REF: Case # 2016-000598

Ms. Hitchings:

I requested an extension up to February 15, 2018 to complete and submit all documents due to being in an excess of 10,000 pages. I will complete Final Brief and Record On Appeal by January 15, 2018 but additional time is needed for other documents. The same reasons as stated before provides a clear understanding for additional time. The pure harassment, deliberate distortions by Respondents, financial burdensome, re-submitting previously filed documents and error of the Court.

Sincerely,

Clayton B. Smith
