2017 OCT -2 P 12:05
SOUTH CAROLINA DEPARTMENT OF CORRECTIONS

•Substance Abuse Treatment - LOC Classification Code: SA

•Habilitation Program - LOC Classification Code: ID

•Behavior Management Unit - LOC Classification Sub: BU

•Intermediate Care Services - LOC Classification Code: L2

•Self Injurious Behavior Program - LOC Classification Code: LC

6.1.3 Outpatient: Inmates who have the ability to function in general population may be housed in general population or structured living units. Outpatient inmates are mildly to moderately impaired and/or need monitoring due to a need for medication management, recent move from higher level of care, history of self injurious behavior or mild/moderate symptoms present and/or to maintain stability. There are two (2) levels of outpatient care:

•Higher Intensity Outpatient Treatment: LOC Classification Code: L3; and

•Lower Intensity Outpatient Treatment: LOC Classification Code: L4.

6.1.4 Assignment will be based on review of treatment needs. Inmates who are on more complex medication regimens, or viewed as being less stable or more needy, are classified as Higher Intensity. Institutions designated as suitable for housing Higher Intensity Outpatients will be staffed at a higher level to accommodate additional mental health programming.

6.1.5 Work Release Eligible: Inmate has one or more mental health diagnoses; however, the individual's symptoms are in remission and/or well controlled with treatment. If a mentally ill inmate is considered eligible for work release, his/her case is reviewed on an individual basis by the Treatment Team and the chief psychiatrist to determine if his/her treatment plan can be continued in a work release program (LOC Classification Code: L5).
