Record on Appeal Due Date

Dear Ms. Kitchens:

Today I filed a response to the respondent's motion to strike. I don't intend to file a reply brief. By my calculation the Record on Appeal is due January 2 under normal circumstances. However, that document is dependent on the motion ruling. I don't know what to expect on the timing but if a ruling was handed down next week I would be hard pressed to meet the due date considering the holiday season. I can find nothing in the ACR that addresses the schedule when motions are involved.

Please give me some direction. Thank you for your continued consideration.

Sincerely,

FM Haynie
