RE: Cornell Devon Tyler v. State; Appellate Case No. 2017-002055

Dear Sir:

I am writing to request my third 30 day extension for filing the Petition and Appendix in the above referenced PCR appeal. I am not making this request for the purpose of delay, but it is necessary due to an unforeseen circumstance. I fell and broke my right leg on December 28th, and I have been able to work in a limited capacity for the last few weeks dealing with a considerable amount of pain. As a result, I have not had the anticipated time to complete the Petition or Appendix. I had planned to file without further extension, but the last few weeks have not gone as planned. Therefore, it would be greatly appreciated if I could receive a third extension for filing.

Thank you for your consideration in this matter. Please contact me if any additional information is needed.

Yours truly,

Tricia A. Blanchette
Attorney at Law

I consent,
