SC Court of Appeals

To the Court of Appeals:

My reason for writing you is about how George Gallager as well as my Case Worker Mrs Jennifer as well as the Sister Company know as Blue Cross Blue Shield worker Compensation division.

has been brutally bullying me for the past three years. My wife and family are upset and very angry at the way they have been violating our life my health my finances, and our peace. We are all Godly people. even when we are at a family function they are on the side of the road in cars vans and Trucks. It has gotten so bad they have been moving in plants, because of all my injuries. I am not able to live on top floors and that's where they are because of all the attack on me My Mental health

has gotten worse the tamper with my  
mail as well & I haveing ~~them~~ a hard  
time Couping from day today I think  
about Harmasidel and Suicidel daily  
My wife and I cant sleep at night  
becaus of the tactics they do. We dont  
even sleep in our beds any more  
it has been so long ago that we had any  
peace the plant's that live above us  
has been hiding behind a hidden agenda  
the nebour that lived here befor just recently  
Mouved the told us he does speak to  
them and they beleave he is Baci't  
he lives in appartmen 254 we live in  
253 on the bottom his tag on his Car  
is GKY 856 South Carolina plates  
I have maney plates on the car's  
that would just follow us or park  
on side of the ~~road~~ there is  
no doute about what he's doing  
my wife is a witness to it all and will  
be happy to be a witness to this vicious  
Attact:

So I'm asking please help us in this matter because I had to pay for my own surgery to my left shoulder and I also wear a back brace and walk with a cane and were tens unit to help with the pain. I affrade some one is going to get hurt badly if this behavior does not stop. The Attorney George Gallger would not own up to all of my injuries so that allow me to beleave why the attact from them are so aggressive and maybe more I just want the help to fix All my injuries that happen on there job I all ready 41% disable to my right shoulder and 25% whole body. I'm asking the court to please help us we reported them to the office here and even got the police involved and nothing is working so we are praying the courts will help us. (God bless)
