor.

10-11 **The Court:** But that won't be right now because I am leaving. We're in recess!

12 **Dr. Faltas:** Thank you, Your Honor.

13 **Ms. Weiss:** Thank you, Your Honor.

14-16 (Whereupon, the trial concluded for the day at 6:11 p.m. and resumed the following day, February 25, 2010, as follows.)

¹ Solicitor Weiss had admitted in colloquy on 22 February 2010 that the Prosecution had provided Dr. Faltas black-and-white copies only. Vide footnote 167, supra. It adds to the proof that the Prosecution always knew it had no true evidence with which to convict Dr. Faltas.

² Solicitor Weiss' failure to identify the exhibit number at Tr. p 211, lines 10-11, supra, drew an admonition at id, lines 13-14; but she violated the admonition at pp 220, lines 14, 16, and 22-23; 224, lines 9-10, 12, 15, 17, 19, and 25; 225, line 7; and 226, lines 14-22; but Dr. Faltas always heeded it at p 237, lines 18-20; 241, lines 16-17; 250, lines 23-24; 252, lines 13-16 and 18-19; 253, lines 5-6; 257, lines 3-6; 260, lines 17-19; and 277, lines 12-14.
