MOTION FOR EXTENSION

Pursuant to Rule 240, SCACR, the Respondent McGuinn Construction Management, Inc. requests a 30-day extension of the deadline for filing and serving their initial brief in this case. The current deadline is December 20, 2017. This is the first

request for an extension for this brief. This Motion is made on the grounds that, due to an unusually heavy workload including out of state depositions and the holidays, Respondent needs additional time to respond to the Petitioners' Brief. This extension request is not intended for purposes of delay. Further, there would be no prejudice to the parties by an extension of time. By the undersigned's calculation the extension, if granted, would extend Respondent's deadline for filing its Initial Brief to January 19, 2018.

WHEREFORE, Respondent respectfully prays that this Court extend the deadline for the service and filing its Initial Brief until January 19, 2018.

Respectfully submitted,

By:
