SC Court of Appeals

I Joseph Leforest Jones who's incarcerated at the
Liebet Correctional Institution am writting to Humbly
beg of the Courts to allow me the reconsideration for
said appeal for case # 2017-001723 of the Appellate
cases - The State v. Joseph L. Jones,

I had sent the Appellate Defense a letter after
receiving the Oct. 18th 2017 notice. In said letter
I requested counsel because it's my (5th) amendment
right in which I feel has now been violated.

I also feel my right to go to the law library on
the Liebet yard because in the Ashley Dorm the
administration has the Dorm on rotation and
the yards always on lock down, because of the
killing and fights that go on here. I also found
out that someone escaped from here in May, "2017."

I don't believe the judgement that was made was
justified because I didn't have or have any example
of anything of what a petition even looks like,
in format or words.

Respectfully, Joseph Jones, 292363

Thank you.
