SC Court of Appeals

To the Court of Appeals:

My Reason for writing you is about how George Gallager as well as my Case Worker Mrs Jennifer as well as the Sister Company know as Blue Cross Blue Shield worker Compensation division.

has be brutally bullying me for the past three years. My wife and family are up set and very angry at the way they have been violating our life my health my finances, and our peace. We are all Godly people even when we are at a family function they are on the side of the road in cars vans and Trucks

It has gotten so bad they have been moving in plants, because of all my injuries I am not able to live on top floors and thats were they are because of All the attack my mental health.

has gotten worse the tamper with my
Mail as well & I haveing ~~them~~ a hard
Time Couping from day today I think
about Harmasidel and Suicide daily
My wife and I cant sleep at night
because of the tactics they do. We dont
even sleep in our beds any more
it has been Solong ago that we had any
peace the Plant's that live above us
has been hiding be hind a hidden agenda
The nebaues that lived here befor just recently
Mouved the told us he does speak to
them and they beleave he is Racist
he lives in apportmen 254 we live in
253 on the bottom his tag on his Car
is GKY 856 South Carolina plates
I have maney plates on the car's
that would just follow us or park
on side of the road there is
no doute about what he is doing
my wife is a witness to it all And will
be happy to be a witness to this vicious
Attack.

So I'm asking please help us in
this matter because I had to pay
for my own surgery to my left shoulder
and I also wear a back brace and walk
with a cone and were tens unit to help
with the pain. I affrade some one
is going to get hurt badly if this behavior
does not stop. The Attorney George Gallger
would not own up to all of my injuries
so that allow me to believe why the
attact from them are so aggressive
and maybe more I just want the
help to fix All my injuries that happen
on there job I all ready 41% disable
to my right shoulder and 25% whole body
I'm asking the Court to please help
us we reported them to the office here
and even got the police involved and
nothing is working so we are praying the
Courts will help us. (God bless)
