

Dear Ms. Kitchings

I am rewriting you concerning Appellate Case # 2016-002126. I wrote you during the last week of Nov. Requesting an additional 45 day extension on me filing my ProSe brief for the Reason of being transfered and on lockdown and no access to the law library.

I haven't heard back from ~~the~~ you and I'm scared that my letter may have gotten lost in the mail. My original deadline was Nov 30 since I haven't heard from you till yet this is a lot of work if you didn't grant me an extension. I do feel like I may have found some merit that my Attorney looked over so an additional 45 day extension from today would be greatly appreciated. Today is Dec. 11, 2017. I think I previously wrote you on Nov. 20.

Thanks
