Re: Barry Clarke vs. Fine Housing, et. al. Case #: 2015-CP-10-03038  
Appellate Tracking Number: 2017-002285

Dear Amelia,

I am requesting a 30-day extension to file the Respondent's Initial Brief. (We are cross appellants.) I believe the appellant's initial brief is due sometime in early January, and I have no objection to his deadline being expanded so that our initial briefs are due at the same time. Since this is my first request for an extension, I am making it via an informal letter, and I am including our firm's check in the amount of \$25.00 as the filing fee for this request. This extension makes the Cross-Appellant's Initial Brief due on or before Friday, January 26, 2018. I have consulted with opposing counsel who has no objection to this request, and I have no objection if his deadline is extended so that our briefs arrive at the same time. I thank you in advance for your attention to this request. With kind regards, I am

Very truly yours,
