Respondents.

Appellate Case No. 2016-001989

ORDER

On October 10, 2017, this court extended the time for serving the record on appeal until November 6, 2017. Appellant has not served the record on appeal, however, Appellant has filed a "motion to file relevant documents."

To the extent that Appellant is requesting clarification as to whether certain items Appellant designated should be included in the record on appeal, Rule 210, SCACR, provides that the record on appeal shall include all matters designated in the parties' designation of matter under Rule 209, SCACR. Appellant is reminded, however, that she shall not include any documents in the record that were not presented to the circuit court. *See* Rule 210, SCACR. Further, although citations to relevant cases should be included in the parties' briefs, legal authority shall not be included in the record on appeal.

Appellant shall serve the record on appeal on Respondent within ten days of this order. No further extensions will be granted absent extraordinary circumstances.
